A Man Like None Other Chapter 2321-“Chen Ping, today is the last day of the fight, don't you make a move?”

“If you don't make a move, then you won't be able to win three games, in that case, the Ge family Most of my resources will be owned by me, Zhanyue Pavilion.”

Jin Lifu walked to Chen Ping and said to Chen Ping!

“Jin Lifu, Mr. Chen has just woken up. It is not suitable for a competition. If you lose, you will lose. My Ge family will not deny the matter of resources.”

Ge Cangsheng said to Jin Lifu.

“That's good, with your words, I'm relieved...”

Jin Lifu left with a look of pride!

“Old Ge clan, otherwise...”

Chen Ping wanted to try it out, but he couldn't just watch the resources give away!

“Mr. Chen, your body is the most important thing. It's just some resources. If you don't have it, we'll just look for it!”

Ge Cangsheng persuaded Chen Ping!

Chen Ping nodded, now all the monsters in the Monster Beast Mountain Range are under Chen Ping's jurisdiction, and it's okay to get some beast pills for the Ge family at that time!

“Chen Ping, after the secret realm conference is over, I'll take you to our Leimen secret realm. The environment on our side is much better than that of the Fire Gate secret realm.”

Han Qing'er extended an invitation to Chen Ping!

Chen Ping really wanted to go with Han Qing'er, after all, he approached Han Qing'er in order to go to Zixiao Mansion and investigate his mother!

It's just that it's not the time yet, Chen Ping has to return to the secular world after the secret realm conference is over, Su Yuqi and the others have been sealed in the secret realm of Wendaozong, Chen Ping has to find a way to rescue them!

In addition, Chen Ping has to go to the hidden world. He still has a map of the ruins in his hand. If he can find the ruins smoothly, Chen Ping's strength can be improved again.

Only when his strength is stronger, can Chen Ping be able to wander in the eight secret realms. Even if he goes to Zixiao Mansion now and knows his mother's whereabouts, with Chen Ping's current strength, there is no way to take his mother away.

"After a while, the secret realm conference is over, I have to go back to the mundane world, some things have not been dealt with..."

Chen Ping declined Han Qinger's invitation!

"Okay, but you must remember to come to me after you finish your work. I will tell you the entrance address and formula of the secret realm of Thunder Gate..."

Han Qinger leaned into Chen Ping's ear, and then gave the entrance address of the secret realm of Thunder Gate. He told Chen Ping the formula!

Knowing the entrance address and formula of this secret realm is very important for a secret realm. Now that Han Qinger actually told Chen Ping, it can be seen that she really likes Chen Ping!

Lu Chang looked at Han Qinger talking and laughing with Chen Ping, his face turned green with anger!

With Yao Shenghui's final victory, the Secret Realm Tournament is over. This time, Yao Shenghui is still number one on the Billboard!

It's just that Chen Ping is considered a dark horse. If Chen Ping is not injured and fights with Yao Shenghui, it may not be certain who will win in the end.

Chen Ping's realm is not high, but the treasures on his body are obvious to all, especially the Dragon Pattern Bell, which directly trapped the demonized Feng Wuhen inside, and was finally shaken into a pulp!

If it was Yao Shenghui who was trapped in the Dragon Pattern Clock, the result would probably be the same.

“Patriarch Yu, the competition is over, I think our Secret Realm Conference should also be declared over...”

Yao Qisheng said to Yu Qian!

Yu Qian nodded, stood on the high platform, glanced at everyone, and then announced the end of the conference!

But before Yu Qian opened his mouth, suddenly the whole earth began to tremble, and then countless auras surged out from the ground, and then formed a huge black vortex in the midair!

The stars twinkled in the vortex, and the turbulent currents flew across the sky, and streams of pure spiritual energy continuously emerged from the vortex.

Feeling the pure aura, everyone was shocked!

“This... This is the opening of a new secret realm...”

Ge Cangsheng looked at the vortex in midair and said excitedly.

“new secret realms?”

Chen Ping was a little surprised. Didn't these secret realms have already been created during the war between gods and demons?

Why did a new secret realm suddenly appear?

Ge Cangsheng saw Chen Ping's doubts, and quickly explained: “Mr. Chen, this secret realm is not fixed, nor is it static. Every time a new secret realm is opened, another secret realm will disappear... ..”

“But who created this new secret realm?” Chen Ping asked.

Ge Cangsheng shook his head: “Then I don’t know. Anyway, every time a new secret realm is opened, the secret realm is full of rare treasures, and the aura is also filled with a lot, just like a paradise!

” The opening of the secret realm will be a dispute again...”

Chen Ping was silent, because there are still experts outside the eight secret realms, who can create secret realms!

It is very likely that these experts are the cultivators from the human world that the blood demon said that day.

“The world of heaven and man, what kind of place is this...”

Chen Ping was full of reverie about the world of heaven and man!

But he knew that with his own ability, he couldn’t get through the eight secret realms, how could he have the ability to go to the world of heaven and man!

Everyone stared blankly at the black vortex. Inside the vortex was another unknown space. No one knew if there was any danger there.

After a moment of silence, Yu Qian slowly said: “Everyone, the opening of this new secret realm is a great opportunity for our eight secret realms, but in order to find out this secret realm, I decided to venture in and have a look. Before, everyone, please don’t enter casually!”

Yu Qian said in a tone of thinking for everyone, but no one knew that Yu Qian was planning to occupy the resources in the new secret territory!

After all, the first to enter has a unique advantage!

But looking at the turbulent black vortex, the danger inside is also unknown, so the first person to enter is definitely the most dangerous!

So Yu Qian proposed to be the first to enter, and no one objected!

Yu Qian mobilized all the spiritual power in his body to form a barrier around his body, and then his body slowly floated up towards the black vortex!

Soon, Yu Qian’s body was submerged in the black vortex, and everyone watched nervously!

“Ah.....”

But with a scream, Yu Qian's body fell down instantly like a kite with a broken string, and fell heavily on the ground!

Yu Qian was covered in blood at this time, and his body was covered with wounds, as if he had been cut by a knife!

“Dad...”

Yu Jia dreamed about it, and hurried forward to help Yu Qian up!

“Patriarch Yu, what's going on?”

Yao Qisheng stepped forward and asked Yu Qian.

You must know that Yu Qian's strength is the strongest here. Now that Yu Qian has just entered the black vortex, he has become like this, so many people want to know what Yu Qian has experienced!

“What a powerful force, the turbulence in this vortex is too strong, it can't be resisted at all...”

Yu Qian said with a pale face and horror in his eyes.

Everyone was dumbfounded when they heard this, if even Yu Qian couldn't get in, then no one else could get in!

For a moment, everyone looked at the black vortex and fell into silence!

“I'll give it a try...”

Chen Ping said, he leaped and went towards the black vortex. The golden body was activated, and Chen Ping's whole body was covered by golden scales!

When Chen Ping entered the vortex, a terrifying force penetrated into Chen Ping's body in an instant. Chen Ping turned pale with shock, and hurriedly wanted to suppress this force!

The dragon crystal in Chen Ping's body began to shine, and a golden dragon rushed out of Chen Ping's body, flying around Chen Ping, resisting the surrounding turbulent power!

And in Chen Ping's body, a fire phoenix spread its wings, and it actually fought against the power that entered Chen Ping's body!

Chen Ping's whole body was instantly darkened, and he passed out!

A Man Like None Other Chapter 2323- Vision

At the same time, in the sea not far from Kunlun Mountain in the hidden world, a jet of water soared into the sky!

Immediately afterwards, a stormy sea broke out, and as the water column fell, a vortex with a diameter of tens of meters appeared in the sea!

The vortex was pitch black, bottomless...

This kind of vision instantly attracted everyone in the Hidden Realm!

Looking at the bottomless vortex in the sea, everyone was shocked!

At this moment, from the vortex, there is a thick spiritual energy bubbling out, and everyone felt this pleasant atmosphere, and they all couldn't help it, and jumped in one after another!

And Qu Yunchang, who was dozens of miles away, also felt the changes in this area, and came quickly riding a killer whale!

Looking at the huge vortex in front of him, feeling the aura constantly emerging from the vortex, Qu Yunchang frowned slightly!

"Could there be a hole in the secret realm?"

Qu Yunchang could clearly feel the aura, which is definitely not something that the secular world can have!

And the only place that can have such aura is in the secret realm!

But the entrance of each secret realm is extremely hidden, and there are hidden formations, which require formulas, but now a huge secret realm entrance suddenly appears in the deep sea, which should be a hole in a certain secret realm!

After contemplating for a while, Qu Yunchang jumped in too!

.....

In the secret realm, Chen Ping was still in a coma, and the turbulent power in the black vortex was constantly attacking Chen Ping.

Fortunately, one dragon and one phoenix, one inside and one outside, protected Chen Ping, otherwise Chen Ping would have already become a meat paste by now!

Suddenly, a dazzling brilliance erupted in the vortex, and a beam of light struck Chen Ping's body as fast as lightning.

From the outside, a ray of light suddenly flashed in the black vortex, and then went out, and the terrifying aura emitted by that ray of light shocked everyone!

"Hmph, even Patriarch Yu can't pass through the turbulent vortex, this Chen Ping is really arrogant, he dared to break into it!"

Lu Chang felt the terrifying aura emanating from the light just now, and said with a cold smile: "So Chen Ping hasn't come out for a long time, he must have died inside..."

"Shut up, Chen Ping won't die!" Han Qing'er gave Lu Chang a hard look and said!

Lu Chang was not talking, but his hatred for Chen Ping deepened!

At this time, Chen Ping was bombarded by the brilliance. Although his body was not injured, the crystal skull in his storage ring unexpectedly fell from the storage ring, and then slowly floated stand up!

The appearance of the crystal skull made the turbulent flow in the black vortex even more terrifying. The crystal skull began to emit light and slowly fell to Chen Ping's chest!

With a flash of dazzling light, the crystal skull disappeared, but on Chen Ping's skin, there was a tattoo-like skull!

The power that entered Chen Ping's body at this moment was instantly absorbed by the skull tattoo on Chen Ping's chest.

With the disappearance of the power in Chen Ping's body, Chen Ping slowly opened his eyes!

But as soon as he opened his eyes, Chen Ping felt a stabbing pain in his chest. Chen Ping hurriedly looked down. When he saw the skull tattoo on his chest, Chen Ping was dumbfounded!

“What's going on here?”

Chen Ping looked surprised, but before Chen Ping figured it out, he felt his body lighten and instantly fell on a boulder!

Chen Ping only felt that the breath in his body was being suppressed, and the blood was surging all over his body, and then a mouthful of blood spewed out.

The blood that Chen Ping spewed was extremely black, and when it fell on the boulder, it actually melted through the boulder in an instant!

Looking at the melting boulder and the pitch-black blood, Chen Ping was dumbfounded!

He didn't understand what happened to his body!

A Man Like None Other Chapter 2324-The Power of Dragon Wind Looking at the surrounding environment, Chen Ping can be sure that he has come to this new secret realm!

The aura in the secret realm was extremely pure, which made Chen Ping feel very comfortable.

But Chen Ping found that the spiritual power in his body seemed to be suppressed by something, and he couldn't exert it at all.

“Could it be the reason for this skull tattoo?”

Chen Ping looked at his chest, and then grabbed it, wanting to tear off his own flesh and blood.

But just after Chen Ping's hand approached the skull tattoo, the skull instantly emitted an aura, causing Chen Ping's hand to bounce back!

"Boy, it's your good fortune to borrow your body to revive this old man. You still want to abandon this old man?"

At this moment, an old man's voice sounded in Chen Ping's mind!

"Where are you? Who are you?"

Chen Ping was taken aback, looked around, and then asked loudly.

"I'm right on your chest. You picked up my skull, but you still don't know who I am. If you don't pick up my skull, I can use this secret place to resurrect now."

"Now I can only rely on you. Once you find what I need, I will naturally leave your body!" The

old man's voice sounded again!

Chen Ping suddenly remembered that the crystal skull in his storage ring had a treasure map on it!

But when Chen Ping checked, he found that the crystal skull was gone. It seemed that the tattoo-like skull on his chest was the crystal skull!

"Who the hell are you? I took your skull out of curiosity and the treasure map on it."

Chen Ping explained!

"It doesn't matter who I am, you don't know me even if I tell you, just take me with you and follow the instructions of the treasure map to go to the place."
The

old man said impatiently.

When Chen Ping heard it, he was stunned. He didn't expect the treasure map on the skull to be in this newly opened secret realm!

But the old man didn't want to say it, so Chen Ping didn't ask, but at the moment, Chen Ping's strength was only half of his strength, so he couldn't help feeling a little worried and confused!

“I can’t use all the spiritual power in my body, does it have something to do with you?”

Chen Ping asked the old man.

“What does it have to do with me? Your strength cannot be fully exerted because there is the power of heaven in this secret realm, and you are suppressed by heaven.”

“The power of dragon and phoenix in your body is not fully integrated, so you will be suppressed by heaven.”

said the old man.

“The power of dragon and phoenix?” Chen Ping frowned, and instantly remembered the fire phoenix in his body before he fell into a coma.

He only has the power of the dragon in his body, when will he still have the power of the fire phoenix?

Could it be?

Chen Ping thought of the Huofeng in the Monster Beast Mountain Range, but when Chen Ping and Huofeng separated, he didn’t have the power of Huofeng in his body!

But why is there an extra power in the body now? As if sensing Chen Ping’s doubts, the old man

’s voice sounded again: “This is the power of dragon and wind produced by the intercourse of dragon and phoenix!

“

Chen Ping became even more confused, he had never done that kind of thing with Huofeng.

Suddenly, Chen Ping thought of the days when he was in a coma, and the very comfortable dream he had afterwards!

He thought that woman was Ge Yuhan, but he misunderstood Ge Yuhan, and Chen Ping always thought it was a dream!

But now it seems that that woman should be the fire phoenix...

After he mates with the fire phoenix, the power of the dragon and wind is produced, but the time is too short, and the two powers have not yet fully merged.

When he thought that he was in a coma and did that kind of thing with Huofeng, Chen Ping felt a little embarrassed!

Well, don't grind it, men have to admit it after playing, and you are a dragon and a phoenix, just a natural pair."

"And that little woman, willing to give you all the power of the fire phoenix in her body, must be sincere to you."

"Just find a chance to marry that little woman, now you quickly take me to follow the guidance of the treasure map to find that place."

The old man urged Chen Ping!

Chen Ping adjusted his mood and began to follow the guidance of the treasure map and set off towards his destination!

Although his strength was suppressed by the Heavenly Dao, fortunately, there would be no one else in this secret realm, and there would be no danger, so Chen Ping was not worried!

At this time, Ge Cangsheng and everyone had not seen Chen Ping come out for a long time, guessing that Chen Ping must have entered a new secret realm!

Although Yu Qian was injured by the power of turbulence and flew out directly, something impossible would always happen on Chen Ping's body!

Boom.....

At this moment, the earth under Ge Cangsheng's feet began to shake violently.

“It’s broken, this secret realm is going to collapse, leave quickly...”

Yu Qian felt the shaking of the earth, and suddenly roared loudly!

Seeing this, everyone began to run towards the teleportation array, and then teleported to their own secret realm!

After taking a look at the black whirlpool, Ge Cangsheng also had to leave, a new secret realm opened, and an old secret realm would die!

But I didn’t expect that the secret realm of extinction turned out to be the place where they held the secret realm conference!

However, the demise of this secret realm should be related to the dragon pattern bell being taken away by Chen Ping!

Soon, everyone in the secret realm left, and the entire secret realm was also torn apart in a huge roar, and finally dissipated!

Chen Ping did not know at this time that the secret realm where the secret realm conference was held had collapsed and died, and he was still following the guidance of the treasure map, constantly rushing!

But just after Chen Ping passed through a jungle, he suddenly stopped, and then his expression became a little nervous!

Because he felt that other auras were constantly approaching him, and there was more than one person!

“Hey, how can there be other people in this secret territory?”

The old man couldn’t help but wonder.

Chen Ping didn’t expect that this newly emerged secret realm would be seen by someone, could it be that others saw that they didn’t go out, and they also came in?

However, Chen Ping’s strength was suppressed at this time, and without knowing the identity of the other party, he did not dare to rush forward, so he found a place to hide, first look at the situation!

Soon, dozens of figures slowly appeared, and when these people approached, Chen Ping was suddenly dumbfounded!

Because these people are not people in the Eight Secret Realms, but people in the Hidden Realm!

Although most of Chen Ping did not know, among them, Tong Yougong of the Heavenly Thunder Sect, and Bao Yukun of the Alchemy Sect, Chen Ping had seen and dealt with them!

Among them, there are several middle-aged people, the aura on their bodies is extremely strong, and they have obviously reached the realm of the Martial Emperor, it seems that these middle-aged people should be at the level of the sect master!

“Old boy, I really didn’t expect that near our hidden realm, there is a secret realm entrance, this is really a paradise, breathe a few breaths of air, can make people feel refreshed, I will relocate the gang here in the future!”

Leng Wudao said with some excitement.

“Yes, this place is indeed good, and I have seen it, the herbs here are also very rich, I want to move the alchemy sect as well...”

“Yes, let’s go around first, I think the other companies must have entered, but I don’t know where they were teleported, let’s see if we can meet them!”

Bao Yukun He nodded and said!

Chen Ping hid in the dark, listening to the conversations of a few people, he understood a little bit!

It turns out that the entrance to this new secret realm has also been opened in the Hidden Realm. No wonder these people from the Hidden Realm will enter here!

Seeing these people getting closer, Chen Ping held his breath and restrained his breath completely, for fear of being discovered!

After all, Tong Haiyang from the Tianlei faction and Leng Wudao from the Flying Star faction now think that he killed their son, and they want to seek revenge from him!

Now Chen Ping is praying not to be discovered by these people. In addition, he hopes to meet Yue Buqun and the others from the Pure Yang Sect. Chen Ping is now suppressed by the Dao of Heaven, and he is really going to be in danger. helper!

At this time, Chen Ping thought of Qu Yunchang again. It would be great if he could also enter this secret territory. With Qu Yunchang's strength, Chen Ping would not be afraid of these people!

Whatever was scary came, when these people passed by Chen Ping, although Chen Ping was already trying to restrain his breath, he was still discovered by Leng Wudao!

“Who? Come out quickly...”

Leng Wudao stopped, and then looked towards the place where Chen Ping was hiding!

Following Leng Wudao's roar, dozens of pairs of eyes looked at Chen Ping's hiding place!

Seeing this, Chen Ping knew that he couldn't hide anymore, so he got up slowly!

When he saw Chen Ping, Leng Wudao frowned and said, “Who are you?”

Leng Wudao had never seen Chen Ping before, and saw that Chen Ping was not from the hidden world, so he asked!

“Chen Ping, why are you here?”

At this moment, Tong Yougong recognized Chen Ping, and asked with surprise on his face.

When Leng Wudao heard that it was Chen Ping, infinite killing intent erupted from his body instantly!

“This secret place doesn't belong to your family, why can't I be here?”

Chen Ping replied to Tong Yougong.

“You...”

Tong Yougong’s face turned cold, and he was about to attack Chen Ping, but was stopped by Tong Haiyang!

“This kid is very strong, you may not be an opponent...”

Tong Haiyang knew that even Wang Defa was no match for Chen Ping, so this Tong Yougong couldn’t beat Chen Ping!

They still don’t know that Chen Ping’s strength is suppressed at this time, even if Tong Yougong makes a move, he can defeat Chen Ping!

“Are you Chen Ping?” At this time, Leng Wudao took a step forward, standing in front of Chen Ping, and asked.

“Yes!” Chen Ping nodded, and then asked: “Who are you ?”

“

When it was cold and cloudy, the killing intent in his eyes was even stronger!

“I’ve said it a long time ago. I didn’t kill Leng Yun. It was the Great Protector of the Fentian Sect who absorbed his strength. That’s why he died. It has nothing to do with me.”

Chen Ping explained!

“Do you think I will believe you?” Leng Wudao said with a gloomy face, “I know that you are very powerful, and even the number one assassin of our Flying Star Sect, Qisha Jun, died in your hands, but today you met When it comes to me, I will never let you go.” When

Chen Ping heard this, he was stunned for a moment, because the Lord Qisha had already escaped, and he himself did not kill him, so he didn’t understand why the other party died. What?

But when Chen Ping was in a daze, the aura from Leng Wudao’s body had already erupted, and the terrifying power of the Martial Emperor, like a mountain, was pressing towards Chen Ping!

Leng Wudao wanted to see how strong Chen Ping was at such a young age, he could even kill Lord Qisha!

But when the terrifying aura enveloped Chen Ping, Chen Ping instinctively released the spiritual power in his body to resist!

Read A Man Like None Other Chapter 2327

A Man Like None Other Chapter 2327-a pity that his strength is suppressed, whether it is spiritual power or divine dragon power, there are very few that can be used!

As soon as Chen Ping exuded aura resistance, he was instantly crushed to the ground by a huge force!

The huge pressure instantly caused cracks to appear on the ground under Chen Ping's feet, and Chen Ping lay on the ground, gritting his teeth deadly, and his face was extremely hideous!

If it weren't for Chen Ping's physical body being strong enough, he would have become a puddle of meat mud by now!

Leng Wudao retracted his breath and looked at Chen Ping with some surprise!

"How is this strength?"

Leng Wudao frowned, according to Chen Ping's strength, how could he kill Leng Yun, and how could he kill the Seven Evil Monarchs?

Tong Yougong was also very surprised to see Chen Ping like this, even when he saw Chen Ping for the first time, Chen Ping's strength would not be so weak!

"Chen Ping, you are less pretending, your strength cannot be so weak, are you trying to deliberately show weakness and deceive us?"

Tong Yougong asked loudly!

Chen Ping slowly got up, there was already blood at the corner of his mouth, but he didn't speak!

It is impossible for him to say the things that his strength is suppressed!

Seeing that Chen Ping did not speak, Tong Yougong slapped out a palm towards Chen Ping, and a brilliant energy roared and hit Chen Ping's chest fiercely!

Chen Ping's brows frowned slightly, and he hurriedly mobilized the power of the divine dragon, wanting to activate the golden body!

As golden light flashed on Chen Ping's body, patches of golden scales began to cover Chen Ping's whole body.

But as soon as these scales were covered, Chen Ping instantly felt that his divine dragon power dissipated, his entire body became weak, and the unbroken golden body that had just been activated also directly dissipated!

Boom.....

This palm hit Chen Ping's chest firmly, directly knocked Chen Ping out, Chen Ping flew out all the way, directly smashed more than a dozen trees, and then hit a boulder and stopped!

Chen Ping only felt that his internal organs were constantly churning, and a mouthful of blood spurted out!

"How so?"

Tong Yougong looked at it a little incredulously, just now his palm had not used his full strength, but he beat Chen Ping without any power to fight back!

"His breath is collapsing, and it seems that his physical strength should be injured, which is why his strength cannot be gathered."

At this time, Tong Haiyang spoke, he had been observing Chen Ping, just when Chen Ping mobilized the power of the divine dragon and activated the golden body, soon the power collapsed, which shows that Chen Ping is not weak, but for some reason, the power cannot be gathered!

"I don't care if you are not strong, or because of an injury, the strength cannot be gathered, my son's death, you must be responsible."

"Today I will avenge my son..."

After Leng Wudao finished speaking, his palm swung towards Chen Ping!

As the Martial Emperor, Leng Wudao, with this casual wave of his hand, the heavens and the earth changed color in an instant, and a huge palm print appeared in mid-air, like a five-finger mountain, pressing towards Chen Ping!

The palm print had not arrived, but the coercive force had instantly crushed Chen Ping to the ground, and he couldn't stand up at all.

Chen Ping was lying on the ground, the bones on his body were gurgling, and the huge pressure made his body begin to crack, and blood marks appeared!

Chen Ping looked at the huge palm print in the mid-air, at this moment, he felt the breath of death, and death was in front of him!

Chen Ping's mind began to cross scenes one after another, and the figures of women appeared.

And in a trance, he seemed to see his mother, with a kind smile on her face, slowly walking towards him!

He also saw his father, the mighty and tall figure, but he couldn't see his father's appearance!

Even so, Chen Ping was already very satisfied, and a faint smile appeared on Chen Ping's face!

"It seems that I have to find a new host..."

The old man's voice sounded.

He couldn't help Chen Ping, and at this time, he wasn't even a soul.

A Man Like None Other Chapter 2328-Just as Chen Ping was waiting for death, suddenly the pressure on his body loosened, and then the huge palm print above his head began to slowly dissipate!

I saw a figure standing beside Chen Ping, with his palms up, struggling to resist the huge palm print!

“Mr. Chen, are you all right?”

At this time, Liu Xing and Liu Rui helped Chen Ping up, and it was Yue Buqun of the Pure Yang Sect who resisted the huge palm print!

“Sect Master Yue, thank you...”

Seeing this, Chen Ping thanked him loudly!

“Mr. Chen, you are so polite, I didn’t expect you to enter here...”

Yue Buqun put away the breath on his body and said!

“Yue Buqun, are you going to openly oppose my Flying Star Sect for the sake of this kid?”

Seeing that Yue Buqun had saved Chen Ping, Leng Wudao asked with a cold face.

“Whoever moves Mr. Chen is the enemy of my Pure Yang Sect...”

Yue Buqun said with a firm expression!

At this time, dozens of people arrived from all directions, and the three sects and six factions of the hidden world arrived!

However, many sects had no grudges against Chen Ping, so they had no hostility towards Chen Ping!

Although there is no hostility, it does not mean that they will save Chen Ping!

These people were all standing on one side, quietly watching Yue Buqun and Leng Wudao confront!

If in terms of strength, the strength of the Pure Yang Sect is no match for the Flying Star Faction, but Leng Wudao does not want to follow the Pure Yang Sect at this time!

When both sides lose, then this secret place, they want to migrate and occupy a place, it will be difficult!

Don't look at the fact that these sects can get along in harmony in peacetime, it is because the strength is similar, but when one of the parties is too weak, it will not take long to be annexed!

It is precisely because of this that for so many years, there has not been much friction between the three sects and six factions, after all, no one wants to be swallowed up!

“Lao Tong, your son was also killed by this Chen Ping, don't you want revenge?”

Leng Wudao looked at Tong Haiyang and asked!

If the Flying Star Sect and the Heavenly Thunder Sect joined forces, then the Pure Yang Sect could be easily wiped out!

“He killed my son, but I haven't thought about revenge yet...”

Tong Haiyang said lightly!

Tong Youcai was not his biological son at all, so Tong Haiyang didn't care at all, the reason why he sent that Tong Youcai was also to borrow Chen Ping's hand and kill Tong Youcai!

“Old boy, the enemy who killed his son is in front of you, are you indifferent?”

“As long as our two join forces, Yue Buqun, this old thing, can't stop it.”

Leng Wudao persuaded Tong Youcai!

“I can't stop you, but I can blow myself up and break the net!”

After Yue Buqun finished speaking, he ordered loudly: “The disciples of the Pure Yang Sect listen to the order...”

If someone strikes at Mr. Chen, he will immediately blow himself up, even if the jade is burned ...”

“Yes...”

Read A Man Like None Other Chapter 2329

A Man Like None Other Chapter 2329-If Chen Ping had been here, Yue Buqun wouldn't know how long he could protect Chen Ping!

The self-explosion he just said was just to scare Leng Wuxiao!

The people of the three sects and six factions are here, even if Yue Buqun wants to blow himself up, will these people look indifferent?

They will definitely join forces to block it, after all, self-detonation will bring harm to others!

When the interests of others are really threatened, these people will unite, and then Yue Buqun's Pure Yang Sect will not have the slightest room for resistance!

Taking advantage of Leng Wudao's frightening of himself, he wanted Chen Ping to escape quickly!

Chen Ping nodded, then turned around and ran!

Seeing this, Leng Wudao was just about to make a move, but when he saw Yue Buqun, he immediately stepped forward and made a desperate gesture in front of Leng Wudao!

Leng Wudao just like that, watching Chen Ping disappear from his face!

"Yue Buqun, my Flying Star Sect, will not die with your Pure Yang Sect in the future..."

Leng Wudao gritted his teeth and said.

"You think I'm afraid of you!"

Yue Buqun did not show weakness at all!

Yue Buqun and Leng Wudao, both of them looked at each other fiercely!

But soon, Leng Wudao suddenly showed a smile at the corner of his mouth, and then spoke: "Yue Buqun, Laozi really spooked you just now, now everyone is here, even if you want to blow yourself up, others will stop you, you can't succeed at all." "

“Since that Chen Ping is in this secret realm, I will never let him escape, even if I try to do everything in my Flying Star Sect.”

“Everyone present, as long as you meet that Chen Ping and kill him, I am willing to give him all the resources of the Flying Star Sect for three years.”

“You can also see that Chen Ping is now seriously injured, like a wasted man, it doesn’t take much effort to kill him!”

Leng Wudao knew that such a big secret realm, faintly relying on his Flying Star Sect to find Chen Ping, I am afraid that it would be difficult to find the way, and there was Yue Buqun to block it!

He could ask everyone from the three sects and six factions to go to Chen Ping and kill that Chen Ping, he didn’t believe that this Yue Buqun could still follow all the sects in the hidden realm as enemies!

Sure enough, as soon as Leng Wudao’s words came out, everyone’s eyes showed a hot color, and their expressions became excited.

Although they followed Chen Ping without grievances, they faced huge resource interests, and they could kill an unrelated person.

At this moment, Yue Buqun’s face was extremely ugly, and he could only threaten loudly: “If anyone attacks Mr. Chen, my Yue Buqun will fight with him...”

It’s just that At this moment, Yue Buqun’s threat seemed a little insignificant in the eyes of everyone!

Yue Buqun’s strength was not enough to fight with the sects of the entire hidden world!

Now Yue Buqun could only pray that Chen Ping could avoid it far away, or even leave this secret realm!

At this moment, Chen Ping was running desperately, and his strength was suppressed, so that he could only run for his life, and there was no other choice!

But what Chen Ping didn’t know was that now in the entire secret realm, there were already many people looking for him separately!

“You have to quickly find the place marked on the map, only when you get there, I can help you.”

The old man’s voice sounded in Chen Ping’s ears!

Chen Ping really wanted to scold at this time, he also wanted to find that place as soon as possible, but walking in this mountain and forest, and constantly identifying the map direction, it was simply not fast!

“What are you looking for?” Can you be resurrected when you get to this place? “

Chen Ping didn’t understand, what kind of person is this old man, he doesn’t even have a soul, just relying on the skull, can he still be resurrected?

Chen Ping has seen a soul resurrected, but he has not seen one that can be reborn by relying on a skull!

“You know, my soul has not dissipated, it is just no longer in this place, and when I get to that place, I can use my skull to locate the coordinates and let my soul shuttle here.”

“When my soul comes, those guys who just bullied you, in my eyes, are not even as good as ants...”

The old man said very proudly!

A Man Like None Other Chapter 2330-, “Don’t brag, I have been dumped into the sea, and turned into a pile of bones...”

Chen Ping followed the old man and started bickering!

“You... You doll, you are so short-sighted. If it weren’t for your dragon veins, I wouldn’t bother to talk to you.” The

old man was very angry.

“Then since you know that I have dragon veins, do you know who I am? Who is my father?”

Chen Ping wanted to find out about his father from the old man!

“I can tell that you have dragon veins. How can I know who your father is. If I can be resurrected, I can help you deduce the secret and know your father’s identity.” The

old man said!

When Chen Ping heard it, he was another guy who didn’t know anything, so he stopped talking and could only quicken his pace!

But just as Chen Ping passed through the mountainside, two people suddenly appeared in front of him. Judging by their clothes, they should belong to a certain sect in the hidden world!

Although Chen Ping had some problems with the Flying Star Sect and the Tianlei Sect, he had nothing to do with other sects and had no grudges, so after seeing these two people, Chen Ping planned to go around and continue walking!

But those two people stretched out their hands and stopped Chen Ping!

One of the short men looked at Chen Ping with excited eyes, and said with a faint smile, “I never expected that luck would fall on us two brothers.”

Chen Ping looked at the short man with uneasy eyes. With a look of good intentions, he frowned and said, “Who are you two? We seem to have no grievances, right?”

” Three years of resources will take your head, so don’t expect to spend it here!”

“If you stick your head over obediently, you will suffer less pain. Otherwise, don’t blame us for being rude...” The

short man slowly drew out his long knife and looked at Chen Ping as if looking at Chen Ping. To the general treasure!

Chen Ping was startled, and his body backed up involuntarily. He didn’t expect that Leng Wudao would offer such a high reward in order to kill him!

From this point of view, even Yue Buqun couldn't stop it, after all, it is impossible for the Pure Yang Sect to follow all the sects in the Yin Realm as enemies!

Chen Ping looked at the two men in front of him, both of whom were fifth-rank Martial Gods. If Chen Ping's strength had not been suppressed, these two guys would not be put in Chen Ping's eyes at all!

But now that Chen Ping's strength has been suppressed, it might be impossible for him to deal with these two men!

Chen Ping kept thinking, what he can use now is the Dragon Slaying Sword. The Dragon Slaying Sword already has the sword spirit and can attack independently, so it doesn't need Chen Ping's control!

However, the Dragon Slaying Sword is okay against one person, but it is impossible to deal with two masters of the fifth-rank Martial God realm!

"If only the Flame Tiger was here..."

Chen Ping began to miss the Flame Tiger. If the Flame Tiger didn't die, he wouldn't have to be so afraid when facing these two guys!

The short man saw that Chen Ping was still not moving, so he swung his knife and slashed, and a bright light burst out. This sharp blade swept across the void and roared towards Chen Ping!

Chen Ping gritted his teeth, desperately burst out a wave of spiritual power, and then protected his body!

Boom.....

The knife slashed on Chen Ping's body fiercely, and Chen Ping was instantly sent flying, with a bloodstain on his tough body!

"This kid's physical body is really strong, and this knife only cut a bloodstain."
The

short man was a little surprised!

"I hope his neck isn't so hard, or else I'll make a few more cuts..."

The tall man also pulled out his knife!

The two faced Chen Ping, with sneering smiles on their faces, and walked towards Chen Ping step by step.
