

## The ultimate husband in Chinese chapter 901-905

### Chapter 901

Thinking to himself, Yue Feng was overjoyed and looked at Pang Tong seriously: "Tell me, who are the people on the floors above this Linglong Tower?"

When he asked this, Yue Feng was full of anticipation! On the first floor of this pagoda, a character like Feng Chu appeared.

On the upper floors, who will be detained? !

At this moment, Pang Tong laughed and said: "Master, the more you go up this Linglong Pagoda, the stronger the detainees will be. However, each floor is completely isolated by the barrier, so the above is closed. I don't know who it is, I don't know."

Hearing

this, Yue Feng was extremely shocked! The people detained on the second floor are higher than the first floor? ! There are ten Martial Sovereigns on the first floor, what kind of strength will the people detained on the second floor be!

Yue Feng was full of curiosity, but unfortunately, the second floor couldn't be opened unless there was a Heaven Patching Stone. But how could it be so easy to get the Heaven Patching Stone?

Yue Feng thought to himself, his eyes swept over the five hundred people again.

Beside Pang Tong, there was a man and a woman standing, which also looked very eye-catching.

This couple should be a couple.

The man is very handsome, looks evil and charming, his eyes are actually red, and there is a giant bear tattooed on his back!

The woman was also very beautiful, but there was a bright red snake tattooed on the woman's waist.

This pair of men and women are both Second Stage Martial Sovereigns, and they are the strongest in the first floor of this pagoda!

"You two, what's your name?" Yue Feng stepped forward, looked at the man and asked.

"Back to the master, the two of us have no names." The man bowed slightly and said respectfully, "I am called the Red-Eyed Bear King in all the worlds."

This chapter is provided by . Visit for daily update.

Speaking of this, the red-eyed bear king pointed to the woman next to him: "This is my wife. She is called the Red-

eyed Snake King in the world." , then took the five hundred people back to the tower.

Now this pagoda has recognized Yue Feng as the main body. At this moment, Yue Feng made a thought and reduced the pagoda to a few centimeters again, holding it in his hand.

"Yue Feng, this pagoda is really amazing!" Wen Jing said softly.

"Yeah.. Not only can it become bigger and smaller, but it also detains so many powerful people."

Hearing the comments of several fairies, Yue Feng laughed and felt very happy.

At this moment, the little fairy came over with a blushing face, took the pagoda in her hand, and said softly: "Yue Feng, this pagoda is only a few centimeters, I will help you wear it with a red rope, you can wear it as a pendant around your neck... So as not to lose it.." The

voice fell, and the little fairy didn't know where it came from, so she brought a red rope and put it on the pagoda.

Yue Feng took it with a smile, and couldn't help but say, "My wife is the best for me." After saying that, he hung the pagoda around his neck.

The little fairy blushed at what he said, and said coquettishly, "You... it's starting again."

This Yue Feng, as long as there is nothing wrong, will start to be rude, which is really a headache! A few fairies glared

at Yue Feng, but at this moment, Wen Jing clapped her hands: "By the way, second sister, I don't seem to have seen her?"

Worried, he ordered the surrounding disciples to look around.

"Oops, was the second sister taken away by Hu Sanyang?"

"Yes, but Hu Sanyang has already escaped, the second sister should be free..."

While talking, the fairies looked around. After a while, a disciple of Fuyao Palace found the body of the second fairy in the burned ruins.

People have been burned beyond recognition.

However, seeing the jade bracelets and white holy water on the corpse, I was sure that this was the second fairy, Xu Qianqian.

“Second sister!”

At this moment, the little fairy burst into tears, grief came from it, and she couldn't help crying.

Chapter 902

“Hu Sanyang, my Fuyao Palace and you are at odds!”

“The ends of the earth, I also want to avenge the second sister!”

“Yes, revenge!”

Alas!

Seeing this scene, Yue Feng was also indescribably heartbroken, and at the same time, his inner anger was unforgivable.

To be honest, Yue Feng and Er Fairy are not very familiar with each other.

But before, she and Bai Shengshui came to support Donghai City together, and they were very admirable.

Now being burned to death by Hu Sanyang, the incense disappears and the jade is damaged, which is really heart-wrenching and regrettable!

.....

the other side.

Apocalypse Continent.

On the outskirts of the imperial city, two or three miles away, there is a Crescent Lake.

Crescent Lake, named for its shape like a crescent moon, is a picturesque place and a good place to play.

The sun is shining today, and many people come to Crescent Lake to play, and it is extraordinarily lively.

However, in a bay with the most beautiful scenery, within a few hundred meters, no one dared to approach.

I saw that there was a beautiful boat parked on the bay, with a slender figure sitting on it, and a little boy standing next to him, who was catching fish with a small net.

It was Qin Rongyin, and her child Yue Wuya.

In front of their mother and son, King Guangping sat there smiling and the atmosphere was happy.

The weather was fine today, so King Guangping took Qin Rongyin and his mother and daughter to go boating on Crescent Lake.

Take your wife out to play, you must have style. Originally, King Guangping wanted to block off the entire Crescent Lake. After all, he is the prince and has this right.

But Qin Rongyin felt that it was too flamboyant. At her suggestion, Wang Cai of Guangping chose to keep a low profile and wear casual clothes.

Even so, King Guangping brought more than a dozen guards, guarding the surrounding area and not allowing anyone to approach.

In King Guangping's heart, Qin Rongyin's mother and son are always the first priority at any time. When you come out to play with your mother and son, of course, you are not allowed to let those people approach.

"Father, Ya'er can't catch fish..."

Ya'er held the small fishing net and pouted angrily as she looked at the fish swimming in the water. How can these fish be so flexible, how can they not be caught..

"Y'er, come here." King Guangping laughed and waved at Ya'er.

Ya'er ran over with small steps and looked up at King Guangping.

"Have you forgotten the exercises that your father taught you?" King Guangping fondly touched his head, squatted down and said, "Ya'er, what exercises did your father teach you?"

"Pointing his fingers, he replied, "My father taught me Baji Palm, Tiesha Fist, Tiger Fist, Feiyun Divine Kungfu... so many..."

That's right, King Guangping loves Ya'er very much. his practice.

At a young age, Ya'er had just learned to walk, but she was already a cultivator and could not master ten martial arts.

"Y'er is good." King Guangping laughed: "Then Ya'er can just perform any exercise and try it on the water."

"Yeah!" Immediately after that, he raised his little hand, sank his dantian, and hit the water with a single stroke of the eight-pole palm!

"thump!"

This palm shot, only to see layers of ripples on the surface of the water! The water surging violently, forming a circle of vortices! In less than a few breaths, I saw countless fish being rolled up within a radius of tens of meters!

"Father, there are so many fish!" Ya'er couldn't be more happy, jumping and jumping, holding the small net and starting to fish.

King Guangping and Qin Rongyin looked at each other with a smile.

In Madam's heart, she is more and more grateful to King Guangping. For so long, I have never let him touch it. But this man loves himself more and more and hurts Ya'er more and more every day.

### Chapter 903

Qin Rongyin bit her lip. Although she was still thinking about Yue Feng, the lady always felt that she owed King Guangping.

"Your Highness..." Qin Rongyin bit her lip tightly, her voice extremely low.

"Madam, what's the matter?" King Guangping walked over with a smile.

"Or... we... tonight..." Qin Rongyin's lips were about to be bitten and bleeding.

She is confused! Confused about whether to accept King Guangping! But she couldn't say the next few words..

-At

this moment, not far from Qin Rongyin and King Guangping, two men came slowly with a leisurely expression.

It was Lu Jiechen and Qin Shousheng who were both masters and apprentices.

Over the past year, under the teaching of Lu Jiechen, Qin Shousheng has worked hard to cultivate, and his strength has reached the fourth stage of martial arts.

This strength, for Qin Shousheng, has reached a bottleneck.

During this time, Lu Jiechen took him out, practiced around, and killed two mountain bandits for fun. Passing through the imperial city today, I happened to pass by the Crescent Moon Spring.

“Master!”

At this time, Qin Shousheng said with a pleasing smile: “In a few days, it will be your birthday, what gift do you want? The disciple must find a way to get it for you, or I will give you a gift. A sports car?”

After spending more than a year together, Qin Shousheng told Lu Jiechen a lot of high-tech things in the continent, including cars, mobile phones, and the Internet.

Qin Shousheng didn't say anything casually, he had this ability.

After all, Qin Shousheng is also a rich second-generation in the Earth Continent, and it is really easy to send a sports car.

Lu Jiechen smiled slightly: “Stinky boy, as long as you serve my Mingjiao wholeheartedly in the future, it will be the best gift you can give me. It's just a sports car or something.”

He knew that the sports car Qin Shousheng was talking about was a kind of fast speed. means of transportation.

But with his own strength, he can fly directly in the sky wherever he wants to go. I don't know how many times faster than that sports car.

“Stop!” As

he was speaking, there was an angry shout from the front.

I saw more than a dozen guards dressed in black, quickly greeted them, all of them looked arrogant and arrogant.

It is the subordinate of King Guangping.

The captain of the guards walked over and gave Lu Jiechen a cold glance: “Don't get close here, get away.” The

captain of the guards was called Chen Ze, the strength of Wu Duan Wusheng. This kind of strength, if you release your breath casually, you will be able to squeeze those people out of breath.

“You let me go?”

Lu Jiechen frowned, a trace of disdain raised at the corner of his mouth.

Lu Jiechen has walked the world all his life, doing his own way, going wherever he wants, and no one has ever dared to stop him.

Qin Shousheng couldn't help but take a step forward and looked at Chen Ze coldly: “Are you crazy? What are you doing?” Over the

past year, Qin Shousheng and Lu Jiechen have been cultivating, and they have been inseparable. Also began to be rebellious.

More importantly, with Master by his side, Qin Shousheng was fearless.

Crazy boy!

Chen Ze was furious, and pulled out his long sword: “Looking for death!” When the voice fell, he leaped up and charged towards Qin Shousheng and the two.

hum!

A powerful breath burst out from Chen Ze's body, and a cold glow erupted from his hand, which was amazing!

Qin Shousheng snorted coldly, pulled out his long sword flutteringly, and charged forward to block Chen Ze's blow!

Chapter 904

“Clang!” The

sword slammed violently, making a loud noise, Qin Shousheng was shaken back several steps, and a mouthful of blood spurted out!

Although Qin Shousheng is not what he used to be, and his strength has reached the fourth rank of Martial Saint, he is still a bit inferior to face Chen Ze head-on!

After all, Chen Ze is the captain of the guards, has rich combat experience, and is a fifth-rank martial sage, one rank higher than Qin Shousheng!

Nima!

Qin Shousheng stabilized his figure, his face extremely ugly.

He wanted to show it in front of his master, but he didn't expect that the opponent was not weak, and he almost embarrassed Mingjiao.

"Die!" Chen Ze chased after him, his eyes locked on Qin Shousheng, and he rushed again.

Whoosh!

At this moment, Lu Jiechen's figure flashed in front of Qin Shousheng.

"A mere ants, dare to be presumptuous in front of this seat." A cold voice came from Lu Jiechen's mouth.

Originally, Lu Jiechen was disdainful of taking action.

But he was notorious for protecting his shortcoming, and when he saw his apprentice injured, he suddenly became angry.

hum!

The voice fell, and a terrifying aura erupted from Lu Jiechen's body, sweeping towards the surroundings.

hiss!

What a terrible breath!

At this moment, not only Chen Ze, the other guards, and King Guangping on the boat were all stunned, and their hearts were extremely shocked.

Lu Jiechen said nothing, raised his hand and waved, and a fiery red light burst out.

Chen Ze didn't have time to react at all, and the whole person was hit by Hongmang.

"Pfft..."

Chen Ze snorted, the whole person sprinkled a rain of blood in the air, flew out, flew more than 100 meters, and finally landed in the lake, dyeing the lake a bloody color, died of exhaustion.

What? !

one move? !

Just one move to kill Captain Chen Ze?

Seeing this scene, the remaining guards were stunned, and couldn't help gasping for air!

Such terrifying strength, who is he? !

At this moment, King Guangping who was on the boat also heard the sound of fighting. He couldn't help but stand up and stared at Lu Jiechen, his eyes flashing with anger!

You know, Chen Ze is one of his most capable men! To die here tragically? !

At this moment, one of the guards was shocked. He found the crescent moon mark on Lu Jiechen's forehead

.

Mingjiao vice priest? !

Hearing this, the other guards gasped, unable to hide the fear in their hearts!

Lu Jiechen, the deputy leader of the Ming Sect, is under one person and over ten thousand people. He is called the Evil Monarch. In the whole arena, no one dares to provoke it!

King Guangping's face changed, and he was secretly shocked! He had already heard of Lu Jiechen's name! It's just that I haven't seen it before, but I didn't expect it to happen here!

"Since you recognize me, you can kneel down a few times, and maybe I'll spare your life." Lu Jiechen looked at the guards in front of him, and said coldly, "You made me get out before, you already committed a crime. capital offense."

Having said that, Lu Jiechen's eyes fell on King Guangping on the boat: "Including you! Kneel down."

Wow!

Hearing this, more than a dozen guards looked at each other, all of them terrified and terrified!

What a mad tone, even asking the prince to kneel? !

A guard reacted and scolded angrily: "Lu Jiechen, don't be arrogant, do you know who this person is on the boat? It's King Guangping Qiansui."

King Guangping?

Hearing this, Lu Jiechen raised a trace of disdain at the corner of his mouth, played with the fan in his hand, and said, "What about King Guangping? If you don't kneel down to apologize today, all of you will die.

" King Ping's eyes were gloomy, and he shouted in a deep voice: "Take this person to me!"

At this time, King Guangping was almost unforgivable!

With his own power over the government and the opposition, this Lu Jiechen in front of him, what kind of thing, dare to let himself kneel? !

It's simply lawless!

"Hula!"

At this moment, more than a dozen guards looked at each other and rushed over with their knives!

Lu Jiechen sneered, ignoring these guards at all, just staring at King Guangping coldly! Finally, he slowly raised his hand, and a mass of purple flames quickly condensed in his palm.

In an instant, the surrounding air was instantly distorted by the high temperature!

call!

Lu Jiechen raised his arm and threw the purple flame over, the purple flame rose against the storm, condensed a palm shadow, and smashed towards the ship where King Guangping was on!

"Your Highness!"

"Protect Your Highness."

Seeing this scene, those guards were all shocked and wanted to rush over, but they were still a step behind.

Feeling the terrifying aura contained in the palm shadow, King Guangping's expression changed, and he quickly activated his dantian's inner strength to form a protective barrier in front of him and Qin Rongyin.

At the same time, Qin Rongyin also held Ya'er in his arms and protected him with his body.

boom!

The next second, the shadow of the palm slammed on the barrier, King Guangping only felt a terrifying force coming, and the barrier was instantly shattered! The boat is also torn apart!

“Madam!”

King Guangping's eyes were fast, he wrapped his wife's waist with one hand, and hugged Ya'er with the other, and jumped to the shore.

“Madam, are you alright!” King Guangping asked with concern, anxious to die.

“It's fine, I'm fine...” Qin Rongyin's heart warmed, she could see that the corners of King Guangping's mouth were bleeding in order to block this palm. But he didn't care about the injury on his body, he actually cared about himself immediately..

“Damn you!”

King Guangping was furious and looked at Lu Jiechen coldly, his eyes almost bloodshot!

Just now, Lu Jiechen's palm almost hurt his wife! This has already stepped on the bottom line of King Guangping!

“Damn me?” Lu Jiechen said with a smile: “I tell you, in this Apocalypse Continent, countless people are looking forward to my death, Lu Jiechen! However, those who look forward to my death will eventually die in my hands! ” When the

voice fell, Lu Jiechen's figure flashed, like a ray of light, flying directly to Qin Rongyin!

“King Guangping, right? This woman seems to be very important to you.” Lu Jiechen sneered, and he had already grabbed Qin Rongyin's wrist!

“Madam!” King Guangping shouted, this Lu Jiechen's speed was too fast, by the time he reacted, it was already too late!

Chapter 905

“You let her go!”

King Guangping's face turned pale, seeing Lu Jiechen grabbing his wife and child, his heart suddenly twitched.

“Let it go?” Lu Jiechen raised his hand without warning and slapped Qin Rongyin with his palm!

“Bang!”

With this palm down, Qin Rongyin spurted out a mouthful of blood, and even the child in his arms was sent flying! It flew more than ten meters and landed heavily, life and death unknown!

Although Qin Rongyin protected Ya’er, this palm was extremely penetrating! How old is Ya’er, how can he bear this palm?

“Madam!”

King Guangping howled, feeling that his whole heart was bleeding! He rushed over at once, picked up Qin Rongyin and Ya’er, and kept calling, but the mother and son were full of blood, and they couldn’t wake up no matter how hard they tried.

“Master.” At this moment, Qin Shousheng pointed not far away: “The defenders of the imperial city are here.”

Hearing this, Lu Jiechen turned his head to look, and saw the direction of the imperial city, the mighty approaching. There are nearly a thousand people in a team, all in black armor.

It was the Imperial City Guard. They heard the sound of fighting here and knew that King Guangping was in trouble, so they rushed to support.

Lu Jiechen sneered, he was naturally not afraid of these guards. With Qin Shousheng, he left swaggeringly.

The thousands of guards, each with a spear, did not dare to rush forward in the face of Lu Jiechen! These guards have been completely crushed by Lu Jiechen’s aura, and they automatically split their way, allowing Lu Jiechen’s master and apprentice to leave.

“Madam, madam!” King Guangping shouted at the guards behind him with indescribable heartache: “Quick! Quickly escort me back to the palace, and go to the palace to ask for a doctor! Quick, quick!”

When the words fell, King Guangping hugged Qin Rongyin and the child, and stumbled towards the imperial city, almost crazy.

Madam, you can’t be okay.

There must be nothing wrong.

.....

the other side.

Apocalypse Continent, on the waters of the West Sea, thousands of sailboats came from across the ocean!

From a distance, I can see that these sailboats are full of people. These people are all dressed in black, and they are filled with a chilling air!

On these sailboats, three big flags are planted!

The first banner, bright red, had three big characters written on it: Hall of Longevity!

The second banner depicts a pair of axes, the axes are crossed, and three big characters are written on it: Huaguoshan!

The third banner, with nine dragons coiled on it and four big characters on it, is particularly eye-catching: Walk the Way for Heaven!

That's right, these people are the disciples of Tianmen, Longevity Hall, and Huaguo Mountain!

The disciples of the three sects will gather together, and there are more than 300,000 people! From a distance, the entire ocean seems to be submerged by the crowd!

At this moment, three men stood side by side on the big boat at the forefront.

It is Yue Feng, Sun Dasheng and Wen Chou Chou!

Next to them are Xiao Xi and Su Qingyan.

Behind him are the Four Great War Gods under the Heavenly Gate Throne, the Second General of Heng Ha, the Ten Heavenly Kings, and the Dharma Kings of the Hall of Longevity. Huaguoshan Elite!

Today, the three brothers come to Apocalypse and destroy the Ming Sect!

At the Fuyao Palace, Yue Feng immediately returned to the Ouyang family after helping to bury the two fairies. After the three brothers meet, they set off immediately!

Thousands of sailboats arrived in the Apocalypse Continent, and after walking for a long time, the three Yue Feng brothers came to a small town.

Along the way, Yue Feng kept frowning. Because he found that no matter which city he went to, there were many people from all corners of the world who went to the main altar of Mingjiao.

At this time, in the tavern in the town.

Yue Feng frowned, with a puzzled look on his face: "Strange, why are so many people rushing to Mingjiao?" After the words

fell, Sun Dasheng and Wen Chou Chou looked at each other and felt strange.

### **Chapter 906**

"What about him!"

Sun Dasheng ignored this and sneered: "When we arrive at Mingjiao, let's just kill them!"

Wen Chou Chou shook his head and frowned, "You can't be so reckless, it's better to feel the situation. ."

Then, Wen Chou Chou ordered the disciple next to him: "Go and find out what's going on, why do all the Jianghu people in the Apocalypse Continent go to Mingjiao?"

"Yes!"

Listening to this, the disciple Quickly walked out.

After a while, the disciple returned and respectfully said: "Go back to the hall master, I have found out. The Ming sect leader Lu Lingshan, and the deputy leader Lu Jiechen, are brothers and sisters. Tomorrow is their birthday, the people we met along the way. People from all corners of the world go to Mingjiao to celebrate their birthday." The

leader of Mingjiao, Lu Lingshan, is only a few hours older than Lu Jiechen.

So, their birthdays are on the same day.

Mingjiao is the Apocalypse Continent, the oldest sect with tyrannical strength.

After Lu Lingshan's sister and brother took charge of Mingjiao, every year's birthday will attract congratulations from various sects, which can be called a major event in the arena.

Birthday?

Hearing this, the three Yue Feng brothers looked at each other.

boom!

Sun Dasheng patted the table, unable to hide his anger: "Slot special code, this Lu Jiechen, dare to hold a birthday party?!" The

voice fell, and Wen Chouchou sneered: "Since it is a birthday party, then Lu Jiechen must be there. Zongtan, we just happened to give him a urn to catch turtles."

When he said this, Wen Chou Chou was full of excitement.

He inquired, this Lu Jiechen likes to travel around the world the most, and his whereabouts are uncertain.

I was worried when I arrived at Mingjiao, but I couldn't find him.

Yue Feng pondered for a while, clenched his fists tightly, and the corners of his mouth raised a hint of coldness: "Since it's a birthday party, how can we go empty-handed."

When he said this, Yue Feng couldn't hide his inner anger! I couldn't help but think of Liu Xuan again.

My Xuan'er died in your hands, how dare you hold a birthday party!

Yue Feng gritted his teeth and instructed the surrounding disciples: "Go, invite all the skilled craftsmen in this town to me, since tomorrow is Lu Jiechen's birthday party, I will prepare a copy for Ming Jiao. Great gift."

...

Next to the tavern where Yue Feng was, there was an inn.

At this time in this inn, Leng Yan sat on a chair in the room, resting while rubbing her sore legs.

In front of the windowsill, Liu Xuan looked out of the window in a trance.

Liu Xuan and Leng Yan have been secretly following Yue Feng.

First from Ouyang Mansion, followed Yue Feng to Fuyao Palace. Afterwards, he followed Yue Feng to the Apocalypse Continent.

In Fuyao Palace, when Hu Sanyang set fire, Liu Xuan watched from the dark.

At that time, Liu Xuan was so anxious that she was afraid that something would happen to Yue Feng, so she couldn't help but want to rush into the fire.

After seeing that Yue Feng was safe and sound, Liu Xuan was overjoyed.

It can be said that along the way, Liu Xuan's mood has been fluctuating along with Yue Feng's safety.

At this time, the inn where Liu Xuan was staying was only a hundred steps away from the tavern where the three Yue Feng brothers were drinking.

But Liu Xuan held back.

She can't do it! She never dared to face Yue Feng!

She didn't want her husband to see what she looked like now.

She just wanted to quietly guard in the dark and watch Yue Feng from a distance.

Chapter 907

"Ugly eight monsters."

At this moment, Leng Yan looked irritable and said coldly to Liu Xuan: "Come here, send this letter back to Lingyin Pavilion."

Leng Yan was restless, and for seven days, she With this ugly monster, they followed Yue Feng all the way, and never had a chance to attack. The content of this letter is to let Lingyin Pavilion send a few more killers to help assassinate Yue Feng.

In Leng Yan's heart, he thought that the assassination of Yue Feng would not be a big problem.

But after a few days of tracking, Leng Yan was almost desperate after seeing Yue Feng's strength. More importantly, Yue Feng was almost never alone.

For example, right now, Yue Feng is leading three sects and hundreds of thousands of disciples! How to do this? !

In addition to the hundreds of thousands of disciples, around Yue Feng, there were also masters such as Sun Dasheng, Wen Chou Chou, Su Qingyan, the Four Great War Gods, the Ten Ten Heavenly Kings, and so on, who were inseparable.

The assassination must be a success! If it can't be successful once, the target of the assassination will be vigilant. There will be no way to do it any more.

After some deliberation, Leng Yan had to write a letter asking Lingyin Pavilion to send someone for support.

“Ah?”

Liu Xuan bit her lip and looked back at Leng Yan: “Senior sister, I'm going to deliver the letter... Then... who will monitor Yue Feng?”

In the past few days, the task of monitoring Yue Feng's whereabouts has been It's all Liu Xuan.

Liu Xuan is also used to it. She can see her husband and protect his safety.

Leng Yan sat there and said angrily: “If you let you go, you go, why is there so much nonsense? You didn't see that Yue Feng brought so many people, and they attracted attention wherever they went. Is this still used for surveillance? !”

Liu Xuan lowered her head and couldn't help but ask again, “Senior sister, what is written in this letter...”

“Don't ask if you shouldn't.” Leng Yan didn't even look at her, her face full of disgust , she urged in a cold voice, “Go!

“

Looking at Yue Feng's direction reluctantly, he turned and left the room.

After leaving the inn, Liu Xuan quickly rushed towards Lingyin Pavilion.

At this time, Liu Xuan just wanted to finish the letter quickly and come back quickly.

She was used to seeing Yue Feng from a distance every day, and suddenly left, feeling a little empty in her heart.

...

a day later.

Mingwang Mountain. Hall of Light.

The Hall of Light in the main altar of Mingjiao is the most sacred place in the hearts of all Mingjiao disciples.

Outside the hall, a large flag was erected, reaching a height of 100 meters! On the flag, a flaming flame is engraved with the word 'Ming' written on it.

This banner is the 'Holy Fire Banner' of Mingjiao!

In the Hall of Light, at the innermost position, there is a big cauldron! Inside the cauldron, a raging fire is burning! This flame, named Bright Sacred Fire, ranks twelfth on the Different Fire List! This bright holy fire is the belief of the disciples of Mingjiao.

There is a saying in Mingjiao that has been passed down for thousands of years: Mingjiao will not be extinguished, and the holy fire will not be extinguished!

This means that as long as the Ming Cult still exists, the holy fire in this cauldron cannot be extinguished!

On weekdays, the Guangming Hall is solemn and solemn, but today, it is very lively!

Because today is the birthdays of Lu Lingshan, the leader of the Ming Sect, and Lu Jiechen, the vice-leader, and the birthday banquet will be held in this Hall of Light!

At this time, outside the Guangming Hall, the entire Mingjiao main altar, flags and flags were fluttering everywhere, and the voices were full of people!

In addition to the Hall of Light, there were a lot of people gathered in the side halls next to it, it can be said that it was a huge crowd!

Mingjiao is one of the oldest sects in the Apocalypse Continent. It is not only famous in the Apocalypse Continent, but also famous in other continents!

This time Lu Jiechen's sister and brother's birthday banquet, not only all the sects of Tianqi Continent, but also sects from other continents came to congratulate. It can be said that the birthday banquet of Mingjiao this time is extremely grand, just like the Jianghu Conference held in the nine continents!

This kind of scene that is rarely seen in a thousand years, let alone ordinary people, is a master of the rivers and lakes, I am afraid that I will never see it in a lifetime!

Chapter 908

At this time, at the door of the Guangming Hall, sister and brother Lu Jiechen greeted the guests with smiles on their faces.

Lu Lingshan is wearing a black cheongsam, her tight and graceful figure is looming, and it is unbelievably beautiful! Coupled with her powerful aura, it makes people dare not blaspheme.

Behind the siblings, Qin Shousheng and several elite disciples entertained the guests with smiling faces.

Today, Qin Shousheng is also extremely excited.

Not only because it is Master's birthday, but more importantly, there are so many experts from all corners of the world today, so I can take this opportunity to expand my network!

Now he is Lu Jiechen's closed disciple, and anyone who sees him will give face.

Hundreds of seats were set up in the Hall of Light. Those who can sit here are all prominent figures from various continents!

From a distance, there are unfamiliar figures: Donggao Continent, Danzong Sect Master Zheng Chunqiu, Feng Family Young Master Feng Lin, and his fiancée, Xu Lu, the top brand of the wealthy family, are all among them.

Speaking of Xu Lu, she is now a household name in Donggao Continent. Last time, Yue Feng wrote a sweet song for her, which really made her popular all over the country!

Now the enchantment of the nine continents has disappeared, and many prominent figures in the continent are interested in making friends with the Ming Cult.

I have to say that this birthday banquet is completely a gathering of talents.

All the VIPs had smiles on their faces, and the entire Guangming Hall was filled with a lively and cheerful atmosphere.

It was already noon, and the banquet was about to start, but guests kept coming! The Ming Sect disciple who was in charge of receiving the ceremony was almost hoarse.

"Donggao Continent, the Chen family, send a golden Buddha!"

"Master Li Gu of Wuyou Valley, send two thousand-year-old snow ginseng!"

"Iron Wolf Corps, send a pair of suet white jade bracelets!"

"..." At the

entrance of the main hall, the gifts are already piled up in mountains. Looking around, they are all treasures of heaven and earth, rare stones and beautiful jade!

“Sister, let’s Mingjiao, it hasn’t been so lively for a long time.” Lu Jiechen looked at the lively hall and said with a smile.

Lu Lingshan smiled lightly, nodded and said, “Yes, the Kaitian Axe was born some time ago, and the enchantment of the nine continents disappeared. Only then can we get together with these heroes from various continents.”

As she spoke, Lu Lingshan’s eyes flashed a little arrogantly: “I believe that after this birthday banquet, we Mingjiao will become famous in nine continents!”

“Report—“

At this moment, only one Mingjiao disciple ran over, his face full of excitement: “Qi, Xing Yao commander, Yue Princess Ying, come to congratulate!”

“Shouli, a pair of Yu Ruyi! A hundred thousand Lingluo! Ten thousand taels of gold!”

What?

Are the goddess of war and princesses coming from Apocalypse Continent?

In an instant, the entire Guangming Hall was in an uproar! All look to the door!

At the door, two charming women came slowly.

It was Xing Yao and Ren Yingying!

Mingjiao is the strongest sect in Tianqi Continent, so when the Lu family and sisters celebrate their birthdays, the Tianqi royal family will also come to celebrate their birthdays.

Before Lu Jiechen attacked King Guangping, the leader’s wife and children were unknown. Emperor Tianqi naturally knew about this matter. But the emperor did not care. After all, Qin Rongyin’s life or death doesn’t matter. It’s not worth being a woman, and tearing up the face of Mingjiao.

So today’s birthday banquet, Emperor Tianqi asked Xing Yao and Ren Yingying to come to Mingjiao to give birthday gifts.

You know, Xing Yao is the goddess of war in Apocalypse Continent.

Ren Yingying is the emperor’s favorite daughter.

The two of them can come, which gives Ming Jiao enough face!

At this time, Xing Yao, wearing a long black dress, had a beauty that rejected people thousands of miles away.

Ren Yingying is dressed in white satin, which sets off her tight curves. To be honest, Ren Yingying, even if she wears loose clothes, it is difficult to hide her figure. Looking at the audience, what woman does not envy Ren Yingying's figure? !

Chapter 909

When Ren Yingying and Xing Yao appeared, there was an uproar in the audience!

“Even the princess and the commander-in-chief are here, and the Ming Cult really has some face.”

“It goes without saying that the Ming Cult is the number one sect in the Apocalypse Continent and has a pivotal position in the arena. Even the royal family does not dare to underestimate it. Ah.”

At this time, Lu Jiechen also reacted and walked up quickly, greeting with a smile: “Princess Yueying, Xingyao God of War.”

Ren Yingying smiled slightly and said: “Lord Lu, your sister and brother are called the world. Heroes, respected by the people of all corners of the world, today, two birthdays, I wish you all today and every year.”

Hearing this, Lu Jiechen laughed and said in a low voice, “Princess Yueying, commander of Xing Yao. You can come, you really give me Mingjiao face. I'm ashamed to say that not long ago, I had some unpleasantness with King Guangping...injured his wife and children...”

“Master Lu.” Ren Yingying waved her hand: “This is There is no need to mention this matter. We, the royal family, don't want to worry about this matter.”

“Hahaha, good, good!” Lu Jiechen laughed: “Quick, Princess and Commander Xing, please take your seat!”

At this time, Lu Jiechen laughed. Jiechen, indescribably proud.

Haha...

Even the princess and the commander-in-chief Xing Yao came to congratulate him. How about the entire Kyushu, who has such an honor? !

Soon, surrounded by everyone, Ren Yingying and Xing Yao were invited to the Hall of Light.

Lu Jiechen's face was full of smiles, his anger sank into his dantian, and his strong voice spread throughout the audience: "Everyone, everyone! Thank you for coming to our sister and brother's birthday banquet. I have a few words to say.

" Silent, they all looked at Lu Jiechen.

At this time, the guests are almost here. Sister Lu Jiechen, of course, have to say a few words before the banquet can begin.

However, at this time, a disciple quickly ran over and knelt on Lu Jiechen's face: "Report—Sect Master of Tianmen, Hall Master of Longevity Hall, Head of Huaguo Mountain, come to celebrate his birthday!"

What?

Tianmen Sect Master? The Hall of Longevity...

Isn't this the sect of the Earth Circle Continent?

Originally, there was a lot of hilarity in the Hall of Light, but at this moment it suddenly became quiet, and everyone looked at each other, inexplicably surprised.

You know, the Apocalypse Continent and the Earth Circle Continent have always had a tense relationship.

Therefore, the sects of the two continents hardly ever communicated. Now there are three at once, which is really shocking!

At this moment, Ren Yingying, who was sitting in the VIP seat, trembled faintly, couldn't help standing up, walked to the door of the main hall, and looked out anxiously.

Tianmen Sect Master?

Isn't the Tianmen Sect Master Yue Feng? !

No. He... Didn't he fall into the crater and die a year ago?

At this time, Ren Yingying was full of confusion!

On one side, Lu Jiechen was also stunned. The Ming Cult had a wide network of contacts, but he had never heard of this Heavenly Gate, or the Hall of Longevity.

“Sister, what is this Mountain of Flowers and Fruit, the Hall of Longevity, is this your friend?” Lu Jiechen looked at Lu Lingshan and asked in a low voice.

“I, I don’t know either...” Lu Lingshan kept reminiscing in her mind, but she really couldn’t remember it.

At this moment, Qin Shousheng next to him walked quickly and said in a panic: “Master, this... The sect master of the Tianmen is Yue Feng... It is rumored that he fell under the crater and died a year ago... That Sun Dasheng and Wen Chou Chou, I was beaten by you last time... You even let your disciples slap them a few times, have you forgotten?”

Lu Jiechen was even more confused: “What a mess, I forgot long ago, I don’t know about these three people. I know.”

Speaking of this, Lu Jiechen’s face showed a hint of displeasure: “We Mingjiao is famous all over the world, and although we have many friends, but these cats and dogs are also worthy of attending my birthday banquet?”

“Boom!

” I heard a loud bang, and suddenly it came!

The door of the Hall of Light was kicked open!

Chapter 910

Three men strode forward!

The man on the left is holding a giant axe! Shameful! Huaguo Mountain, Sun Dasheng!

The man on the right, holding a white paper fan, is gentle and elegant! Lord of the Hall of Longevity, Wen Chou Chou!

Yue Feng was expressionless, in the middle, his eyes were blood red!

“Yue Feng?!” At this moment, Ren Yingying stood up suddenly, with surprise and joy on her face!

Yue Feng is not dead? He is not dead!

Ren Yingying didn’t know why, but she was extremely happy, she just felt that her delicate body was trembling again and again!

Xing Yao on one side is also frowning! She didn’t expect that Yue Feng fell into the crater and didn’t even die! It was because of this Yue Feng that the last battle to pick up

the star building led to the defeat of the Apocalypse Continent! Now seeing him again, Xing Yao felt angry!

“Master!”

“Brother Yue Feng!”

At the same time, two voices sounded. It is Xu Lu, as well as Dongao Continent, the sect master of Danzong, Zheng Chunqiu!

Seeing Yue Feng, Xu Lu was very happy! At the beginning, a sweet song spread all over the mainland, and it was the streets and alleys that were singing it. Xu Lu dreamed of asking her master to write another song for her!

And Zheng Chunqiu, the sect master of Danzong, was extremely happy to see Yue Feng! Last time in Danzong, Zheng Chunqiu’s wife suffered from a strange disease because of the two mirrors. Yue Feng mastered ventilation and hydraulics and saved his wife. After this incident, Zheng Chunqiu and Yue Feng hit it off and talked very happily. Later, Yue Feng left Dongao Continent. The two hadn’t seen each other for a year. They missed it very much. I didn’t expect that they would meet here!

The eyes of the audience were all focused on Yue Feng!

But at this time, Yue Feng couldn’t hear the calls around him at all! His eyes were firmly locked on Lu Jiechen!

“You three are not my Mingjiao friends, please leave.” At this moment, Lu Lingshan slowly stepped forward.

“Today is your sister and brother’s birthday.” Yue Feng’s face showed no expression, and he almost squeezed a few words out of his teeth: “My three brothers, I heard of your famous Mingjiao, and I came here to celebrate my birthday. .” The

voice fell, and the audience burst into laughter!

“Haha, it turned out to be because of its fame!”

“Now that Mingjiao is famous all over the world, these people who are not in the mainstream want to come to compliment Mingjiao.”

“Yeah, haha!” There was

a loud laugh, and even Lu Lingshan couldn’t help laughing and covered her mouth. He smiled and said, “Since you’re here to celebrate our sister and brother’s birthday, don’t you bring a birthday gift?”

“Haha, yes, I want to flatter others, but I don’t bring a birthday gift, what do you think!”

“I came to the birthday party empty-handed, that’s all. Do you still want to curry favor with the Ming Cult?”

“Hehe...” The corners of Yue Feng’s mouth slowly lifted upward, and he squeezed out an extremely ugly smile: “Yes, you can’t come empty-handed when you come to the birthday banquet. I brought it!”

“Where is it?” Lu Lingshan asked, frowning tightly.

“Come here, bring a birthday gift!” Yue Feng shouted loudly, his voice was hoarse!

The words fell, and I saw four Tianmen disciples breaking into the door!

“Boom!”

The door of the Guangming Hall was instantly smashed!

These four Tianmen disciples strode forward, carrying two huge coffins!

“Boom!” The

two black coffins fell to the ground! The coffin is pitch black and lifeless!

“This is the congratulatory gift I sent.”

Yue Feng’s eyes were red, and the blood-drinking sword burst out of the air!

“I wish you two brothers and sisters, every year has today, every year has today!”
