

A WARRIOR UNDEFEATABLE

A Man Like None Other Chapter 4001 - 4010

A Man Like None Other Chapter 4001-Harlan fell silent, unsure of how to answer Carlo's question. After all, the man wasn't a disciple of Violet Flame Sect, and that was the sect's secret. He didn't want outsiders to find out about it.

If someone were to seize the opportunity during the internal strife to launch a sudden attack, Violet Flame Sect would be in grave danger.

He certainly wasn't willing to see the fall of Violet Flame Sect.

At Harlan's silence, Carlo smiled and said, "Mr. Garrido, regardless of the reason, I'm not interested in knowing about it. However, if I were to help you activate Divine Flame Mountain, the fee wouldn't be low!"

"Don't worry, Mr. Graham. Be it spirit coins or resources, name your price. I will certainly meet it," Harlan assured.

"All right, then. Take me there for a look." Carlo gave a nod.

Harlan then led him deep into the sect's territory.

Upon reaching the deepest part of it, he finally stopped at a spot with a massive circular plate.

On the plate, various intricate array runes shimmered. Additionally, five statues of demon beasts stood around the edge of it.

"Mr. Graham, this is the formation plate to activate Divine Flame Mountain.

However, only Mr. Cunningham can crack it and activate Divine Flame Mountain."
"Could you please take a look now and see if you could help to crack it?" Harlan asked Carlo with utmost respect.

Carlo swept his gaze over the massive formation plate. Then, with a swift wave of his hand, all the runes on it were projected into mid-air.

Looking at the chaotic and disorganized array runes, Harlan and the others, who had no knowledge about arcane arrays, were utterly bewildered.

"Cracking the formation plate isn't difficult. It just requires two to three days," Carlo declared confidently after meticulously reviewing them.

“Okay. Whatever you need, just let me know, Mr. Graham!” Upon hearing that he could be crack the formation plate, Harlan was instantly filled with excitement.

“No one is allowed to interrupt me in the few days I crack it. Not only would it nullify all my previous efforts, but it would also cause me to suffer a backlash,” Carlo cautioned.

“Don’t worry, Mr. Graham. Absolutely no one will disrupt you!” Harlan promised.

He then turned to Berthold at the side. “Berthold, bring some men over and guard this place personally. If anyone dares approach, show them no mercy.” “Understood!” Berthold nodded.

Carlo began cracking the formation plate, while Berthold and a few elders stood guard outside.

At the same time, Judd arrived at Dario’s mansion in a rush.

“Master, Harlan and Berthold managed to enlist the aid of an arcane array expert from Duad Formation Sect. They intend to forcibly crack the formation plate and activate Divine Flame Mountain, Judd said with a look of anxiety on his face.

“What? Harlan actually dare defy sect rules and secretly activate Divine Flame Mountain? Is this news reliable?” Upon hearing that, Dario instantly paled with shock.

“Yes, I saw it with my own eyes.

Harlan brought the expert from puad Formation Sect to the formation plate! Onty Harlan left. Berthold is personally guarding it with some men,” Judd reported.

“Darn it! It seems like Harlan is hell-bent on getting Divine Flame Seal. We absolutely can’t let him”

activate Divine Flame Mountain. If he gets his hands on it, even if Mr. Ortiz recovers and makes a comeback, it’ll do no good.”

Dario’s brow furrowed slightly. Then, he continued, “Contact the other elders and disciples right away. Gather everyone from our faction.” “What about Juliet, Master?” Judd asked.

“Her, too. She must be made aware of this matter. If Harlan gets holt of Divine Flange Seal, it likely won’t end well for her and everyone else from our faction.”

Dario decided that even if it meant risking his life, he wouldn’t let Harlan activate Divine Flame Mountain and obtain Divine Flame Seal.

After Judd had left, he turned his gaze in the direction of Reflection Cliff.

“I wonder how Axel is doing now.” At that moment, he sincerely hoped that Jared could end his reflection and come out to lend him a hand.

If so, they would have an extra pair of hands. Although Jared was only a Fourth Level Tribulator, the strength he demonstrated was almost on par with his

A Man Like None Other Chapter 4002-In less than thirty minutes, the elders and disciples from Gael’s faction had all gathered. Juliet, who hadn’t been seen for a long time, also came to Dario’s mansion.

At the sight of her, a wave of excitement swept over many of the disciples.

“Ms. Ortiz, Harlan has brought in an array master from Duad Formation Sect, intending to activate Divine Flame Mountain by force to obtain Divine Flame Seal. We absolutely cannot let him succeed. If he gets his hands on Divine Flame Seal, he will surely make a move against you and Mr. Ortiz,” Dario said to Juliet.

At that moment, Juliet’s words held more sway than those of his.

All the people gathered there were from Gael’s faction, so they were more inclined to heed her words.

“When did he start doing so?” Juliet asked.

“It happened today, Juliet. I saw it with my own eyes,” Judd quickly said.

“Today?” Juliet’s brow furrowed slightly. After glancing at the people around her, she turned to Dario and asked, “Mr. Barclay, where is Axel?” “Ms. Ortiz, he wandered around without permission and accidentally activated an arcane array. As a punishment, Harlan sent him to Reflection Cliff to reflect on his misdeed for three days,” Dario answered.

Juliet knew that Jared took the hit for her.

“How long do you reckon it would take the expert from Duad Formation Sect to crack and activate the formation plate?” Juliet asked further.

“Uh...” Dario hesitated, for he didn’t know either.

After all, he wasn’t an array master, so he couldn’t possibly know that.

Everyone else remained silent, unsure of the answer to Juliet’s question.

“Juliet, I reckon Mr. Cunningham might know. We could ask him,” Judd suggested at that moment.

“Okay. Go and call Mr. Cunningham over, then,” Juliet said.

Judd gave a nod and went to ask Rohan over immediately. The latter was ultimately part of the neutral faction, so he wasn’t called over earlier.

Before long, Rohan arrived with Judd.

Upon seeing that all members of Gael’s faction were present, with even Juliet there, he appeared somewhat taken aback.

“Is there something you need from me, Ms. Ortiz?” Rohan asked Juliet.

“Mr. Cunningham, if someone from Duad Formation Sect wants to crack the formation plate forcibly and activate Divine Flame Mountain, how long would it take?” Juliet asked.

“What? Is someone trying to activate Divine Flame Mountain forcibly?” Rohan questioned, his brows furrowed.

“Yes. Harlan has gotten an array master from Duad Formation Sect over, intending to activate Divine Flame Mountain forcibly,” Juliet affirmed with a nod.

“He has got some nerve,” Rohan hissed, his face flushed with anger.

But he then continued, “If an elder from Duad Formation Sect were here to crack the formation plate and activate Divine Flame Mountain, it”

would probably take around four to five days. However, I can put some obstacles in his way. That would take him more time. If it were only an ordinary disciple from Duad

Formation Sect, he would never be able to crack the formation plate.”

“Four to five days...” Juliet began pondering upon the matter.

The reason she wanted to wait for Jared and refused to let Dario and the others engage in a conflict with Harlan was to wait for Gael to come out.

She knew that her father’s demonic soul had been eliminated. As long as his spiritual sense had recovered, he could come out to take charge of Violet Flame Sect once again.

All it matter was that Harlan couldn’t get his hands on Divine Flame Seal during that period.

Perhaps in four or five days, Gael would have recovered and come out. Even if Divine Flame Mountain were activated, it would no longer be of use.

“Ms. Ortiz, there’s no time to lose. We need to rush over and stop Harlan, Once Divine Flame Mountain is activated, there will be no stopping him,” Dario said to her anxiously.

After a moment’s contemplation, Juliet replied, “There’s no rush. Let’s wait until Axel has finished his reflection. Didn’t Mr. Cunningham say that ever for an elder from Duad Formation Sect, it would take four to five days to activate Divine Flame Mountain? Besides, Mr. Cunningham will put some obstacles in the way.

Who knows, they may not even be able to activate Divine Flame.

Mountain at all.”

A Man Like None Other Chapter 4003-“Ms. Ortiz, would this be too risky? What if-” Dario was about to argue, but Juliet interrupted him.

“All right, it’s decided. We’ll wait until Axel comes out of Reflection Cliff before we discuss this further. For these few days, pretend that you’re unaware of this matter. Don’t go and pick trouble with Harlan.” “Understood!” At that, Dario could only obey her.

The crowd who had been gathered all dispersed.

Rohan also left.

Juliet then looked at Dario and said, “Dario, there’s something you’re unaware of. In truth, my father’s madness is gone. He is currently recuperating his spiritual sense. To avoid tipping Harlan off, I didn’t tell anyone. It was me who accidentally triggered the formation. I took Jared with me to see my father. It was to prevent Harlan from becoming suspicious that Axel decided to stay behind alone and take the blame himself. So, for the next few days, let’s steer clear of Harlan first. Once my father fully recovers and comes out, it’ll be pointless even if he manages to activate Divine Flame Mountain forcibly!” She explained the situation to him, fearing that he wouldn’t be able to resist stopping Harlan.

“So, you went with him, Ms. Ortiz. He is truly tight-lipped. He didn’t even tell me about it. I’ll go with your plan, Ms. Ortiz,” Dario immediately relented with a nod upon learning the reason.

Since then, the entire Violet Flame Sect grew quiet. Gael’s faction acted as if they were unaware without picking trouble with Harlan and his men.

Meanwhile, Harlan patiently waited for Carlo to crack the formation plate and activate Divine Flame Mountain.

As for the elders, he didn’t care what they did so long as they didn’t cause trouble.

As long as he obtained Divine Flame Seal, he would become the true leader of Violet Flame Sect.

At that time, whoever he wanted to leave Violet Flame Sect would have to leave.

In the blink of an eye, three days passed.

When Jared stepped out of Reflection Cliff, he surprisingly exuded an otherworldly aura about him.

“If it weren’t for me having some other matter to attend to, I’d really love to stay a few more days at this Reflection Cliff!” He was reluctant to leave Reflection Cliff.

Apart from being able to cultivate True Fire Spiritual body, he could also use the flames on the mountain to temper his body.

Such a golden opportunity was rare to come by.

It appeared that Reflection Cliff was meant to be the place where the founder of Violet Flame Sect imparted his cultivation techniques.

However, the disciples of Violet Flame Sect who came to Reflection Cliff were solely focused on leaving as soon as possible and had to endure great pain, so they didn’t even notice the cultivation techniques on Reflection Cliff.

Had it not been for the reminder from Vermilion Demon Lord, it would have likely been difficult for even Jared to discover the cultivation technique on Reflection Cliff.

Speaking of which, it was quite the coincidence that turned into a blessing in disguise for him.

“Axel, you’re finally out. Are you okay?” Judd knew that Jared’s time of reflection had ended, so he especially came to fetch him.

“Yes, I’m pretty good. Judd, have you ever been to Reflection Cliff?” Jared asked.

“Of course, all deacon disciples have to undergo tempering at Reflection Cliff when promoted to deacon. How else would I know the terrifying nature of Reflection Cliff? It’s simply no place for a human to be.”

When Judd mentioned Reflection Cliff, it was clear he was extremely averse to it.

“Didn’t you notice anything special about Reflection Cliff, Judd?” Jared asked, looking at him.

“Something special? What could possibly be special about it? Did you discover something, Axel?” Judd asked in curiosity.

“No. It was just a casual question.”

Jared smiled, then continued “ydd, in the past three days We been reflecting, Berthold hasn’t caused any trouble again, has he?”

“No. They aren’t in any mood to cause trouble. Now, Harlan has brought an array mastes from Duad Farmation Sect over. They re forcibly trying to activate Divine Flame.

Mountain. Berthold is personally guarding it with some men!” Judd said with a helpless expression.

A Man Like None Other Chapter 4004-Duad Formation Sect?” Upon hearing that sect, Jared instantly recalled the man who sabotaged Moses’ daughter at Pathfinder Sect.

He was from Duad Formation Sect, and his name was Carlo Graham.

Jared hadn’t expected to hear the name of Duad Formation Sect while at Violet Flame Sect.

“Why, you’re also familiar with Duad Formation Sect, Axel?” Judd asked upon seeing his reaction.

“Yes. I’ve heard about it.” Jared nodded in affirmation.

“Duad Formation Sect specializes in the study of arcane arrays and is home to a number of array masters. Indeed, it holds quite a reputation in the central region. This time, Harlan asked someone from that sect over. It seems he’s determined to activate Divine Flame Mountain,” Judd elaborated.

“Why didn’t you guys stop him, then?” Jared was very much puzzled. Since Harlan is forcibly activating Divine Flame Mountain, Dario and the others should have intervened!

“Juliet wouldn’t allow it. She insisted on waiting until you finished your reflection before discussing our next move. It seems to me that she’s now fully reliant on you. You’d better not let her down!” Judd said with a chuckle.

“Let’s go. We’ll go and discuss this with Master!” Jared didn’t respond to Judd. Instead, he headed straight for Dario’s mansion.

He couldn’t possibly allow Harlan to get his hands on Divine Flame Seal. Now that he knew the fire fusion technique required Divine Flame Seal, it was imperative for him to secure it.

Moreover, Gael had already given his word. Therefore, he was determined not to let Harlan get his hands on Divine Flame Seal before Gael had fully recovered.

However, just as Jared and Judd arrived at Dario's mansion, a wave of heat suddenly swept over the entire Violet Flame Sect.

Alongside a series of quakes, a flash of blinding white light manifested from the depths of Violet Flame Sect.

"Darn it! Divine Flame Mountain has been activated!" Dario rushed out from the mansion, his eyes filled with astonishment as he gazed at the blinding white light.

As the quakes continued, Juliet, the elders, and disciples from Gael's faction all arrived in a hurry.

Even Rohan, who was always composed, had rushed over, drenched in sweat.

"Mr. Cunningham, didn't you say that the formation plate would never be cracked in a short time?" Juliet demanded, looking at Rohan.

Rohan looked utterly embarrassed. "This time, the person Harlan brought in is highly skilled in array craft. Despite my best efforts to create obstacles, I was still unable to stop him." At that, all Juliet could do was let out a soft sigh. She stared at the blinding white light, her face a mask of helplessness.

"Divine Flame Mountain has been activated?" Jared gazed at the white light that pierced the sky, unable to comprehend where Divine Flame Mountain could possibly be.

"You'll see it very soon," Dario said with a slight frown.

Jared said nothing further. Instead, he stared at the beam of white light. The burst of white light shot up into the sky, followed by a flash of lightning and a rumble of thunder in the air.

Subsequently, the beam of white light transformed into a shower of luminescence that rained down from the air.

Beneath the shower of luminescence, Jared caught sight of a faint silhouette of a mountain manifesting a near distance away.

As the shower of luminescence continued to fall, it became increasingly distinct.

In the end, a towering mountain appeared before everyone's eyes. However, it was of a fiery red hue.

Atop the mountain, one could see flames rising into the sky.

“Wait... Isn't this the same mountaintop I saw at Reflection Cliff?” Jared's face was a picture of astonishment.

When he was at Reflection Cliff, that was the same towering mountain !

that appeared before him, similarly ablaze in flames.

“Yes. This is the very Divine Flame Mountain one faces when at Reflection Cliff.” Dario gave a nod.

“Could this towering mountain also be a transmogrification?” Jared asked, curious.

After all, Reflection Cliff was a figment of imagination due to one's consciousness field being controlled.

“This isn't a transmogrification but a real mountain. It's just that it was hidden by a formation, making it invisible to the naked eye under normal circumstances. Only when the formation plate is activated will the formation gradually dissipate, and this mountain appears before everyone's eyes,” Juliet explained.

A Man Like None Other Chapter 4005-Jared was utterly astonished. He couldn't fathom just how powerful the elder of the Violet Flame Sect must be to be able to conjure such a grand arcane array and conceal an entire mountain!

Sensing Jared's surprise, Dario explained, “This Divine Flame Mountain was not concealed by the elder of Violet Flame Sect. Originally, this peak didn't have any flames, and this place wasn't a wasteland. Legend has it that during the Celestial Battle, a celestial entity known as the Fire Spirit Lord dropped an object, transforming this mountain into a volcano, and the surrounding few hundred kilometers turned into a barren desert.” With a brief pause, he continued, “The object that fell was the Divine Flame Seal. We, the Violet Flame Sect, merely established our sect beneath this

Divine Flame Mountain at a later time.” “The Fire Spirit Lord?” Jared gaped, taken aback when he heard the tale.

Never would Jared have imagined that the formation of the Violet Flame Sect was based on an item left behind by the Fire Spirit Lord!

How incredible it was that an object dropped by an immortal could lead to the making of a great sect!

Previously, when Jared was chosen to inherit the legacy of the Fire Spirit Lord, he was picky and choosy about it, which ultimately annoyed the Fire Spirit Lord, causing the Lord to leave in a huff!

Looking back now, Jared was still filled with waves of regret!

Fortunately, he had almost mastered the Blazing Stride. Moreover, he had the fire soul essence of the Fire Spirit Lord in his hands!

If one were to put it that way, it would seem that Jared's current status might surpass that of the esteemed elder of the Violet Flame Sect!

Jared had personally received the legacy of the Fire Spirit Lord!

Conversely, the elder of the Violet Flame Sect only established the sect based on an item left behind by the Fire Spirit Lord. The Fire Spirit Lord himself might not even be aware of the existence of the Violet Flame Sect!

"The Fire Spirit Lord is said to be an immortal from the celestial realm, but all this is just folklore. It may not necessarily be true. You don't have to be overly concerned about it," Juliet reassured. Judging from his stunned reaction upon hearing about the Fire Spirit Lord, she had thought that Jared was shaken by the news.

"I understand!" Jared nodded. "Right now, we must hurry to stop Harlan. We can't let him reach the Divine Flame Mountain." "Right, we must stop Harlan now!" echoed Juliet. Without sparing another second, Dario and the others marched toward the depths of the Violet Flame Sect.

Meanwhile, Harlan was beyond thrilled as he watched the Divine Flame Mountain awaken.

"Mr. Graham, thank you so much!" Harlan expressed excitedly while gripping Carlo's hand in gratitude. "Rest assured, everything I promised you will be delivered in full. Not even a speck will be missed out." "No need for formalities, Mr. Garrido. When helping someone, it's always best to see it through to the end." Carlo smiled slightly. "Since the Divine Fire Mountain has already been awakened, I'll accompany you on this journey." "That's fantastic! With your assistance, Mr. Graham, this trip to the Divine Flame Mountain is bound to be perfect." Harlan's face lit up with excitement.

He then turned to Winston. "Mr. Thibaud, guard this place with your men. Since the Divine Flame Mountain has been activated, Mr. Barclay and his team will definitely come to cause trouble. I want you to stop them," commanded Harlan.

"Understood!" Winston gave a curt nod.

Satisfied, Harlan, accompanied by Berthold and a few elders, headed straight for the Divine Flame Mountain!

Since the Divine Fire Mountain had awakened, the intense heat it released was far from bearable for NO.

the average person. Especially as one got closer to the mountain, the heat waves became even more ferocious!

Harlan and the others had no choice but to harness their spiritual energy for resistance!

Just as Harlan and his party were en route to the Divine Flame Mountain, Juliet, Dario, and the rest, also arrived in a flurry!

“Mr. Barclay, why did you lead such a large group into the forbidden ground of the Violet Flame Seft without permissions what are you planning to do? This is where the formation plate is located. Apart from the sect leader’s orders, no one is allowed to approach this area.”

Winston and his men intercepted Dario’s team, just as commanded.

“Cut the act, Winston. Harlan has already broken the rules by secretly activating the Divine Flame o M Mountai. We are here to prevent him from entering the Divine Flame Mountain,” Dario snapped sternly at Winston.

A Man Like None Other Chapter 4006-“Dario, you old coot. Who are you to just casually call out Mr. Garrido’s first name? You’re disrespecting your superior here! Is it wrong for the sect leader to decide to activate the Divine Flame Mountain?” Winston replied coolly.

“Rubbish! He’s just an acting sect leader, nothing more. Mr. Ortiz is still alive and kicking. He’s not dead yet. Just because Harlan was entrusted with the role of an acting leader, he’s really started to think too highly of himself!” Dario huffed.

“Move out of my way immediately! If not, don’t blame us for using force!” Dario was starting to see red.

“Hah! What damage can you do even if you were to use force? Do you really think you folks have the ability to venture into the Divine Flame Mountain?” Winston sneered.

“Let me tell you, once Mr. Garrido secures the Divine Flame Seal, he will truly become the leader. And when that time comes, none of you will find yourselves in a favorable position. But, if you realize your mistake and pledge your alliance to Mr. Garrido now, I might put in a good word for you once he acquires the Divine Flame Seal.” Winston chuckled heartily.

“Screw you! Stop trying to drive a wedge between us. For your information, Mr.

Ortiz has long since recovered. He’s currently resting, and once he’s fully recuperated, you guys will be the first ones he wipes out!” Concerned that the loyalty of some of the individuals might waver, Dario revealed the news of the former sect leader’s recovery.

When Winston heard the news, his brow instantly furrowed. However, he soon responded with a cold chuckle, "There's no need to deceive us. Mr. Ortiz was controlled by a demonic soul. Unless the demonic soul is eradicated, it's impossible for him to recover." "How did you come to know that Mr. Ortiz was under the control of a demonic soul, Winston? Could it be that you were the one who got Mr. Ortiz demon□possessed?" Dario narrowed his eyes slightly as he gave Winston a cold look.

They had always suspected that Harlan was the one who had sabotaged Gael!

However, there had never been any evidence. Now, Winston's statement might have caught them red-handed!

After all, no one knew the real reason why Gael suddenly went mad!

Since Winston was aware of the situation, it certainly meant they were the ones behind it!

Upon hearing that, Winston became somewhat flustered. Shaking his head, he replied, "Don't make false accusations. I was merely speculating. If you're looking for a fight, I'm ready to oblige." With that said, a terrifying aura suddenly radiated from Winston's body!

Unrelenting, Dario unleashed all of his aura as well.

"Make your move!" All of a sudden, Juliet snapped. Her eyes were fixed on the Divine Flame Mountain not far away from where they were.

She knew that for every second wasted, Harlan would be one step closer to entering the Divine Flame Mountain. If Harlan managed to get his hands on the Divine Flame Seal, it would be too late to stop him.

Dario instantly engaged in a confrontation with Winston.

The two individuals sprung up, soaring straight into the sky. Each time they made a move, the void trembled, their actions resonating like thunder!

The entire sky lost its original hue amidst their battle!

While Dario and Winston fought, their respective groups were instantly embroiled in a chaotic battle!

However, Jared and Juliet remained still.

The two of them shared a common goal: to pass through this place and head toward the Divine Flame Mountain!

“Everyone, we must defend using our arcane array! We absolutely cannot allow them to distant Mt. Garrido’s journey to the Divine Flame.

Mountain!” Winston roared amidst his fight with Dario.

Upon hearing the news, everyone from Harlan’s faction collectively stepped back, Thenya white light began to flicker, indicating that the arcane array had been activated!

This arcane array was originally intended to protect the formation plate.

Unfortunately, it was currently being used to block Jared and his group!

After the arcane array was activated, the members of Gael’s faction suddenly found themselves overwhelmed!

After all, none of them knew how to break the arcane array. If they tried to force their way through, it would take time. By then, Harlan might have already obtained the Divine Flame Seal!

“Move aside, everyone!” Asking everyone to step back, Juliet whipped out the formation plate!

It was Rohan who had set the arcane array. Since Rohan had passed her the formation plate, Juliet was certain that the formation plate could break the arcane array.

Soon, the runes on the formation plate began to glow. Before they knew it, a fleeting gap slowly appeared in the arcane array before them!

A Man Like None Other Chapter 4007-Upon seeing an opening in the arcane array, Judd led everyone to rush forward.

Just as they rushed forward, a flash of white light streaked past, followed swiftly by a terrifying force that sent everyone flying backwards!

“Hahaha, this arcane array has been fortified by the elders of the Duad Formation Sect. How could it possibly be broken so easily?” An elder from Harlan’s faction burst out laughing.

Harlan had taken the necessary precautions early on. He knew that Rohan was likely to favor Gael. Hence, he asked Carlo to fortify the arcane array once the latter arrived.

Upon seeing the situation, Juliet furrowed her brows instantly. The formation plate in her hand could only break through the arcane array set by Rohan.

There was no way for her to break through the arcane array set by others.

After all, she did not practice array craft. All the while, she had been relying on the formation plate given to her by Rohan.

“What should we do now?” Juliet slumped, at her wit’s end.

“Allow me, Juliet!” Just then, Jared stepped forward.

“You?” Juliet was taken aback. “You know array craft?” When Juliet took Jared to meet Gael, Jared feigned ignorance throughout the visit, following behind her obediently.

It was no wonder that Juliet was shocked when Jared offered assistance. Jared simply flashed her a smile. Without uttering a word, he stepped forward and gently placed his hand on the arcane array.

Almost instantaneously, the once impregnable arcane array crumbled, shattering like an eggshell before completely disappearing!

Upon witnessing how effortlessly Jared dismantled the arcane array, Juliet was utterly dumbfounded!

Everyone else was left astounded too. No one had expected that Jared would be well-versed in array craft, much less highly skilled in it.

“You should know, Juliet. Jared’s array craft might be on par with Rohan’s, if not better,” Judd explained as he inched closer to Juliet.

At that moment, Juliet finally realized that not only was Jared incredibly skilled, but his mastery over array craft was also truly astounding!

All of a sudden, Juliet’s heart began to flutter.

“What are you waiting for? Kill them!” Jared glanced at Juliet before promptly raising his arm and calling out!

In an instant, the clamor of battle echoed through the heavens as spiritual energies clashed and exploded incessantly!

For a moment, it was as if the apocalypse had descended upon the world, causing the entire void to quiver uncontrollably!

While the fierce battle between Gael’s and Harlan’s factions was ongoing, Harlan, Berthold, and the others arrived at the foot of the Divine Flame Mountain.

However, at the foot of the Divine Flame Mountain, a river of magma about three hundred meters wide was blocking their path!

As Harlan gazed at the river of magma before him, he frowned.

“What’s going on? How come a river has suddenly appeared?” Harlan had visited the Divine Flame Mountain before, but he had never seen this river of magma. Its sudden appearance left him utterly perplexed!

“Dad, could it be that the river was formed due to the magma that erupted from beneath the Divine Flame Mountain? We just needed one leap to cross this river. There is nothing to fear.” Berthold reasoned.

Just as Berthold was about to make his move, he was abruptly stopped by Harlan.

“Don’t be reckless,” Harlan warned.

Catching the eye of a disciple from the Violet Flame Sect Standing nearby, Harlan gestured to the disciple. “You go first.”

“Yes, sir!” Despite his fears, the disciple obeyed.

The disciple from the Violet Flame Sect leaped fearlessly, but as he, suddenly ignited in flames.

Accompanied by a chilling scream, he plummeted into the river below!

Upon witnessing this scene, Berthold’s face immediately turned grim!

Harlan furrowed his brows, deep in thought. He hadn’t anticipated that the awakening of the Divine Flame Mountain would unexpectedly give rise to a river blocking their path!

Just as Harlan found himself at a loss, he suddenly sensed dozens of auras were rapidly converging toward them!

“Darn it, did these guys get here so quickly?” Harlan had initially thought that it was Dario and his group who had arrived, intending to prevent them from entering the Divine Flame Mountain!

A Man Like None Other Chapter 4008-Just as Harlan was about to make his move, he was shocked to see dozens of people wearing ghost masks approaching them.

The aura emanating from these individuals was remarkably powerful, particularly the one leading the group. He exuded an overwhelming aura that was nothing short of impressive!

“The Ghost Mask Sect? What are you doing here?” Upon seeing the newcomer, Harlan tensed.

The Ghost Mask Sect was also a big sect in the central region, dedicated to cultivating the internal flame. The only difference was that the Ghost Mask Sect was a Demonic Cultivator!

For as long as anyone could remember, there had been an ongoing conflict between the Violet Flame Sect and the Ghost Mask Sect. Both parties were vying for the exclusive rights to the Divine Flame Mountain!

After all, this place was known to house an item dropped by the Fire Spirit Lord.

Moreover, guarding the Divine Flame Mountain allowed one to harness the mountain's flames to enhance their strength!

However, with the Ghost Mask Sect being a Demonic Cultivator, it was constantly being suppressed by all the major sects. Therefore, they could not triumph over the Violet Flame Sect!

In the end, the Ghost Mask Sect had no choice but to fade into obscurity, hiding away.

The sudden appearance of so many members of the Ghost Mask Sect near the Divine Flame Mountain had undoubtedly set Harlan on edge!

"Mr. Garrido, there's no need to be anxious. We're already family," The member leading the Ghost Mask Sect announced calmly.

"What nonsense are you spouting? Who said we're family?" Harlan let out a cold huff!

"Ha ha ha! Are we not family? You might want to ask your son about that." The member of the Ghost Mask Sect burst out laughing.

Harlan glanced toward Berthold, who had already walked straight up to the member of the Ghost Mask Sect and bowed respectfully. "Greetings, Mr. Talbot.

Your disciple is at your service." At that moment, everyone gaped at Berthold in astonishment.

Even Harlan himself was dumbstruck.

Even though he knew his son had cultivated the demonic technique and harnessed the demonic fire, it had not crossed his mind that Berthold had joined the Ghost Mask Sect, becoming one of its members.

"Berthold, do you even know what you're doing?" Furious, Harlan glared at Berthold, demanding an explanation!

“Of course, I do, Father,” Berthold replied. “When Mr. Ortiz expelled me from the Violet Flame Sect all those years ago, I would have died if the Ghost Mask Sect had not taken me in. Now, I harness three types of internal flames, and my strength has reached Top Level Tribulator. What’s not to like?” Berthold then added, “Furthermore, the demonic soul that you used was also provided by the Ghost Mask Sect. Where else could I find a demonic soul for you to drive Mr. Ortiz mad?” Upon hearing this, Harlan’s expression became incredibly complex. Fortunately, the crowd consisted of disciples from his faction, so, no one would say a word.

If Dario and his team had been present and found out that Harlan had harmed Gael using a demonic soul, they would have undoubtedly fought tooth and nail!

Upon hearing all of this, Cario, who was standing nearby, was taken aback.

However, he pretended as if he hadn’t heard a thing.

After all, this was an internal matter of the Violet Flame Sect. He had no authority over it, nor did he wish to interfere. All he wanted was to reap benefits from the Violet Flame Sect.

Just then, Maurice Talbot, the leading member of the Ghost Mask Sect spoke up. “Mr. Garrido, I came to inform you of something. Your former leader has now broken free from the control of the demonic soul. The demonic soul we provided has perished.” “What? Impossible. Did he somehow vanquish the demonic soul himself?” Harlan was somewhat incredulous!

Just a few days ago, he had witnessed Gael acting completely!

mad with his lown two eyes. It didn’t seem like Gael was pretending at all.

“It wasn’t him who vanquished it himself, but rather, the demonja soul was elimingted with some assistance fröm outside,” Maurice explained, shaking his head.

“How’s that possible? Who could possibly penetrate through layers and layers of arcane arrays?” Harlan’s frown deepened. He could not wrap his mind around it.

Suddenly, something clicked in Harlan’s mind.

During the sudden activation of the arcane array, he recalleg thatone of Dario’s rewrecuits was at the scene!

Harlan also remembered that the new recruit had defeated Thiago right off the bat. He narrowed his eyes slightly.

A Man Like None Other Chapter 4009-He began to harbor doubts, suspecting that Jared was not actually a disciple recruited by Dario. Instead, he seemed like an expert

brought in from the outside, who then broke through the arcane array and helped Gael eliminate the demonic soul!

The reason why Jared appeared to only have the strength of a Fourth Level Tribulator was undoubtedly to conceal his true power, to prevent others from discovering it!

“D*mn it, I’ve been fooled. Turns out they’ve been conspiring to heal Gael all along.” Harlan gritted his teeth, feeling as though he’d been duped!

“Anyone capable of breaching numerous arcane arrays and eliminating the demonic soul is no ordinary person. I suspect that even when Divine Flame Mountain is activated this time, you may not necessarily secure Divine Flame Seal.” “The other side clearly brought in an expert, and with Mr. Ortiz coming out of retirement, do you still think you have a chance at the sect leader position?” Maurice asked Harlan!

Harlan fell silent. He was well aware that once Gael emerged, his chances would be non-existent, especially considering that the other party had been planning this for a long time!

After a moment of contemplation, Harlan turned to Maurice and asked, “So, what do you propose?” “Of course, I wanted to collaborate with you, Mr. Garrido.” “We assist you in removing obstacles, enabling you to obtain Divine Flame Seal and rightfully claim your position as the sect leader.” “Of course, Mr. Garrido should also allocate a portion of the resources from Divine Flame Mountain, allowing us, Ghost Mask Sect, to reside within Violet Flame Sect!” Maurice voiced out Ghost Mask Sect terms!

“Let me think...” Harlan’s brows slightly furrowed!

If he agreed, it would be like putting a fox in the chicken coop. Given enough time, the entire Purple Flame Sect might end up becoming Ghost Mask Sect!

By then, even Divine Flame Mountain had become a resource area for Ghost Mask Sect!

“I can afford to give you time to think over this, Mr. Garrido. However, I’m afraid those from Mr. Gael’s faction won’t give you the same luxury.” “I believe those people you left behind can’t hold out for long.” Maurice warned!

Harlan was well aware that his decision to leave some behind to stall Dario was merely a tactic to buy time!

There was nothing to fear once he entered Divine Flame Mountain and obtained Divine Flame Seal!

Hence, he didn’t leave behind many capable individuals!

After all, most of them were taken to Divine Flame Mountain, and the primary goal was to find Divine Flame Seal!

But now, Harlan's mind was already in chaos with the sudden appearance of a river of lava blocking his path, and the news of Gael's recovery!

"Alright, I agree to your request!" In the end, Harlan gritted his teeth and agreed!

"Haha, it's a smart move, Mr. Garrido. Even your son is now part of Ghost Mask Sect. In time, we'll be just like family, sharing and exchanging ideas." Maurice burst out laughing!

"Don't forget your promise to help me secure Divine Flame Seal, thus becoming the rightful sect leader of this sect." "I need to cross this river of lava and deal with those standing in the way of Gael's faction." Harlan exclaimed!

"This is nothing to worry about. I'm here, so I'm certainly capable of helping you..." After Maurice finished speaking, he reached up, removed his ghost mask, and casually tossed it aside!

The ghost mask abruptly enlarged in mid-air, akin to an airship suspended in the sky!

At the same time, Maurice's face, marred with scars, was revealed!

"You can proceed now, cross over that river of lava. As for Gael's faction, I'll handle them." Maurice exclaimed!

Upon seeing the situation, Harlan merely nodded, leading his men to leap onto the ghost mask!

Maurice was seen releasing a stream of dark mist. The mist carrying the ghost mask moved towards the opposite bank of the lava river!

Maurice watched Harlan and the others depart, and once they reached the other side, a smile started to form on his lips!

How can Ghost Mask Sect possibly submit to another sect? This is just the first step!

Sooner or later, we are destined to replace Violet Flame Sect, and completely take over Divine Flame Mountain!

At that point, Dario and his group had defeated all of those from Harlan's faction who had stayed back. Even Winston was no match for Dario, and was defeated!

Given that they were both disciples of Violet Flame Sect, they refrained from delivering fatal blows. Although some were injured, none faced life-threatening danger!

A Man Like None Other Chapter 4010-Winston's mouth was smeared with fresh blood, yet his face was filled with excitement. "Even if you catch up now, it's pointless," he said. "Mr. Garrido and his party should have already entered Divine Flame Mountain. They might even have obtained Divine Flame Seal by now." "Accept your fate," he advised. "If you choose to follow Mr. Garrido now, I might still be able to put in a good word for you." "Pah, even if Harlan managed to get Divine Flame Seal, there's no way he could claim ownership." Dario spat forcefully, then turned to Juliet and said, "Ms. Juliet, we should hurry and catch up..."

"Alright!" Juliet nodded in agreement.

A group of people hurried towards Divine Flame Mountain. However, just as they were about to reach the foot of the mountain, they were suddenly met with dozens of auras!

"Could it be that Harlan and the others have already obtained Divine Flame Seal and returned?" Juliet's face turned cold as she spoke!

"Could it really happen so quickly?" Dario also slightly furrowed his eyebrows.

He couldn't believe that Harlan had managed to acquire Divine Flame Seal so quickly. It seemed a bit far-fetched!

But at this moment, who would be coming from the direction of Divine Flame Mountain?

"It wasn't Harlan and his party who arrived, but a bunch of Demonic Cultivators." Jared spoke with a stern expression!

"Demonic Cultivators?" Dario and Juliet simultaneously exclaimed!

"Jared, how could there be Demonic Cultivators here?" asked Judd.

"I really wouldn't know, you should be the ones to answer that. However, I can confirm that these people are indeed Demonic Cultivators as I can sense their aura." Jared said!

"Demonic Cultivators? How could they come here?" Juliet was utterly baffled!

"Could it be someone from Ghost Mask Sect? They've been spying on Divine Flame Mountain for a long time now." "This time, the mountain suddenly became active, so there's a chance that Ghost Mask Sect might swoop in to seize control of it!" Dario spoke with a hint of nervousness!

No sooner had Dario's words fallen, than dozens of figures had already landed before them!

Everyone wore a mask, indeed they were from Ghost Mask Sect!

"Ghost Mask Sect? It really was you..." Dario instinctively clenched his fists upon seeing the newcomers!

For all these years, Violet Flame Sect had been engaged in a constant struggle, both overt and covert, with Ghost Mask Sect!

"Dario, you seem to be in quite a hurry to get to Mount Divine Flame. Could it be that there's some internal conflict within Violet Flame Sect?" Maurice let out a cold laugh!

Dario couldn't help but feel nauseated every time he saw the grotesque face of Maurice from Ghost Mask Sect.

"This is a matter concerning Violet Flame Sect, it has nothing to do with you. If you value your lives, take your people and leave immediately." Dario spoke to Maurice with a cold indifference.

"How can you say it doesn't matter? After all, I was invited by Violet Flame Sect, and it was your Mr. Garrido who personally extended the invitation. So how can you claim it's irrelevant?" Maurice chuckled!

As soon as these words were spoken, Dario and the rest of Violet Flame Sect were all taken aback. Immediately after, their eyes blazed with anger, seething with indignation!

"This Harlan is absolutely audacious, daring to openly collude with Ghost Mask Sect. Someone like him is not fit to be the sect leader. In fact, he is not even fit to be an acting sect leader!"

Dario wore an expression of disbelief.

"I really didn't expect this. Harlan has betrayed Violet Flame Sect and 11)

conspired with you Demonic Cultivators. This has gone beyond a mere dispute for the position of sect leader. We must eliminate the traitor Harlan."

"Ha, ha, ha, you guys are quite the boastful bunch," he mocked. "Once I've dealt with you, Harlan, will have no choice but to let Ghost Mask Sect take refuge in Violet Flame Sect, and even use the resources of Divine Flame Mountain."

Judd roared in fury!

“By that time, it was uncertain who would own Divine Flame Mountain. Heck, even Violet Flame Sect might not even exist anymore!” Maurice laughed heartily!

“D*mn that Harlan. How dare he agree to such a demand?” Upon hearing this, Juliet’s face turned beet red in anger!

“It seems you two have been in touch for a while now. Berthold carries your aura, so he probably has been taken in by Ghost Mask Sect after being expelled from his sect.”
