

## **A WARRIOR UNDEFEATABLE/**

**A man like none other chapter 3566-**As Chen Ping went deeper and deeper, the cold air became more intense, and Chen Ping had to mobilize the fire element to wrap around his body!

Before reaching the bottom of the pool, Chen Ping felt that he was about to consume a lot of strength!

“Damn it, how did that boy from the Ye family get into the bottom of the pool?”

Chen Ping couldn't help but curse!

You must know that Chen Ping has the origin of fire and the existence of ultimate fire. It is very difficult to resist this cold air!

And Ye Feng, who couldn't understand the origin of the fire system, how could he enter the holy pool for such a long time without any problems?

Chen Ping kept diving, while Ye Liancheng's face was gloomy and he was very anxious!

He knew that Chen Ping must be going after his son!

Now Ye Liancheng must not let Chen Ping disturb his son's rebirth and bloodline!

But when Ye Liancheng entered the holy pool, as he continued to dive, he felt that the cold air was getting stronger and stronger, and his body could no longer bear it!

At this time, Ye Liancheng could only desperately use the spiritual power in his body to protect his whole body and resist the cold breath of the holy pool!

Ye Liancheng is a ninth-level monk in the Tribulation Realm, so he can still bear it!

At this moment, Ye Feng was already floating in the water, with fireworks surrounding his body!

And in Ye Feng's hand, a fiery red bead was also emitting light!

Ye Feng's face was solemn, and he continued to absorb the special aura in the holy pool to reshape his bloodline!

At Ye Feng's feet, there is still a bottomless water area, but Ye Feng is afraid and does not dare to go deeper!

The reason why he was able to sneak here was because of the Fire Spirit Pearl in his hand.

This fire spirit bead was brought by those demon cultivators of the Flame Demon lineage!

Ye Liancheng took the initiative to contact them, and these demon cultivators also wanted to form a cooperative relationship with the Demon Sealing Alliance, so they came all the way with the Fire Spirit Orb!

This is why Chen Ping was wondering why he met the demon cultivators from the flame demon lineage in the far north in the southern region!

"In a few hours, my bloodline will be reshaped, and then I will no longer have to be locked in a small dark room."

Ye Feng was extremely happy!

For so many years, he has been living in darkness!

Fortunately, Ye Liancheng discovered the holy pool and knew the secret of the holy pool, so he secretly killed the original owner of the holy pool and occupied the entire holy pool!

However, the holy pool was protected by a formation, and Ye Liancheng had no way to break the formation, so he contacted several formation masters to open the formation!

It's a pity that the strength of these formation masters was so poor that they failed to succeed for a long time, so Ye Liancheng paid attention to the Sheng family!

The Sheng family has its own reputation in the Tianmo Mountain area, and even in the entire Southern Territory, and Ye Liancheng cannot threaten him directly!

They can only induce the Sheng family to join the Demon Sealing Alliance!

Only then did the two brothers Sheng Tiantai and Sheng Bushi have different political opinions!

Ye Feng doesn't know what his father has done for him. Now he just wants to rebuild his bloodline as soon as possible!

But just when Ye Feng was desperately absorbing the breath of the holy pool, he suddenly heard the sound of waves of water!

Ye Feng looked up and couldn't see anything at all!

But the sound was clearly audible, as if someone was swimming above his head!

“How could someone enter the holy pool? Could it be my father?”

Ye Feng was full of doubts!

You must know that the special aura in this holy pool is limited. In order to increase the aura in the holy pool, Ye Liancheng poured almost all the resources of the Ye family into the holy pool!

There is no way he would let anyone else enter the holy pool!

Moreover, the cold air in this holy pool is not something that ordinary people can bear. If there is no special protection, the cold will definitely enter the body and cause damage to the meridians!

It is impossible for Ye Liancheng to enter the holy pool casually!

**A man like none other chapter 3567**-Ye Feng seemed at a loss when listening to the sound of water flow, because he was distracted and forgot to absorb the breath of the holy pool!

Just when Ye Feng was at a loss and hesitant, a figure slowly appeared!

When Ye Feng saw Chen Ping's figure, he was stunned!

He found that he didn't know this person at all, and he didn't seem to be a member of the Ye family!

“Who are you? How did you break into our Ye family's holy pool?”

Ye Feng asked Chen Ping!

When Chen Ping saw Ye Feng, he was slightly startled. He thought that this kid had already been at the bottom of the pool, but he didn't expect that he hadn't reached the bottom of the pool yet!

When Chen Ping was about to speak, his eyes were instantly attracted by the fire spirit bead in Ye Feng's hand. Chen Ping immediately understood why Ye Feng was able to enter the depths of the holy pool. It turned out that he had a treasure in his hand!

"Mr. Chen, this is the fire spirit bead, the most precious treasure of the Balrog. With this fire spirit bead, the original ultimate fire in Mr. Chen's body may be improved a lot."

"I never expected that the Fire Spirit Orb of Balrog would appear in this guy's hand."

In his mind, Zhe Yan excitedly said to Chen Ping!

As a demon cultivator of the Flame Demon lineage, Zhe Yan certainly knew the Fire Spirit Pearl.

When Chen Ping heard that it was the Flame Demon treasure, his eyes lit up. He finally understood why there was a demon cultivator from the Flame Demon lineage in the Ye family. They should have sent the Fire Spirit Bead!

"It seems that this Balrog also wants to collude with the Demon-Sealing Alliance!"

Chen Ping said with a cold smile!

"For so many years, the Flame Demon has been hiding in the far north. You must know that the cold place is the most difficult for our Yan Demon lineage to practice."

"But in order to avoid being hunted and hunted, Balrog has been hiding in the far north, so he is safe and sound."

"Now it seems that Balrog wants to cooperate with the Demon-Sealing Alliance and leave the Far North."

Zhe Yan analyzed!

Although Zhe Yan is not very strong, he knows a lot about the Yanma lineage!

“You are right. Now the strength of the Demon-Sealing Alliance is spread all over the world of heaven and humans. It is a time when the limelight is unparalleled. It is normal for the Balrog to want to cooperate with the Demon-Sealing Alliance.”

Chen Ping nodded!

While Chen Ping was communicating with Zhe Yan, Ye Feng was still looking at Chen Ping suspiciously!

He didn't understand how Chen Ping got here, and Chen Ping was also surrounded by flames!

“Who are you? Why did you enter my Ye family's holy pool?”

“Do you also have a fire orb in your hand that can withstand the cold?”

Ye Feng asked Chen Ping curiously!

This guy had no doubt at all that Chen Ping was hostile to him!

Still asking questions, I don't know how to escape!

Hearing Ye Feng's question, Chen Ping nodded quickly and said, “I am the great disciple of Yan Mo. I came to see you when I entered the holy pool.”

“The fire spirit bead in your hand has some flaws, so I was afraid that if you went into the bottom of the pool with the fire spirit bead, you would not be able to withstand the cold air in the holy pool, so I specially brought a new fire spirit bead.”

Chen Ping opened his hand, and a ball was wrapped in a ball of beating flames!

In fact, this is just a transformation made by Chen Ping using extreme fire. Where is the fire spirit bead!

Hearing Chen Ping say that he was the great disciple of Yan Mo, Ye Feng didn't even have the slightest doubt!

After all, he knew that the holy pool was guarded by his father personally, and it was impossible for ordinary people to enter the holy pool!

What's more, not many people knew that the demon cultivators from the Flame Demon lineage had sent the Fire Spirit Pearl!

When Chen Ping said this, of course Ye Feng would not doubt it!

"No wonder I felt something cold when I got here, so I didn't dare to dive down. It turns out that this fire spirit bead is defective."

Ye Feng looked at the Fire Spirit Pearl in his hand and showed great disgust!

"Mr. Ye, let's exchange the Fire Spirit Pearl now, so that I can go back and do business."

Chen Ping slowly approached Ye Feng!

**A man like none other chapter 3568**-Zhe Yan couldn't stop laughing when she heard that Chen Ping claimed to be the great disciple of Yan Mo!

But Chen Ping's reaction speed is indeed fast enough!

But just when Chen Ping was approaching Ye Feng and Ye Feng was about to give Chen Ping the Fire Spirit Pearl in his hand, he suddenly shouted loudly!

"Feng'er, don't be fooled. This guy is not a great disciple of the Flame Demon. He is lying to you."

Ye Liancheng's figure suddenly appeared, heading towards Chen Ping quickly!

When Ye Feng heard this, he quickly took back his outstretched hand!

Chen Ping saw that Ye Liancheng was here, so he stepped forward to snatch the Fire Spirit Bead from Ye Feng's hand!

Without the Fire Spirit Pearl, Ye Feng would definitely be frozen to death by the cold air in the holy pool!

When Ye Feng saw Chen Ping coming to snatch him, he quickly shouted, "Dad, save me, hurry up and save me..."

Ye Feng grabbed the Fire Spirit Pearl tightly and dived downwards with all his strength!

Ye Liancheng was so angry that he went crazy when he saw his son being chased by Chen Ping!

He chased Chen Ping desperately!

“If you dare to touch my son, you are seeking death...”

Ye Liancheng shouted loudly, and his spiritual power surged instantly!

Then he slapped Chen Ping with a palm!

It's just that Ye Liancheng used a lot of spiritual power to protect his body from the cold air, and the water in the holy pool blocked it!

So Ye Liancheng's palm didn't even exert half of its usual power!

Seeing this, Chen Ping kicked Ye Feng, causing Ye Feng to dive deep into the depths quickly!

Then Chen Ping used his backhand to form a shield in front of him!

Chen Ping didn't dare to be careless in the slightest about the attack from a ninth-level monk in the Tribulation Realm!

Even if Chen Ping's physical body is strong, coupled with the indestructible golden body protection, it is impossible to withstand a blow from a ninth-level monk in the Tribulation Realm!

boom!

Ye Liancheng struck Chen Ping's shield with a palm!

Chen Ping's figure shook twice, but he did not retreat quickly!

This made Chen Ping slightly stunned, but he quickly reacted!

Ye Liancheng didn't have the protection of Zhihuo, let alone the Fire Spirit Pearl, so he spent most of his spiritual power on protecting himself!

And Chen Ping has the original ultimate fire in his body, which can resist the cold air, so Chen Ping is not affected much!

After thinking about this, Chen Ping suddenly felt confident!

In this holy pool, what can Ye Liancheng do even if he is at the ninth level of the Tribulation Realm?

“Old boy, your strength is nothing more than this, let’s see how I deal with you.”

Chen Ping actually took the initiative!

Ye Liancheng gritted his teeth and his face was livid with anger!

A dignified monk of the ninth level of the Tribulation Realm was provoked by a young monk of the first level of the Tribulation Realm. If word of this spread, how could he still survive?

Chen Ping and Ye Liancheng soon got into a melee!

For a while, the two people were fighting inextricably, and Ye Liancheng couldn’t do anything with Chen Ping!

At this time, due to the fight between the two people in the holy pool, the water in the pool was like a stormy sea, and chaotic spiritual power continued to surge!

Ye Feng, holding the Fire Spirit Bead, swam upwards desperately, but was kicked down by Chen Ping just now!

Ye Feng was a little worried. He was afraid that the Fire Spirit Pearl wouldn’t be able to protect him, so he swam upward with all his strength!

But above his head was the area where Chen Ping and Ye Liancheng were fighting!

Just as Ye Feng swam up a little, he was knocked away by the chaotic aura!

“Feng’er……”

Seeing his son like that, Ye Liancheng was extremely angry!

But the angrier Ye Liancheng becomes, the harder it is to defeat Chen Ping quickly!

I saw Chen Ping sacrificing the dragon-slaying sword, and the sword energy stirred up a storm in the holy pool, while Ye Liancheng tried his best to resist!

Ye Liancheng is going to be pissed off now!

The ninth level of the Tribulation Realm can't beat the first level of the Tribulation Realm. Where the hell are you going to argue?

If it weren't for the holy pool that restrained Ye Liancheng, Ye Liancheng would have beaten Chen Ping to death!

But now, all he could do was stare at Chen Ping jumping up and down in front of him, and Ye Liancheng still couldn't defeat him!

**A man like none other chapter 3569**-“you.....”

Ye Liancheng glared at Chen Ping, wishing he could eat Chen Ping in one bite!

“Come on, hit me...”

Chen Ping provokes Ye Liancheng!

In this holy pool, the two of them were evenly matched, and Chen Ping was not afraid at all!

Seeing Chen Ping's arrogant and domineering look, Ye Liancheng was itching with hatred!

“Feng'er, give me the Fire Spirit Pearl, and you go back to the shore first. Wait until I kill this kid, and you are rebuilding your bloodline!”

Ye Liancheng knew that if he could not exert his full strength, there would be no way to kill Chen Ping.

If you want to use your full strength, you must use the spiritual power to resist the cold air of the holy pool. Now you can only use the fire spirit beads to help yourself resist the cold air!

Ye Feng nodded and swam towards Ye Liancheng!

When Chen Ping saw this, he slashed at Ye Feng with his sword. He couldn't let Ye Liancheng get the Fire Spirit Pearl!

If Ye Liancheng gets the Fire Spirit Pearl, everything will be over!

The sword light went straight towards Ye Feng, frightening Ye Feng so much that he quickly stopped and kept retreating!

As Ye Feng retreated, he threw the Fire Spirit Bead directly towards Ye Liancheng!

After the Fire Spirit Pearl was released, Ye Feng felt the coldness entering his body, and he was so frightened that he kept floating upwards.

Ye Liancheng stretched out his hand to grab it, and a suction force attracted the fire spirit bead towards him quickly!

When Chen Ping saw this, he also grabbed the fire spirit bead!

I saw flames igniting under Chen Ping's feet, and he directly used the fire control step, and his speed instantly became much faster!

Seeing Chen Ping trying to snatch the Fire Spirit Bead, Ye Liancheng waved his hand and shot out three spiritual lights!

If Chen Ping didn't dodge, he would definitely be hit by the aura!

Seeing that he was about to get the Fire Spirit Bead, Chen Ping gritted his teeth and let the three spiritual lights hit him without dodging!

The moment Chen Ping's hand grabbed the Fire Spirit Pearl, three spiritual lights also hit Chen Ping!

Loud rumble!

The water in the holy pool kept rolling, and Chen Ping was directly knocked away!

"Hand over the Fire Spirit Pearl..."

When Ye Liancheng saw that Chen Ping had obtained the Fire Spirit Bead, he roared and rushed over!

Chen Ping adjusted his breathing, smiled at Ye Liancheng, then opened his mouth and swallowed the Fire Spirit Pearl!

Seeing Chen Ping eating the Fire Spirit Pearl, Ye Liancheng was furious!

Without the Fire Spirit Orb, his son would have no way to enter the holy pool to rebuild his bloodline!

“Go to hell...”

Ye Liancheng roared angrily and slapped a terrifying palm!

With this palm, Ye Liancheng used all his spiritual power and no longer even resisted the cold air of the holy pool!

A huge whirlpool appeared in the holy pool, heading towards Chen Ping quickly!

When Chen Ping saw this, his body sank rapidly!

He didn't dare to resist Ye Liancheng's palm!

Seeing Chen Ping heading towards the bottom of the pool, Ye Liancheng wanted to continue chasing, but the cold air made his body shake violently!

Helpless, Ye Liancheng could only quickly surface and did not dare to pursue Chen Ping!

When Ye Liancheng surfaced, Ye Feng rushed over!

“Dad, how's it going? Did you kill that guy?”

Ye Feng asked!

“No, the Fire Spirit Pearl was also taken away and swallowed by him.”

Ye Liancheng's face was full of atmosphere!

“Ah?” Ye Feng was stunned. “What should I do? Without the Fire Spirit Pearl, how can I reshape my bloodline?”

“Don’t worry. I’m here to guard you. I don’t believe he will never come out. As soon as he shows his head, I will kill him and take out the Fire Spirit Pearl from his stomach.”

Ye Liancheng comforted Ye Feng!

Ye Feng nodded and could only wait!

At this time, the sound of fighting in the Ye family had stopped. Sheng Bushi and Sheng Jiayue were rescued, and the Sheng family members also evacuated!

Devil Shan Gui Lao and the others also withdrew. Originally, they wanted to find Chen Ping, but Sheng Bushi persuaded them to leave the Ye family!

However, they did not return to the Sheng family, but found a place in Yecheng to wait for news about Chen Ping!

If there is no news about Chen Ping for a long time, they will enter the Ye family again!

**A man like none other chapter 3560**-In the holy pool!

Chen Ping kept sinking downwards. With the Fire Spirit Pearl in his body, Chen Ping would be fine even if he didn’t use the original fire!

But soon, Chen Ping felt a buzz in his sea of consciousness, and the cold air in the holy pool disappeared!

But what comes with it is endless pressure!

Chen Ping felt his bones snapping all over his body, and his whole body seemed to be compressed! M.

Chen Ping hurriedly activated his indestructible golden body and was able to withstand the pressure of the holy pool!

“It’s really strange. How come there are different obstacles in this holy pool?”

Chen Ping was very puzzled!

However, Chen Ping continued to dive downwards, but the holy pool seemed to be boundless and had no bottom at all!

Chen Ping himself didn't know how long he had been sinking, and he couldn't detect it with his spiritual consciousness.

Chen Ping now feels as if he is floating in an endless dark universe. The loneliness is scary!

"Mr. Chen, Mr. Chen..."

Zhe Yan's voice sounded!

Only then did Chen Ping come back to his senses from the endless loneliness!

"Mr. Chen, your consciousness is trapped and has been floating motionless..."

Zhe Yan said to Chen Ping!

"What, I haven't moved this whole time?"

Chen Ping's face was full of surprise. He thought he had been diving!

"It's not moving. It feels very strange in this holy pool. Mr. Chen, you'd better pay more attention."

Zhe Yan reminded Chen Ping!

Chen Ping's head was breaking out in a cold sweat at this time. If Zhe Yan hadn't woken him up, Chen Ping would have been floating here forever. That would be too scary!

Chen Ping hurriedly woke up, then held his breath and concentrated on diving downwards!

Soon, sediment appeared in front of Chen Ping, proving that the bottom of the pool had arrived!

When Chen Ping stepped on the bottom of the pool, he finally felt that solid feeling in his heart!

Chen Ping looked around and found a ball of light not far away!

Looking at the bright light, Chen Ping was very happy in his heart. It would be great if there was a treasure at the bottom of the pool!

Chen Ping slowly walked towards the light!

When Chen Ping got closer, he found that it was a piece of jade that was emitting light!

And around the jade, there is a light curtain covering the jade!

This jade stone is the size of a palm, and the aura it emits is very strange!

Just when Chen Ping reached out to pick up the jade, his palm passed through the light screen, and the jade suddenly emitted a dazzling golden light!

In the golden light, a man's figure slowly appeared!

“Bold people dare to spy on my sky-mending stone...”

The man had a cold face and looked at Chen Ping coldly. The sound was like a loud bell, which made Chen Ping's consciousness go into a trance!

Chen Ping quickly took back his hand and looked at the man quietly, his eyes full of greed.

“The Sky Mending Stone? Is this a fairy stone?”

Chen Ping asked the man!

“Hmph, you are a first-level monk in the Tribulation Realm. Why are you asking so many questions? This is an immortal stone, but it is useless to you.”

“Come here when you ascend to immortality...”

The man's eyes are full of contempt!

Feeling the man's contemptuous gaze, Chen Ping sneered and said, “You are just a remnant soul now, not even a remnant soul, just a remnant memory.”

“You still look down on me. I will take away the Sky-Mending Stone today. What can you do to me?”

Chen Ping is not afraid of this man. This guy might have died a long time ago and left a trace of residual thoughts here to scare people!

Chen Ping won't let him scare him easily!

I saw Chen Ping grabbing him with one palm, not caring about the man at all!

And Chen Ping's palm actually penetrated the man's body!

"Ignorant child, die..."

The man shouted angrily, and the sky-repairing stone bloomed with thousands of rays of brilliance!

These ten thousand rays of light were like sharp swords, coming directly towards Chen Ping!
