

The ultimate husband in Chinese chapter 891-900

Chapter 891

Yue Feng sighed, but this secret road has forks everywhere. Now that Hu Sanyang is lost, it is estimated that he has already run away.

Yue Feng felt helpless for a while, so he gave up chasing Hu Sanyang. He wanted to go back the same way and leave this secret room. As a result, the moment he turned his head, Yue Feng was stunned.

Nima, I can't find my way back!

It's over..

Yue Feng's head is stunned, what can I do? This secret room is intricate and like a labyrinth. Is it possible to be trapped here forever?

No, I have to find a way to get out, and I have to kill Mingjiao to avenge Xuan'er.

Yue Feng's heart was numb, just like a headless fly, wandering around in the secret room, looking for an exit.

On the other side, in a side hall of Fuyao Palace.

A girl is sitting there practicing.

This girl is not very old, but she is very marked, even in the crowd, it can be noticed at a glance.

It was Hu Sanyang's daughter, Hu Linger.

On the shelf beside her, there are treasures of heaven and earth. I am afraid that any cultivator will be jealous when they see these genius treasures!

After Hu Sanyang took control of Fuyao Palace, he collected all the elixir of Fuyao Palace for his daughter to take to improve his strength.

“Boom!”

At this moment, the door was suddenly opened, and then, Hu Sanyang, who was in a cold sweat, quickly got in.

This chapter is provided by . Visit for daily update.

Hu Linger opened her eyes and couldn't help but say, "Dad! What's wrong with you? Why are you sweating..."

"Linger!"

Hu Sanyang walked over quickly, grabbed his daughter's hand, and said without too much nonsense: "Quick, let's go quickly."

"Father, where are we going..." Hu Linger was a little confused and asked, "Why are you leaving?"

At this time, Hu Linger still didn't know what happened.

Hu Sanyang couldn't be more anxious: "Linger, don't ask so much, hurry up!"

"Dad...you, can you wait for Linger, Linger go get the jade flute." Hu Linger said softly.

Hu Linger has a jade flute, which was given to her by Hu Sanyang on her fifth birthday.

Hu Linger's blowing flute is also very good. This jade flute is her favorite thing. Put it on your pillow even at night.

"Go get it, Dad is waiting for you." Hu Sanyang was already in a hurry, but he still touched Linger's hair.

He was insidious and cunning all his life, but he was very kind to his daughter. He could not refuse any request of his daughter.

Hu Linger nodded, walked quickly to the next room, took out the Yu Xiao and put it in her clothes.

"Let's go."

Hu Sanyang grabbed his daughter and left here quickly.

When running to the White Flower Hall, Hu Sanyang took out a torch, lit it, and threw it directly into the hall.

"Huh!"

At this moment, the White Flower Hall was burning!

"Yue Feng, wait to be burned to death." Hu Sanyang's face showed a bit of hideousness. After taking control of Fuyao Palace, Hu Sanyang made several plans in order to kill Yue Feng.

Hu Sanyang had thought before that the ten thousand year fine iron cage might not be able to trap Yue Feng. Therefore, in Fuyao Palace, he has already deployed a layer of kerosene.

Once Yue Feng escaped from the cage, he led Yue Feng to the secret room, then lit a torch to burn him alive.

To be honest, although Hu Sanyang made this plan, he never thought that Yue Feng could really break the iron cage! You know, that is ten thousand years of fine iron!

Now, in order to kill Yue Feng, the only option is to set the Fuyao Palace on fire!

Looking at the raging fire, Hu Sanyang felt a pain in his flesh. This fire destroyed not only the Fuyao Palace, but the six fairies were still in the secret room, and it was estimated that they would die.

Yue Feng, your death is worth it. There are six fairies with you.

Chapter 892 The

other side!

In the secret passage, Yue Feng didn't know how long he had been turning around, but he couldn't find the exit, and he was very anxious.

Nima.

How big is this secret room? You can't be trapped here forever.

Yue Feng's heart was numb, but at this moment, only a few small voices seemed to be heard not far away. Sounds like a woman's voice.

Is there anyone in this secret room? Yue Feng was overjoyed and followed the voice to find it.

After walking for nearly a minute, after turning seven or eight places, I finally reached a stone room.

This stone room has no door, but is surrounded by iron bars.

Yue Feng stood in front of the iron fence, suddenly stunned.

I saw six fairies, including Bai Shengshui and Er Qing, sitting inside the iron fence. It's just that they are all weak and completely lost their former temperament and prestige.

"Little wife!" Yue Feng instinctively called out and walked over excitedly.

Unexpectedly, that Hu Sanyang trapped the Seven Fairies here, and was accidentally bumped into by himself! It's just...why aren't the two fairies here?

"Yue Feng!" The little fairy was the first to react. She raised her head to look, just in time to meet Yue Feng's gaze, and she was instantly delighted: "You, why are you here..."

After the battle at Zhaixinglou, the little fairy He sent two scriptures to Yue Feng, and the two have not seen each other since then.

The little fairy bit her lip tightly, counting the time, it has been more than a year since the last time we met, and now the little fairy sees Yue Feng again, and somehow she is overjoyed.

Yue Feng walked to the iron fence and said with a smile: "I was attracted by Hu Sanyang. He borrowed your name and wrote me a letter, trying to ambush me. The conspiracy failed. I chased him all the way just now. Here we are..."

Hu Sanyang, this bastard!

Too despicable and shameless!

Hearing this, the little fairy bit her lip and whispered: "Hu Sanyang, this white-eyed wolf, lived in my Fuyao Palace for a year, and finally avenged his revenge. If it falls into my hands, I will not spare him lightly!"

This Hu Sanyang, Not only did he revenge his kindness and revenge, and trapped his sisters here, but he also used himself to deceive Yue Feng, which is really abominable!

At this time, Bai Shengshui was also filled with righteous indignation.

"Yes, we must not let Hu Sanyang go!"

"When we regain our strength, we must kill him."

Hearing the words of the six fairies, Yue Feng smiled and said nothing. Just looking at Er Qing, she said with a smile: "Little wife, I haven't seen you for more than a year, do you miss me..."

Among the seven fairies, this little fairy is the most interesting.

I don't know why, but when Yue Feng saw her, he wanted to make fun of her.

Swish!

Hearing this, the little fairy turned red all of a sudden, and stomped her feet angrily: "You...you promised me before, and you won't call me that again..."

Bai Shengshui, who also blushed slightly, said shy and speechless.

This Yue Feng, when is it, and he is still in the mood to make this joke.

Seeing the reaction of the six fairies, Yue Feng was overjoyed and nodded with a smile: "Okay, no kidding." The

voice fell, Yue Feng clenched the blood drinking sword and waved it gently.

Click!

The lock on the iron door snapped.

Yue Feng clearly felt that the seven fairies were poisoned and their inner strength was sealed. Otherwise, this ordinary iron gate would not be able to trap them at all.

The iron door opened and the six fairies came out gracefully. Yue Feng only felt a fragrance blowing towards his face, and the whole person was fascinated.

"Yue Feng, you just said that you were chasing Hu Sanyang all the way, did you catch him?" At this time, the little fairy couldn't help but ask first.

Swish!

Chapter 893

At the same time, Bai Shengshui's eyes also focused on Yue Feng.

As soon as Hu Sanyang was mentioned, the six fairies gritted their teeth with hatred, wishing they could slash him with a thousand swords!

Yue Feng scratched his head and smiled bitterly: "Hu Sanyang is too cunning to run into this secret passage, I am not familiar with the terrain, and finally let him run away."

Ah?

people run away?

The six fairies looked at each other.

Bai Shengshui said in a low voice, "Yue Feng, you are already the strength of Emperor Wu, and you are much higher than Hu Sanyang. How could you let him run away? You are too stupid." The

voice fell, the faces of the six fairies, also showed a trace of disappointment.

“Wife, I’m not stupid... Although my rank is higher than Hu Sanyang, he ran into this secret room within a few seconds.” Yue Feng shook his head: “Who knew this secret room was like a maze...”

You, pay attention to your words.” Bai Shengshui’s delicate body trembled, and no one dared to call him that!

As the master of the palace, she is the most majestic among the seven fairies! Now that Yue Feng suddenly called her a big wife, she only felt ashamed and angry.

Seeing her shy look, Yue Feng couldn’t help laughing. Just as he was about to tease her again, he saw thick smoke suddenly pouring into the secret passage!

call!

At the same time, the entire secret room was set on fire!

“Why is there a fire...” Bai Shengshui’s pretty face changed, and he exclaimed.

I saw a fire swept over, and in just a few seconds, the surrounding seemed to be a sea of fire!

At this moment, the six fairies panicked.

“How could there be a fire?”

“It must be Hu Sanyang who did it.”

“Our internal strength has not recovered yet, what should we do?” In the panic discussion, the six fairies stomped their feet in a hurry.

At this time, the little fairy flashed her eyes and pointed to the water tank next to her: “There is water here, let’s put out the fire.”

Yes, there is a tank of water not far away. Hu Sanyang trapped the seven fairies in the secret room, and naturally put some water next to them. This tank of water was for the seven fairies to drink.

Yue Feng shook his head: “With such a big fire, this tank of water is useless at all.”

“Ah?” The little fairy couldn’t be bothered: “Then... what should I do?”

Yes, such a big fire, a tank of water is useless at all. And at this time, there was thick smoke billowing in the secret room, and it was impossible to tell the direction at all.

Although the six fairies were very familiar with this secret room, the passage was blocked by the thick smoke at this time, and there was no way to find the exit!

At this time, the fire is almost burning, if you are trapped here, you will die!

“How can I do this..”

“Yeah.. What should I do.. We have to go out and seek revenge on Hu Sanyang..”

“Yue Feng, you have a lot of ideas, think of a way...” The

fairies looked at each other , couldn't help but look at Yue Feng.

Seeing their anxious appearance, Yue Feng laughed and said, “Don't be afraid, wives, there is me.”

“You...” The little fairy was very angry: “When is it, you are still so rude , one wife, one bite. The fire is burning now!”

Yue Feng laughed and didn't speak. He just waved his hand and saw a protective film that appeared instantly, isolating the flames.

Yue Feng's current strength is already at the level of Martial Emperor. A protective film at hand can block this flame.

call!

Seeing this scene, the six fairies secretly breathed a sigh of relief. He looked at Yue Feng with joy. With him around, you don't have to be afraid of this fire!

Chapter 894 In the

end, Yue Feng laughed and deliberately frightened them: “I said the six palace masters, don't be too happy first, my protective film, although it can stop the fire, but it won't last long.”

Seeing the panicked appearance of the six fairies, Yue Feng couldn't help teasing them.

Hearing this, the Six Fairies panicked again. None of them doubted Yue Feng's words.

“Then what can I do!” The little fairy stomped her feet and said.

Yes, the protective film consumes internal strength, and the little fairy does not know how long Yue Feng's internal strength can maintain this protective film.

When Yue Feng fell into the crater, Su Qingyan also put on a protective film, that protective film lasted for more than a year, that was because the spiritual energy under the crater was strong enough for Su Qingyan to maintain.

Now that Yue Feng is in the secret passage, the protective film will disappear when the internal force is exhausted!

Seeing the nervousness of the six fairies, Yue Feng was overjoyed and pretended to be in a panic, "Come on, hurry up and pour water on your body, get yourselves wet first, don't get burned, I'll think of a way!"

Bai Shengshui He Erqing and Erqing nodded suddenly, and then walked quickly to the water tank.

"Yes, Yue Feng is right."

"Wet your clothes first and cover your mouth. Even if you don't get burned, don't get smoked."

Wow! Whoa! Whoa!

As they spoke, the six fairies gathered around the water tank and began to splash water on each other.

In the blink of an eye, every fairy was splashed and drenched, and the perfect curve was suddenly revealed in front of Yue Feng's eyes.

Yue Feng stood there, watching with a smile, his heart blossoming with joy.

Hahaha...

I have to say that these six fairies really have their own merits, and each of them is of the best stature.

Especially at this time, the long skirts on their bodies were tightly clinging to their bodies, and the exquisite and bumpy curves were undoubtedly revealed, and any man would be unbearable when they saw them.

The lord of the palace is the cold-hearted type of the royal sister.

Three fairies, four fairies, and five fairies belong to the charming and charming type.

As for the six fairies and the little fairies, they are cute and playful types.

When these six are gathered together, it is truly a fairy coming down to earth, a top-level visual feast.

At this moment, Yue Feng was dazzled, and his heart was extremely beautiful.

“Yue Feng!”

Just when Yue Feng was secretly admiring, the little fairy came over wet and asked softly, “Have you come up with a solution?”

She clearly noticed Yue Feng’s unbridled gaze.

But the little fairy is no longer in the mood to care about this.

The situation is critical right now, and it’s important to save your life first.

At the same time, several Bai Shengshui also looked over, each with anticipation in their eyes.

At this moment, the surrounding fire became more and more intense, and the entire Fuyao Palace turned into a sea of flames.

Only this piece in front of him, the place covered by the protective film, is the last safe place.

But Yue Feng just said that this protective film can’t last too long.

Yue Feng showed a smile, very indifferent: “Of course there is a way, otherwise how can I be your boss?”

“Yue Feng!”

The little fairy said, “What time is it, you are still in the mood to say this, you...” But before she finished speaking

, the little fairy trembled! The sound stopped abruptly!

I saw Yue Feng in front of him, his right hand slowly raised!

hum!

In the next second, a terrifying aura erupted from Yue Feng, and then, a white flame suddenly condensed!

“Bai Lian Leng Huo .. turned out to be Bai Lian Leng Huo!” At this moment, Bai Shengshui reacted, and his delicate body couldn’t help trembling!

She was very knowledgeable, and she immediately saw that in Yue Feng’s hands, there was the number one strange fire in the world, Bailian Lenghuo!

“Om!”

At this moment, Yue Feng raised his hand, and the white lotus roared up, floating in the air! Keep spinning!

In an instant, the surrounding fire was madly sucked into the cold white lotus fire!

Chapter 895

Under the volcanic cave, Bailian cold fire can absorb magma. Today, this ordinary flame will of course be absorbed by the cold fire of Bailian.

call! call! call!

In less than half a minute, this sea of fire was absorbed by the cold fire of Bailian!

This...is this the power of Bailian's cold fire? !

The six fairies looked at each other and saw the shock in each other's eyes!

According to rumors, the cold fire of Bailian will devour other flames.

I thought this was just a rumor, but it turned out to be true! The world's first strange fire, since ancient times, no one has owned it! This Yue Feng... this man... is really... unfathomable!

I don't know how long it took, the six fairies Ning Ning finally reacted and said angrily: “Yue Feng!”

She bit her lip, embarrassed and angry: “Since you have Bailian Lenghuo, why didn't you take it out earlier? We splashed water on each other! You, you did it on purpose!”

When he said this, Bai Shengshui couldn't tell the coquettish anger.

Yes!

Hearing this, Er Qing also reacted with suspicion in her eyes.

“Yue Feng, did you do it on purpose?” The

six immortals said one sentence after another, Yue Feng laughed and said: “Palace masters, you really misunderstood me, how could I be intentional? I have I forgot about Bai Lian's cold fire just now...”

“You really don't have a word of credibility!” Wen Jing said in a low voice.

“Yeah, you.. When can you be a little serious...” The little fairy couldn’t help but speak.

This Yue Feng, since the first time he saw him, he has not been serious.

“Okay, okay, let’s get out of here.” Yue Feng quickly changed the subject and said with a big laugh.

At this time, the fire has been extinguished, the smoke in the secret room has disappeared, and the sight is bright, and the road ahead can be clearly seen. Bai Shengshui glared at Yue Feng and walked towards the exit first.

After a while, the Six Fairies and Yue Feng walked out of the secret room and came to the White Flower Hall.

Hu Sanyang’s fire burned the White Flower Hall completely.

At this time, the Hundred Flowers Hall was already in ruins!

“Hu Sanyang, I, Fuyao Palace, will never share the sky with you!” Bai Shengshui’s eyes were full of tears, and his voice was low!

The Hall of Hundred Flowers, standing here for a thousand years, is now over, completely over, all burnt out!

The little fairy also had red eyes and trembled with her delicate body!

“Okay, don’t feel bad.” Yue Feng laughed, looked around and said, “Well, please, I will send someone to rebuild the Hundred Flowers Hall for you, which is sure to be more beautiful than before. How is it?”

Now Dafeng Company is already a leading real estate industry. Although the cost of building a Hundred Flowers Hall is relatively high, there is no problem at all.

“Yue Feng, you... can you really help us rebuild...” The little fairy stepped forward and asked innocently.

“Haha, of course it’s true, but you have to beg me.” Yue Feng looked at her and couldn’t help teasing.

As a result, Yue Feng’s voice just fell, and only a loud noise was heard, and it came suddenly!

“Boom!”

This loud noise was as if the sky was falling apart! It was obvious that something had exploded, and a violent impact came suddenly!

“Be careful!”

Yue Feng’s eyes were quick, he waved his hand and hugged the six fairies! Resist this impact!

“What exploded?!” Yue Feng asked in a low voice.

The moment he spoke, there was another loud noise!

“It seems to be... Xian Niang Pavilion...” The little fairy replied, biting her lip: “In front of our White Flower Hall, there is an underground palace dedicated to storing fine wine. It should be because the fire was too big just now, and it burned the Xian Niu Pavilion. Those The wine jar exploded...”

“Boom! Boom! Boom!”

The moment he spoke, there were more than ten explosions!

The six fairies were hugged by Yue Feng and were not injured, but at this time, their faces were also extremely crimson.

Finally, the explosion continued for three or four minutes and finally stopped. Yue Feng released them.

“Yue Feng, you...” Wen Jing blushed and didn’t dare to look at Yue Feng, she said softly, “How can you take advantage? Can’t you put a protective film to protect us? ..hold us..”

Yue Feng laughed and was about to speak, but just at this moment, he heard a coquettish cry from the little fairy.

“Look! What is that!” The little fairy exclaimed, pointing not far away.

The ultimate husband in Chinese chapter 901-905

Thinking to himself, Yue Feng was overjoyed and looked at Pang Tong seriously: "Tell me, who are the people on the floors above this Linglong Tower?"

When he asked this, Yue Feng was full of anticipation! On the first floor of this pagoda, a character like Feng Chu appeared.

On the upper floors, who will be detained? !

At this moment, Pang Tong laughed and said: "Master, the more you go up this Linglong Pagoda, the stronger the detainees will be. However, each floor is completely isolated by the barrier, so the above is closed. I don't know who it is, I don't know."

Hearing

this, Yue Feng was extremely shocked! The people detained on the second floor are higher than the first floor? ! There are ten Martial Sovereigns on the first floor, what kind of strength will the people detained on the second floor be!

Yue Feng was full of curiosity, but unfortunately, the second floor couldn't be opened unless there was a Heaven Patching Stone. But how could it be so easy to get the Heaven Patching Stone?

Yue Feng thought to himself, his eyes swept over the five hundred people again.

Beside Pang Tong, there was a man and a woman standing, which also looked very eye-catching.

This couple should be a couple.

The man is very handsome, looks evil and charming, his eyes are actually red, and there is a giant bear tattooed on his back!

The woman was also very beautiful, but there was a bright red snake tattooed on the woman's waist.

This pair of men and women are both Second Stage Martial Sovereigns, and they are the strongest in the first floor of this pagoda!

"You two, what's your name?" Yue Feng stepped forward, looked at the man and asked.

"Back to the master, the two of us have no names." The man bowed slightly and said respectfully, "I am called the Red-Eyed Bear King in all the worlds."

This chapter is provided by . Visit for daily update.

Speaking of this, the red-eyed bear king pointed to the woman next to him: "This is my wife. She is called the Red-

eyed Snake King in the world." , then took the five hundred people back to the tower.

Now this pagoda has recognized Yue Feng as the main body. At this moment, Yue Feng made a thought and reduced the pagoda to a few centimeters again, holding it in his hand.

"Yue Feng, this pagoda is really amazing!" Wen Jing said softly.

"Yeah.. Not only can it become bigger and smaller, but it also detains so many powerful people."

Hearing the comments of several fairies, Yue Feng laughed and felt very happy.

At this moment, the little fairy came over with a blushing face, took the pagoda in her hand, and said softly: "Yue Feng, this pagoda is only a few centimeters, I will help you wear it with a red rope, you can wear it as a pendant around your neck... So as not to lose it.." The

voice fell, and the little fairy didn't know where it came from, so she brought a red rope and put it on the pagoda.

Yue Feng took it with a smile, and couldn't help but say, "My wife is the best for me." After saying that, he hung the pagoda around his neck.

The little fairy blushed at what he said, and said coquettishly, "You... it's starting again."

This Yue Feng, as long as there is nothing wrong, will start to be rude, which is really a headache! A few fairies glared

at Yue Feng, but at this moment, Wen Jing clapped her hands: "By the way, second sister, I don't seem to have seen her?"

Worried, he ordered the surrounding disciples to look around.

"Oops, was the second sister taken away by Hu Sanyang?"

"Yes, but Hu Sanyang has already escaped, the second sister should be free..."

While talking, the fairies looked around. After a while, a disciple of Fuyao Palace found the body of the second fairy in the burned ruins.

People have been burned beyond recognition.

However, seeing the jade bracelets and white holy water on the corpse, I was sure that this was the second fairy, Xu Qianqian.

“Second sister!”

At this moment, the little fairy burst into tears, grief came from it, and she couldn't help crying.

Chapter 902

“Hu Sanyang, my Fuyao Palace and you are at odds!”

“The ends of the earth, I also want to avenge the second sister!”

“Yes, revenge!”

Alas!

Seeing this scene, Yue Feng was also indescribably heartbroken, and at the same time, his inner anger was unforgivable.

To be honest, Yue Feng and Er Fairy are not very familiar with each other.

But before, she and Bai Shengshui came to support Donghai City together, and they were very admirable.

Now being burned to death by Hu Sanyang, the incense disappears and the jade is damaged, which is really heart-wrenching and regrettable!

.....

the other side.

Apocalypse Continent.

On the outskirts of the imperial city, two or three miles away, there is a Crescent Lake.

Crescent Lake, named for its shape like a crescent moon, is a picturesque place and a good place to play.

The sun is shining today, and many people come to Crescent Lake to play, and it is extraordinarily lively.

However, in a bay with the most beautiful scenery, within a few hundred meters, no one dared to approach.

I saw that there was a beautiful boat parked on the bay, with a slender figure sitting on it, and a little boy standing next to him, who was catching fish with a small net.

It was Qin Rongyin, and her child Yue Wuya.

In front of their mother and son, King Guangping sat there smiling and the atmosphere was happy.

The weather was fine today, so King Guangping took Qin Rongyin and his mother and daughter to go boating on Crescent Lake.

Take your wife out to play, you must have style. Originally, King Guangping wanted to block off the entire Crescent Lake. After all, he is the prince and has this right.

But Qin Rongyin felt that it was too flamboyant. At her suggestion, Wang Cai of Guangping chose to keep a low profile and wear casual clothes.

Even so, King Guangping brought more than a dozen guards, guarding the surrounding area and not allowing anyone to approach.

In King Guangping's heart, Qin Rongyin's mother and son are always the first priority at any time. When you come out to play with your mother and son, of course, you are not allowed to let those people approach.

"Father, Ya'er can't catch fish..."

Ya'er held the small fishing net and pouted angrily as she looked at the fish swimming in the water. How can these fish be so flexible, how can they not be caught..

"Y'er, come here." King Guangping laughed and waved at Ya'er.

Ya'er ran over with small steps and looked up at King Guangping.

"Have you forgotten the exercises that your father taught you?" King Guangping fondly touched his head, squatted down and said, "Ya'er, what exercises did your father teach you?"

"Pointing his fingers, he replied, "My father taught me Baji Palm, Tiesha Fist, Tiger Fist, Feiyun Divine Kungfu... so many..."

That's right, King Guangping loves Ya'er very much. his practice.

At a young age, Ya'er had just learned to walk, but she was already a cultivator and could not master ten martial arts.

“Y’er is good.” King Guangping laughed: “Then Ya’er can just perform any exercise and try it on the water.”

“Yeah!” Immediately after that, he raised his little hand, sank his dantian, and hit the water with a single stroke of the eight-pole palm!

“thump!”

This palm shot, only to see layers of ripples on the surface of the water! The water surging violently, forming a circle of vortices! In less than a few breaths, I saw countless fish being rolled up within a radius of tens of meters!

“Father, there are so many fish!” Ya’er couldn’t be more happy, jumping and jumping, holding the small net and starting to fish.

King Guangping and Qin Rongyin looked at each other with a smile.

In Madam’s heart, she is more and more grateful to King Guangping. For so long, I have never let him touch it. But this man loves himself more and more and hurts Ya’er more and more every day.

Chapter 903

Qin Rongyin bit her lip. Although she was still thinking about Yue Feng, the lady always felt that she owed King Guangping.

“Your Highness...” Qin Rongyin bit her lip tightly, her voice extremely low.

“Madam, what’s the matter?” King Guangping walked over with a smile.

“Or... we... tonight...” Qin Rongyin’s lips were about to be bitten and bleeding.

She is confused! Confused about whether to accept King Guangping! But she couldn’t say the next few words..

—At

this moment, not far from Qin Rongyin and King Guangping, two men came slowly with a leisurely expression.

It was Lu Jiechen and Qin Shousheng who were both masters and apprentices.

Over the past year, under the teaching of Lu Jiechen, Qin Shousheng has worked hard to cultivate, and his strength has reached the fourth stage of martial arts.

This strength, for Qin Shousheng, has reached a bottleneck.

During this time, Lu Jiechen took him out, practiced around, and killed two mountain bandits for fun. Passing through the imperial city today, I happened to pass by the Crescent Moon Spring.

“Master!”

At this time, Qin Shousheng said with a pleasing smile: “In a few days, it will be your birthday, what gift do you want? The disciple must find a way to get it for you, or I will give you a gift. A sports car?”

After spending more than a year together, Qin Shousheng told Lu Jiechen a lot of high-tech things in the continent, including cars, mobile phones, and the Internet.

Qin Shousheng didn't say anything casually, he had this ability.

After all, Qin Shousheng is also a rich second-generation in the Earth Continent, and it is really easy to send a sports car.

Lu Jiechen smiled slightly: “Stinky boy, as long as you serve my Mingjiao wholeheartedly in the future, it will be the best gift you can give me. It's just a sports car or something.”

He knew that the sports car Qin Shousheng was talking about was a kind of fast speed. means of transportation.

But with his own strength, he can fly directly in the sky wherever he wants to go. I don't know how many times faster than that sports car.

“Stop!” As

he was speaking, there was an angry shout from the front.

I saw more than a dozen guards dressed in black, quickly greeted them, all of them looked arrogant and arrogant.

It is the subordinate of King Guangping.

The captain of the guards walked over and gave Lu Jiechen a cold glance: “Don't get close here, get away.” The

captain of the guards was called Chen Ze, the strength of Wu Duan Wusheng. This kind of strength, if you release your breath casually, you will be able to squeeze those people out of breath.

“You let me go?”

Lu Jiechen frowned, a trace of disdain raised at the corner of his mouth.

Lu Jiechen has walked the world all his life, doing his own way, going wherever he wants, and no one has ever dared to stop him.

Qin Shousheng couldn't help but take a step forward and looked at Chen Ze coldly: "Are you crazy? What are you doing?" Over the

past year, Qin Shousheng and Lu Jiechen have been cultivating, and they have been inseparable. Also began to be rebellious.

More importantly, with Master by his side, Qin Shousheng was fearless.

Crazy boy!

Chen Ze was furious, and pulled out his long sword: "Looking for death!" When the voice fell, he leaped up and charged towards Qin Shousheng and the two.

hum!

A powerful breath burst out from Chen Ze's body, and a cold glow erupted from his hand, which was amazing!

Qin Shousheng snorted coldly, pulled out his long sword flutteringly, and charged forward to block Chen Ze's blow!

Chapter 904

"Clang!" The

sword slammed violently, making a loud noise, Qin Shousheng was shaken back several steps, and a mouthful of blood spurted out!

Although Qin Shousheng is not what he used to be, and his strength has reached the fourth rank of Martial Saint, he is still a bit inferior to face Chen Ze head-on!

After all, Chen Ze is the captain of the guards, has rich combat experience, and is a fifth-rank martial sage, one rank higher than Qin Shousheng!

Nima!

Qin Shousheng stabilized his figure, his face extremely ugly.

He wanted to show it in front of his master, but he didn't expect that the opponent was not weak, and he almost embarrassed Mingjiao.

“Die!” Chen Ze chased after him, his eyes locked on Qin Shousheng, and he rushed again.

Whoosh!

At this moment, Lu Jiechen’s figure flashed in front of Qin Shousheng.

“A mere ants, dare to be presumptuous in front of this seat.” A cold voice came from Lu Jiechen’s mouth.

Originally, Lu Jiechen was disdainful of taking action.

But he was notorious for protecting his shortcoming, and when he saw his apprentice injured, he suddenly became angry.

hum!

The voice fell, and a terrifying aura erupted from Lu Jiechen’s body, sweeping towards the surroundings.

hiss!

What a terrible breath!

At this moment, not only Chen Ze, the other guards, and King Guangping on the boat were all stunned, and their hearts were extremely shocked.

Lu Jiechen said nothing, raised his hand and waved, and a fiery red light burst out.

Chen Ze didn’t have time to react at all, and the whole person was hit by Hongmang.

“Pfft...”

Chen Ze snorted, the whole person sprinkled a rain of blood in the air, flew out, flew more than 100 meters, and finally landed in the lake, dyeing the lake a bloody color, died of exhaustion.

What? !

one move? !

Just one move to kill Captain Chen Ze?

Seeing this scene, the remaining guards were stunned, and couldn’t help gasping for air!

Such terrifying strength, who is he? !

At this moment, King Guangping who was on the boat also heard the sound of fighting. He couldn't help but stand up and stared at Lu Jiechen, his eyes flashing with anger!

You know, Chen Ze is one of his most capable men! To die here tragically? !

At this moment, one of the guards was shocked. He found the crescent moon mark on Lu Jiechen's forehead

.

Mingjiao vice priest? !

Hearing this, the other guards gasped, unable to hide the fear in their hearts!

Lu Jiechen, the deputy leader of the Ming Sect, is under one person and over ten thousand people. He is called the Evil Monarch. In the whole arena, no one dares to provoke it!

King Guangping's face changed, and he was secretly shocked! He had already heard of Lu Jiechen's name! It's just that I haven't seen it before, but I didn't expect it to happen here!

"Since you recognize me, you can kneel down a few times, and maybe I'll spare your life." Lu Jiechen looked at the guards in front of him, and said coldly, "You made me get out before, you already committed a crime. capital offense."

Having said that, Lu Jiechen's eyes fell on King Guangping on the boat: "Including you! Kneel down."

Wow!

Hearing this, more than a dozen guards looked at each other, all of them terrified and terrified!

What a mad tone, even asking the prince to kneel? !

A guard reacted and scolded angrily: "Lu Jiechen, don't be arrogant, do you know who this person is on the boat? It's King Guangping Qiansui."

King Guangping?

Hearing this, Lu Jiechen raised a trace of disdain at the corner of his mouth, played with the fan in his hand, and said, "What about King Guangping? If you don't kneel down to apologize today, all of you will die."

” King Ping’s eyes were gloomy, and he shouted in a deep voice: “Take this person to me!”

At this time, King Guangping was almost unforgivable!

With his own power over the government and the opposition, this Lu Jiechen in front of him, what kind of thing, dare to let himself kneel? !

It’s simply lawless!

“Hula!”

At this moment, more than a dozen guards looked at each other and rushed over with their knives!

Lu Jiechen sneered, ignoring these guards at all, just staring at King Guangping coldly! Finally, he slowly raised his hand, and a mass of purple flames quickly condensed in his palm.

In an instant, the surrounding air was instantly distorted by the high temperature!

call!

Lu Jiechen raised his arm and threw the purple flame over, the purple flame rose against the storm, condensed a palm shadow, and smashed towards the ship where King Guangping was on!

“Your Highness!”

“Protect Your Highness.”

Seeing this scene, those guards were all shocked and wanted to rush over, but they were still a step behind.

Feeling the terrifying aura contained in the palm shadow, King Guangping’s expression changed, and he quickly activated his dantian’s inner strength to form a protective barrier in front of him and Qin Rongyin.

At the same time, Qin Rongyin also held Ya’er in his arms and protected him with his body.

boom!

The next second, the shadow of the palm slammed on the barrier, King Guangping only felt a terrifying force coming, and the barrier was instantly shattered! The boat is also torn apart!

“Madam!”

King Guangping’s eyes were fast, he wrapped his wife’s waist with one hand, and hugged Ya’er with the other, and jumped to the shore.

“Madam, are you alright!” King Guangping asked with concern, anxious to die.

“It’s fine, I’m fine...” Qin Rongyin’s heart warmed, she could see that the corners of King Guangping’s mouth were bleeding in order to block this palm. But he didn’t care about the injury on his body, he actually cared about himself immediately..

“Damn you!”

King Guangping was furious and looked at Lu Jiechen coldly, his eyes almost bloodshot!

Just now, Lu Jiechen’s palm almost hurt his wife! This has already stepped on the bottom line of King Guangping!

“Damn me?” Lu Jiechen said with a smile: “I tell you, in this Apocalypse Continent, countless people are looking forward to my death, Lu Jiechen! However, those who look forward to my death will eventually die in my hands! ” When the

voice fell, Lu Jiechen’s figure flashed, like a ray of light, flying directly to Qin Rongyin!

“King Guangping, right? This woman seems to be very important to you.” Lu Jiechen sneered, and he had already grabbed Qin Rongyin’s wrist!

“Madam!” King Guangping shouted, this Lu Jiechen’s speed was too fast, by the time he reacted, it was already too late!

Chapter 905

“You let her go!”

King Guangping’s face turned pale, seeing Lu Jiechen grabbing his wife and child, his heart suddenly twitched.

“Let it go?” Lu Jiechen raised his hand without warning and slapped Qin Rongyin with his palm!

“Bang!”

With this palm down, Qin Rongyin spurted out a mouthful of blood, and even the child in his arms was sent flying! It flew more than ten meters and landed heavily, life and death unknown!

Although Qin Rongyin protected Ya'er, this palm was extremely penetrating! How old is Ya'er, how can he bear this palm?

"Madam!"

King Guangping howled, feeling that his whole heart was bleeding! He rushed over at once, picked up Qin Rongyin and Ya'er, and kept calling, but the mother and son were full of blood, and they couldn't wake up no matter how hard they tried.

"Master." At this moment, Qin Shousheng pointed not far away: "The defenders of the imperial city are here."

Hearing this, Lu Jiechen turned his head to look, and saw the direction of the imperial city, the mighty approaching. There are nearly a thousand people in a team, all in black armor.

It was the Imperial City Guard. They heard the sound of fighting here and knew that King Guangping was in trouble, so they rushed to support.

Lu Jiechen sneered, he was naturally not afraid of these guards. With Qin Shousheng, he left swaggeringly.

The thousands of guards, each with a spear, did not dare to rush forward in the face of Lu Jiechen! These guards have been completely crushed by Lu Jiechen's aura, and they automatically split their way, allowing Lu Jiechen's master and apprentice to leave.

"Madam, madam!" King Guangping shouted at the guards behind him with indescribable heartache: "Quick! Quickly escort me back to the palace, and go to the palace to ask for a doctor! Quick, quick!"

When the words fell, King Guangping hugged Qin Rongyin and the child, and stumbled towards the imperial city, almost crazy.

Madam, you can't be okay.

There must be nothing wrong.

.....

the other side.

Apocalypse Continent, on the waters of the West Sea, thousands of sailboats came from across the ocean!

From a distance, I can see that these sailboats are full of people. These people are all dressed in black, and they are filled with a chilling air!

On these sailboats, three big flags are planted!

The first banner, bright red, had three big characters written on it: Hall of Longevity!

The second banner depicts a pair of axes, the axes are crossed, and three big characters are written on it: Huaguoshan!

The third banner, with nine dragons coiled on it and four big characters on it, is particularly eye-catching: Walk the Way for Heaven!

That's right, these people are the disciples of Tianmen, Longevity Hall, and Huaguoshan Mountain!

The disciples of the three sects will gather together, and there are more than 300,000 people! From a distance, the entire ocean seems to be submerged by the crowd!

At this moment, three men stood side by side on the big boat at the forefront.

It is Yue Feng, Sun Dasheng and Wen Chou Chou!

Next to them are Xiao Xi and Su Qingyan.

Behind him are the Four Great War Gods under the Heavenly Gate Throne, the Second General of Heng Ha, the Ten Heavenly Kings, and the Dharma Kings of the Hall of Longevity. Huaguoshan Elite!

Today, the three brothers come to Apocalypse and destroy the Ming Sect!

At the Fuyao Palace, Yue Feng immediately returned to the Ouyang family after helping to bury the two fairies. After the three brothers meet, they set off immediately!

Thousands of sailboats arrived in the Apocalypse Continent, and after walking for a long time, the three Yue Feng brothers came to a small town.

Along the way, Yue Feng kept frowning. Because he found that no matter which city he went to, there were many people from all corners of the world who went to the main altar of Mingjiao.

At this time, in the tavern in the town.

Yue Feng frowned, with a puzzled look on his face: "Strange, why are so many people rushing to Mingjiao?" After the words

fell, Sun Dasheng and Wen Chou Chou looked at each other and felt strange.

The ultimate husband in Chinese chapter 896-900

Chapter 896

Hearing the little fairy's words, all eyes looked in the direction she pointed, and the fairies and Yue Feng were stunned!

I saw not far away, the explosion just now, actually collapsed the ground, and a large hole several hundred meters deep appeared!

"This...is the ground empty?" The fairies looked at each other, obviously shocked! They have lived in Fuyao Palace for a long time, but they don't even know that in front of the Hundred Flowers Hall, the ground is actually hollow!

The little fairy stepped forward, followed the big hole, looked down, and took a deep breath!

"Big sister, come and see!" The little fairy exclaimed.

Everyone walked over one after another, and they were all blinded in an instant!

I saw this hole, more than 100 meters deep and 50 to 60 meters wide! Inside the big hole, there is a golden pagoda, the pagoda is more than 100 meters high!

I'll go, there's a tower under... !

The six fairies were also stunned, all at a loss!

"There is a word on the pagoda, but... what is this word, I don't know..." the little fairy said softly.

When the voice fell, everyone looked over. Sure enough, on the top floor of this pagoda, several large golden characters were engraved. It's just that these golden characters are very ancient characters that the six fairies don't know.

"Yue Feng, can you understand these words?" Ning Jing asked.

At this time, in the hearts of the six fairies, they all subconsciously believed that Yue Feng seemed to be omnipotent.

Yue Feng looked at those words and showed a smile. These characters are in ancient seal script, and there are very few people who understand these characters now.

But for Yue Feng, it was not difficult at all. After all, he has studied antiques for many years, and ancient texts are no problem.

This chapter is provided by . Visit for daily update.

“There are seven characters on it.” Yue Feng looked at the little fairy with a smile, and said, “Ling, Long, Shen, Tong, Wei, I, use!”

Although Yue Feng read out these seven characters, but Yue Feng But looked bewildered.

What do these seven words mean?

hum!

As a result, at this moment, a powerful spiritual energy permeated from this golden pagoda!

Immediately afterwards, there appeared in a scene that several fairies will never forget! I saw this hundred-meter-high pagoda. After Yue Feng read these seven words, it gradually became smaller. In the end, it shrank to a few centimeters and flew into Yue Feng's hands!

hiss!

Yue Feng couldn't help taking a deep breath.

This... This tower can actually get bigger and smaller?

Could it be that... what I chanted just now was the spell to control this pagoda? !

At this moment, Yue Feng clearly felt that this pagoda contained incomparably full of energy, full of spiritual energy!

“This...”

Bai Shengshui's delicate body trembled, his eyes were fixed on the pagoda in Yue Feng's hand, and his tone was trembling: “This... is this... the Seven Treasures of Li Jing, the King of the Towers... Linglong Tower?!”

What?

King Totali?

The Seven Treasures Exquisite Pagoda? !

Hearing this, Yue Feng was shocked.

King Tota Li, who does not know about the Earth's Circle Continent, who does not know? ! That is the father of the third prince of Nezha!

According to legend, Li Jing has an exquisite pagoda with seven treasures in his hand, which can store all the monsters and monsters in the pagoda.

What I have in my hand is Li Tianwang's... Linglong Pagoda?

At the same time, the little fairy and the others are also trembling!

A few seconds later, Yue Feng came back to his senses and smiled at Bai Shengshui: "Grand Palace Master, don't tease me, King Tota Li, but a man from thousands of years ago, how could his pagoda be here? "

You can't be wrong, this is the Seven Treasures Exquisite Pagoda." Bai Shengshui looked serious.

Saying that, Bai Shengshui approached slowly, unable to hide his inner excitement: "For thousands of years, this pagoda has had many masters, and the last master is the twenty-fifth generation master of the Fuyao Palace. Record, I won't read it wrong!"

What?

Chapter 897

The last owner of this tower is Fuyao Palace, the twenty-fifth generation palace owner?

Hearing this, Yue Feng only felt a little dazed.

Bai Shengshui looked at the pagoda closely, his eyebrows frowned, and his tone became complicated: "Five hundred years ago, Ye Qiushui, the twenty-fifth generation head of Fuyao Palace, got this Seven Treasures Exquisite Pagoda by chance. She discovered the pagoda together with her beloved man."

When he said this, Bai Shengshui sighed.

man?

Yue Feng subconsciously frowned.

Don't men have no status in Fuyao Palace?

Just as she was thinking, she heard Bai Shengshui continue: "Ye Qiushui loves that man very much, but he never thought that within a year of being together, the man would carry her on his back and get on with the other woman, Having a child. Ye Qiushui was also sad and angry, so he put the man in the Seven Treasures Exquisite Pagoda."

When he said this, Bai Shengshui paused, his delicate face showing complexity: " After that, Ye Qiushui became disheartened, no longer believed in any man, and thought that there was nothing good for men in the world, so he issued a new rule, Swinging Palace will never accept male disciples."

No wonder men have no status in Swinging Palace.

It was because of this.

Hearing this, Yue Feng nodded suddenly, then looked at Bai Shengshui and asked curiously, "What about after?"

Huh.

Bai Shengshui sighed softly and said slowly: "After that, the Seven Treasures Exquisite Pagoda disappeared. Our Fuyao Palace has only left some records. The successive palace masters thought that Ye Qiushui had destroyed the Seven Treasures Linglong Pagoda, but they did not expect that this pagoda was buried under the Hundred Flowers Hall."

Said, Bai Shengshui was very emotional: "Ye Qiushui hates the man who lied to her, but deep down, he still can't bear to kill him, so he will bury this pagoda."

At this moment, Er Qing and several others also Is sighing endlessly.

Yue Feng was silent for a while, scratched his head, and muttered in his heart: This is all a few hundred years ago, so what is there to be emotional about?

etc!

Suddenly, Yue Feng thought of something, and looked at Bai Shengshui closely: "You said just now that this pagoda can attract people?"

Bai Shengshui nodded: "Of course, this Seven Treasures Linglong Pagoda is an ancient artifact, with boundless divine power, it can subdue everything. Living beings,

conquering demons and collecting demons. Therefore, this tower is also called the tower of collecting demons.”

Said, Bai Shengshui looked at Yue Feng with complex eyes: “The words you just read: The Linglong Pagoda is for my use, It should be the spell to make the pagoda recognize the master, and now this pagoda is yours.”

When he said this, Bai Shengshui laughed. Originally, this pagoda belonged to Fuyao Palace.

Now that he recognizes Yue Feng as the master, even if he wants to return, it is impossible. After all, Yue Feng was kind to him, so why would he be so embarrassed to come back?

Hahaha...

Can you subdue all living beings?

If you become the master of this pagoda, isn't it invincible in the world? Hahaha!

However, before he was happy for a while, he heard Bai Shengshui say: “By the way, as far as I know, this pagoda can only take in a thousand people at most. Over the thousands of years, this pagoda has changed so many owners, and the inside has long been taken in. A lot of people. If I remember correctly, the palace lord Ye Qiushui of my Fuyao Palace, and the unscrupulous man she subdued is the thousandth and the last one, so this pagoda can no longer accept people. .”

What?

Yue Feng's smile froze on his face.

Nima, the pagoda is full of people, and it can no longer accept people, so what's the use of it? ! As an ornament?

Seeing Yue Feng's lost appearance, Bai Shengshui smiled and said, “Although this exquisite pagoda can no longer accept people. But... a thousand people are imprisoned in this pagoda. Now this pagoda has recognized you as the master.”

Said At this point, Bai Shengshui looked at Yue Feng and continued to laugh: “So the life and death of a thousand people in this pagoda are under your control. You can decide the life and death of these thousand people with a single thought! People, you have to listen to you obediently. For thousands of years, those who can be included in the Linglong Tower are definitely not mortals. If these people are released for your use, it will be a terrifying force. “

Also, this pagoda has had many generations of masters.” Bai Shengshui said with a smile: “From King Tuota Li to the twenty-fifth generation master of Fuyao Palace, this period has lasted for thousands of years. I have met all kinds of people, including not many famous people from various dynasties!”

Hearing this, Yue Feng was overjoyed, but then he frowned and said, “No, the people who were put into the pagoda would not Dead?”

According to Bai Shengshui, the last owner of this exquisite pagoda was also five hundred years ago.

After so long, the people who have been put into the pagoda have turned into ashes.

Bai Shengshui shook his head: “The Seven Treasures Exquisite Pagoda is an artifact. It is full of spiritual energy and forms a space of its own. People who are taken in will not die.”

Haha!

Hearing this, Yue Feng was very excited! So, wouldn't the thousand people detained in the pagoda be used for their own use? !

Chapter 898 The

more Yue Feng thought about it, the more excited he became, looking at the pagoda in his hand.

I saw this pagoda, a total of five floors. Glittering and dazzling!

“Wife, how can I release the thousand people who are imprisoned in the pagoda?” Yue Feng asked, his face full of confusion.

When the words fell, Bai Shengshui glared at him and said coldly: “Yue Feng, I'll tell you again, don't be sloppy! Don't... don't call me that anymore... After all, we are the palace masters of the Fuyao Palace, and you will be treated by your wife. The wife's screaming, we.. where do we put our face..”

Speaking of which, Bai Shengshui bit his lip. If it was her temper, this Yue Feng called herself a wife, Bai Shengshui would have been angry. . But for some reason, facing Yue Feng, she just couldn't raise her anger.

“Haha, fine.” Yue Feng replied with a smile: “Tell me now, how can I release the people in the tower.”

Bai Shengshui snorted, this Yue Feng has never been serious, what he promised , can't believe a single word.

Thinking in his heart, Bai Shengshui put away his smile and started talking about the business: "Yue Feng, take a closer look at the pagoda in your hand. Every floor of this pagoda has a sunken gap. Do you see it?" The

voice fell . , Yue Feng observed it carefully.

The Linglong Pagoda can be big or small. At this time, the pagoda is only a few centimeters high in Yue Feng's book. But it can still be clearly seen that each layer of the pagoda is incomplete, with a circular gap.

Bai Shengshui said softly: "As far as I know, those who want to release the pagoda must fill the gaps on each floor! According to ancient books, if you want to fill the gaps in the Linglong pagoda, you need to fill the sky stone. You get a piece to fill the gaps. If you use the Tianshi, you can release the detainees on the first floor. If you get the second Tianshi stone, you can release the people on the second floor. The Linglong Pagoda has five floors, and you want to release all the people inside. , you will need five Heaven Patching Stones."

"The Heaven Patching Stone is like the key to the Linglong Pagoda." Bai Shengshui said lightly.

What?

Patching stone?

Yue Feng was stunned for a moment, his face confused.

Bai Shengshui looked at Yue Feng quietly, and continued: "The stone that repairs the sky is the ancient goddess, the five-colored divine stone used by Nuwa to repair the sky. After the goddess Nuwa repaired the sky, there is not much left of the stone for repairing the sky. What do you want to get? Five heaven-repairing stones, it is difficult to reach the sky!"

This...

Hearing this, Yue Feng was completely dumbfounded.

Nima, Heaven Patching Stone is so rare, where can I find it myself?

I got the Seven Treasures Exquisite Pagoda, I can't take in people, and I can't release the people inside, so what's the use of this broken pagoda...

Seeing his anxious look, Bai Shengshui smiled lightly, flipped his wrist, a multicolored gem, It appeared in her hands!

As soon as this multicolored gem appeared, I only felt that the surrounding temperature dropped by a few points!

Under the sun, this gem is particularly dazzling!

“Yue Feng, my Fuyao Palace has been inherited for thousands of years, and I happen to have a heaven-repairing stone.” Bai Shengshui said with a smile: “With this heaven-repairing stone, you can unlock the seal on the first floor of the pagoda, and put the inside of the stone. The person has been released.”

“Hi!”

At this moment, Yue Feng took a deep breath, feeling extremely excited!

“Wife, you are too kind to me!” Yue Feng laughed and reached out to get the Heaven Patching Stone.

As a result, Bai Shengshui’s delicate body flashed, and he held the Heaven Patching Stone tightly in his hand, and said with a smile, “Why should I give it to you?”

“You...” Yue Feng couldn’t be in a hurry. The Heaven Patching Stone was right in front of him, but he couldn’t get it. He was too anxious. He immediately said, “I’m not your husband...”

“Bah!”

Bai Sheng Shui blushed, and said angrily: “I will not give you a slick tongue.”

“Don’t...” Yue Feng was extremely anxious, and finally stopped teasing her: “Grand Palace Master, I won’t tease you, okay? .”

Bai Shengshui snorted coldly and looked at Yue Feng up and down: “I can give you this piece of sky patching stone. But I have a condition.”

“What condition!”

“Call me a good sister.” Bai Shengshui said with a smile .

Chapter 899

After saying this, the rest of the fairies giggled.

This Yue Feng has never been serious, and this time, let him have a taste.

Yue Feng laughed and didn’t think about it at all: “Good sister!”

“You!” Bai Shengshui stomped his feet, she never imagined that this Yue Feng had such a thick skin, and said a good sister, he thought Called out without thinking. I’m really ashamed!

“Big sister, this Yue Feng is too thick-skinned...” Wen Jing couldn’t help but say something.

“You, you are really shameless!” Bai Shengshui bit his lip, but still threw the Heaven Patching Stone over.

Yue Feng has already stretched out his hand with a smile and grabbed the Heaven Patching Stone. I can’t wait to put this stone on the gap on the first floor of the pagoda. All of a sudden, only a golden light flashed, and the Heaven Patching Stone was inlaid on the first floor of the pagoda, completely matching!

“Om!”

When the first floor of the pagoda was inlaid with the Heaven Repairing Stone, a tyrannical aura surged out of the pagoda in an instant!

Yue Feng’s thoughts moved, and the people detained on the first floor of the pagoda were instantly released!

“Shu! Shaw! Shaw!” I

saw figures walking out from the first floor of the pagoda!

Ten!

Twenty!

One hundred...five hundred!

From the first floor, five hundred people walked out! There are men and women, standing neatly in front of Yue Feng at this time!

I saw that these five hundred people were wearing different clothes. There are people from all dynasties and generations, some are long-sleeved coats, some are silk satin, and some are wearing armor!

Yue Feng and the six fairies looked at each other and saw the shock in each other’s eyes!

The first floor of this exquisite pagoda... actually detained a full 500 people!

The most important thing is...the strength of these five hundred people...the lowest is the Marquis level! There are more than one hundred Martial Saints, and ten Martial Emperors!

Ten Martial Emperors!

For a while, the surroundings were silent! The six fairies and the disciples of Fuyao Palace were all stunned, unable to say a word!

There are so many strong people suddenly appearing, and anyone who sees them is dumbfounded!

Yue Feng noticed that after the five hundred people were released, they were all in a trance and their eyes were blurred, as if they had lost their souls.

“Hula!”

After a few seconds, these people seemed to be a little more awake. They first looked around blankly, and finally looked at Yue Feng, and then they all knelt down.

“Meet the master!”

“Meet the master!”

Some of these people have been trapped in the pagoda for hundreds of years, while others have been trapped for thousands of years!

Now that I suddenly left the pagoda, one by one is full of confusion, and after reacting, I am excited and excited!

They are not stupid, they know that this exquisite pagoda already recognizes Yue Feng as the master. Yue Feng can decide the life and death of these people in a single thought. Therefore, these five hundred people, of course, must be called Master Yue Feng!

Five hundred people knelt there in unison, everyone in Fuyao Palace couldn't help but take a breath!

That is nearly 400 Marquis, more than 100 Martial Saints, and 10 Martial Sovereigns!

These people are all powerful men of all dynasties, and now kneeling here, that scene is indescribably shocking!

Chapter 900

“Haha, stop kneeling, get up.”

Seeing this scene, Yue Feng was overjoyed and couldn't say how excited he was!

There were five hundred more subordinates in an instant. And it's so powerful. This feeling is simply indescribable!

The voice fell, and five hundred people stood up in unison, and their movements were uniform.

Yue Feng's eyes swept across them one by one.

These five hundred people, men and women, all belong to different dynasties. At first glance, it is dazzling.

But among these 500 people, there is one man who is particularly eye-catching! The eyes of Yue Feng and the six fairies fell on this man in an instant!

shit.

Is this guy too ugly? !

That's right, the reason this man stands out is because he's so ugly.

This person is about thirty years old, with a pair of downturned eyebrows, small mung bean eyes, nostrils pointing up, his face as black as ink, and there are only a few sparse hairs on the top of his head.

This honor makes people look at it for the first time, and don't want to look at it a second time!

It's just beyond ugly.

Seeing his appearance, Yue Feng almost didn't laugh out loud. He couldn't help but walk over and asked, "What's your name?"

When he asked this, Yue Feng gave a wry smile. The person in front of him was ugly, and his strength was the lowest. It's only a period of Marquis.. This exquisite pagoda can only accept a thousand people in total. I really don't know what the people who accepted him were thinking.

Noticing Yue Feng's gaze, the ugly man was neither humble nor arrogant. He bowed his hands at Yue Feng and said respectfully, "Back to the master, my surname is Pang Mingtong, and the word is Shiyuan."

What? !

At this moment, Yue Feng's head buzzed, as if he heard it wrong: "You, what's your name?!"

"Pang Tong, the character is Shiyuan." Pang Tong said with a smile.

"Wow!"

In an instant, the entire Fuyao Palace exploded!

Even the Seven Fairies couldn't help exclaiming!

During the Three Kingdoms period, there were two great advisors who were famous all over the world! They are: Wolong and Fengchu.

Wolong is naturally Zhuge Liang.

Feng Chu is Pang Tong!

It is clearly recorded in history that Pang Tong and Zhuge Liang are equally famous, but Pang Tong looks extremely ugly!

Yue Feng opened his mouth wide, and his face was full of shock at this time! Looking closely at Pang Tong, his face was still full of disbelief: "You... who do you say you are? Feng Chu? The famous advisor in the Three Kingdoms, the one who is also called 'Wolong Feng Chu' with Zhuge Kongming?"

Pang Tong nodding his head, he smiled embarrassingly, and said politely: "It's right here, I didn't expect the master to know the nickname of Xia, it's just a false name, a false name..."

Pang Tong was a little flattered by Yue Feng's reaction.

call!

Yue Feng took a deep breath, unable to hide his excitement!

According to historical records, during the Three Kingdoms period, Pang Tong fought with Liu Bei and unfortunately died of an arrow at the age of thirty-six. It can be said that he died young.

But now it seems that he was not dead at the time, but was trapped in the Qibao Linglong Tower.

Also, according to wild history, this phoenix is extremely ugly. I thought it was rumored, but I didn't expect it to be true.

Yue Feng smiled and nodded, but ugly is ugly, he is a real talent! Can someone who can be compared with Zhuge Kongming be an ordinary person? !
