

The ultimate husband in Chinese chapter 881-890

Chapter 881 I

dreamed of you telling me in my ear that you will take care of me for the rest of my life...

At this time, Liu Xuan, she wanted to rush in desperately, threw herself into Yue Feng's arms, hugged him tightly, and cried one game!

However, as soon as she took a step, she stopped, as if her body froze.

No, I can't see my husband..

My face has become like this, I hate it when I look in the mirror, how can I see him?

I'm afraid my husband doesn't even recognize me... I'm so ugly, I'm no longer worthy of my husband...

Thinking of this, Liu Xuan only felt a tightness in her chest and heartache.

"Husband... Can you hear my heart, I miss you so much, as if I was hugged by you and talked to you. I really want to... But I really can't be like this now. Seeing you, really..."
Liu Xuan murmured to herself, the past events came up one after another, and the tears couldn't stop at all.

"Seeing that you're all right, living well, Xuan'er is so happy, really happy..." Liu Xuan's voice was getting smaller and smaller, she could barely hold on anymore, and could faint at any time.

Even so, Liu Xuan's eyes were still closely watching Yue Feng in the shopping mall, not letting go of every moment.

She was so scared.

I'm afraid this is a dream.

Before she wakes up from the dream, she has to take a good look at Yue Feng, even from a distance!

Leng Yan, who was on the side, watched Yue Feng closely for a while, and finally heaved a sigh of relief and frowned: "Ugly, there are so many people here, I don't have a chance to do it, we can only follow him secretly first to find an opportunity."

After speaking, Leng Yan ordered without looking back: "Did you see the man in front of the car? His name is Yue Feng, and he is the target of our assassination this time. You

should take a good look at his appearance, and we will start tracking later, listen. Are you here yet, ugly.”

This chapter is provided by . Visit for daily update.

Liu Xuan didn't respond.

Leng Yan frowned and turned her head. Seeing Liu Xuan's dejected appearance, she suddenly became furious: “What are you stunned for? Are you deaf or dumb? Can't you hear me?”

Liu Xuan still didn't respond, staring blankly. Yue Feng in the shopping mall is like a lost soul.

At this moment, Leng Yan was completely angry and pointed at Liu Xuan and scolded: “Waste thing, if you continue to be so absent-minded, get out of here now. People like you are not qualified to join Lingyin Pavilion at all, you are not ugly. Fa sees people, but the pavilion master has accepted you as a closed disciple...”

Ugly can't see people!

This sentence suddenly stabbed Liu Xuan's inner pain, and she couldn't help shouting at Leng Yanjiao, “Don't say it again!”

Just because she became ugly, her beloved was clearly in front of her eyes, but she couldn't. See you!

What?

How dare this ugly bastard yell at himself?

Leng Yan was stunned for a moment, and anger surged in an instant!

“Crack!” The

next moment, Leng Yan raised her hand and slapped Liu Xuan's face with a slap in the face!

This slap, Leng Yan used all her strength, and it was extremely crisp!

“You've grown more capable, right? You dare to talk back to me, get out, get out of here now!” Leng Yan glared at Liu Xuan and said coldly.

Liu Xuan covered her face, did not speak, and did not leave.

Senior Sister's assassination target is Yue Feng, how can he go? ! I can't let my husband go wrong..

"Don't go, okay, well, I'll give you another chance." Leng Yan said angrily: "From now on, you have to listen to me in everything, and don't violate it, otherwise, you will disappear from my eyes, Don't let me see you again, have you heard?"

"I...I see..." Liu Xuan covered her face and whispered.

When she said this, Liu Xuan looked at Yue Feng again.

Husband, I'm sorry, Xuan'er can't meet you. Xuan'er is so ugly now that she has no face to see you...

But from now on, Xuan'er will always silently follow behind you and be your little protector.

Lingyin Pavilion has the grace to recreate Xuan'er. Xuan'er will not hurt senior sister, but Xuan'er will not let senior sister hurt you.

Husband, you used to protect me.

Now.... it's Xuan'er's turn to protect you.

Chapter 882

However, at this time, Yue Feng didn't notice Liu Xuan at all.

I slapped Wu Liang just now and sent him several dozen meters away, almost killing Wu Liang!

At this time, everyone around looked at Yue Feng blankly, unable to say a word!

This.... this kid dares to hit Wu Liang..

You must know that Wu Liang is the owner of this shopping mall. He is in Zhongzhou, and he is a person with a face! Even if this kid is rich, he can't be so arrogant!

"You, you dare to hit me, you are courting death!"

At this moment, Wu Liang struggled to get up, his eyes staring at Yue Feng, full of resentment.

Yue Feng looked at him coldly: "You slapped my sister, this slap, it is only right for you to come back. Besides, this shopping mall is now mine. You are not welcome here, get out."

Hearing this, Wu Liang gritted his teeth and pointed at Yue Feng: "You, your billions in cash, I don't care! I won't sell you this mall! You hit me, I'll let you lie down!" The

voice fell, only seeing dozens of security guards running around from the shopping mall, they surrounded Yue Feng at once!

Yue Feng showed a smile: "Didn't you say just now that you will sell the mall for one billion?"

"I don't sell it, I won't sell it for any amount of money!" Wu Liang roared loudly, shouting at the surrounding security guards: "Give it to me. Kill this kid, it's up to me if something goes wrong!" The

voice fell, and the group of security guards rushed up.

As a result, at this time, only a short distance away, a man and a woman came quickly from the direction of the office.

"What happened?"

"Wu Liang, what's the situation? We are in the office, waiting for you to talk, why haven't you come back for so long?"

This man and a woman, the man in a black suit, has a good aura, and he is not angry and arrogant!

It is the CEO of Heihu Real Estate Company, Li Heihu!

However, everyone's eyes were focused on the woman.

This woman was dressed in a long wine red dress and stepped on high heels. She had a compact and charming figure, and was no less than those popular stars!

It is the president of Dafeng Real Estate, Zhao Lu!

Yes, this mall is indeed Wu Liang's. But this building in the mall was rented by him!

This building was built by Li Heihu and Zhao Lu together.

Over the past year, Dafeng Real Estate, under the management of Zhao Lu, has been booming! Just last fall, Zhao Lu and Li Heihu jointly bought the land and built the building. Then rented it to Wu Liang.

But Li Heihu and Zhao Lu didn't ask him for rent at all. Instead, he asked for an 80% stake in this mall.

So, the big bosses behind this mall are actually Zhao Lu and Li Heihu.

The three of them were in the office just now, discussing how the mall will develop next. The result was halfway through, and Wu Liang came out.

Li Heihu and Zhao Lu were in the office, and after waiting for him for a while, they didn't see him coming back, so they came out to take a look.

At this time, Zhao Lu was more beautiful and charming than before, and she also had the temperament of a cold and cold female president all over her body.

hiss!

Many men present were dumbfounded. I have to say that Zhao Lu's aura was very strong.

Although it was only a woman, but walking with Li Heihu, the aura was not lost at all.

"Mr. Li, Mr. Zhao, it's okay." Wu Liang smiled and said, "It's just a small situation, I can solve it soon."

Wu Liang was very respectful to Li Heihu and Zhao Lu. After all, this building is owned by people.

"A little situation?" Zhao Lu frowned, looking at the cash all over the floor and the slap print on Wu Liang's face, feeling a little dazed.

Chapter 883

What is this for?

So much cash, hundreds of millions, right?

Wu Liang continued to laugh and said, "Mr. Li, President Zhao. It's like this, this kid has a billion in cash to buy our shopping mall, and he dares to do it to me. I'm tired of living, and I'm about to let him teach him a lesson. ..."

With that, Wu Liang pointed to Yue Feng not far away.

What?

One billion cash, want to buy a mall?

Li Heihu and Zhao Lu were shocked at the same time, and then they looked in the direction at the same time.

Seeing this, Li Heihu was almost scared to death, and looked at Zhao Lu, both of them were so excited!

It has been a year. During this year, Zhao Lu has made many calls to Yue Feng, but they can't get through. Now that Yue Feng was standing in front of him alive, Zhao Lu only felt her legs go weak and tears were about to flow down.

"You want to teach him a lesson?"

Li Heihu looked at Wu Liang with a cold face, suppressing his anger.

Wu Liang nodded again and again and sneered: "This kid dares to come to our shopping mall to pick things up, he's really tired of living..."

"Am I going to go to you, shit!" Before

he finished speaking, Li Heihu shouted angrily and kicked On Wu Liang's stomach: "You are blind!"

"Boom!"

This foot was almost exhausted, but Wu Liang only felt great pain and sat on the ground all of a sudden.

At this moment, everyone around was stupid, and no one knew why Li Heihu suddenly acted!

"Mr. Li!" Wu Liang was completely blinded, and looked at Li Heihu blankly: "It's this kid who picks things up, how did you hit me?"

"Clap!"

Li Heihu's face was ashen, he slapped him again, and roared, "I hit you? Even if I kill you now, it's not too much!"

"Mr. Li, why, why..." Wu Liang Gritting his teeth: "We've been working together for so long, why did you beat me for this kid..."

"I'll tell you why." Zhao Lu on the other side walked over with her high heels, looking at Wu Liang condescendingly and pointing. Yue Feng said, "Do you know who he is?"

"Sister Lu...I...I don't know him..." Wu Liang whispered.

"You don't know him, then I'll tell you." Zhao Lu said coldly, word by word: "This person is Yue Feng. It was Yue Feng who led Tianmen and vowed to defend Donghai City! Without him, we would The whole continent is over! Without him, this continent would

be ruined! Without him, you can still live a good life now? You can still invest in business!”

Om!

At this moment, the audience was silent!

Everyone’s eyes are on Yue Feng, the entire shopping mall is terribly silent!

He... is he Yue Feng?

Tianmen Sect Master Yue Feng!

Although it has been a year since the Battle of the Star Zhailou, no one knows about Yue Feng’s deeds on the Earth Circle!

After Zhao Lu finished speaking, she stepped on her high heels and walked straight to Yue Feng.

When she got to the front, Zhao Lu couldn’t hide her excitement, and her face was respectful: “Dad...Dad, you’re back...”

Zhao Lu’s voice was small, she bit her lip and continued: “Dad... Dad..I have lived up to your expectations..The business of Dafeng Real Estate has expanded from Donghai City to several other urban areas..”

Yue Feng looked at her with a smile and nodded in approval: “Well, you did a good job, I really didn’t choose the wrong person.”

“Dad, shall we go to the office...” Zhao Lu whispered. Yue Feng disappeared for a year. In Zhao Lu’s heart, there were many things she wanted to ask Yue Feng. After all, this is a shopping mall lobby, so it is inconvenient to speak.

Chapter 884

Yue Feng nodded, and led by Zhao Lu, walked to the office on the second floor.

“Wu Liang!” As soon as Yue Feng left, Li Heihu roared and kicked Wu Liang’s head: “I’m sorry, Wu Liang, let me tell you, next, all the cooperation between us, all Terminate! This mall still has 20% of your shares. Take your dividends and get out of here!”

“Mr. Li...”

Wu Liang shuddered and slumped on the ground, completely stupid .

It’s over, I offended Li Heihu, and I’m afraid there will be no good days in the future.

“Go away!”

Li Heihu was furious and slapped again. How could Wu Liang dare to say nonsense and leave as if running away.

Looking at Wu Liang’s back, Li Heihu spit, and then followed Yue Feng.

Office on the second floor.

Yue Feng sat on the office chair, while Xiao Xi served.

In front of Yue Feng, Li Heihu and Zhao Lu stood respectfully.

Zhao Lu made a cup of tea, handed it over, and said softly: “Dad... Now our Gale Real Estate Company is fully on track, and our business is getting bigger and bigger. But recently, housing prices have been sluggish. What should we do in the future? , can continue to make money. Otherwise... we don’t do real estate, we change to other industries..”

“Well, it is also possible to change careers.” Yue Feng nodded.

Doing business is not limited to one industry. Of course, do whatever it takes to make money. Yue Feng asked: “Then, what do you think we can change to make money?”

“I...I can’t think of it...” Zhao Lu whispered: “Dad, what industry do you think is developing...”

When saying this, Zhao Lu looked at Yue Feng expectantly.

To be honest, she was able to make Dafeng Real Estate Company prosperous in more than a year, which is already very good.

But she is a woman after all, with limited vision. How the company will develop in the future, I still have to ask Yue Feng for instructions.

At this moment, Li Heihu also looked at Yue Feng with a humble expression, waiting for his answer.

In terms of business investment, Li Heihu absolutely believes in Yue Feng.

Because Li Heihu himself is a good example. If it wasn’t for Yue Feng giving him an investment, Li Heihu would not have changed from a gangster to a real estate giant.

Yue Feng pondered for a while, then smiled: “As for investing, you have to take a long-term view. Now there is no barrier between the nine continents, people can communicate with each other, and you can go to other continents to try. For example,

take Dongao Continent as an example, the technological development there is still in its infancy, and there are great investment prospects in terms of communications and entertainment.”

Shuh!

Hearing this, Li Heihu and Zhao Lu’s eyes lit up.

Yes.

The technological development of several continents is far behind that of the Earth Continent, so why didn’t I think of it.

“Brother Feng is really amazing, he really wakes up a dreamer with just one word!” Li Heihu laughed excitedly, and couldn’t wait.

Zhao Lu was also very excited, her delicate body trembled faintly, and she admired: “Dad...Dad, you are amazing, your daughter will definitely not live up to her expectations!”

“By the way, Brother Feng, I haven’t eaten yet, I’ll book a restaurant now. I’ll call Xiang Riyue and the others later, they won’t go home if they don’t get drunk!” Li Heihu grinned and took out his mobile phone, ready to make a call.

Yue Feng quickly waved his hand to signal him not to fight. In another day, I will go to Mingjiao to avenge Xuan’er. Where can I be in the mood to drink and talk.

Thinking of Liu Xuan, Yue Feng felt heartache and couldn’t help looking out the window, tears welling in his eyes.

.....

On the other side, Apocalypse Continent.

Outside Wushuang City, the Xi Cang army and the Tianqi army faced off a mile away.

In the past few days, the two armies have fought no less than a dozen times! No winner!

The Xi Cang army has Duan Yu in charge, and with the opening axe in his hand, it can be said that no one can stop it!

But the soldiers of Tianqi Continent are generally stronger than the Xi Cang army.

Under such circumstances, it would be difficult for the Xi Cang army to win the war with Duan Yu alone.

For a time, the two armies fell into a stalemate.

At this time, in the military tent of the Xi Cang camp.

Duan Yu sat in the commander-in-chief position, his face was extremely gloomy, and he held a wine jar in his hand, and took a sip from time to time.

In front of him, more than a dozen generals stood there, all bowing their heads in silence.

The atmosphere of the entire military tent was indescribably depressing.

Duan Yu was very annoyed at this time. I thought that by virtue of the opening axe, I would lead the Xi Cang army, and I would be able to attack and conquer anything.

Unexpectedly, it just captured a peerless city, and the pace of the army was blocked by the Tianqi royal family.

Chapter 885 In the

final analysis, it is the overall combat effectiveness of the Xi Cang army, which is much weaker than the Tianqi army. It is difficult to reverse this stalemate by myself alone.

After a stalemate for a few days, the morale of the Xi Cang army was almost exhausted.

Just then, a general in black armor walked in quickly.

It is Duan Yu's most capable subordinate, Yan Chao!

When he got to the front, Yan Chao cautiously asked: "Master Prime Minister, are you attacking today?"

Duan Yu said angrily: "What do you think? You haven't gained the upper hand for a few days, what are you fighting? Armistice and rest!"

Yan Chaoyi With an embarrassed face, he said in a low voice, "Master Prime Minister, I have a way to solve the embarrassing situation in front of us, and to ensure that our army in Xicang will not lose its prestige."

He could see that Duan Yu didn't want to fight anymore and wanted to retreat. .

But it would be too embarrassing to retreat, that's why I was so irritable.

"Speak!" Duan Yu took a sip of wine and said coldly.

Yan Chao took a deep breath and said slowly: "I have observed the subordinates in the past few days. The soldiers of the Tianqi army are also exhausted physically and mentally, and obviously they do not want to continue fighting. We in Xicang Continent do not want to fight this war either. Let's fight. Since neither side wants to fight, and neither of them wants to put down their faces and admit defeat. Then we will send messengers to make peace with Tianqi."

Speaking of which, Yan Chao showed a smile: "We can make peace with the Tianqi royal family. As far as I know, Emperor Tianqi has several daughters, all of them are as beautiful as flowers and jade. Let's let him marry a princess and have a relationship with the prime minister for a hundred years. In this way, the two sides will become a family. That's right."

Hahaha...

Hearing this, Duan Yu was overjoyed and patted his thigh: "Okay, this method is good! Just do as you said, and send an envoy immediately!"

"Yes!"

Tianqi Imperial City!

Qianyuan Hall.

The Xi Cang army sent envoys to propose a marriage, and the news quickly spread to the palace.

When Emperor Tianqi learned of this, he immediately summoned a hundred civil and military officials to discuss the matter.

At this time, Emperor Tianqi was sitting on the dragon chair, his expression did not fluctuate in the slightest, and he said lightly: "Aiqings, what do you think about the relationship?"

When saying this, Emperor Tianqi's eyes were faintly revealing a bit of helplessness .

Seriously, on the side of the Weather Continent, I don't want to continue fighting with the Xi Cang Continent, and the emperor also wants to retreat! But the other party proposed to marry and marry a princess, which was really unacceptable.

You know, no matter which princess is, it is the emperor's heart! Why would you be willing to marry to the Xi Cang Continent!

Although that Duan Yu, possessing the Heaven-opening Axe, is an extremely talented person, he does not want to marry his daughter to him!

At this time, the Minister of Rites came out and said respectfully: "Your Majesty, the army of Xi Cang proposed to have a relationship, which is reasonable. The two sides will form an alliance and will not invade each other in the future. For us, there is one less powerful enemy, which is beneficial and harmless. "

You said it lightly." As

soon as he finished speaking, the Minister of War came out and retorted displeasedly: "Among the princesses of Your Majesty, only Princess Yueying is the only one who is of marriageable age. Princess Yueying is the jewel in His Majesty's palm. The most beloved, how can you let her marry Duan Yu? Do you think Your Majesty is not upset enough?"

The Minister of Rites looked embarrassed, and said to Emperor Tianqi with a face full of shame: "Your Majesty, this is not what this minister means."

That's right, Yingying, the daughter of Duke Yueying, is His Majesty's most beloved daughter.

Marrying Ren Yingying to the Xi Cang Continent, His Majesty may have trouble sleeping and eating... The

Emperor Tianqi waved his hands irritably, signaling them to stop talking.

At this moment, the national teacher came out, bowed, and said slowly: "Your Majesty, don't worry, in fact, this matter is simple."

"Oh?"

Emperor Tianqi frowned at the national teacher, irritated. The mood was relieved a little: "Is there a way for the national teacher?" The

national teacher smiled and said respectfully: "Your Majesty, Xi Cang Continent proposed a marriage, but in fact, I just wanted to find a reason to retreat. Therefore, we don't need to marry a real one. Princess. We just need to find a beautiful woman, call it a princess, and marry her."

After a pause, the national teacher continued: "I remember, Princess Yueying has a personal maid named Xiao Yuruo. She was once a prisoner, This girl is talented, beautiful, and has a good temperament, Your Majesty can give her the title of a princess and send her to Xi Cang Continent to marry her."

Wow!

In an instant, there was an uproar in the hall, and all the civil and military officials praised!

“It’s still the national teacher who is quick-witted.”

“Yes, this method is wonderful.”

Emperor Tianqi also smiled and nodded in approval: “The method of the national teacher is really good, very good, just do as you said. Let’s go.”

Immediately, Emperor Tianqi looked around the lower hall and said slowly: “Pass my will, seal Xiao Yuruo as Princess Yuruo, and in three days, go to Xicang Continent and marry Duan Yu, Prime Minister of Xicang.”

“According to the order! “

At this moment, the civil and military officials responded in unison.

The ultimate husband in Chinese chapter 886-890

Chapter 886 After retreating from the

dynasty, the two little eunuchs took the imperial edict and went to Ren Yingying’s mansion.

In the imperial decree, there were only a few short words: Xiao Yuruo was named Princess Yuruo and married to Duan Yu, the Prime Minister of Xicang Continent.

...

the other side!

The Earth Circle Continent, Ouyang Mansion!

Ouyang Zhennan’s injury has basically stabilized, and there is no fear of life.

At this time, in the hall, the three Yue Feng brothers were sitting together.

“Fengzi, since the adoptive father is all right, it’s not too late, let’s set off and go to the Tianqi Continent.” Wen Chou Chou said.

The words fell, and Sun Dasheng couldn't wait to answer: "Yes, let's three brothers together, step down Mingjiao, and avenge Liu Xuan! Kill them without leaving a piece of armor!"

"Go!"

Yue Feng clenched his fists and nodded with gritted teeth, "When I think of Liu Xuan's tragic death, my heart feels as uncomfortable as being cut by a knife."

The three brothers slapped the table and wanted to go out.

As a result, at this moment, a maid of the Ouyang family suddenly walked in quickly, bowed respectfully, and said softly, "Young master, there is a disciple of Fuyao Palace outside the door, saying that there is an important matter."

Fuyao Palace?

Yue Feng was stunned for a moment, then waved his hand and said, "Let her come in."

This chapter is provided by . Visit for daily update.

"Yes!" The

maid turned and went out. After a while, she brought a young woman in.

This young woman was wearing a long white dress with a hundred flowers embroidered on her clothes, which was the symbol of Fuyao Palace.

When they got to the front, the female disciple respectfully said to Yue Feng: "Sect Master Yue, my little palace lord told me to come to you, here is a letter from my little palace lord, please take a look." After she finished speaking

, she handed it over to you. Come here with a letter.

"What's wrong with the little fairy?" Yue Feng couldn't help asking, and took the letter.

The female disciple said politely, "Little Palace Master said, you will find out when you open the letter." After speaking, the

female disciple stepped aside.

Sun Dasheng came over and said in a low voice, "Fengzi, it's not a love letter from the little fairy to you."

A year ago, during the battle of Star Picking Tower, Fuyao Palace came to support Donghai City.

Sun Dasheng still remembers the demeanor of the seven fairies.

Those seven fairies, each of which is beautiful and fragrant, each has its own merits, it is really like a goddess descending to earth!

Even Xiao Xi and Su Qingyan looked at the letter with curiosity.

“Fuck, don’t talk nonsense, what kind of love letter...” Yue Feng was embarrassed, he quickly opened the letter, and saw the beautiful handwriting on it, and there was a faint fragrance on the paper, with only three lines of characters. :

“Yue Feng, I’m Erqing. We haven’t seen you for so long, how are you? It’s been over a year, and I remembered that we were together in Donghai City, resisting the Apocalypse Army, as if it happened yesterday...”

“Yue Feng, I.. I want to ask you one thing. Half a year ago, I accidentally got a copy of the [Tassel Mantra]. I practiced this secret book, but I was attacked by the yin... The elder sister said that only pure yang internal power Only the people who are here can help me disperse.”

“So, can you come to Fuyao Palace...I’ll wait for you in the Fuyao Palace secret room.”

Seeing these lines, Yue Feng breathed a sigh of relief.

I wanted to go to Mingjiao for revenge, but something happened to the little fairy. Although revenge is important, Xuan’er is gone, revenge can be done anytime. Now that the little fairy woman’s life is at stake, she can’t help herself.

At the beginning of defending Donghai City, Fuyao Palace contributed greatly.

After the Battle of Zhaixinglou, the little fairy also sent two books of scriptures. Yue Feng’s impression of her is really good. Now that she is in trouble, of course she wants to help.

It seems that I have to go to Fuyao Palace first.

Wen Chou Chou on the side, after reading the letter, also said to Yue Feng: “Fengzi, why don’t you go save the little fairy first. Life is at stake, we can delay the matter of revenge for two days.”

Chapter 887

Although I am unfamiliar with the Seven Fairies, when I think of their seven sisters, when they fought against Xing Yao together, Wen Chou Chou also admires from the bottom of my heart.

call!

Seeing that they all said this, Yue Feng took a deep breath and nodded, "Okay, then I'll go to Fuyao Palace first, and I'll be back in a day at most. Brother Wen, Great Sage, you must first gather the disciples of Huaguoshan and Changsheng Palace. When I come back from Fuyao Palace, we will kill the Ming Sect!"

With that, Yue Feng looked at Su Qingyan with a complicated expression on his face: "Qingyan, you and Xiaoxi, just stay here and take care of me. Adoptive father for a day."

"Young master...you should be careful along the way." Xiao Xi said reluctantly.

He and Yue Feng have been together for more than a year, but they haven't been separated much yet.

Yue Feng smiled slightly and wiped Xiao Xi's head: "Don't worry, the son is here to save people, not to fight, it's fine." The

voice fell, Yue Feng turned and walked out of the hall.

....

on the other side.

Fuyao Palace, in the Hundred Flowers Hall.

Hu Sanyang sat there in a big thorn, and several maids knelt there in front of him, holding a tray with fine wine and fruit on it.

In the Fuyao Palace before, the status of men was low.

But now, after Hu Sanyang took control, everything changed.

Beside Hu Sanyang, several beautiful-looking female disciples were carefully serving him, some pinching their feet, some pounding their backs and rubbing their shoulders. It can be said that Hu Sanyang has become a local emperor here.

Hahaha...

These days are really unforgettable.

Hu Sanyang narrowed his eyes, intoxicated with enjoyment on his face. The letter he just sent to Yue Feng was sent by him. I just want to lure Yue Feng over, and get rid of it quickly!

"Master!"

At this moment, a maid came over, stopped in front of Hu Sanyang, and said respectfully: "Master, the night is coming, it's time to flip the brand." With

that, the maid presented a delicate plate, a plate Inside, there are seven jade plaques on which are written the names of seven fairies including Bai Shengshui and Erqing.

At this time, the jade plaques were face down, the order was disrupted, and Hu Sanyang chose them.

"Haha... Right... Flop, Flop!" Hu Sanyang sat up straight with enthusiasm, a wicked smile on his face.

The flop was thought up by Hu Sanyang.

After the Seven Fairies were under his control, Hu Sanyang came up with this bad idea. Flip the sign every night and sleep with whoever you find.

The seven fairies change one every day of the week.

Ha ha!

You are so lucky!

And today is the first day of the flop.

Hu Sanyang laughed and quickly flipped over a jade card.

I saw three words written on the jade card!

It is the two fairies, Xu Qianqian!

"Second Palace Master, okay, okay, take her to my room, haha." Hu Sanyang laughed and drank a glass of wine.

A few minutes later, Hu Sanyang couldn't wait to return to the bedroom. As soon as I entered the door, I only saw the second fairy, Xu Qianqian, sitting on the bed, her acupoints had been taped, and she could not move.

"Yo, Qianqian beauty, hahaha, I'm here." Hu Sanyang looked up and down and said with a smile.

Gudong!

The moment the words fell, Hu Sanyang couldn't help swallowing.

Chapter 888

“Get out of here!”

Seeing Hu Sanyang come in with a wicked smile, Xu Qianqian was shocked and angry. At that time, the seven fairies drank Hu Sanyang’s wine and could not use her internal strength. So at this time, Xu Qianqian was not only hit on the acupuncture point, but also had no inner strength at all. Obviously lack of momentum, no deterrent at all.

“Get out?”

Hu Sanyang approached slowly, looking at her with a smile: “I said Erxian, did you make a mistake? This is my bedroom, and now I am the master of Fuyao Palace, why should I get out? Today I After flipping your brand, how can you get out?”

After speaking, Hu Sanyang’s smile deepened: “I specially made jade cards for your seven sisters, and whoever flips it every night will get my love. I found you on the first day, you should be honored, haha!”

What?

Flip the brand!

Hearing this, Xu Qianqian’s delicate body trembled: “Hu Sanyang, you are a shameless scum, a villain who is not as good as a beast, you will not end well.”

His seven sisters, the palace master of the dignified Fuyao Palace, are going to be killed by Hu Sanyang. so humiliating.

Instead of living in shame like this, it’s better to just die!

But at this time, she was hit on the acupuncture point, and she couldn’t even commit suicide!

Hu Sanyang smiled wickedly, looked up and down at Xu Qianqian, and jumped up instantly.

—|

don’t know how long it took. After the cloud and rain, Hu Sanyang dressed happily, feeling indescribably happy.

Xu Qianqian curled up at the corner of the bed, her face was full of tears, her eyes were full of resentment!

“Haha, beauty, don’t cry like that.” Hu Sanyang walked over with a smile and raised Xu Qianqian’s chin.

“Get out, get out...” Xu Qianqian gritted her teeth, her eyes full of resentment: “Hu Sanyang, sooner or later I will slash you with a thousand cuts! A thousand cuts!” Slap

!

Hu Sanyang’s face was stunned for a moment, and he slapped him fiercely. He heard Xu Qianqian whisper, and bright red five-finger prints appeared on his delicate face.

“You’re no longer the palace lord, why are you pretending to be arrogant?” Hu Sanyang scolded coldly and angrily.

This woman is really ignorant of current affairs and shameless!

“Master!”

At this moment, a timid voice sounded outside the door.

I saw a female disciple who opened the door and stood there with her head lowered, looking terrified. Hu Sanyang’s face was ashen

, and he turned to stare at the female disciple: “Who let you in? Do you want to die?” Pfft! The female disciple trembled all over, and quickly knelt on the ground and stammered: “Sect Master, spare your life, yes... Yue Feng is here.” She didn’t want to push the door and come in, but she called out several times just now. Now, Hu Sanyang didn’t even hear it. Hu Sanyang specially explained that if Yue Feng came, he must report it as soon as possible. So she pushed the door and entered. Yue Feng! Is this kid already here? Hu Sanyang’s eyes flashed brightly, and he asked, “Where is Yue Feng now?” The female disciple hurriedly said, “According to the head’s plan, he has been led into the secret room.” “Okay! Well done! “

There was a smile on Hu Sanyang’s face, and he tilted his head towards Xu Qianqian and said with a smile: “Beauty, wait for me, I’ll come when I go.” The

voice fell, and Hu Sanyang strode out of the room.

What?

He... he brought Yue Feng here?

At this moment, Xu Qianqian lay there, her heart trembling secretly, she was shocked beyond words.

Chapter 889 When I

was locked up with several sisters before, they were still discussing how to release the news and let Yue Feng save them.

After all, the Fuyao Palace has been away from the world for thousands of years. In the rivers and lakes, there is only Yue Feng.

Now Yue Feng was attracted by Hu Sanyang.

If he is also caught.

The Fuyao Palace was completely over.

Thinking of this, Xu Qianqian couldn't help but feel anxious.

...

the other side.

After Yue Feng arrived at Fuyao Palace, he was led into a remote path by a female disciple. The disciple said that the little fairy was waiting for him in the secret room.

Passing through a dark corridor, Yue Feng was taken to a cave.

"Sect Master Yue, this is the secret room of my Fuyao Palace. My little palace lord is waiting for you inside. You can go in directly." The female disciple said, her eyes did not meet Yue Feng, and there was a hint of panic that was not easily detectable.

strangeness.

This place is so dark and damp, it doesn't look like a secret room for cultivation.

After muttering in his heart, Yue Feng still walked in.

call!

However, what he never dreamed was that the moment he stepped into the cave, a huge cage suddenly fell from the top of his head with lightning speed!

boom!

The incident was abrupt, and Yue Feng had no time to react, and was immediately covered in it!

After a loud noise, the surrounding dust and smoke filled the air, and when Yue Feng came back to his senses, he was stunned. The cage that covered him was extremely heavy, and each of the iron bars above was as thick as an arm, glowing with a cold black luster.

“What does this mean?!” Yue Feng was shocked and turned to look at the female disciple, but the female disciple had long since disappeared.

Huh...

Yue Feng let out a long sigh of relief, the rolling internal force instantly gathered in his hand, and slapped the iron cage with his palm!

But with this palm down, the iron cage didn't move at all!

“Yue Feng, don't waste your energy.”

At this moment, only a cold voice was heard, and then, a middle-aged man appeared in Yue Feng's sight. This man was dressed in black robes, and his face was full of pride and resentment.

Who else is Hu Sanyang? !

“Hu Sanyang?!”

The moment he spoke, Yue Feng's heart also trembled.

He clearly noticed that Hu Sanyang's internal strength fluctuated extremely strongly!

How could this be?

Hasn't his heart been broken by the shock, so he can't cultivate in this life? !

And... Is the letter written by the little fairy a fake?

Yue Feng frowned, and his eyes met Hu Sanyang.

At this time, Hu Sanyang also walked over step by step, unable to hide his inner resentment, his fists clenched tightly!

“Yue Feng, I didn't expect it. One day, you will still be planted in my hands.” Hu Sanyang's eyes were gloomy: “The letter from the little fairy was written by me, the purpose is to attract you, and This cage is also specially prepared for you.”

Speaking of this, Hu Sanyang's eyes were extremely cold: “When you destroyed my Kunlun, I secretly swore that I would cut your three brothers with a thousand cuts. I've been waiting for this day for a whole year!

“

Yue Feng looked at Hu Sanyang coldly: “Where are the Seven Fairies?”

The situation in front of him was obvious, Hu Sanyang controlled the Fuyao Palace. With his sinister style, the reason why he was able to control Fuyao Palace should be that he poisoned the Seven Fairies.

Hu Sanyang smiled proudly and said, "The seven fairies, haha, they are all alive and well. Back then, the Grand Palace Master worked so hard to find the Nine Heavens Yin-Yang Grass and help me renew my heart, why would I be willing to kill them? Of course I want to Treat them well."

Chapter 890

Hu Sanyang's eyes were full of jokes: "Seven fairies are also women, of course someone will hurt them. I will take good care of them. By the way, with your current virtue, don't think about the seven fairies, think about yourself. Speaking of

this, Hu Sanyang stepped forward and looked at Yue Feng with a smile: "Don't worry, although you are caught by me, I will not make you lonely. I will use the same method tomorrow and the day after tomorrow. Attract Sun Dasheng and Wen Chou Chou too. And your parents, don't even try to run away! You destroy my Kunlun, and I will make you pay back ten times!"

At this moment, Hu Sanyang's smile disappeared and his eyes were blood red!

"Hu Sanyang!"

Yue Feng was so frightened that he used his inner strength again and slapped the cage with his palm.

"Bang!"

With this palm, Yue Feng almost used all his strength, only to hear a loud noise that almost shattered the eardrums! However, this cage is still intact!

Seeing this situation, Hu Sanyang laughed loudly: "Yue Feng, you don't have to waste your efforts, this cage is made of ten thousand years of fine iron, and it is extremely hard, not to mention that you have reached the first stage of Wuhuang, even the fifth stage of Wuhuang, you can't do it. Shake ."

Hu Sanyang became more and more proud of his words, his eyes were teasing: "Don't worry, I will not kill you immediately, but slowly torture you, I will completely collapse your torture, you can't survive without dying. Only then can I vent the hatred in my heart. And your brothers and your parents will borrow your light, and you can't survive! By the way, you and the little fairies have an unusual relationship. It's a pity that the seven fairies will soon become my woman. Are you heartbroken? Hahaha...you..."

Swish!

However, before Hu Sanyang finished speaking, he felt as if his throat had been blocked, and looked at Yue Feng in disbelief!

I saw a smile on the corner of Yue Feng's mouth, and a terrifying aura erupted from him, raging towards the surroundings!

“Om!”

A white flame jumped out from Yue Feng's palm. The white flame seemed to have no temperature at all, but the surrounding air was burned!

Bailian cold fire!

“You...” Hu Sanyang was stunned. In the next instant, Yue Feng raised his hand, and the ball of white lotus jumped out of cold fire, directly attached to the cage.

laugh! laugh!

In the blink of an eye, this incomparably hard cage started to melt little by little!

What?

This...what fire is this? It can actually dissolve ten thousand years of fine iron!

Seeing this scene, Hu Sanyang's face changed greatly, a panic rose in his heart, and his body couldn't stop shaking!

At this moment, Hu Sanyang's smile disappeared completely, and his whole heart was completely occupied by fear!

How could he know that this white lotus cold fire, but the world's first strange fire!

Although Wannian Cold Iron is extremely hard, in front of Bailian Lenghuo, it is not worth mentioning at all!

“Hu Sanyang.” A cold voice came from Yue Feng's mouth: “I was able to kill you Kunlun back then, and I can kill you today too.”

Om!

The words fell, the white lotus was burning with cold fire, and the whole big cage was completely melted into a pile of molten iron!

Hu Sanyang's head buzzed, before he could think about it, he turned around and ran!

How can he have the slightest fighting spirit now? The strength of Yue Feng's period of Martial Emperor, even ten thousand years of fine iron can't trap him, how can he be his opponent?

"Want to run?"

Yue Feng snorted coldly, holding the blood-drinking sword and chasing after him!

Hu Sanyang ran all the way until he reached the White Flower Hall, and he breathed a sigh of relief. In the hall, there is a secret passage. The Seven Fairies are locked here. This secret passage is intricate and complicated, and those who are not familiar with this secret passage will definitely get lost after entering. As long as he enters the secret passage, Yue Feng can't catch himself!

"Om!"

Hu Sanyang flashed and ran into the hall. In the middle of the hall, there is a two-meter-high vase.

I saw Hu Sanyang running over and twisting the mouth of the vase.

"Boom!"

At this moment, a loud noise came, and a gap suddenly cracked on the wall not far away! The entrance to the secret room slowly emerges! Hu Sanyang was chased all the way by Yue Feng, and he was originally worried. But after getting into the secret room, he breathed a sigh of relief.

"Hu Sanyang!" Yue Feng chased after him closely. As a result, after entering the secret room, Yue Feng was unfamiliar with the terrain, and Hu Sanyang disappeared in a blink of an eye.

"Boom!" Yue Feng clenched his fists tightly and slammed his fist on the wall, his whole heart clenched.

Hu Sanyang ran away, and he will be a big trouble for his confidants in the future! This person is really sinister, letting him go is equivalent to letting the tiger go back to the mountain!
