

A WARRIOR UNDEFEATABLE/ A Man Like None Other Chapter 3503

A Man Like None Other Chapter 3503-Upon witnessing this, others also joined in the search, but they couldn't find any trace of the Five Elites.

"The Five Elites are incredibly powerful. There's no way they were harmed in the Celestial Battlefield, right?" "Exactly. Given the Five Elites' reputation, no one would dare to harm them.

Besides, they had the support of the Five Great Sects." "The Celestial Battlefield is closed. They must have been killed. The Five Great Sects are going to be humiliated this time." Everyone engaged in a heated discussion!

Upon hearing the crowd's conversation, Pablo exchanged a glance with Skylar.

Shortly after, Skylar left. A moment later, Pablo found the members of the Five Great Sects.

Pablo approached the members of the Five Great Sects and said, "Ladies and Gentlemen, the Five Elites from the Five Great Sects have indeed been harmed. Furthermore, I know that they were murdered." One of the members from the Five Great Sects asked, "Who did it?" Pablo replied, "It was a man named Jared Chance!" "Jared Chance?" The members of the Five Great Sects were unfamiliar with Jared's name.

On the other hand, the leader of Creston Sect, Artan, spoke up. "Jared is only a First Level Tribulator. How could he have possibly killed the Five Elites? It's clearly impossible!" "It was impossible for him to do it alone, but he had assistance. In the Celestial Battlefield, five of the three kings and four archons from the beast race were on his side. With such support, it wouldn't be impossible for him to deal with the Five Elites, Pablo said calmly.

Someone from the Five Great Sects asked, "Why? We have no grudge against Jared, so why would he want to kill our people?" "Of course, it was all for the sake of obtaining magical items. Personal grudges didn't matter in the Celestial Battlefield. Regardless, I've told you everything. It's up to you whether to believe it or not." After Pablo finished speaking, he turned around and left immediately.

The members of the Five Great Sects looked at each other in dismay, unsure whether to believe Pablo's words or not.

"Ladies and gentlemen, you may return for now.

When the time comes, you can inquire about this matter with Igor. Jared left with Igor, but it's true that the Fox Queen was with him. She's one of the three kings and four archons from the beast race," Artan said to the members of the Five Great Sects.

He was deeply afraid that the members of the Five Great Sects would cause trouble in Creston Sect. His Creston Sect primarily focused on conducting business. If there were fights and killings here, it would affect his own business.

"After hearing your words, Mr. Solavar, I'm starting to remember some details about Jared. We'll go to Blood Spirit Valley to clarify this matter." Lauden Delacroix, a silver-haired elder from the Five Great Sects with a red face and long beard, spoke.

Subsequently, the members of the Five Great Sects left Creston Sect.

Just as they stepped out of Creston Sect, they unexpectedly ran into Pablo.

Whether it was a coincidence or Pablo was waiting for them, the representatives of the Five Great Sects had indeed encountered Pablo.

However, the members of the Five Great Sects didn't pay any attention to him.

After all, Pablo was just a Demonic Cultivator, not to mention a wandering cultivator.

Although he had a stroke of luck and became an Eight Level Tribulator, he still lacked power or influence. Some of the major sects still looked down on him.

When Pablo saw the members of the Five Great Sects, he addressed the red faced, long- bearded elder who was leading them, "Mr. Delacroix, Jared is right in front of you. You can question him in person." "That brat is still here?" Lauden was taken aback for a moment, then quickly led his men to chase after Jared.

They did find Jared as Pablo had mentioned. However, when Jared saw the members of the Five Great Sects, he quickly fled.

Upon seeing Jared flee, the members of the Five Great Sects became even more certain that something was wrong with Jared. Consequently, they quickly pursued him.

In the blink of an eye, Jared had already disappeared without a trace.

“This is so strange. This guy ran so fast. How did he vanish in an instant?” A member of the Five Great Sects voiced his confusion.

“Mr. Delacroix, come and take a look at this. What is it?” At that moment, someone picked up five incredibly exquisite item pouches from the ground.

“Aren’t these the item pouches of the Five Elites? How did they end up here?” Lauden frowned.

“Damn it. It must have been that guy named Jared who dropped these. He must be the one who killed the Five Elites!” someone exclaimed angrily.

A Man Like None Other Chapter 3504-Lauden furrowed his brow as he examined the item pouches. He was certain that these items belonged to the Five Elites.

Now that Jared had dropped the pouches, Lauden concluded that Jared must have taken all the magical items inside and discarded the pouches.

The more Lauden thought about it, the angrier he became. In a cold tone, he declared, “Let’s go. We’re heading to Blood Spirit Valley. We must find Jared and demand an explanation!” The individuals from the Five Great Sects all stormed off towards Blood Spirit Valley, filled with frustration.

After the individuals from the Five Great Sects had departed, Pablo and Skylar emerged.

“Hahaha! I bet Jared won’t be able to escape unharmed this time. With the Five Great Sects after him, he’s in for a world of trouble,” Pablo burst into hearty laughter.

“It’s just a shame that I couldn’t personally eliminate Jared,” Skylar’s eyes burned with a cold intensity.

After battling Jared for such a long time, Jared had become the inner demon in Skylar’s heart. He desperately wanted to kill Jared with his own hands.

However, given Jared’s current strength, along with those around him, it seemed unlikely that Skylar would be able to personally kill Jared.

Nevertheless, with the help of others, it was possible to have Jared killed!

“I never expected your Disguising Technique to reach such an unparalleled level. When you transformed into Jared earlier, even I was fooled!” Pablo spoke to Skylar with great admiration.

“It’s just a simple skill. Compared to you, Mr. Quimar, I am significantly inferior,” Skylar spoke with utmost humility.

What Skylar used was not just any Disguising Technique. There was no such exquisite Disguising Technique in the world. It was the Impersonation Technique. At that time, Skylar had also seen the contents within.

Although Skylar couldn’t yet master the Impersonation Technique perfectly, he could flawlessly mimic Jared’s aura.

He could still deceive those who were unfamiliar with Jared.

“I will take you to a great place where your cultivation will yield twice the result with half the effort. You don’t have to return to the northern region in the future.

Stay here, and together, we can achieve great things! Wouldn’t that be better?” Pablo held Skylar in high regard.

“That sounds wonderful!” Skylar was extremely excited as he knew that Pablo had encountered something fortunate.

Skylar, being the curious person he was, was eager to find out exactly what kind of fortunate encounter Pablo had stumbled upon.

Skylar also wanted to experience that encounter that could significantly enhance one’s abilities within a short period.

Upon hearing that Skylar intended to stay, Cameron suddenly felt somewhat reluctant. “Elder Nesser, we-” Although the Nesser family was not a prominent household in the northern region, Cameron, as the head of the family, could still live a life free of worries and filled with indulgences.

At that moment, he was hesitant to abandon the Nesser family, stay in Demonica Mountain, and allow himself to be manipulated by others.

Skylar turned to Cameron and asked, “Enough talk. Imagine us ruling over the entire Demonica Mountain. Wouldn’t that be far superior to our position in the northern region? Don’t you want to increase your power and ascend to immortality?” Upon hearing that, Cameron quickly shook his head. “I will follow whatever arrangements you make, Elder Nesser.” “Follow me, and we will not only conquer Demonica Mountain, but my aim is to seize control of the entire Ethereal Realm. I intend to have the Five Great Governors as my subordinates.” Pablo’s eyes sparkled with enthusiasm. He felt a surge of passion within him.

Skylar looked at Pablo, secretly revealing a hint of a cold sneer.

Although Pablo was quite capable, he was a reckless man who acted without thinking. No matter how skilled he was, it was impossible for him to control the entire Ethereal Realm.

The reason Skylar was following Pablo now was to leverage Pablo’s power.

Given Pablo’s low intelligence, it would be easy for Skylar to manipulate him.

“Let’s go. I will take you to the Demon Devouring Cave. Once we arrive there, you will discover the gateway to a new world!” Pablo had completely let his guard down, eagerly leading Skylar and Cameron towards the Demon Devouring Cave.

A Man Like None Other Chapter 3505- In a mansion nestled deep in the mountains, Arthur was engrossed in his writing. However, his complexion revealed the toll that his recent battle with Rudy had taken on him. Losing one of his shadow clones had greatly drained Arthur’s vitality.

But after a period of rest and recovery, he had made significant progress.

Suddenly, a young woman dressed in a white gown entered to deliver a report, "Mr. Sanders, Jared has killed the son of the leader of the Demon Seal Alliance..." Arthur paused in his writing, leaving an ink blot on the word he had just written.

"That guy hasn't been here for long, and yet he's already caused such a huge disturbance?" Arthur said with a bitter smile. "What level of cultivation has Jared reached now?" "He's only a First Level Tribulator, but he possesses several divine weapons.

Even when he fought against those Sixth Level Tribulators, he showed no fear.

Moreover, he has obtained a Celestial Devourer from the ancient ruins of the Celestial Battlefield... the young woman explained.

"A Celestial Devourer? The mount of the Vermilion Demon Lord?" A hint of surprise crossed Arthur's face. Clearly, these were unexpected developments!

"It's a newly hatched Celestial Devourer, so I presume it may not be of much use yet," the woman hastily clarified.

Upon hearing this, Arthur had a sudden realization and asked, "I knew that old fellow couldn't possibly appear in the Ethereal Realm. Has there been any recent activity from the Fire Incineration Sect?" "No, everything seems very peaceful!" The young woman shook her head.

"That's good news. It seems I can enjoy a few more days of peace..." Arthur picked up another piece of paper and resumed writing.

"Mr. Sanders, what should we do about Jared? The Demon Seal Alliance will likely launch a relentless pursuit against him soon. Do you think..." she hesitated.

"No need to worry. I believe he can handle it. Besides, he's not alone right now.

Doesn't he have quite a few friends?" "Let him stir things up in the Ethereal Realm. The more chaotic this realm becomes, the more likely the corrupt individuals will reveal themselves. Besides, it's high time the order in the Ethereal Realm was restored." After Arthur finished speaking, he once again began to write in silence.

Observing Arthur's demeanor, the woman quietly left the room.

At Blood Spirit Valley, since the valley's leader, Igor, was absent, all the disciples were peacefully cultivating. Compared to the disciples of Bloodroot Peak, those from Blood Spirit Valley were much more composed.

However, while the disciples of Blood Spirit Valley were engrossed in their cultivation, Helmut arrived with a large group of disciples from Bloodroot Peak.

Upon learning that his disciple had indeed been killed by Jared, Helmut couldn't contain his anger. Knowing that Jared was with Igor, he had come here to confront them.

"Igor, come out immediately!" Helmut stood at the entrance of Blood Spirit Valley and shouted loudly.

Upon seeing the situation, two disciples from Blood Spirit Valley hurriedly approached. "Mr. Koritnik," they said, "our master is not in the valley. May we ask why you are looking for him?" Since Helmut and Igor had both studied under the same master, the two disciples from Blood Spirit Valley treated him with relative politeness.

"He's not here?" Helmut's eyes filled with murderous intent. "Is he truly not here, or is he hiding from me?" "Mr. Koritnik, Master is really not here!" The two disciples from Blood Spirit Valley spoke sincerely.

"I refuse to believe it. He must be avoiding me, and I'm certain that Jared is here as well." As Helmut spoke, he was about to charge into Blood Spirit Valley.

"Mr. Koritnik, you..." The two disciples from Blood Spirit Valley tried to stop him, but Helmut swiftly struck them with both palms, instantly killing them!

"Kill them all! If Igor doesn't show himself today, I will annihilate all his disciples!

They will pay with their blood for what they have done!" With a sweeping motion of his hand, Helmut ordered his disciples to attack.

"Attack!" Numerous disciples from Bloodroot Peak rushed forward.

As the battle cry echoed through the air, the disciples of Blood Spirit Valley were caught off guard.

Combined with the fact that they were currently without a leader, it took only half an hour for the disciples of Blood Spirit Valley to be completely wiped out!
