

A WARRIOR UNDEFEATABLE/ A Man Like None Other Chapter 3805

A Man Like None Other Chapter 3805-Jared knew that to reach the chaotic dimension at the border without bypassing the great crevice, one had to cross over it.

But there was simply no way to cross the crevice, so Jared had to find Lauden before he crossed it.

Otherwise, Lauden might have fallen into the crevice!

Jared's speed was pushed to the limit!

Meanwhile, Ivan, with disciples from the Lethal Spirit Sect, was chasing after Lauden.

“Damn it, that useless Cole. The arcane array was broken, yet he claimed to have wiped out the disciples of the Five Great Sects. He’s bullshitting. If he really wiped out the disciples of the Five Great Sects, why was the arcane array broken, allowing that guy Lauden to escape? I bet he’s been captured by someone, useless b*stard. Otherwise, why would he use a communication device?” Ivan cursed continuously, relentlessly pursuing Lauden.

If the arcane array hadn’t been broken, Lauden wouldn’t have been able to escape it, but since it was, Lauden had a chance to flee toward the border.

After receiving Cole’s communication via the communication device, Ivan had already realized that Cole had been captured.

“Mr. Ivan, since Mr. Cole has been captured, why did you still reveal our location?” a disciple from the Lethal Spirit Sect asked in confusion.

“I revealed it to lure them here. This great crevice is filled with lethal intent. For us, it’s an excellent place for cultivation, but for other cultivators, it’s a deathtrap.

I want to lure them all here and let them perish in this great crevice! You guys set up ambushes around. They should be arriving soon. I’ll go after that guy Lauden. He’s exhausted and can’t run fast!” Ivan ordered.

“Yes!” Hundreds of disciples from the Lethal Spirit Sect all hid themselves.

Ivan then swiftly chased after Lauden. He transformed his body into a black mist, like a whirlwind!

Lauden was extremely weak at this moment and on the verge of fainting!

The crevice ahead was getting closer and closer. As long as he crossed it, he would reach the chaotic dimension at the border, each the chaotic lands at the frontier!

Those who entered the chaotic dimension at the border of Ethereal Realm would die!

Despite this, Lauden still rushed forward.

He didn't want to be caught by the people from the Lethal Spirit Sect. He knew what would happen to him if he were captured.

He also didn't want to be killed by them as he knew the Lethal Spirit Sect harbored intense hatred toward him. If they killed him, they would surely refine his soul remnant into a malicious spirit at the moment of his death.

In that case, they could use Lauden's malicious spirit to massacre all the disciples of the Five Great Sects.

That would spell complete disaster for the Five Great Sects.

"Lauden, don't even think about getting away!" Ivan had caught up to him.

Lauden saw that only Ivan was there and couldn't help but sneer. "Even in my weakened state, it won't be so easy for you to catch me. I'm already a Ninth Level Tribulator, while you're only an Eighth Level Tribulator. Wouldn't it be embarrassing if I were to lose to you?" "Hmph, let's see about that!" Ivan chuckled, extending his arms, instantly covering the area with a large expanse of black mist!

Lauden, on the other hand, exhausted his last bit of strength, engaging in a battle with Ivan!

When they met, Keelan's eyes were filled with surprise.

"Jared, you've caught up so quickly?" Keelan didn't expect Jared to have dealt with Cole so quickly!

Taking Cole along had slowed Jared down.

Keelan nodded, instructing several disciples to restrict Cole.
