An Understated Dominance by Marina Chapter 1940

"Roar!"

Alexis Walters roared, some unknown black mucus overflowed from his mouth, coupled with the ferocious face and a mouth full of fangs, he looked like a demon.

After looking at each other with Alexis Walters, Hulk couldn't help but trembled with fear and his legs became weak.

"Hey! Who is that! Where are you going? Help me quickly!"

Seeing Dustin turn around and leave, Hulk panicked and shouted immediately.

Alexis Walters's crazy energy just now has completely made him lose the courage to fight. Now even just looking at it makes him feel frightened.

"Aren't you awesome? Don't you think I have bad intentions? Then I won't mind my own business, and you can fend for yourself." Dustin said coldly.

It's true that a dog bites, and he doesn't recognize a good heart.

He shouldn't pay attention to a guy like this who repays kindness with hatred. Whether he dies or not has nothing to do with him.

"Stop! Stop! I order you to drive away that lunatic in front of me immediately!" Hulk roared angrily.

However, Dustin seemed not to hear it and walked forward on his own.

"Hey! Do you know who I am? I am the fatal spear Hulk, and my master is one of the five strongest men in the southwest, the spear king Doctor Strange! If you dare to die today without saving your life, my master will never let you go!" Hulk tried to threaten with words.

Looking at the entire Southwest, there are few people who dare not give his master face.

"What? spear King Doctor Strange? That's one of the top three powerful beings in the entire southwest!"

"I didn't expect Hulk's master to be Doctor Strange. No wonder Hulk has been so popular in recent years that no one dares to mess with him." "

Listen. It is said that Doctor Strange has a violent personality and is extremely defensive. If his disciple dies here, will he be angry at us?"

The people watching the battle from a distance were all talking.

The reputation of the spear king Doctor Strange is even higher than that of Sharon Dragon Billy Ruso.

Looking at the entire southwest, it is the one that dominates.

If Hulk is really Doctor Strange's apprentice, then things will not be simple.

With Doctor Strange's character, he would definitely rather kill the wrong person than let him go.

"Brother Dustin..."

At this time, Kevin Snow suddenly stepped forward and reminded with a serious face: "The spear king Doctor Strange is so powerful that even Senior Ruso is afraid of him. Once Hulk dies unexpectedly, I am afraid there will be trouble."

"I didn't kill him, so what does it have to do with me?" Dustin said calmly.

"That's what I said, but Doctor Strange is unreasonable and very protective of his shortcomings. If he knows that you will not save him, he will definitely not let you go." Kevin Snow said.

Although he couldn't stand Hulk's face, he had to consider his background.

Not to mention a lonely man like Dustin, even the Golden Blade Sect would not easily offend the spear king Doctor Strange.

"How's it going? You know you're scared, right?"

Seeing Dustin stop, Hulk immediately sneered triumphantly: "If you're scared, just get over here and protect my safety. If I have any shortcomings, all of you present, They all have to be buried with me!"

As soon as these words came out, the whole place was in an uproar.

No one expected that Hulk would be so domineering, using his own safety to threaten everyone's lives.

The problem is, the other party's words are not without purpose.

With the strength of the spear king Doctor Strange, he is definitely capable of doing this.

"spear King Doctor Strange? Is he very powerful?" Dustin had no expression on his face.

"Nonsense! Looking at the entire Southwest, my master can at least be ranked among the top three. Do you think he is awesome?" Hulk shouted with a glare.

"Since your master is so powerful, let him save you."

Dustin crossed his arms and stepped aside, looking like he was watching a show.

"You——!"

Hulk's face froze, and he shouted in a deep voice: "Boy! Do you really want to challenge me? If you anger my master, your life will be worse than death!"

"Oh, so what?" Dustin's expression remained as usual, showing no fear at all.
