

The ultimate husband in Chinese chapter 916-920

Chapter 916

“Disciple!” Lu Jiechen roared in the sky, hugging Qin Shousheng tightly, his eyes blood red!

“Yue Feng, if this revenge is not repaid, I, Lu Jiechen, swear that I will not be a human being!” Lu Jiechen endured the severe pain, his body flashed, and he quickly rushed in the direction of Lu Lingshan, shouting: “Sister, don’t We’re in love, let’s go!”

Seeing Zixiao Shenhua, he couldn’t hurt Yue Feng, and Lu Jiechen realized that in this battle, he was more fortunate than lucky!

At this time, seeing his apprentice killed by the other party, Lu Jiechen’s inner anger rose.

But in the current situation, the Mingjiao trend has disappeared.

Stay and continue to struggle, the end is to die.

After coming to Japan for a long time, you have to save your life before you can make a comeback and avenge your apprentice!

Hearing Lu Jiechen’s cry, Lu Lingshan’s delicate body shook.

Lu Lingshan saw that the disciples of the Ming Sect had suffered a lot of casualties, and there were almost corpses scattered all over Mingwang Mountain!

Since Mingjiao was founded, when has anyone been bullied like this!

Lu Lingshan bit her lip tightly, resentful, and said coldly: “No, I must kill them today!”

Buzz!

The voice fell, and a terrifying and hot breath burst out from Lu Lingshan’s body. In an instant, the surrounding air burned.

call!

In the next second, black flames condensed from Lu Lingshan’s hands! That’s right, this flame is pure black! No clutter at all!

This chapter is provided by . Visit for daily update.

Mingjiao respects fire, and is known as ‘the raging holy fire will never be extinguished’!

Mingjiao, master three different fires!

One is the bright holy fire in the cauldron.

The second is Lu Jiechen's Zixiao Shenhuo.

The third kind of strange fire is Lu Lingshan's hellfire! Ranked third on the Different Fire List!

"This...is this hellfire?!"

"What a strong breath!"

All of a sudden, everyone in the distance exclaimed in surprise. They had all heard that Lu Lingshan had hellfire, but no one had seen it with their own eyes! Now that the hell fire has been released, the scorching hot breath is almost overwhelming!

Ren Yingying on the side, her delicate body trembled: "This...is this hellfire..." As

soon as the voice fell, Xing Yao nodded and said: "Yes, this is hellfire. It is rumored that hellfire is only one of the past dynasties. Only the leader of the Ming Sect can possess it. Hellfire and Lu Jiechen's Zixiao Divine Fire, although they are both different fires, are not at the same level!"

Speaking of which, Xing Yao couldn't help looking at the black flame and said softly: "Even if Yue Feng was lucky just now, he was able to resist the Zixiao Divine Fire. Now, facing Hellfire, he is still alive and dead."

Xing Yao breathed a sigh of relief when he said this.

In the list of different fires in the world, hellfire ranks third, and its power is terrifying! this battle.

Even though Yue Feng had many masters, it would be difficult to destroy the Ming Cult.

Perhaps, not only could Yue Feng not be able to avenge his revenge, but he would also risk his life here!

"Hellfire...this is hellfire!"

"I came to the birthday banquet today, and I was fortunate enough to see three kinds of different fires!"

"I'm afraid this Yue Feng...it's over!"

” exhale.

The people who came to the birthday banquet today were all the heads of various sects. They were all very knowledgeable, but they couldn't help being shocked when they saw the hellfire!

“I want you to be buried with my disciples of Mingjiao!” A cold voice came from Lu Lingshan's mouth. She flicked her wrist and threw out the hellfire, heading straight for Sun Dasheng and Wen Chou Chou!

For a time, everyone present couldn't help breaking a cold sweat for Wen Chou Chou and Sun Da Sheng!

Wen Chou Chou's face changed, and he wanted to dodge, but the black flame was too fast, and it was in front of him in the blink of an eye!

“Brother Wen, step back!”

At this moment, a cold voice came, and the next moment, a figure stood in front of Wen Chou Chou!

It is Yue Feng!

“Hellfire?” With a trace of disdain on Yue Feng's face, he finally slowly raised his hand!

“Om!”

In the next instant, a group of white flames jumped out from Yue Feng's palm!

Chapter 917

This group of white flames tossed and jumped in the air, and finally settled into the shape of a lotus!

When the white flame appeared, the surrounding temperature rose rapidly!

It is Bailian Lenghuo!

“Huh!”

As soon as the cold fire of Bailian appeared, I saw that hellfire was swallowed up in an instant!

“Hey!” The

huge hall of light was deadly silent!

Even if a needle is dropped on the ground, you can hear it clearly!

This.. white flame? !

Could it be...

According to the rumors...

the world's No. 1 strange fire, Bailian Lenghuo? !

hum!

This idea appeared in everyone's mind almost at the same time! Everyone was stunned, unable to say a word!

For thousands of years, no one has ever owned Bailian Cold Fire!

That is the number one fire in the world!

"This Yue Feng..." Xing Yao breathed a sigh of relief, looking at Yue Feng's figure, full of complexity!

A year ago, in front of her, Yue Feng was like an ant that could be crushed to death at will!

But a year later, how could this man be so strong!

Lu Lingshan's delicate body was trembling, and she no longer wanted to fight at that time. She grabbed Lu Jiechen next to her and flew down the mountain!

Yue Feng... Tianmen! , Hall of Longevity, Huaguo Mountain!

I remember you!

Lu Lingshan bit her lip tightly, her face pale!

Seeing that the siblings were about to run away, Yue Feng immediately held the blood-drinking sword and ran after them. As a result, at this moment, two men flew quickly! Stand in front of Yue Feng!

It is the heaven and earth of Mingjiao! Heaven and Earth, in the Ming Cult's position, second only to the vice hierarch! The two of them are Lu Lingshan's most loyal subordinates!

Now that Yue Feng is going to chase after Lu Lingshan's sister and brother, Heaven and Earth must stop her desperately!

“Go away!” Yue Feng was burning with rage, the air around him was shaking, and nine long dragons, with the might of thunder, swept across directly!

“Boom!”

Shuangjue screamed and flew out at once! The blood spurted wildly, and both died!

The current Yue Feng was originally a Martial Emperor. With the addition of pure Yang internal power, the Nine Cage Ascension he released was many times stronger than before!

“Ah!”

Yue Feng’s eyes were red, Heaven and Earth only blocked him for a moment, but Lu Lingshan and his brother had already run away!

“Bang!”

Sun Dasheng was so annoyed that he slapped the pillar with a slap in the face: “Made, you almost could avenge Liu Xuan, but let this sister and brother run away!”

Yue Feng took a deep breath, looking at the direction in which the two of Lu Jiechen escaped, their faces were extremely gloomy!

At this moment, the battle on Mingwang Mountain gradually ended.

Sister Lu Lingshan had already run away, and Heaven and Earth Shuangjue had also died. The 300,000 disciples of the Ming Sect were dead, wounded, and some of them escaped. During the melee just now, Su Qingyan was sitting at Tianmen, and the disciples of the Ming Sect couldn’t resist. At this time, in the entire Mingwang Mountain, there is no one living Mingjiao disciple!

The Hall of Light was also completely destroyed!

The flame flag was cut in the middle!

At this time, the banner of Tianmen was erected on the top of Mingwang Mountain! Fluttering in the wind!

There is a strong bloody smell in the air!

hiss!

Chapter 918

Seeing this scene, the guests present were all stunned, and they didn't dare to let out the air!

The mighty Ming Sect...

was really destroyed by... Yue Feng

... If this... hadn't been seen with my own eyes, who would have believed it!

The entire army of Ming Sect disciples was destroyed, and the two sect leaders were seriously injured and fled! Heaven and Earth Shuangjue died tragically!

In this battle, Yue Feng became famous!

"Sect Master Yue... I'll retire, don't bother, don't bother..."

These guests who were present, who did not know who they were, spoke first, bowed at Yue Feng, and then everyone dispersed.

"What!"

After everyone left, Sun Dasheng slammed his fist on the wall: "No, we can't let sister and brother Lu Jiechen run away like this, I'll go after them!" After

speaking, he called his men and chased them down the mountain.

Sun Dasheng had a fiery temper. After preparing for so long to destroy the Ming Sect this time, he finally let Lu Jiechen run away. No matter how he could not accept this fact.

Yue Feng hurriedly shouted, "Great Sage, no!"

Sister Lu Lingshan had already run away, and they couldn't catch up if they wanted to.

However, Sun Dasheng was so angry that he didn't listen at all. With a big wave of his hand, he led tens of thousands of disciples down the mountain.

"Great Sage!" Wen Chouchou also had a helpless expression on his face, and smiled bitterly at Yue Feng: "Da Sage, this brat's temper should be changed! I'll follow him, Fengzi, stay here and clean up the battlefield. When the words

fell, Wen Chou Chou greeted several of his subordinates and quickly followed Sun Dasheng.

call..

Yue Feng took a deep breath and looked around.

The disciples of the main altar of the Ming Sect have all been wiped out, but Tianmen, Changsheng Hall, and Huaguo Mountain have also damaged many disciples.

At this moment, the guests are almost gone, leaving only the Danzong Sect Master Zheng Chunqiu and Ren Yingying.

“Brother Yue Feng!”

Zheng Chunqiu came over and laughed at Yue Feng: “Hahaha, the battle just now was really enjoyable.”

When he said this, Zheng Chunqiu’s eyes were full of admiration.

Just now, Yue Feng used the cold fire of white lotus to easily deal with Lu Lingshan’s hellfire, which was really eye-opening!

Yue Feng smiled and said gratefully: “Brother Zheng, thank you Dan Zong for helping you just now.”

“Haha!”

Zheng Chunqiu laughed a few times and waved his hands: “Brother, you are too polite, I will be with you from Dan Zong in the future. Tianmen is the Jagged Alliance! In the future, if Tianmen needs it, even if there are thousands of mountains and rivers, my Danzong will come as soon as possible!”

“Okay!” Yue Feng nodded heavily.

It can be seen that this Zheng Chunqiu is also a friend worth meeting.

After a few greetings, Zheng Chunqiu led his disciples away. “Ren Yingying!” After Zheng Chunqiu left, Yue

Feng went straight to Ren Yingying’s side and looked at her closely: “I ask you, where are Yuruo and Qin Rongyin?!”

Live urgently!

As a princess, Ren Yingying must know their whereabouts!

Ren Yingying bit her lip and was about to respond when a cold voice came from beside her: “Yue Feng, you are not too timid to speak to the princess like that.”

It was Xing Yao!

At this time, Xing Yao didn't know the relationship between Yue Feng and the princess. She only knew that Ren Yingying was a princess, a daughter of gold, and extremely noble.

Yue Feng's questioning in this tone is simply too presumptuous!

Even though Yue Feng's skills were shocking and destroyed the Ming Sect just now, his strength was very strong, but in Xing Yao's eyes, he was still a martial artist, unable to be compared with the princess! If he is disrespectful to the princess, I don't mind educating him!

Yue Feng ignored Xing Yao.

"Ren Yingying, tell me quickly, where are Yuruo and his wife?!" Yue Feng looked at Ren Yingying and asked again!

Ren Yingying's red lips parted slightly and smiled, "Yue Feng, we haven't seen each other for a year, you just met now, shouldn't you ask me warmly? Why do you question me as soon as you meet?"

Chapter 919

Yue Feng could not laugh or cry, looked at Ren Yingying and said, "You are a princess, golden branches and jade leaves, and there are so many people around to serve you. Why do you need me to ask for warmth? Now I just want to know where Yuruo and his wife are."

Speaking of which, Yue Feng With a bit of ridicule in Feng's tone, he looked at Ren Yingying with a smile: "Besides, although we are familiar with each other, the word snoring can only be used for the people closest to you. Could it be that...you take me as your father The emperor?"

Hahaha!

At the beginning of Zhao Yun's ancient tomb, Ren Yingying was influenced by the magic formation inside and mistakenly regarded herself as the Emperor of Apocalypse. One mouthful of a father's call.

Until now, Yue Feng still remembers the scene clearly.

Swish!

Hearing this, Ren Yingying's face turned red all of a sudden, and she was shy and angry.

This Yue Feng is still so unreasonable, he shouldn't be teasing him just now!

Xing Yao was so angry that her tender body trembled faintly. She pointed at Yue Feng and scolded: "Yue Feng, you dare to molest the princess and blaspheme the royal family?"

This kid is really bold.

To tease the princess, how dare you compare yourself to Your Majesty!

Simply lawless!

The surrounding Tianmen disciples watched happily one by one. They wanted to laugh, but they didn't dare to laugh out loud. They looked at Yue Feng's eyes with reverence.

Brother Feng is a cow, even a princess dares to molest her.

"Commander Xing, why are you so excited?" Yue Feng looked at Xing Yao with a calm expression, "I was just joking with the princess."

After speaking, Yue Feng looked serious and said to Ren Yingying: "Right, Your Royal Highness, with our friendship, you will definitely not mind."

Ren Yingying bit her lip and was speechless.

"Brother Feng!"

At this moment, Duan Yu walked over quickly, with a solemn expression: "Brother Feng, we found a secret passage of the Ming Cult on the back mountain of the Guangming Hall. It's a little weird inside. There are beasts roaring, None of the disciples below us dare to enter rashly."

Secret way?

Beast?

Hearing this, Yue Feng was startled.

Mingjiao has been passed down for thousands of years and has a profound background. This is the main altar of Mingjiao. Since there is a secret way and there are beasts guarding it, there must be good things.

Thinking to himself, Yue Feng came to the spirit: "Go, take me to see."

Duan Yu nodded and quickly led the way in front.

Xing Yao and Ren Yingying looked at each other and followed quickly.

When I got to the back mountain, I saw a huge altar on the mountain. Below the altar, there is a deep passage.

“Roar! Roar...”

In the depths of the secret passage, a roar of a beast could be heard from time to time, and everyone present was inexplicably horrified when they heard it!

Xing Yao frowned and muttered to herself, “Could it be... this is the ‘Guangming Secret Dao’ of Ming Sect?”

“Sister Xing Yao, what is the Guangming Secret Dao?” Ren Yingying couldn’t help asking.

Xing Yao said solemnly, and said slowly, “It’s the forbidden area of the Ming sect. Only the sect leader can enter. It is said that a beast is trapped in the secret passage of the sect. Could it be that this roar is the source of this beast?”

What?

Ferocious beast?

Ren Yingying’s expression was stunned, and she was stunned: “Sister Xing Yao, do you know what beasts are trapped in this secret passage?”

Chapter 920

Xing Yao looked at the entrance of the secret passage, and said lightly: “According to the records, five hundred years ago, in my Apocalypse Continent, there used to be a beast, which caused chaos in the world and killed innocent people! Later, Mingjiao joined other sects to bring this Only the vicious beast was subdued and finally locked in the ‘Bright Secret Road’.”

“Sister Xing Yao...” Ren Yingying recovered and couldn’t help but said, “You said it all, it was all five hundred years ago. Well, that fierce beast should have died long ago...”

Xing Yao shook her head and said seriously: “Princess, there are many strong people in this world. The higher the level of people’s cultivation, the longer their lifespan. The same is true for beasts. Many beasts have cultivation bases, which we call spirit beasts. There are many spirit beasts, and their strength can reach Martial Saint, Martial Emperor, or even higher! The lifespan of such spirit beasts will be very long and very long. Long.”

Speaking of this, Xing Yao breathed a sigh of relief and continued: “According to the records, the fierce beast five hundred years ago was extremely powerful! In order to subdue it, I don’t know how many Martial Emperor strongmen died! This fierce beast is

extremely powerful! The strength of the beast is strong, and it can easily live for hundreds of years.”

Yue Feng on the side heard this, and his curiosity was also hooked.

Ferocious spirit beast?

You have to get to know yourself well.

Thinking to himself, Yue Feng strode towards the entrance.

“Yue Feng, stop for me!” Just

two steps away, there was a coquettish shout from behind, and then, Xing Yao walked over quickly.

When he got to the front, Xing Yao’s handsome face was full of solemnity: “What are you going to do?”

Feeling Xing Yao’s high-spirited attitude, Yue Feng felt a little unhappy, and chuckled lightly: “Go to see the beasts, you need to ask. What?”

Xing Yao was in a hurry, and stamped his feet: “You can’t go.”

“Why?” Yue Feng asked with a frown.

It’s really strange, now that Mingjiao has been broken up, the main altar of Mingjiao has been the site of Tianmen from now on. On his own territory, Yue Feng can do whatever he wants, why can’t he go.

call!

Xing Yao took a deep breath, tried to calm herself down, and said seriously: “If there are beasts that were subdued by the Ming Sect and the major sects five hundred years ago, you can’t go in. The strength of these beasts is terrifying. If you If you accidentally let it out, the people of this world should suffer, can you afford the consequences?!”

Yue Feng smiled lightly: “You don’t need to worry about this, don’t forget, the Ming Sect has been destroyed by us. Now, this Mingwang Mountain belongs to my Heavenly Sect, including the beasts in this secret passage.”

Seriously, aside from his position, Yue Feng’s impression of Xing Yao is not bad.

But her domineering attitude is really unbearable.

More importantly, in this world, there have always been rumors of spirit beasts, but I have never seen them.

Spirit beasts are beasts with cultivation. I had a snow eagle before, but that snow eagle was just a rare kind of eagle, and it was tamed very well. But not spirit beasts.

In the secret passage in front of him, there is a spirit beast, how could Yue Feng miss the opportunity.

Without waiting for Xing Yao's response, Yue Feng commanded the surrounding disciples: "Watch the entrance of this secret passage. No one is allowed to enter without my order." After the

voice fell, Yue Feng strode in.

"Yes!" The

surrounding disciples responded in unison and immediately blocked the entrance.

"You..."

Xing Yao was so angry, her delicate body trembled.

Ren Yingying next to her also frowned, very helpless. I haven't seen each other for over a year, this Yue Feng really hasn't changed at all, he's still so arrogant.

"Princess!"

At this moment, Xing Yao bit her lip tightly, deciding something in her heart, and whispered to Ren Yingying: "I'll go in to see the situation, you are waiting for me outside."

This time, Xing Yao came to Mingjiao, Xing Yao The main responsibility is to protect Ren Yingying's safety.

But Xing Yao could see that Yue Feng and the princess knew each other, so the princess must be safe. And the beasts in the secret passage are related to the safety of the world!

If Yue Feng accidentally releases the beast, the people of the world will suffer!

You must go in.
