An Understated Dominance by Marina Chapter 1919

Chapter 1919:

"That's too much!"

After being ridiculed by Dustin, the ponytail girl became even more angry.

She could no longer care about the difference in strength between the two sides, and suddenly mobilized her inner energy to thrust forward with even greater strength.

However, no matter how hard she tried, the sword in her hand was still unable to move forward.

Dustin's fingers were like iron pliers, tightly clamping the sword's edge.

"You don't overestimate your capabilities!"

Dustin snorted coldly and exerted force on his fingers.

With a "clang" sound, the ponytail girl's long sword broke directly, and a powerful counter-shock force flew her two or three meters away, and then she fell to the ground. Her face was distorted in pain and her eyesight was dazzled.

"Big brother! He bullied me!"

Seeing that she couldn't beat him, the girl with the ponytail decisively began to ask for help from those around her.

"How brave! How dare you attack my little junior sister? I think you are tired of living!"

The

hook-nosed man was furious and suddenly drew his sword, intending to teach Dustin a lesson.

"Stop!"

At this time, a loud shout sounded at the door.

Immediately afterwards, a man wearing red clothes and carrying a sword walked in with a group of people.

The man has thick eyebrows, big eyes, a burly physique, and a strong aura. He attracts everyone's attention as soon as he appears.

Even the previously arrogant and domineering man with a hooked nose frowned when he saw the other party.

"Ye Xin, your Feixue Sect is so powerful. You are bullying others here in broad daylight. Do you really think you can cover the sky with just one hand?" the man in red shouted sternly.

"Shi Hao! This person provokes our Feixue sect, I warn you not to meddle in other people's business!" Ye Xin, a man with an aquiline nose, said with a stern face.

"Hmph! I can clearly see what happened just now. It's clearly you who bullied others. I, Shi Hao, can't stand you arrogant and domineering people the most!" Shi Hao, a man in red, shouted.

"So what if we were bullied? It's not your Golden Blade Sect's turn to take care of our Feixue Sect's affairs!" Ye Xin said angrily.

"What if I have to take care of it?" Shi Hao narrowed his eyes.

"If you really dare to meddle in other people's business, then don't blame me for being rude!"

Ye Xin slowly raised his sword and pointed it at Shi Hao from a distance, his face gloomy.

Seeing this scene, the Feixue Sect disciples drew their swords one after another to support their senior brother.

"Hmph! Should I take action? Who is afraid of whom?!"

Shi Hao was not afraid at all, and he suddenly pulled out the knife from behind and pointed it at Ye Xin.

The disciples of the Golden Sword Sect behind him all drew their swords and faced each other.

The two sides confront each other, and a war is about to break out.

"Damn it! You can't even eat in peace. If you want to fight, go out and fight. If you dare to fight here, be careful I will kill you!" At

this time, a cold voice suddenly sounded throughout the audience.

Everyone followed the sound and saw a man wearing a cloak and a straw hat sitting in the corner.

"Who are you? How dare you meddle in the affairs of our two major sects? Will you risk your life?!"

Ye Xin turned around with his long sword and shouted angrily.

The Golden Blade Sect, like the Feixue Sect, is one of the three major sects in the southwest.

It was okay for Shi Hao to challenge him, after all, the two sides were equally powerful.

What else pops up in front of me? How dare you scold yourself? It's simply courting death!

"Arrogant!" The straw hat man slammed the table.

A chopstick in front of him immediately bounced up and floated in the air.

Following the straw hat man's wave, the chopsticks shot out like bullets, carrying a powerful force and shooting toward Ye Xin.

Its speed is so fast that ordinary people cannot react at all.

Ye Xin's pupils shrank and he subconsciously raised his sword to block.

"Qiang!"

The chopsticks hit the sword hard, causing the sword to bend into a bow. The huge impact made Ye Xin take more than ten steps back and almost fell to the ground.

For a moment, the hand holding the sword began to tremble uncontrollably.

"Senior Brother!"

Seeing this, the Feixue Sect disciples couldn't help but change their expressions.

No one expected that a mere chopstick could force their senior brother back.

How strong is the opponent?

At this moment, not only the disciples of the Feixue Sect were suppressed, but everyone in the Golden Blade Sect was also secretly frightened.

Although Ye Xin's character is not very good, his strength is good. He is almost on par with their senior brother Shi Hao.

It was really unexpected for such a master to be defeated in one fell swoop.

"Big brother! Are you okay?"

The girl with the ponytail ran forward with a worried look on her face.

"I'm fine."

Ye Xin took a deep breath, suppressed the surging blood in his body, and stared directly at the man in the straw hat: "May I ask who you are? Why are you trying to get in trouble with my Feixue sect?" "

I My last name is Qiao and my first name is Yi. I am nicknamed Desert Dragon!" Qiao Yi, the man in the straw hat, spoke loudly.

"What? Desert Dragon Qiao Yi?!"

Upon hearing this, everyone present changed their expressions.

The southwest region has a harsh environment, mostly consisting of desert wastelands. Although the number of people is small, the people's customs are strong.

Therefore, three sects and five powerful men were born.

The three sects are Feixue Sect, Golden Blade Sect, and Youlong Sect.

Among them, the Youlong Sect is the strongest, while the Feixue Sect and the Golden Sword Sect are even weaker.

As for the five powerful ones, they are second only to the three sects.

Their strength is almost the same as that of the sect leaders of the three sects. Although they rarely show up, no one dares to provoke them easily.

And Qiao Yi, the desert dragon, is one of the five powerful men!

So after knowing Qiao Yi's name, both Ye Xin and Shi Hao changed their expressions.

They knew very well that with Qiao Yi's strength, the total number of people present would probably not be his opponent.

"It turns out to be Senior Qiao. I have offended you a lot, please forgive me."

Ye Xin immediately curbed his arrogance, became humble and powerful, and took the initiative to apologize.

After all, the man in front of him was as powerful as his master, so he would not dare to offend him unless absolutely necessary.

"Okay! Don't follow me like this. I want to eat now and I hate being disturbed the most. If you want to eat, just eat. If you don't eat, get out. If you dare to make noise again, don't blame me for being rude!" Qiao Yi didn't show any concern at all! give face.

"I'm really sorry for disturbing the senior's meal. We'll leave now."

Ye Xin dared to be angry but did not dare to say anything. He bowed and decisively turned around and went out with the others.

But before leaving, he glared at Dustin fiercely, as if he wanted to settle the score with his wife.
