## **A Man Like None Other Chapter 4011 - 4012**

A Man Like None Other Chapter 4011-“The demonic soul within Mr. Ortiz that was provided by Ghost Mask Sect, wasn't it?” Jared casually glanced at Maurice, asking in a nonchalant tone.

Maurice had never really taken Jared seriously. After all, Jared was quite young and his abilities were not particularly impressive. He had dismissed Jared as another ordinary disciple of Violet Flame Sect!

“How did you know? Despite your tender age and only being a Fourth Level Tribulator, you're surprisingly observant.” “Indeed, we did take in Berthold. Our decision to shelter him was laying path for today.”

“Indeed, we were the ones who provided that demonic soul, but it was unexpectedly eradicated by someone. Who would have thought that Violet Flame Sect had such a formidable figure.” Maurice spoke!

“To be honest, it was I who vanquished that demonic soul. Just as I am able to eliminate your demonic soul, I can do the same to all of you.” Chen spoke in a calm and unemotional manner.

“Is it you?” Maurice looked at Jared in disbelief.

“You're merely a Fourth Level Tribulator, so how could you possibly achieve all this?”  
“Indeed, I possess the power of a Fourth Level Tribulator, but my specialty is dealing with Demonic Cultivators. With my strength, I'm more than capable of defeating you all!” Jared said with a laugh!

“Hmph, you sure talk big without shame!” Maurice scoffed coldly!

“Ms. Juliet, Jared, both of you head to Divine Flame Mountain. Stop Harlan from getting Divine Flame Seal. I'll handle the people from Ghost Mask Sect!” Dario was gearing up to lead his men into battle against Ghost Mask Sect, while he had arranged for Jared to accompany Juliet to Divine Flame Mountain.

“None of you are going anywhere!” Maurice ordered!

Dario suddenly leapt up, his body erupting with a radiant energy. Swiftly, he threw a punch, unleashing a fire dragon!

The fire dragon erupted spectacularly in front of Maurice and the others. The fierce flame charged towards the people of Ghost Mask Sect!

Dario took the initiative, striking first to gain the upper hand. His goal was to create an opportunity for Jared and Juliet to make their escape!

“Hmph, such petty skills...” Maurice snorted coldly, and with a swift wave of his hand, a gigantic palm materialized out of thin air. Then, it surged towards the sea of fire like a mountain!

With a single strike, the blazing inferno was instantly smothered, extinguishing the flames in a blink of an eye!

Dario was taken aback. It seemed that Maurice’s abilities surpassed his own.

Upon witnessing the situation, Jared and Juliet realized that they likely wouldn’t be able to escape unless they dealt with these members of Ghost Mask Sect!

Especially when the two of them went to Divine Flame Mountain, they likely didn’t have the power to stop Harlan!

“Let’s join forces,” they said, “First, we take care of these people from Ghost Mask Sect, then we’ll talk!” Juliet let out a loud cry, followed by a surge of people from Violet Flame Sect as they charged forward!

In a blink of an eye, the members of Violet Flame Sect were engaged in a fierce battle with Ghost Mask Sect. Without any hesitation, Jared drew his Demon Flogger!

At this point, Jared was no longer afraid of revealing his identity. The flogger in his hand cracked loudly!

For a moment, those Demonic Cultivators were sent into a chaotic uproar!

After all, Demon Flogger was specifically designed to target Demonic Cultivators, and it even attacked their spiritual sense. This caused quite a headache for the members of Ghost Mask Sect!

Juliet found herself somewhat entranced as she looked at Demon Flogger in Jared’s hand.

It seemed like she remembered Jared having such a weapon in his hand!

Juliet had specifically kept tabs on Jared. After all, he was her idol!

Could he really be Jared Chance? Juliet stared blankly at Jared “What are you looking at? if you don’t act now, it’ll be too late to stop Harlan.”

Jared spoke up when he saw Juliet staring blankly at him!

Upon realizing, Juliet quickly sprang into action!

As Jared wielded his Demon Flogger, wreaking havoc everywhere, a transparent beam of light was shot towards him suddenly!

Only then did Jared notice that a ghost mask charm had unexpectedly appeared in mid-air somehow!

The beam of light traveled at an incredible speed, so fast that there was no time for any reaction before it already reached above Jared's head!

The light was emanating from this ghost mask charm!

Moreover, a man in long sleeves was coldly staring at Jared!

His body was suspended mid-air, his complexion was deathly pale, as if he had the face of a corpse!

A Man Like None Other Chapter 4012-His gaze was chilling, and his expression was a mysterious mix of amusement and indifference. Jared found it somewhat unsettling.

"You are just a Fourth Level Tribulator, yet you possess Demon Flogger, a sacred item. If I'm not mistaken, you must be Jared Chance, the one hunted by the Demon Seal Alliance on hundred-year offering, right?" The man spoke with a chilling tone!

Jared's expression abruptly shifted, he quickly shook his head and said, "I'm your grandfather, and I have no idea who that Jared is!" Jared simply couldn't admit it. If he did, he would have a lot of trouble on his hands!

The words of the man caused the battling Dario, Juliet, and Judd, among others, to pause in surprise!

They had heard of Jared's fame, and how the Demon Seal Alliance had served hundred-year offering to hunt him relentlessly. This was no secret and common knowledge throughout the entire Ethereal Realm!

Jared was right there before their eyes, so how could they not be astonished!

However, Jared simply did not admit it, which left them somewhat uncertain!

"Ha, ha, ha, whether you are or not, I'm taking your head to Demon Seal Alliance to try my luck." After the man finished speaking, he headed straight for Jared!

"Jared..." Upon seeing the situation, Juliet was concerned about Jared. She wanted to

help him, but she was entangled by the people from Ghost Mask Sect, making it impossible for her to break free!

Quickly, a series of black mists began to envelop around Jared, shrouding him completely!

Seeing this scene, everyone else was worried for Jared!

However, they were all struggling to protect themselves at that time, and none of them were in a position to lend a hand to Jared!

Jared didn't panic at all when he was surrounded by the dark mist. He wasn't afraid of the man standing before him. His concern was for the others!

If the battle continued in this manner, Dario and his team would certainly end up at a disadvantage. There was even a real risk of them being completely wiped out!

This was certainly not what Jared wanted to see!

"Judd, Juliet," he said, "I'll hold these people off for you. You need to make your way to Divine Flame Mountain as quickly as you can. Whatever you do, don't look back, and don't worry about me." "I have a way to escape, and they couldn't do anything to me..." Jared conveyed a message to Juliet and the others, urging them to escape as soon as possible!

Continuing this fight with the people from Ghost Mask Sect wouldn't benefit them in the slightest!

However, Juliet and the others were extremely curious. They couldn't understand how Jared, a Fourth Level Tribulator, managed to hold back dozens of members from Ghost Mask Sect.

After all Maurice from Ghost Mask Sect was an expert of Ultimate Realm!

While everyone was clueless about how Jared could help them fend off these members of Ghost Mask Sect, a figure burst out from the black mist suddenly!

Upon seeing this, the man from Ghost Mask Sect swiftly sent a palm strike, thinking it was Jared who had burst out!

The moment his palm struck the other man, the male member of Ghost Mask Sect immediately regretted his actions!

Because when he struck, it felt as though he was hitting a wall of solid metal, causing such an impact that his entire arm went numb!

It turned out that this figure was actually a puppet upon closer inspection!

Caught off guard, the puppet lashed out a punch!

A colossal fist of fire struck the man from Ghost Mask Sect, sending him flying straight out!

With a swift wave of his hand, Jared made the black mist vanish instantly!

Everyone halted simultaneously, staring in disbelief at Jared's puppet!

It was such an impressive puppet, and its power was simply too formidable!

They were utterly oblivious to the fact that the driving core within this m puppet was none other than fire soul essence of Fire Spirit Lord!

This fire soul essence was likely even more impressive than Divine Flame Seal of Divine Flame Mountain!

This essence was used on the puppet, so how could the puppet not be impressive!

Jared was directing his puppet to attack Maurice. Then, with a vigorous swing of Demon flogger in his hand, flames ignited around it, burning brightly!

“Get going quickly...” Jared exclaimed loudly!

After a brief moment of surprise, Dario immediately sprang into action and headed straight for Divine Flame Mountain!

They were well aware that if they were entangled by Ghost Mask Sect, they would not be able to prevent Harlan from obtaining Divine Flame.

Seal!
