A Man Like None Other Chapter 3031

At that moment, only ruins remained, and the old demon's body was fading as if it would disappear immediately with the slightest touch.

While Jared was pointing his sword at the old demon, the former's Nine Shadow Clones had also disappeared.

Jared was no longer strong enough to maintain those shadow clones.

However, it seemed as though everything was about to end soon.

"You're amazing, Mr. Chance!"

"Jared won! He won!"

Cloud and Sunny cheered joyfully. Jared's victory meant that they could get out of there alive.

The Five Slayers were devastated by the scene before their eyes. The old demon is doomed, and so are we! When matters regarding the Demon Seal Alliance get out, we and the entire Demon Seal Alliance will get hunted down and cast aside!

"We should flee while the old demon is still alive. At this moment, those few might not notice us fleeing," Phaethon said to Typhon.

"That's right. Let's just run. If the old demon dies, we'll be next!" Woodley was panicking, and he was eager to escape.

Surprisingly, Typhon, who was initially nervous and stunned, grinned with a cold look in his eyes.

"Why should we run? Do you guys think I can be killed that easily?" Typhon uttered calmly.

"Typhon, why are you still trying to show off at such a time? If even the old demon has failed, what makes you think we can win? If you want to stay here,

you're on your own. I don't want to die with you!" Phaethon grew anxious. What's the matter with him? How could he show off at a time like this?

Right when Phaethon was about to turn and leave, Typhon suddenly grabbed Phaethon's collar and warned in a cold tone, "No one's leaving without me!"

Phaethon's expression changed instantly, and he tried to break free. However, he soon realized breaking free from Typhon's grip was impossible.

Phaethon was dumbfounded. He's only as strong as I am. What's going on?

Just then, Woodley seemed to have noticed something, so he patted Phaethon and advised, "Let's just stay. Perhaps things are about to turn around."

Hearing that, Phaethon quickly became quiet.

Meanwhile, Jared pointed his sword at the old demon, who was on the verge of dying. At that point, Jared knew that killing the old demon would be a piece of cake. The old demon's soul remnant will vanish from this world completely! At the same time, the world he has created will crumble, and things around here will change!

"Brother, don't blame me for being cruel. Everyone is bound to die one day. Even immortals will vanish sooner or later. There's no such thing as living forever. Accept your fate..." the elder said while looking at the dying old demon.

In response, the old demon lowered his head and kept mum because he was too weak to speak.

Afterward, Jared swung his Dragonslayer Sword. A ray of light was emitted, and it struck the old demon's body.

The old demon didn't struggle or yelp in pain. His body turned into a cloud of black mist and faded away.

"Phew! It's finally over." Jared let out a long sigh. I'm so drained! If I couldn't kill that old demon just now, I wouldn't know what else to do next!

Cloud, Sunny, and Cameron all heaved a sigh of relief when they saw that the old demon had died, and they were all filled with anticipation.

The entire hall fell silent as everyone seemed to be waiting for something to happen.

However, even after some time, nothing had changed.

By then, Jared couldn't help furrowing his brows. Logically, the world the old demon created is supposed to crumble after he dies. After that, the world the elder of the Archaic Body cultivators created will remain! Yet, nothing seems to have changed in the void! Moreover, I don't see a sign of the world collapsing!

A Man Like None Other Chapter 3032

"Huh! This is strange..." Jared frowned.

"It seems like things are more complicated than we expected," the elder uttered in a somber tone.

Jared quickly scanned his surroundings. That old demon has died and transformed into a cloud of black mist before fading away. He was actually just a soul remnant. However, over the years, his soul remnant ended up looking like a real body. If he had swallowed the Ice Soul Pill! Now, his soul remnant is gone, so there's no way he's still alive!

"Sir, what exactly is going on?" Jared asked in puzzlement.

"He has escaped. Although he's merely a soul remnant, he has sent a part of his soul elsewhere! His world will remain as long as there's a strain of his soul remnant left! Yet, since he only has a strain of soul remnant left, I think he's no longer a threat. He should be weak now, and he won't live for very long!" the elder explained slowly.

Jared also didn't expect the old demon to be so meticulous. Who would've thought that the old demon would keep a strain of his soul remnant elsewhere?

Right when Jared was about to let out a sigh of relief, he heard a cold voice ringing out.

"Brother, you underestimate me. Did you really think I would escape?" Typhon stepped forward and flashed a vicious smile.

The rest of the Five Slayers were staring at Typhon in bafflement. Although they were shocked, they seemed to have seen that coming.

Apparently, the rest knew something was wrong when Typhon suddenly changed his expression moments earlier. As it turns out, the old demon has possessed Typhon's body! The old demon couldn't possibly merge with Typhon's body in such a short period of time. Hence, Typhon must be possessed!

Jared drew his brows together and glanced at Typhon.

"I see that you've possessed someone! However, you only have a strain of your soul remnant left. Even with the possession, you're no longer powerful. Why didn't you just flee? Did you think you could win against me by possessing someone?" Jared asked calmly.

"Possession?" The old demon smiled. "I don't possess others. This body is now mine!"

Those words stunned everyone at the scene.

Clearly, the old demon didn't possess Typhon. Instead, he had exterminated Typhon's divine soul.

That way, Typhon's body was only controlled by the old demon's soul remnant. The body truly belonged to the old demon then.

If the old demon's soul remnant were to leave the body, only Typhon's corpse would remain.

The rest of the Five Slayers were shocked and angry. Yet, there was nothing they could do about it. Since they had chosen to cooperate with the old demon, they had to work with him till the end. If the old demon comes out victorious, we'll walk out of here alive! In other words, sacrificing Typhon seems like a fair price to pay.

With that in mind, the rest of the Five Slayers felt a sense of relief.

After all, everyone had to look out for themselves, and that was especially the case for people like them.

“Do you really think you can defeat me? You only have a strain of your soul remnant left. How powerful do you think you are? Even if I don’t attack, you still can’t defeat me!” Jared’s gaze was filled with disdain. Even if the old demon doesn’t possess someone else, he only has that bit of his soul remnant left. I bet he has less than one percent of his strength left! There’s nothing to be afraid of!

“You’re right. I’m weak now, but you seem to have forgotten about something...” The old demon whipped out his Ice Soul Pill.

At that moment, the black spots on the Ice Soul Pill had disappeared, and the pill was as white as snow.

“I initially wanted to use it to reconstruct my flesh and regain my strength. Now, I guess I can only recover part of my strength. As for reconstructing my flesh, I’ll come up with something else. Today, I only have one thing on my mind, and that’s to kill you!” As soon as the old demon finished talking, he swallowed the Ice Soul Pill.

Seeing that, Jared swung his sword, hoping he could stop the old demon. Unfortunately, Jared failed, and the old demon managed to swallow the Ice Soul Pill.

A Man Like None Other Chapter 3033

After the old demon swallowed the Ice Soul Pill, he was filled with spiritual energy, and his strength began to increase tremendously.

Jared almost spat out in anger when he saw that. I wanted to give the Ice Soul Pill to the countess in Jipsdale so that I could help Yuven get treatment! What am I supposed to do now that the Ice Soul Pill is gone?

Cameron and the others were frightened when they saw that the old demon had survived and regained his strength. At this moment, Jared looks very weak, and it doesn’t seem like he’s strong enough to fight that old demon! What are we supposed to do now?

“What a shame! I was planning to use the pill to reconstruct my flesh. Now, I’ve just wasted it. This is all your fault. I’m going to kill you!” The old demon glared at Jared icily.

Jared gritted his teeth and gripped his Dragonslayer Sword tightly. I used two supreme techniques! How is the old demon still alive? Now, I'm at a disadvantage!

Afterward, the old demon waved slightly, and an eerie gust of wind blew past. Within a second, the entire hall was filled with black mist.

Jared's surrounding was pitch black, so he quickly unleashed his spiritual sense. Yet, he couldn't sense anyone around.

"This can't be right!" Jared frowned. Even if the black mist has blocked my vision, it can't possibly block my spiritual sense as well!

Jared couldn't sense a single soul around him. It was as if he was all alone.

"Cloud! Kaison! Sunny!" Jared shouted at the top of his lungs. My spiritual sense has been blocked, but I should still be able to hear others, right?

Jared kept shouting, but there was no answer.

Jared's frown deepened, and he threw out a punch.

Rays of golden light were immediately sent out in all directions.

Boom! Boom! Boom!

Jared wanted to clear the black mist with his punch.

Although he managed to do so after one punch, the black mist would then reappear within the next second.

Jared was feeling utterly helpless.

Right then, the elder said slowly, "This is an illusion spell. How dare he show off?"

The elder was a lot stronger than the old demon when casting illusion spells was concerned.

Besides, even Jared had illusory nascence. Hence, he didn't expect the old demon to cast an illusion spell.

Jared then looked around and dashed forward.

Yet, no matter where he went, he was still surrounded by a thick cloud of black mist.

“Brother, I know you’re strong when it comes to casting illusion spells. However, are you still able to do that now? Are you able to break my illusion spell?” The old demon’s voice rang out from all directions, so it was impossible to tell where he was.

The elder scoffed and replied, “This is child’s play! I’ll soon show you a proper illusion spell!”

With that, the elder scanned his surroundings solemnly.

“Sir, how is it possible that we can’t break this illusion spell?” Jared was rather good at casting illusion spells. Otherwise, he wouldn’t have been able to challenge the Five Slayers and the old demon.

However, this time around, he didn’t realize he had fallen under an illusion spell. Furthermore, he couldn’t even figure out how to break it.

The elder examined his surroundings and uttered in a slightly surprised tone, “This fellow used the overlap of our two illusion worlds to understand my illusion spell. He’s doing a splendid job! It seems that he hasn’t been idle all these years! No wonder he dared to cast an illusion spell before my eyes. He knows neither of us is strong enough at this moment. We’ll need a huge amount of spiritual energy to break his illusion spell.”

“Does that mean we’ll have no chance of getting out?” Jared was taken aback.

A Man Like None Other Chapter 3034

“Well, that’s not necessarily the case. Now, it all depends on your comprehension ability. There are three types of illusion spells, namely Eyes Blinding, Heart Blinding, and Mind Blinding,” the elder revealed.

“Eyes Blinding, Heart Blinding, and Mind Blinding?” Jared was confused. Although he knew quite a bit about casting illusion spells, no one had ever explained it in detail to him.

Jared’s interest was piqued when he heard the elder’s words. I never had an expert explaining things like that to me!

Since the elder was an expert in casting illusion spells, Jared made sure to pay attention to the explanation.

“An Eyes Blinding spell is an illusion spell that can blind your eyes and mislead you with the things you see. It creates an illusion to make you think you’re somewhere else. Think of it this way. Magicians could be said to be using this illusion spell to trick the audience. They can make the audience believe whatever they see. Heart Blinding spell is an illusion spell that messes with your emotions. You’ll think of things that aren’t there or do things without any emotions. That’s how hypnosis works. A hypnotized person will answer whatever question is asked. Mind Blinding spells are the hardest to cast. It blinds a person’s mind and sensibility. Even though you’re wide awake and everyone’s telling you that you’re wrong, you’ll deeply believe in what you think is right. This scenario can be seen in success talks. Those presenters will use words to prevent the audience from thinking straight. As a result, the audience will believe in whatever the presenter says. Once a person is under such a spell, they’ll refuse to believe in the advice others give. That’s the highest form of a Mind Blinding spell. If you can cast such a spell, you won’t even need to fight your opponents sometimes. All you need to do is tell your opponents to end themselves, and they’ll listen because they’ll think you’re their master. I’m using layman’s terms to explain these spells to you. I hope you can understand what I mean,” the elder explained.

Jared was beyond astonished. Who would’ve thought that an elder of the Archaic Body cultivators would have such knowledge? He knows about magicians, hypnosis, and even success talks! Did he learn that from the mundane world? Wait... That’s not important now. What’s important is that I’ve actually learned a lot!

“Sir, what are we supposed to do now?” Jared asked the elder.

“Now, we need to calm our minds. If our enemy doesn’t move, we’ll stay still. We’ve used up a lot of our spiritual energy. We can’t afford to waste more of it,” the elder answered.

Jared nodded and sat perfectly still with his legs crossed. Gradually, he began to regain his strength.

When the old demon saw that Jared had calmed down and sat perfectly still, he knew the elder had told Jared to do so.

Thus, the old demon waved his hand in the air. Suddenly, a strong wave of aura broke through the thick cloud of black mist and shot toward Jared.

Whoosh!

The wave of aura was as quick as lightning, and it arrived before Jared in no time.

Startled, Jared swiftly jumped into the air and dodged the wave of aura.

As soon as he had done that, a few demon beasts appeared around him and started attacking him.

Jared furrowed his brows and kept dodging the demon beasts' attacks. At the same time, he constantly threw punches at the demon beasts.

After he had defeated all the demon beasts, Jared noticed his strength had dropped significantly.

"F*ck! I wasted my energy!" Jared cursed.

"I've already told you the principles of illusion spells. Now, your senses are blinded. What you see may not be real, and your thoughts might be misleading," the elder said slowly.

Upon hearing that, Jared was stunned, and he was deep in thought.

Soon, Jared's eyes lit up. "Sir, I get it now..."

At that moment, Jared seemed to have understood what was going on.

A Man Like None Other Chapter 3035-Jared propped himself up to sit upright as he quietly regained his strength. Right then, multiple spells appeared in the blanket of dark fog, aiming only at Jared and launching various attacks at him.

Jared sat there quietly and watched all types of attacks unfolding before his eyes, trying hard to remain composed and control his mind.

The magecrafts were performed right before his eyes. When he saw that he was about to be drowned by them, his body wriggled as a reflex action to dodge.

“Stay calm,” the elderly man said all of a sudden. Jared maintained his composure and watched his opponent’s spells hit him. However, Jared did not feel the attacks. The spells seemed to have vanished instantly.

It was then that he finally realized that the illusion spells could not harm him in any tangible way. He was under the influence of the Heart Blinding spell. That was why he had instinctively moved his body to avoid any attacks he saw coming his way and had absolutely no consideration for other things.

If the series of attacks persisted, Jared would continue to avoid them. In that scenario, he might end up exhausting himself to death even if he was not beaten to a pulp.

The old demon furrowed his brow as he observed Jared, who stayed still like a statue. The latter was completely unaffected by the various spells aimed at him. Shortly after, various demon beasts emerged from the dark fog.

They appeared in all shapes and sizes, each bearing a terrifying appearance. One after another, they marched toward Jared with their bloody mouths open. The old demon planned to use the demon beasts to scare Jared to his core.

However, Jared closed his eyes, refusing to look at the demon beasts any longer. No matter how close they got, he remained unfazed.

“Sir, while we are safe in this illusionary realm, I’m afraid it’s impossible for my current stamina to withstand the old demon’s attack. When he realizes that the illusionary realm is of no use to us, he will surely unleash another attack. What should we do then?” Jared asked, his tone filled with worry.

He had little energy remaining, making it nearly impossible for him to battle the old demon. The elderly man remained silent for a moment before speaking. “Actually, you haven’t tapped into a specific power yet.”

Jared asked right away, “What power? Is it illusion nascence?” Indeed, I didn’t use illusion nascence. I didn’t use any illusion spells during the battle, after all.

The elderly man shook his head. “The Power of Dragons. As Golden Dragon’s True Form, your body certainly possesses a lot of power.”

Jared took a glance at the draconic essence on his chest and uttered helplessly, “I’ve used the Power of Dragons, and there’s not much draconic essence left.”

“Although your draconic essence no longer holds the Power of Dragons, don’t forget that you’ve always had the primordial spirit of a green dragon within your consciousness field. Isn’t now the best time to use it? Do you know how much Power of Dragons can be converted from a dragon’s primordial spirit?” the elderly man reminded Jared.

Jared was stunned at his words, for the green dragon’s primordial spirit had saved him umpteen times. Although he had never interacted with it, the green dragon’s primordial spirit would immediately show up each time he called upon it.

Now that the elderly man was actually asking him to absorb and convert the green dragon’s primordial spirit, he couldn’t really accept it.

“What’s wrong? Are you hesitating? If you die, everything in your consciousness field will vanish into thin air.”

The elderly man knew Jared was reluctant to do so.

“Sir, I...”

Jared started speaking, but he was apprehensive about making a final decision. He had always been regarded as the son of a dragon. All Divine Dragons were like family to him. There was no way he could bring himself to absorb the green dragon’s primordial spirit.

If he possessed greater power, there might be a way for him to be resurrected as long as the primordial spirit remained. Conversely, if the primordial spirit were gone, everything would vanish totally.
