

An Understated Dominance By Marina Vittori

Chapter 1905 -

"It doesn't matter. Today is a family banquet. Those who can appear here are all our own people. You don't have to be restrained to say what you want." Rufus Rhys smiled.

"Since the prince asked, I won't refuse."

Adam Spanner stood up slowly and clasped his fists around: "My words only represent my personal opinions. If I offend you in any way, please don't take offense."

"You're welcome, God of War. You are the pillar of the country, and your vision and knowledge must be extraordinary."

"Yes, God of War, who do you support? Tell us."

Everyone was talking, looking very curious.

Needless to say, Adam Spanner's importance was as the military god of the Dragonmarsh Kingdom and the future heir of the royal Spanner Family.

His influence is so huge that he is among the best in the whole field.

"Okay, then I'll tell you the truth."

Adam Spanner cleared his throat and said solemnly: "If we consider comprehensive abilities and put talents first, I think Dustin is more suitable to be the King of West Lucozia.

Indeed, Dustin has many shortcomings. First, he has been away from West Lucozia for too long and does not understand the situation in West Lucozia. Second, he has no foundation and it is difficult to convince the public. However, everyone must understand

that when the prince started from scratch, wasn't he like this? He was criticized by all parties. The forces are not optimistic about it, but what is the final result? With his outstanding personal ability, the prince opened up the territory for West Lucozia and became powerful in all directions, and then he achieved his current status and glory.

Dustin doesn't say anything else, but in terms of personal ability, no weaker than the prince back then, let alone in West Lucozia, even if you look at the entire Dragonmarsh Kingdom, you can't pick anyone else.

I believe that as long as Dustin is given some time, he will be able to be a good Prince of West Lucozia and lead you guys take it to the next level.

This is my opinion. If you have any other opinions, you can speak freely. I'm done. "

After saying that, Adam Spanner sat down with a smile and began to eat and drink by himself again.

But his words caused quite a stir at the scene and also changed some people's views.

Many people have followed Rufus Rhys for many years. Veterans, they all know the history of Rufus Rhys's fortune.

They have to admit that Dustin is the person most like Rufus Rhys. He is gifted, capable of both literary and military skills. After years of hard work outside, he has lost his sharpness and become more mature and restrained.

Putting aside various factors, Dustin is indeed more suitable to be the king than Thorian Rhys.

However, the throne is closely related and affects the interests of many people, so they have to make a careful choice.

"Third brother, do you think Logan and Thorian, which one of them is more suitable? "

After asking Adam Spanner, Rufus Rhys looked at Dustin Kate who was aside.

"Brother, I am just a criminal, how can I comment on the heir to the throne?"
"Dustin Kate shook his head repeatedly.

Although he had redeemed himself, his previous actions still made many people dissatisfied.

Even when he was having a meal, many people stared at him eagerly, wishing to cut him into pieces.

It's obviously not a smart choice to be in the limelight at this time.

"We are all a family. Let's chat casually without any burden." Rufus Rhys said with a smile.

Dustin Kate hesitated for a moment, and finally said: "Spiritually, I support Thorian, but if I were really asked to choose, I would probably choose Logan."
