

## **A WARRIOR UNDEFEATABLE/**

**A man like none other chapter 3551-Ye family!**

Ye Liancheng brought Sheng Bushi to the Ye family's holy pool!

Looking at the dark green water in front of him, which also had a strange smell, Sheng Bushi's face became a little ugly!

Ye Liancheng pointed to the holy pool in front of him and said, "Sheng Bushi, what you see is the holy pool of our Ye family. Legend has it that there is ancient energy in this holy pool. As long as you can soak in the holy pool for one night, you can be reborn. The cultivation level has greatly increased."

"Then why don't you take a dip and let your cultivation level increase?" Sheng Bushi looked at Ye Liancheng and asked!

"Can't you see that this holy pool is surrounded by a formation. If you want to enter the holy pool, you have to break the formation."

"Now the formation has only been broken a little bit, and there is still no way to enter the holy pool..."

Ye Liancheng said!

"Hahaha....."

"Ye Liancheng, don't you think what you are saying is ridiculous? If this holy pool belongs to your Ye family, even if there is a formation, you should be able to break it easily?"

"Now that you can't even break the formation, that proves that this holy pool does not belong to your Ye family at all, but was just robbed by you to occupy the magpie's nest."

Sheng Bushi laughed and said!

He had long seen that there was a very tight formation around the holy pool, and the formation was extremely complex. It was obviously the work of a high-level formation master!

Ye Liancheng was not angry after hearing Sheng Bushi's words.

“Whether it’s a dove occupying the magpie’s nest or a robbery, the holy pool now belongs to our Ye family.”

“I brought you here this time to ask you to help me break this formation. As long as the formation is broken, I can let you go immediately.”

Ye Liancheng said with a smile!

“Do you think it’s possible? How could I do anything for you!”

Sheng Bushi snorted coldly!

“You will, you will definitely...”

After Ye Liancheng finished speaking, he gently clapped his hands!

Soon Sheng Jiayue was escorted out by the Ye family!

“dad.....”

Sheng Jiayue was a little excited when she saw Sheng Bushi!

They have never seen each other since they were arrested by Sheng Tiantai!

“Jiayue...”

When Sheng Bushi saw Sheng Jiayue, he immediately understood that Ye Liancheng was trying to threaten him with his own son!

“Sheng Bushi, if you don’t promise me, then I can’t guarantee what will happen to your son...”

Ye Liancheng said with a threatening look!

“Ye Liancheng, you can be considered the head of the Ye family after all. Can you do such a despicable thing?”

Sheng Bushi glared at Ye Liancheng with anger on his face!

“Of course, I can do anything to achieve my goal.”

Ye Liancheng sneered, and then waved his palm lightly!

ah.....

Sheng Jiahui let out bursts of screams, and saw Sheng Jiayue's arms twisting strangely, and her whole face looked ferocious and in extreme pain!

Ye Liancheng was ruthless enough to attack Sheng Jiayue without waiting for Sheng Bushi's reaction!

"Stop, stop..."

When Sheng Bushi saw his son's painful look, he immediately panicked!

Ye Liancheng did not stop, but threatened in a cold voice, "Help me break the formation. You only have one day and one night, or you will watch your son being tortured."

"Okay, I promise you, promise you..."

Sheng Bushi nodded quickly!

Seeing Sheng Bushi agreed, Ye Liancheng stopped, but Sheng Jiayue was tortured so much that he no longer had the strength to stand!

Ye Liancheng waved his hand and had Sheng Jiayue dragged away!

Although Sheng Bushi was unwilling, he had no choice but to glare at Ye Liancheng, helplessly began to check the formation, and began to break it!

"Remember, you only have one day and one night."

After saying that, Ye Liancheng turned around and left!

He is not afraid of Sheng Bushi and will not sacrifice his life. As long as Sheng Jiayue is still in his hands, Sheng Bushi can only be manipulated!

**A man like none other chapter 3552**-Early the next morning!

Everyone in the Sheng family gathered together, and Ji Yun also found Devil Shan Guilao and Luo Shouhai!

However, even with the addition of Devil Shan Guilao and Luo Shouhai, it would be difficult for them to fight with the Ye family.

After all, the strength of the Sheng family is too low. If they follow the Ye family and fight hard, they will definitely suffer!

“Miss Sheng, Uncle Long, take the Sheng family, Mr. Gui and the others and get ready!”

“I will follow Mr. Sheng to go to the Ye family first to explore the truth. If necessary, I will notify you and you will attack the Ye family to attract the Ye family’s attention.”

“I’m trying to find a way to rescue Patriarch Sheng and Young Master Sheng in the Ye family...”

Chen Ping arranged for Sheng Jiahui and Long Bo!

“Mr. Chen, the Demon Feng Alliance is following you as a sworn enemy, and he is definitely looking for you everywhere now. If you enter the Ye family like this, wouldn’t you be throwing yourself into a trap?”

Devil Mountain Ghost Lao followed Chen Ping and said!

The Ye family is the branch of the Demon Sealing Alliance. If Chen Ping goes to the Ye family like this, there will definitely be danger!

“I can use the Imitation Breathing Technique, and the Ye family won’t be able to find it.”

Chen Ping said, and then used the breath-taking technique to make himself look like the second elder of the Sheng family!

Seeing Chen Ping suddenly become the second elder, many people in the Sheng family were shocked!

Sheng Tiantai was also full of surprise when he saw Chen Ping like this!

“Mr. Chen, even if you can change your appearance, but...but...”

Sheng Jiahui glanced at Sheng Tiantai. She was afraid that Sheng Tiantai would suddenly regret entering the Ye family and stop cooperating with them. She would be in trouble if Chen Ping’s identity was revealed!

“Jiahui, although I have different political views from my elder brother, I will not harm him or let him die.”

“I also want to lead the Sheng family to prosperity and make the Sheng family more glorious!”

Sheng Tiantai could see that Sheng Jiahui was afraid that she would go back on her word, so she said unhappily!

“Don’t worry, Miss Sheng, unless he doesn’t want to live anymore. The poison in his body has not been cured yet, so he doesn’t dare to play tricks.”

Chen Ping smiled slightly and said!

Chen Ping would not bet on Sheng Tiantai’s conscience. Now Sheng Tiantai is still poisoned, and no one except Chen Ping can cure it, so he definitely doesn’t dare to play tricks!

After explaining everything, Sheng Tiantai took Chen Ping and rushed towards the Ye family!

At this time, Ye Liancheng was in a room made of special stones in the Ye family!

In this room, lived a young man, Ye Liancheng’s son Ye Feng.

Ye Feng’s face was very pale, a bit frighteningly white, and he looked as bloodless as a dead person!

And a pair of eyes are full of bright red!

“Son, if you persist, I have captured the Sheng family head to break the formation. Once the formation is broken, you can enter the holy pool. By then, your body’s blood will be restored, and you will no longer have to be trapped. Locked up here.”

Ye Liancheng looked at Ye Feng with dotting eyes and said!

“Dad, I don’t have any hope anymore. I’m worse than a useless person now. You don’t have to waste your time on me. Just let me die.”

Ye Feng’s eyes were full of despair!

“Silly boy, what are you talking about? Once you recover in the holy pool, it will be absolutely fine. I have also prepared a lot of resources for you.”

“As soon as your body recovers, I can give you a quick breakthrough!”

“You must have confidence in yourself and never give up on yourself!”

Ye Liancheng persuaded Ye Feng, fearing that Ye Feng would not be able to think about it for a while!

“I see!”

Ye Feng nodded!

At this moment, the great elder’s voice sounded outside: “Master, Master Sheng from the Sheng family is here to discuss joining the Demon Sealing Alliance with you.”

“Okay, I get it!”

Ye Liancheng responded!

Gently patting Ye Feng’s shoulder, Ye Liancheng walked out of the room. The moment he walked out of the room, the doting look on Ye Liancheng’s face instantly turned into a cold expression!

**A man like none other chapter 3553**-Sheng Tiantai followed Chen Ping and waited for Ye Liancheng in the living room!

“When you see Ye Liancheng later, you must keep your composure and don’t make a move. He is a ninth-level monk in the Tribulation Realm. He is not something you can deal with.”

Sheng Tiantai warned Chen Ping!

Chen Ping is only at the first level of the Tribulation Realm now. It is simply impossible to deal with the ninth level monks of the Tribulation Realm!

“Don’t worry, I’m measured!”

Chen Ping nodded!

Soon, Ye Liancheng’s figure appeared!

“Hahaha, Second Master Sheng is here to visit us. Sometimes we are not welcomed from afar, but sometimes we are not welcomed from afar...”

Ye Liancheng walked into the living room laughing, and then patted Sheng Tiantai on the shoulder!

Just by looking at this action, it can be seen that Ye Liancheng was just being polite and did not take Sheng Tiantai seriously at all!

When Sheng Tiantai saw Ye Liancheng, he became obviously a little nervous. He nodded and said, "Master Ye, I'm sorry to bother you. In the future, our Sheng family will join the Demon Sealing Alliance, and we need Master Ye to take care of us."

The Ye family joined the Demon-Sealing Alliance very early and became the branch helm of the Demon-Sealing Alliance, which is considered seniority!

"You're welcome, Mr. Sheng. If your Sheng family joins the Demon-Sealing Alliance, we will become a family. From now on, when we join forces, no one in Tianmo Mountain will dare to be dissatisfied."

Ye Liancheng said with a smile!

"That's it, that's it. As long as we work together, let alone the Tianmo Mountain area, we don't have to be afraid of the entire Southern Territory."

Sheng Tiantai echoed Ye Liancheng!

"Your Sheng family will benefit from joining the Demon-Sealing Alliance without any harm. Now your Sheng family's spells and talismans are more powerful, but your overall strength is still not strong. If someone really peeks at your Sheng family's spells, your Sheng family will stop them." Can't stop."

"But it's different if you join the Demon-Sealing Alliance. If someone dares to target your Sheng family, it will be against our Demon-Sealing Alliance. Our Demon-Sealing Alliance has several branches throughout the Southern Territory and will never stand idly by."

"Don't talk about the Southern Territory. Even in the entire Heaven and Human Realm, the forces of the Demon Sealing Alliance are everywhere. You will be safe wherever you go."

Ye Liancheng touted the Demon Sealing Alliance!

But this guy is telling the truth. The Demon-Sealing Alliance's power now spreads throughout the world of heaven and man. As the Demon-Sealing Alliance becomes more and more powerful, more families and sects will want to join the Demon-Sealing Alliance!

This became a virtuous circle, making the Demon-Sealing Alliance's power in the world of gods and humans grow stronger and stronger!

"Master Ye is right!" Sheng Tiantai nodded!

"Second Master Sheng, if you join the Demon-Sealing Alliance, you can be protected by the Demon-Sealing Alliance, but you must also understand the rules of joining the Demon-Sealing Alliance."

Ye Liancheng said!

"Of course I understand. Hasn't the Ye family master already received the Sheng family's various spell secrets sent by me? Even the shelter of our Sheng family, I have given the place to the Ye family master without any reservation. This is enough. Have you shown my determination?"

Sheng Tiantai said quickly!

"Of course it can show the determination of the Sheng family, but there is one more thing that I need to tell Master Sheng."

"If you join the Demon-Sealing Alliance, you can be protected by the Demon-Sealing Alliance, but you must also be dispatched by the Demon-Sealing Alliance and must not disobey orders."

"As for the fate of betraying the Demon-Sealing Alliance, I won't tell you. I believe Mr. Sheng can guess it."

Ye Liancheng said with a slightly cold expression!

"I understand, I understand, I will definitely be loyal to the Demon Sealing Alliance and I will never have any second thoughts." Sheng Tiantai felt Ye Liancheng's coldness and nodded quickly!

"Hahaha, just understand, then we will be a family."

Seeing Sheng Tiantai's performance, Ye Liancheng laughed with great satisfaction and patted Sheng Tiantai on the shoulder again!

“Master Ye, since we are a family now, I have something to ask Master Ye.”

Sheng Tiantai whispered!

“Whatever it is, just say it!” Ye Liancheng smiled!

**A man like none other chapter 3554-**“I wonder if the head of the Ye family has brought my brother and nephew to the Ye family?”

“I hope the head of the Ye family can let them go. Now that our Sheng family has agreed to join the Demon-Sealing Alliance, it is impossible for my brother to cause any trouble.”

Sheng Tiantai said to Ye Liancheng in a pleading tone!

“I did bring your brother and the others, but don’t worry, I won’t hurt your brother. I just asked him to do a favor.”

“When the matter is finished, I will naturally let your brother go back. Don’t worry about that.”

Ye Liancheng said!

When Sheng Tiantai heard this, he didn’t know what to do next, so he secretly glanced at Chen Ping!

Seeing this, Chen Ping could only say, “Master Ye, in this case, I wonder if we can meet our master. If we can help, we can also help.”

Chen Ping’s attitude was very humble, and Ye Liancheng didn’t notice anything strange!

“What you said reminds me. Of course you can help. I will take you there right now.”

Ye Liancheng’s eyes lit up, and he quickly got up and took Sheng Tiantai and Chen Ping out of the living room!

Chen Ping and Sheng Tiantai looked at each other. They didn’t expect that Ye Liancheng would let them see Sheng Bushi so happily!

Ye Liancheng led them towards the Ye family’s backyard. After walking for an unknown amount of time, Chen Ping seemed to feel waves of special aura!

But Chen Ping didn't dare to act too strange. After all, he was now the second elder of the Sheng family!

Ye Liancheng took Chen Ping and Sheng Tiantai to the holy pool!

I saw Sheng Bushi sitting on a big rock with his eyes slightly closed, as if he was practicing!

“Brother...”

When Sheng Tiantai saw Sheng Bushi, he shouted urgently and was about to rush over!

However, he was gently pulled by Chen Ping on the side, and Sheng Tiantai did not rush over!

“Second Master Sheng, your eldest brother is helping me break the formation now. This is the holy pool of our Ye family, but the holy pool is protected by formations. Because of the passage of time, we have forgotten how to open the formation, so we can only force it. It broke.”

Ye Liancheng followed Sheng Tiantai and explained!

However, this explanation is very far-fetched. It is obvious that this does not belong to the Ye family, but is occupied by the Ye family, so of course the formation cannot be opened!

“Master Ye, my Sheng family is really strong in breaking formations.”

Sheng Tiantai nodded and said!

Chen Ping on the side was looking at the dark green liquid in the holy pool. The water surface was as smooth as a mirror. Because of the isolation of the formation, Chen Ping could not detect it.

“Second Master Sheng, it just so happens that you and your elder brother can help me break the formation. As long as this formation is broken, I will naturally benefit from you.”

Ye Liancheng knew that if there was one more person to break the formation, the formation would be broken faster!

Sheng Tiantai glanced at Chen Ping. He didn't know whether he should agree to Ye Liancheng!

"Master Ye, we are a family now. Of course we will help you if you have any problems."

"And I think this formation is very huge. It will take a lot of time for our family master to break it alone. If we help together, it should be much faster."

Chen Ping's words were equivalent to agreeing to Ye Liancheng!

"Yes, together we will definitely get twice the result with half the effort, but after the formation is broken, I still hope that the head of the Ye family can let my eldest brother go back."

Sheng Tiantai said!

"Hahaha, that's natural. Not only will I let Master Sheng go back, but I will also prepare generous gifts for you."

Ye Liancheng laughed loudly!

Seeing that Ye Liancheng agreed to let Sheng Bushi go back, Sheng Tiantai felt a lot more relaxed. If Ye Liancheng really did something to Sheng Bushi, Sheng Tiantai might not be able to forgive himself!

After all, he didn't want anything to happen to his brother.

**A man like none other chapter 3555**-Sheng Tiantai followed Chen Ping and began to prepare to break the formation. Ye Liancheng left in order not to disturb them!

Outside the holy pool, there are many Ye family members taking care of them, so Ye Liancheng is not afraid that Sheng Tiantai and the others will escape!

After Ye Liancheng left, Chen Ping was not in a hurry to break the formation, but carefully observed the formations around him!

He found that the formation had become loose, as if someone had broken part of it!

It's just that the formation is very complicated, and the opponent forced to break the formation and failed to find the center of the formation, so although the formation was destroyed, it still turned far away!

"Let's break the formation first. As long as we break the formation, everything will be easy."

Sheng Tiantai said to Chen Ping!

But as soon as Sheng Tiantai finished speaking, he suddenly felt a strong wind coming from behind him!

Sheng Tiantai didn't look back, he lowered his head instinctively, and then rolled forward, making him very embarrassed!

Sheng Tiantai quickly looked up and found that Sheng Bushi was looking at him with anger!

"Beast, traitor, I want to clean up the Sheng family..."

Sheng Bushi gritted his teeth and slapped him again!

"Brother, misunderstanding, misunderstanding..."

Sheng Tiantai was dodging anxiously, but he was no match for Sheng Bushi!

If he hadn't taken advantage of Sheng Bushi's carelessness and secretly controlled Sheng Bushi, how could Sheng Tiantai have arrested Sheng Bushi!

"stop....."

Upon seeing this, Chen Ping stepped forward and stopped Sheng Bushi!

Now is not the time to kill Sheng Tiantai, and this is in the Ye family, so no messing around!

"Hmph, Second Elder, you are helping the tyrants and betraying the Sheng family with Sheng Tiantai. I will kill you together today."

When Sheng Bushi saw it was the second elder, he was furious!

"Master Sheng, it's me, it's me..."

Chen Ping saw that Sheng Bushi was going to attack him, so he quickly revealed his identity!

I saw Chen Ping's breath flowing around him, and he slowly regained his appearance!

"Mr. Chen?"

Seeing Chen Ping, Sheng Bushi was stunned, his eyes full of doubts!

"Master Sheng, you'd better keep your breath away and don't provoke the Ye family."

Chen Ping persuaded Sheng Bushi!

At this moment, Sheng Bushi was furious, and the aura on his body was constantly surging. If the Ye family noticed it, they would definitely come to check!

After hearing what Chen Ping said, Sheng Bushi calmed down his aura and asked doubtfully, "Mr. Chen, what on earth is going on?"

Chen Ping told Sheng Bushi exactly what happened!

At this time, Sheng Tiantai also hurriedly stepped forward and said, "Brother, I really don't want Ye Liancheng to catch you, and I don't want anything to happen to you."

Sheng Bushi snorted coldly and just glanced at Sheng Tiantai sideways!

For this younger brother, Sheng Bushi probably won't be able to forgive him in a short time!

"Master Sheng, no matter how you two brothers are doing now, you can't do anything here. If you have any matters, you can go back to the Sheng family to take care of things."

"We now need to help the Ye family break this formation, and then find a way to leave the Ye family."

"As long as we leave the Ye family, it will be easier!"

Chen Ping followed Sheng Bushi and said!

Sheng Bushi also knew that they were now in a wolf's den, and they might not be able to get out if they were not careful!

What's more, Sheng Jiayue is still in Ye Liancheng's hands. If something happens here in Sheng Bushi, Sheng Jiayue may also die!

"Everything depends on Mr. Chen..."

Sheng Bushi decided to listen to Chen Ping's arrangement!

"Okay, let's break this formation first, and we'll discuss the rest later."

Chen Ping said!

"Mr. Chen, this formation must be broken within three days, otherwise Ye Liancheng will attack my son."

Sheng Bushi said!

"Don't worry, this formation won't take three days. I will be able to break it by tomorrow!"

Chen Ping said with confidence!

**A man like none other chapter 3556**-Outside the Ye family!

Sheng Jiahui has quietly lurked with the Sheng family!

Bai Qian, Devil Mountain Ghost and the others are all here too!

Now they are waiting for Chen Ping to send a message and then launch an attack!

As long as the Ye family is in chaos, Chen Ping will have a chance to rescue Sheng Bushi from the Ye family!

But after waiting for a whole day, Chen Ping and Sheng Tiantai did not send any messages, and they could not be seen coming out!

"Uncle Long, do you think my second uncle betrayed Mr. Chen?"

Sheng Jiahui was very worried about Chen Ping!

After all, Sheng Tiantai wants to join the Demon Sealing Alliance. If this guy really betrays Chen Ping, then Chen Ping will be in danger!

“Probably not. He was manipulated by Mr. Chen. Doesn’t he also want to die?”

In fact, Long Bo didn’t know what he was thinking, and he couldn’t see through this Sheng Tiantai!

Ji Yun and Bai Qian on the side were also a little anxious at the moment!

It’s been a day and there’s been no movement. This is a little abnormal!

“Mr. Chen is fine. Although there has been no movement all day, there is no smell of fighting in the Ye family. Even if the Ye family finds out Mr. Chen’s identity, Mr. Chen cannot be captured without hesitation.”

Demon Mountain Ghost Elder was very worried when he saw Ji Yun and the others, so he persuaded him!

“Then just wait. If there’s no news tomorrow morning, then we’ll rush in.”

Bai Qian said with worry!

At this moment, Bai Qian no longer regards Chen Ping as a trading partner!

In every marriage with Chen Ping, Bai Qian is invested emotionally and physically and mentally. It is no longer like the beginning, just to merge the blood!

It’s just that Chen Ping doesn’t know that Bai Qian has feelings for him!

Time passes by minute by minute!

The formations that Chen Ping and the others cracked are also slowly disappearing!

In fact, it was only Chen Ping himself who was deciphering the formation, and Sheng Bushi and Sheng Tiantai were just watching!

After a day and a night, the formation was finally broken!

The moment the formation was broken, the entire Ye family was directly enveloped by a mysterious aura!

Immediately afterwards, the water in the holy pool began to boil, and bubbles appeared one after another!

The color has also changed from dark green to clear, but in the clear holy pool, you can't see anything underwater, as if something is blocking your sight!

Everyone in the Ye family also felt something strange and rushed out of the room one after another!

Ye Liancheng looked in the direction of the holy pool, his face filled with excitement!

“Hahaha, it's broken, the formation is broken...”

Ye Liancheng laughed, jumped up and disappeared instantly!

When Ye Liancheng appeared in the holy pool and saw the changes in the holy pool, he was so excited that he almost jumped up!

“Master Ye, the formation has been broken...”

Sheng Tiantai stepped forward and said to Ye Liancheng!

“Okay, okay, as expected of the Sheng family, the most proficient family in the entire southern region.”

“The formation was broken in such a short time, so unexpected!”

Ye Liancheng praised Sheng Tiantai!

“Master Ye, the formation has been broken. Do you think you can let my eldest brother and nephew go back to the Sheng family?”

Sheng Tiantai asked impatiently!

As long as Sheng Bushi and Sheng Jiayue return to the Sheng family, he himself will be considered safe. Otherwise, there will always be toxins in his body, which may cause an attack at any time. Sheng Tiantai is always flustered!

“Second Master Sheng, don’t worry. I told you that as long as the formation is broken, not only will they be let back, but they will also be given generous gifts to your Sheng family.”

Ye Liancheng advised Sheng Tiantai not to be anxious, and then said to the elder of the Ye family, “Elder, go and invite the young master, hurry up...”

The great elder nodded, turned and left!

After a while, the great elder brought a person, but the person was wrapped in a black bag, and his appearance could not be seen clearly!

“Feng’er, the formation of the holy pool has been broken. You can soak in the holy pool as you like. When the time comes, your blood will be reshaped, and you no longer have to live in darkness.”

Ye Liancheng said excitedly!

**A man like none other chapter 3557**—“Father, I will definitely persist. If I can succeed in training, I will make our Ye family the most powerful family in the entire Southern Territory.”

Ye Feng’s body trembled slightly and he said excitedly!

It can be seen that he has been waiting for this day for a long time!

“Okay, father believes in you, go quickly...”

Ye Liancheng nodded and said!

I saw Ye Feng wearing a black bag and jumping directly into the holy pool!

The tumbling holy pool slowly became calm, and soon the black bag floated on the water, and Ye Feng’s body disappeared!

Seeing this scene, Ye Liancheng smiled.

“The great elder guards the holy pool. No one is allowed to enter the holy pool before the young master comes out of the water. Otherwise, he will be shot without mercy...”

Ye Liancheng ordered to the great elder!

“Yes!” The great elder nodded!

“Master Ye, look at us...”

Seeing that Ye Liancheng had finished dealing with it, Sheng Tiantai planned to ask Sheng Bushi about his departure!

“Second Master Sheng, let’s go talk in the hall. This is not the place to talk.”

Ye Liancheng led Sheng Tiantai and Chen Ping towards the hall!

Sheng Bushi was also following behind. No one was controlling him, but Sheng Bushi had no intention of escaping because he knew that there was no way he could escape from the Ye family!

After arriving at the hall, Sheng Tiantai couldn’t wait to say, “Master Ye, do you think I can take my eldest brother and nephew back now?”

Ye Liancheng didn’t say anything, but someone quickly escorted Sheng Jiayue up!

When Sheng Jiayue saw Sheng Bushi, he immediately asked with concern, “Dad, are you okay?”

“I’m fine...”

When Sheng Bushi saw Sheng Jiayue, his eyes were full of concern!

After all, he is his son, and Sheng Bushi doesn’t want to see Sheng Jiayue suffer!

At this time, Sheng Jiayue saw Sheng Tiantai and Chen Ping, who had transformed into the second elder. He suddenly cursed with anger in his eyes, “Sheng Tiantai, you traitor to the Sheng family, the ancestors of the Sheng family will never let you go...”

Sheng Tiantai was not angry, and did not even look at Sheng Jiayue!

“Second Master Sheng, are you not angry at all when you are insulted like this?”

Ye Liancheng looked at Sheng Tiantai playfully and asked!

“Don’t be angry. They are all children. As an elder, I don’t want to be angry with them.”

“Master Ye, I will take him back. When he gets to the Sheng family, I will give him a good education.”

Sheng Tiantai had a smile on his face, and he was really not angry at Sheng Jiayue’s scolding!

“Second Master Sheng, your foundation in the Sheng family is not yet stable. If you put your eldest brother and your nephew back, they will definitely not listen to you. Then won’t the Sheng family be in chaos again?”

Ye Liancheng asked!

When Sheng Tiantai heard this, he had a bad feeling in his heart, so he said, “Master Ye, the entire Sheng family is now under my control. They can’t make waves.”

“Second Master Sheng, I think I’d better take care of your eldest brother and your nephew for a while. When you are stable in the Sheng family, I will let them go back.”

Ye Liancheng said!

Sheng Tiantai was stunned, then frowned slightly and said, “Master Ye, you promised me that after breaking the formation, you would let me take my eldest brother and nephew back.”

“But I don’t want to let them go now, so what?”

“I advise you to return to the Sheng family as soon as possible and serve the Demon Sealing Alliance well. Don’t worry about your eldest brother and your nephew.”

Ye Liancheng actually cheated!

Sheng Tiantai was angry and waited for Ye Liancheng to say, “Ye Liancheng, what do you mean? Are you adding insult to injury?”

“I don’t mean anything. I just want your Sheng family to serve the Demon Sealing Alliance well. Your benefits will be indispensable when the time comes.”

“But if you dare to betray the Demon-Sealing Alliance, then your Sheng family may no longer need to exist!”

Ye Liancheng’s face turned cold, and he actually turned against him!

**A man like none other chapter 3558**-Ye Liancheng turned against him so quickly that even Sheng Tiantai was a little surprised!

The reason why Ye Liancheng keeps asking the Sheng family to join the Demon-Sealing Alliance is just to let the Sheng family help break the formation of the holy pool!

Now that the formation is broken, there is no point for the Sheng family to use it!

So Ye Liancheng no longer has to pretend!

As far as the strength of the Sheng family is concerned, there is no way they can compete with the Ye family!

And now that the Sheng family has joined the Demon-Sealing Alliance and handed over the magic secrets, Ye Liancheng is not afraid of them going back on their word!

“you you.....”

Sheng Tiantai was so angry that he was shaking all over. His eyes were full of disbelief and he said, “Ye Liancheng, don’t push people too hard. Our Sheng family can completely regret it and not join the Demon Sealing Alliance.”

“Do you dare?” Ye Liancheng smiled coldly, “I have your Sheng family’s magic secrets in my hands. I even know the location of the Sheng family’s shelter. If you dare to go back on your word, there will be no more Sheng family tomorrow.” ”

“I hope you won’t be impulsive, go back and manage the Sheng family well, and serve the Demon Sealing Alliance. When I need you, don’t let me down.”

Sheng Tiantai gritted his teeth and glared at Ye Liancheng, but there was nothing he could do!

If there was a fight, there was no way he could beat Ye Liancheng!

“I see.....”

Sheng Tiantai sighed helplessly, then turned and walked out!

He was afraid that if the stalemate continued, Ye Liancheng would suddenly detain them, which would cause trouble!

Chen Ping walked out immediately behind Sheng Tiantai, but on the way out, he made eye contact with Sheng Bushi!

After walking out of Ye’s house, Sheng Tiantai yelled “Ah...”

He didn’t expect that after he tried his best to join the Demon-Sealing Alliance and lead the Sheng family to prosperity, he would end up with such humiliation!

“Before you have no strength, do you think it is possible to climb higher on the shoulders of others?”

“The Ye family is just using you. Now that they have finished using you, they can eat you at any time.”

Chen Ping looked at the furious Sheng Tiantai and said calmly!

Sheng Tiantai looked embarrassed and said nothing!

Now he finally knows how stupid he is for still wanting to rely on the power of the Demon Sealing Alliance to make the Sheng family prosperous!

Just when Chen Ping and Sheng Tiantai walked out of Yecheng, they saw Sheng Jiahui leading people, preparing to rush into Yecheng!

It’s been such a long time and I haven’t seen them come out yet, so I’m all anxious!

“Mr. Chen, you have finally come out. We are planning to rush in to save people.”

Sheng Jiahui saw Chen Ping coming out, so she said happily!

“Chen Ping, how are you? Have you seen Master Sheng?”

Bai Qian stepped forward and asked!

“See you!” Chen Ping nodded!

“Mr. Chen, is my dad okay? Where is my brother?”

Upon hearing this, Sheng Jiahui asked anxiously!

“Everything is fine, but Ye Liancheng doesn’t intend to let Master Sheng go. It seems we have no choice but to attack by force.”

Chen Ping said helplessly!

If Sheng Bushi and Sheng Jiayue can be taken out of the Ye family first, there will be no problem!

If they attack by force now, while Sheng Bushi and his son are still in the opponent’s hands, they will definitely be restrained.

But the look Chen Ping gave Sheng Bushi when he left, he hoped Sheng Bushi could understand what it meant!

The Sheng family itself is weak, even if Chen Ping and others are added, there is no absolute certainty!

If the other party is threatening Sheng Bushi, it will be very troublesome!

“Mr. Chen, please speak. We in the Sheng family are ready to fight to the death.”

“If we can’t save the head of the family, there’s no point in living for us Sheng family members!”

“We are not afraid of death, we will fight with the Ye family!”

Long Bo said with a murderous look!

“Fight, fight...”

Everyone in the Sheng family raised their arms. Although they were not as powerful as the Ye family, no one from the Ye family backed down!

**A man like none other chapter 3559**-Chen Ping felt deeply when he saw the Sheng family’s high fighting spirit!

This proves that Sheng Bushi is very popular in the Sheng family!

“Although you have high fighting spirit, you don’t even have a treasure. How can you fight with your fists?”

Bai Qian looked at the Sheng family and asked!

The Sheng family all practices magic and talismans, so few people have treasures or magic weapons in their hands!

But this time, they are the attacking side, and using formation talismans is not very suitable!

“Even with a pair of fists, we will follow the Ye family and fight to the death.”

Long Bo clenched his fists and said!

“I also have some magical weapons here. You guys should choose some that you can take advantage of!”

Chen Ping said, and took out a large number of magic weapons directly from the storage ring!

Many of these were obtained from the battlefield of gods and demons.

Looking at the magical weapons, everyone in the Sheng family was stunned!

“Mr. Chen, you actually have so many treasures on your body. These are all priceless!”

Sheng Jiahui looked at those magical weapons and said with great envy!

“Although these magical weapons are good, they are of no use in my hands. You should choose for yourself!”

Chen Ping smiled slightly!

Soon, everyone in the Sheng family began to choose!

Chen Ping watched from the side. He had the dragon-slaying sword, dragon-marked bell, and magic whip in his hand. They were all very powerful weapons, so Chen Ping didn’t need other magical weapons!

Moreover, these magical weapons have experienced thousands of years of erosion by the sun and the moon, and have long lost their initial power!

But even so, if the Sheng family has this magical weapon in their hands, it will increase their strength a lot!

Everyone in the Sheng family has chosen someone who can take advantage of them!

Chen Ping took out some more pills, which can save lives at critical moments!

After all, it is impossible for Chen Ping to be able to treat the injured Sheng family anytime and anywhere!

It would also be beneficial for these people to prepare some elixirs!

Everything is ready, and everyone in the Sheng family is more confident!

“Today we are going to fight to the death with the Ye family. Even if we die, we have to have someone to support us.”

“We will never survive in this world unless we rescue the master of the family. We will fight hard.”

“Even if I finally self-destruct and will never be reincarnated, I will never compromise.”

The Sheng family roared angrily.

“Chen Ping, I...I also want to help the Sheng family. Can you undo the poison in my body?”

Sheng Tiantai seemed to be infected by everyone in the Sheng family, and asked Chen Ping excitedly!

“Mr. Chen, absolutely must not, absolutely cannot detoxify.”

Sheng Jiahui doesn't believe her second uncle at all now!

“Mr. Chen, this Sheng Tiantai has betrayed his trust and ancestors. His words cannot be believed.”

Long Bo also blocked Chen Ping!

There is poison in Sheng Tiantai's body now, and he doesn't dare to act rashly. If the poison is detoxified for him, who knows what will happen!

Sheng Tiantai's face was red with embarrassment, but he looked at Chen Ping with firm eyes, "I will never do anything to disgrace the Sheng family. Now that the Ye family dares to play tricks on me, I will fight with them!"

"Believe me, I will never betray my family..."

Chen Ping looked at Sheng Tiantai, casually took out a pill and handed it over, "This is an antidote. If you take it, it will automatically detoxify."

"No one will control you anymore, just take care of yourself..."

Sheng Tiantai swallowed the detoxification pill in one gulp and said with anger in his eyes, "I will go to Ye's house now to fight and treat me like a dog. I will never be able to swallow that breath."

After Sheng Tiantai finished speaking, he took the lead and rushed towards the Ye family!

When Chen Ping and the others saw this, they rushed towards the Ye family!

In this battle, Chen Ping knew that many people would die!

However, there is no timidity or cowardice at all on the faces of those Sheng family members!

Even if they face a powerful family like the Ye family, the Sheng family will never back down!

**A man like none other chapter 3560**-Dozens of figures were heading towards the Ye family!

The Ye family also noticed that someone was intruding, and rushed out one after another, holding various magic weapons to greet him!

Chen Ping was wearing a golden body, and the dragon-slaying sword in his hand was emitting bursts of golden light!

And from behind Chen Ping, dragon roars sounded from time to time!

Seeing the Ye family members rushing out to stop him, Chen Ping slashed out with his sword!

Everyone else also fired out their spiritual power one after another, blasting towards the Ye family!

Swish, brush, brush...

Chen Ping's Dragon-Slaying Sword struck out several swords in a row!

The sword energy turned into roaring golden dragons and rushed towards the crowd of the Ye family!

Chen Ping was desperate. He knew that by taking the initiative immediately, the Sheng family might still have a chance of winning!

Many people in the Ye family had no time to react, and were all killed on the spot by Chen Ping's sword energy!

Seeing how brave Chen Ping was, the others showed no sign of weakness!

Especially Bai Qian, Devil Mountain Ghost Lao, Luo Shouhai and others, these people are all great monks in the seventh and eighth levels of the Tribulation Realm. It is easy to kill ordinary disciples of the Ye family!

And Sheng Tiantai, as if to forgive his sin, held a snake-shaped sword in his hand and slashed at the Ye family!

It's as if it was made for the Sheng family!

Because Chen Ping and others suddenly attacked, the Ye family was unprepared, and more than ten people died in the first wave of attacks!

However, the Ye family is also powerful. The eldest elder of the Ye family hurried over with his people and then joined the battle group!

There are many people in the Ye family, and they are fighting in the Ye family. The Ye family has a lot of initiative this time!

With the addition of the eldest elder of the Ye family, Chen Ping and the others gradually lost their advantage!

"Mr. Chen, we will fight with the Ye family, you should save my father first!"

Sheng Jiahui said to Chen Ping!

“Yes, go save my elder brother first...” Sheng Tiantai also said to Chen Ping!

Chen Ping nodded and then went straight to the Ye family’s backyard!

Bai Qian and Moshan Guilao saw this and hurriedly followed him. They were afraid that Chen Ping would fall into trouble at Ye’s house!

After all, Ye Liancheng has cooperated with the Demon Sealing Alliance for many years, and his strength has reached the ninth level of the Tribulation Realm!

This is not something Chen Ping can handle!

Sheng Jiahui and Long Bo were desperately fighting with the Ye family. They wanted to hold these people back and give Chen Ping a chance to save Sheng Bushi!

Sheng Tiantai also tried his best to vent his anger on those Ye family members!

Originally, he planned to join the Demon Sealing Alliance so that the Sheng family could prosper, but now the Ye family has never looked at them at all!

They are just using them to prosper the family. After using them, they can be used like dogs!

“Chen Ping, do you know where the leader of the Sheng family is?”

Bai Qian asked Chen Ping!

“If Master Sheng understands what I mean, I will know where he is...”

Chen Ping’s spiritual consciousness spread out and headed towards the Ye family’s backyard to investigate!

Chen Ping’s wink at that time was just to let Sheng Bushi secretly set up a tiny spirit gathering array where he was imprisoned!

In this way, it is not easy for others to notice, but Chen Ping can use his spiritual sense to detect where Sheng Bushi is being held based on the gathering of spiritual energy!

But as soon as Chen Ping's consciousness dispersed, his expression changed instantly!

Because he felt that there were three terrifying auras coming quickly from the Ye family's backyard!

As the void trembled, three figures appeared in front of Chen Ping and the others!

The three of them were all covered in black robes, and it was obvious that they were demon cultivators!

The Ye family is the branch of the Demon Sealing Alliance, so it's not surprising that there are demon cultivators here!

After all, the Demon Sealing Alliance has always been secretly linked to the demon cultivators!

The three demon cultivators exude a dangerous aura!

"Mr. Chen, these three people are from the flame demon lineage, and I am familiar with their auras!"

At this time, Zhe Yan said in his mind!

After hearing this, Chen Ping couldn't help but frown. He didn't expect that the Flame Demon lineage would also appear in the Southern Territory!

At that time, he was a demon cultivator from the Balrog lineage that he encountered in the far north!
