### Chapter 1892

"It's almost here! It's almost there!"

Ji Yuanzun used the burning essence and blood as a guide to escape, vomiting blood along the way without stopping at all.

Finally, after some sprinting, Ji Yuanzun quickly saw the tall wall in front of the base.

As long as he crosses the wall, he will be safe.

There are so many miraculous medicines in the base, and there is always one that can cure the poison in the body.

There is hope, he is still alive!

"Open the city gate! Open the city gate quickly!"

When he rushed to the underground of the city wall, Ji Yuanzun had reached his limit, staggering and unable to stand firmly.

Especially that face, which was black and purple, and black blood was still leaking out from the mouth and nose.

"Boohoo!"

As soon as Ji Yuanzun finished speaking, several siege crossbows as thick as an arm suddenly shot out from the city wall.

Each siege crossbow contains a hundred thousand kilograms of power and is extremely powerful.

Ji Yuanzun's eyelids twitched and he quickly dodged.

"Bang, bang, bang!"

Several siege crossbows finally hit Ji Yuanzun half a meter in front of him. The huge power caused half of the crossbow to sink deep into the ground, leaving only the back half outside, trembling slightly. There were roars.

"Hey! Are you crazy? I am the master of the Dragon Protection Pavilion! Open your dog eyes and see clearly!" Ji Yuanzun roared towards the city wall.

The soldiers on the city wall did not react at all. Instead, they raised their weapons and pointed them at Ji Yuanzun.

All kinds of heavy firepower were also activated one after another.

Countless cannons and guns were aimed at Ji Yuanzun under the city wall at the same time.

Just wait for an order to kill him to pieces.

"You blind guys! Don't you even know me? Open the city gate quickly! Otherwise I won't be able to spare you!" Ji Yuanzun roared repeatedly.

He thought he had been saved, but he never expected that he would be blocked at the door of his house.

What the hell are these guys doing?

"Ji Yuanzun, your death is about to begin, so I'll capture you immediately. I can still give you a good time!"

At this time, a cold and stern voice came from behind.

Dustin and three others had followed and blocked Ji Yuanzun's retreat.

"Quick! Fire quickly! Kill them!"

Ji Yuanzun came back to his senses, pointed at Dustin and the three of them and roared.

On top of the city wall, a group of soldiers looked indifferent and did not react at all, as if they had not heard anything.

"Are you all deaf? I'll let you fire!" Ji Yuanzun roared hysterically.

Because he was too excited, he spat out another mouthful of black blood, and his spirit became even more depressed.

"The God-Destroying Poison is really powerful. Even a character like Ji Yuanzun can't withstand it. It's really incredible!"

Looking at Ji Yuanzun who was on the verge of collapse, Dustin Kate couldn't help but feel shocked.

As the fifth strongest person in the world-shattering list, there is no doubt about his strength.

Even if the three of them join forces, they can't win head-on.

But now, after being poisoned by the God-Destroying Poison, Ji Yuanzun's vitality is rapidly passing away, and now he is completely exhausted.

"No need to shout anymore, the soldiers on the city wall are not from your Dragon Guard Pavilion at all." Dustin said coldly.
