Ji Yuanzun said two words lightly. .

"Yes!"

The secret agent of the Dragon Protection Pavilion stepped forward and shot the man in black with his bow from left to right.

"I ask, you answer, if you dare to hide it, you will die."

Ji Yuanzun said condescendingly: "Are you from the Prince of West Lucozia?"

"Bah!"

The man in black, whose face was swollen, went directly to Ji Yuanzun. He spat a mouthful of blood on his body and shouted: "Kill me if you dare. If you want to ask something from my mouth, it's just a dream!" "Okay,

I'll help you."

Ji Yuanzun was too lazy to talk nonsense, and palmed with one hand, He directly beat the head of the man in black into mud.

His decisive killing methods made even Dustin Kate shrink his pupils.

"It's your turn, do you want to say it or not?"

Ji Yuanzun looked at another man in black.

"I don't know anything. I'm just a herb gatherer on the mountain. I happened to pass by and I was caught by you." Another man in black replied.

"You've reached this point and you still want to lie?"

Ji Yuanzun said expressionlessly: "I can give you a happy answer if you tell me honestly what I asked. Otherwise, don't blame me for using inhuman means." "

Master Jun, I really don't know anything, you have arrested the wrong person." The man in black cried sadly.

"If you don't drink a toast, you'll have to drink a fine wine."

Ji Yuanzun snorted coldly: "Come here, take this person down, torture him severely, and make sure to extract all the information." "

Yes!"

The secret agent of Hulong Pavilion responded, just as he was about to arrest him. When pushed down.

The man in black suddenly began to twitch all over and foam at the mouth. In less than five seconds, he fell to the ground and bled to death.

"Suicide by taking poison?"

Ji Yuanzun raised his eyebrows, not too surprised, and said calmly: "Throw the body out and feed it to the wolves."

The secret agent of the Dragon Protection Pavilion nodded and immediately ordered his subordinates to drag the body away and clean it up at the same time. There was blood on the scene.

"General Dustin, these two spies seem to have been brought by you. How do you explain it?"

Ji Yuanzun's eyes suddenly glanced at Dustin Kate, his face uncertain.
