

# An Understated Dominance By Marina Vittori

## Chapter 1887

"I have to admit that you do have something."

Ji Yuanzun held a gun in one hand and said majestically: "There are not many people in this world who can take over my desert lonely smoke. I didn't expect you to become one." One of them, given time, you might actually be able to defeat me."

He used at least 50% of his strength in the Desert Guy Yan move just now.

Dustin faced off head-on, but only slightly lost, which is enough to prove his strength.

It may not be impossible to give the other party another five to ten years to surpass yourself.

But unfortunately, it is still far behind now.

"I thought that as the fifth person on the Amazing List, you should be very powerful, but now it seems that you are nothing more than that."

Dustin said lightly, with a disappointed expression.

"What did you say?"

Ji Yuanzun's eyes turned cold.

Where does this guy have the courage to look down on him?

"What? Didn't you hear clearly? Then let me say it again."

Dustin raised his voice and said loudly: "Your strength is rubbish. It is much weaker than I expected!" "

Boy! You are looking for death!”

Listen At these words, Ji Yuanzun was instantly furious.

With a flick of his spear, the gang energy all over his body suddenly erupted. Following a tip of his toe, his whole body turned into a red light and shadow and rushed straight towards Dustin.

What is his identity? When have you ever been so despised?

If you dare to look down on him, you will have to pay the price of death!

”Sunset over the long river!”

When he reached half the distance, Ji Yuanzun suddenly waved his spear.

Eighteen spear rays burst out in an instant, spinning crazily around him.

Finally, eighteen rays of gun light converged into a huge rainbow light and crashed into Dustin.

Wherever the rainbow light passed, the air began to twist, and a deep mark was left on the ground.

Dustin looked down on him, but he didn’t dare to be too confident in his heart.

Facing this powerful blow, he immediately mobilized all his true energy, gathered it into the Sky Sword, and used his killing move.

”Broken Army!”

Dustin shouted, and his sword merged into one, turning into a black light, and hit him head on.

This sword has no aura that shakes the world, nor does it have a soul-stirring chill. There is only one thing, and that is speed.

Extremely fast!

In the blink of an eye, the black light transformed by Dustin and the rainbow light transformed by Ji Yuanzun suddenly collided.

”Boom!”

There was a loud noise, the ground shook, and the wind and clouds changed colors.

When the two rays of light collided, a terrifying wave of energy swept wildly around like a tsunami.

Wherever he passed, there was destruction and decay, and not even a blade of grass could grow.

Even Dustin Kate and others who were watching the battle from a distance were forced to take several steps back, confused by the storm.

After the violent impact, Dustin's figure flew tens of meters away. When he landed, his feet "kick, kick, kick" and retreated continuously. He took a dozen steps back before he could barely stabilize his figure.

Looking carefully, Dustin's tiger's mouth had cracked, and the hand holding the sword was shaking slightly uncontrollably.

He suffered a hidden loss from this blow.

"Boy! Let's see how many moves you can block!"

Ji Yuanzun was still vigorous. While speaking, his movements did not stop at all, and he launched another attack to kill Dustin.

"Fight!"

Dustin gritted his teeth, suddenly took out a silver needle and inserted it into the back of his head.

"Buzz~!"

The silver needle trembled, and the acupuncture points were stimulated crazily.

Dustin's eyes instantly turned red, veins popped out all over his body, and his muscles bulged.

Waves of surging energy spurt out from all parts of the body in a steady stream.

This is the secret method of the Rhys Family, which can stimulate potential and greatly improve strength in a short period of time.

But the sequelae are equally serious.

With Dustin's current cultivation level, he can only last for a cup of tea at most.

If the battle cannot be resolved within the limited time, then there is only a dead end.

"Kill!"

Dustin's eyes were red, he roared, raised his sword and stabbed forward again.

Soon, the two started a fierce duel.

After Dustin's strength doubled, he was no longer weaker than Ji Yuanzun. Even in a head-on confrontation, he was not weak at all.

For a while, the two sides fought back and forth, with neither one being convinced by the other.

Every collision, every fight, will erupt a large amount of energy waves, destroying the surrounding environment.

Dustin became more and more courageous as he fought, swinging the Sky Sword faster and faster, and his own energy were completely improved to the extreme.

However, no matter how hard he attacked, Ji Yuanzun was always steady and unhurried.

Under the current situation, it is obviously not enough to defeat or even kill Ji Yuanzun within the time of a cup of tea.

"The Rhys Family's secret technique is really powerful. It's amazing that it can actually improve your strength to this point." "

But how long can you last? Five minutes? Ten minutes? Or twenty minutes?" "

As long as Once the time for the secret technique is over, you will be like a piece of meat on the chopping board, ready to be slaughtered by me."

Ji Yuanzun still had the energy to sarcastically say during the battle.

Of course, the main reason why he did this was to attack his heart.

With Dustin's current strength, it would not be easy for him to win. Even if he could, he would still have to pay a heavy price.

Therefore, he needed Dustin to take the initiative to reveal his flaws.

"Then I will kill you within the duration of the secret technique!"

Dustin's momentum increased again, and he swung the Sky Sword in his hand faster and faster, and the attack became more and more fierce.

The true energy in the whole body gushes out like a tide, completely breaking the boat and giving it a try.

"The gap between you and me cannot be bridged by the Rhys Family's secret method. Even if your strength increases greatly, you still can't do anything to me."

Ji Yuanzun held the gentian red flame spear, sometimes parrying and blocking, sometimes violently attacking, the two sides fought. It's overwhelming.

"Albert! What are you doing standing still? Take action quickly!"

Dustin suddenly roared and waved the Sky Sword in his hand wildly, restraining Ji Yuanzun to the greatest extent.

"Buzz~!"

As soon as Dustin finished speaking, a huge golden palm shadow suddenly pressed down on Ji Yuanzun's head in the sky.

This palm shadow is like a mountain, extremely heavy, and carries a pressure that destroys the world.

As soon as the palm print appeared, it was firmly locked on Ji Yuanzun.

No matter how hard the opponent dodges, they can't get out of the way.

"Huh?"

Feeling the pressure coming from above his head, Ji Yuanzun frowned, his face serious, but not panicked.

He was seen holding a gun in one hand to deal with Dustin's attack. The other hand suddenly lifted up and slapped the golden palm shadow in the sky.

He wanted to use his own strength to resist the attacks of the two ultimate Grandmasters head-on.
