A Man Like None Other Chapter 2742-“You’re too arrogant, you old fart! I’ll attack Imperial Beast City right now and show you what I’m capable of!”

Xandros roared, waving his saber. “Attack!”

His Sky Breaker had been destroyed by Jared, so he had switched to using a saber.

Tens of thousands of soldiers shouted and charged toward Imperial Beast City.

Looking down at the soldiers and the smug Xandros, Yuven said coldly, “It seems if I don’t teach that brat a lesson, he’ll think he’s undefeatable!”

He was about to catch Xandros from among the latter’s army personally when a cold blade settled next to his shoulder.

“I suggest you stay put, Your Majesty,” threatened Tigerus from behind.

Yuven was shocked to hear Tigerus’ voice. A moment later, rage swelled in Yuven’s eyes.

“What are you doing, Tigerus?” Ivasha was shocked when she saw that.

“How dare you commit regicide, Tigerus!” Julius was similarly surprised.

“Regicide? I was loyal to him for years, but what did I get in the end? I couldn’t even be compared to a human. Princess Ivasha would rather follow a human than spare a glance at me! In their eyes, I’m always an insignificant subordinate! I find this sort of life meaningless. Instead of some nameless general, I’d rather be the king! I want to rule over Imperial Beast City! Then, I’ll be able to pick any woman I want, and they won’t be able to refuse, including Ivasha. When I ascend to the throne, she will lose her status as a princess and become my plaything!” Tigerus laughed maniacally, his eyes filled with madness. He looked all the more terrifying when a gust of wind ruffled his hair.

At that moment, accompanied by Tigerus’ loud laughter, the city gates opened, and Xandros and his men promptly rushed in.

“Tigerus, you traitor! I’m going to kill you!” Ivasha was absolutely furious and immediately tried to attack Tigerus.

However, Julius stopped her. “Calm down, Princess Ivasha. His Majesty is still in danger. You mustn’t be rash!”

“If you don’t want your father to die at my hands, I suggest you obey me!”

Tigerus sneered.

Fury was burning in Ivasha’s eyes, yet she couldn’t do anything but glower at him.

At that moment, Xandros came to the city wall. He looked at Yuven and

smirked. "Didn't you say I couldn't attack Imperial Beast City? Well, not only am I inside, I'm standing in front of you right now!"

"You think a cr*ppy sword can stop me? I can kill you both right now." Staring at the arrogant Xandros, Yuven spoke calmly instead of losing his composure.

"I'm standing right here. If you want to claim my life, come and take it," Xandros provoked.

"You asked for it!" Yuven was finally enraged and his aura exploded.

The air stirred, but when he was about to attack, his expression abruptly changed. Then, his face scrunched up in agony.

At the same time, Ivasha pressed her hands on her abdomen before collapsing to the ground in pain.

"Your Majesty! Princess Ivasha!" Julius panicked upon witnessing that sight.

At that moment, Yuven felt as though his internal organs were thrown into an active blender. The aura within his body was depleting rapidly, disabling his ability to manifest his power.

Xandros watched the effects of the drug kick in and burst into laughter. "Did you think I would attack Imperial Beast City unprepared?"

"Stop resisting, Your Majesty. I spiked your dinner last night. The drug is colorless and flavorless, which is why you didn't detect it. Once you take it, you'll lose your power," Tigerus revealed.

A Man Like None Other Chapter 2743-Yuven began to panic. He discovered that he really couldn't unleash his power, feeling as though something was suppressing it within him.

Enduring the pain, Ivasha stood up slowly and barked, "My father trusted you, Tigerus! How dare you conspire against us! You're a shameless man!"

Tigerus roared furiously, "Everything I did, I did it because of you! I loved you since a long time ago, but you chose a human over me! I refuse to accept that! You will be mine! Once I have you on my bed, I'm going to make you squirm under me!"

Ivasha blushed in anger. "I would rather die than sleep with you! You don't deserve me!"

"Is that so?" Tigerus smirked. "If you don't agree to my request, then your beloved father will leave you forever."

He pressed his blade on Yuven's neck, creating a crimson slash.

Seeing that, Ivasha panicked and shouted, "No!"

“What do you say? If I ask you to come with me and serve me right now, will you say yes?” A twisted, delighted smile settled on Tigerus’ face as he stared at Ivasha.

Ivasha glowered at Tigerus. If looks could kill, Tigerus would’ve been dead a thousand times over.

“Leave me be, Ivasha. Don’t agree to his sickening request! Julius, I order you to escape with the princess right now! Quick!” Yuven commanded.

At that moment, Yuven only hoped his daughter could escape alive and not be tainted by Tigerus.

However, Julius didn’t have the nerve to move. After all, Yuven was still in great danger. If he moved, Tigerus would undoubtedly chop Yuven’s head off.

“Shut up, you old b*stard!” Tigerus punched Yuven in the face.

Once, Yuven was the great king of Imperial Beast City. At that moment, he was reduced to a mere prisoner, beaten by his former most trusted subordinate.

“Stop it, Tigerus! Stop hitting my father!” Ivasha shouted when she saw that.

“Have you considered my request, Princess Ivasha?” asked Tigerus. “If you agree, I promise His Majesty will remain unharmed. In fact, you two can continue to stay in the palace with your basic needs taken care of.”

Staring at her bruised father, Ivasha nodded with tears. “Okay, I agree.” She couldn’t afford to resist because if she did, Yuven might actually be killed.

“You’re a wise woman! Don’t you think it’s better for you to be with me than that human? At the very least, you and I are of the same race. I’ll ensure you experience the joy of womanhood!” Lust swirled in Tigerus’ eyes.

Once he handed Yuven over to his subordinate, he strode toward Ivasha.

“Don’t agree to his request, Ivasha! This is all my fault! I should’ve listened to you and not attended that dinner!” Yuven said.

Alas, it was too late for him to regret his actions.

Ivasha had felt something was off last night, but Yuven had trusted Tigerus. He had blindly believed that his subordinate wouldn’t betray him.

However, Yuven was horribly wrong, and it was his fault that Tigerus had won.

“I hope you’ll keep your promise, Tigerus. Now that I’ve agreed to your request, you better not harm my father!” said Ivasha.

“Worry not, Princess Ivasha. Now that you and I are together, His Majesty is my father-in-law. How can I possibly hurt him?” Tigerus smirked before he carried Ivasha down.

A Man Like None Other Chapter 2744-Ivasha closed her eyes, and tears rolled down her cheeks.

"If there is a next life, I hope I can be by your side, Jared." She believed it was impossible for her to stay with Jared after she was defiled by Tigerus.

"Ivasha! Ivasha!" Yuven shouted as he watched his daughter get carried away by the traitor, but it was useless.

Soon, Ivasha and Tigerus vanished from his sight.

Tears streamed down his cheeks. Because of my mistake, my daughter is forced to submit to Tigerus!

Yuven lost his will to live. He turned to Xandros and said, "Kill me, Xandros!"

"Don't worry. I won't let you live. It must feel awful to be betrayed by someone you trust most, huh? I wonder how happy my father will be once he learns that I've taken control of Imperial Beast City without sacrificing a single soldier," Xandros said proudly.

At that moment, a cold look flashed past Julius' eyes. A terrifying aura exploded from his body, creating a tornado that swept many people to the ground, including Xandros because he was unprepared.

"Let's go, Your Majesty!" Julius grabbed Yuven's wrist and leaped off the wall. Earlier, Julius didn't act when Yuven and Ivasha were still around because he didn't know who to save. Additionally, his own daughter was still in the palace.

Since Ivasha had been brought away by Tigerus, and Yuven was in danger, Julius decided to save his king.

Of course, he knew that his daughter would probably be doomed once he saved Yuven, but he had no other choice.

"Godd*mmmit! Where do you think you're going?" Xandros stood up and leaped downward. "Get them!"

In the blink of an eye, countless beast soldiers pursued Yuven and Julius.

"Leave, Your Majesty! I'll hold them back!" exclaimed Julius.

With a grim expression, Yuven bade Julius goodbye. "Take care, Julius."

He knew that Julius was planning to sacrifice himself to buy time.

Julius nodded before facing Xandros and his men.

Yuven had lost a great amount of his strength. He couldn't run fast.

Right then, the bone-chilling howls of wolves could be heard.

Leifr had appeared with thousands of Demon Wolves.

"Your Majesty, please ride on my back!" said Leifr after he transformed into a gigantic Demon Wolf.

Yuven was overjoyed to see Leifr and swiftly climbed up.

Following Leifr's growl, thousands of Demon Wolves charged toward Xandros' army.

He was asking his clan members to buy time for him and Yuven to escape.

The Demon Wolves weren't as powerful as the guards inside Imperial Beast City.

Additionally, those guards were joined by the soldiers Xandros had brought with him. In total, their forces had over ten thousand men.

Meanwhile, Yuven only had Julius and thousands of Demon Wolves. It was pretty clear who was going to win.

Despite that, neither Julius nor the Demon Wolves retreated.

Yuven was swiftly brought far away from the city by Leifr.

Seeing that, Xandros roared, attempting to pursue his target, but Julius forced him back.

Xandros glowered at Julius and turned to his men. "Get Tigerus and kill the rest of them!"

Battle cries and the sounds of war reverberated outside of Imperial Beast City.

At that moment, Tigerus had eagerly settled Ivasha on his bed.

Ivasha shut her eyes, unwilling to look at Tigerus. She gritted her teeth and braced herself for the inevitable.

Since she still believed her father's life was in Tigerus' hands, she didn't dare to resist. She was afraid that if she did, her father would be in danger.

Tigerus grew excited when he stared at the motionless Ivasha.
