An Understated Dominance by Marina Chapter 1972

Chapter 1972

“Presumptuous! Who do you think you are? How dare you say such arrogant words here!”

Seeing his fiancée being threatened, Kevin Snow couldn't help but become furious.

He originally intended to keep things quiet and not cause trouble.

I didn't expect the people of the Fantasy Sea Alliance to be so arrogant and domineering. They didn't even pay attention to the Golden Sword Sect and blatantly took things by force. It was really too much.

“You...”

The member of the Illusion Sea Alliance was about to speak, but was stopped by the middle-aged man who raised his hand and said, “Several of you, treasures are only external possessions. Compared with your own life, it's not worth mentioning at all. You don't understand this truth, right?”

“So what if you understand?” Kevin Snow narrowed his eyes slightly.

“Now that you understand, you should hand over the treasure.”

The middle-aged man said calmly: “As the saying goes, if you lose money, you will avoid disaster. After we get the treasure, we will leave immediately and will never embarrass you. How about it?”

“You're dreaming! Zhang Qingqing glared and shouted: “Even if I die, I will never give my treasure to you despicable people!”

As soon as these words came out, the middle-aged man's face instantly became gloomy.

Behind him, a group of members of the Illusion Sea Alliance showed their fierce looks and were sharpening their knives.

“Elder Huang! Why are you talking so much nonsense to them? Just kill them all!”

“You’re right! We have a large number of people, so are we afraid of these little minions?”

“We can’t do things like killing people and stealing goods. This is not the first time, there is nothing to worry about!”

The members of the Illusion Sea Alliance were all talking and shouting.

In their eyes, both Kevin Snow and Zhang Qingqing are lambs to be slaughtered.

If they are honest and obedient and hand over the treasure, they can still be lenient.

But if you don’t listen, you will only die.

“Elder Huang, if you are afraid of the power of the Golden Sword Sect, I don’t think you need to.”

A member of the Illusion Sea Alliance whispered: “Although the Golden Sword Sect is powerful, there are only a few people at the moment, so there is nothing to be afraid of. As long as we get rid of the roots and do it cleanly, who will doubt us?”

Hearing this, the middle-aged man couldn’t help but raise his brows, obviously being persuaded.

The reason why he didn’t rush to take action was because he was worried about the majesty of the Golden Sword Sect.

But then he thought about it; this place was deserted and uninhabited. No matter what they did, no one would know.

Therefore, as long as the murderer is killed and silenced, there will be no worries.

Thinking of this, the middle-aged man puffed up his chest and his eyes became particularly sharp: "I will give you one last chance to hand over the treasure immediately so that I can spare your lives. Otherwise, you will be responsible for the consequences!"

"You want to steal our love. My dear, it depends on whether you have this ability!" Zhang Qingqing was not afraid at all.

With his swords outstretched, he looked like he was coming with a horse.

These two knives are called Yuanyang Swords. One is long and the other is short. They are the unique weapons of Yuanyang Sect.

The long-edged Yuan Dao and the short-edged Yuan Dao are dazzling and radiating with cold light.

"Hmph! Those things that don't know whether to live or die!"

The middle-aged man's face darkened, and he shouted sternly: "Kill them! Don't let anyone go!"

"Yes!"

After receiving the order, dozens of members of the Illusion Sea Alliance immediately surrounded and killed them.

In this inaccessible place, they kill and buy goods without any burden. "Qingqing ! Let me do it!"

Seeing the members of the Fantasy Sea Alliance taking action, Kevin Snow took the lead and went to kill them without fear of death.

Let alone his fiancée in danger, even if an unrelated warrior was bullied, he would not stand idly by.

"Kill!"

The disciples of the Golden Knife Sect followed closely, outnumbered and outnumbered, not afraid at all.

“Senior Sister! Let’s go up to support!”

Several Yuanyang Sect disciples were about to take action, but Zhang Qingqing raised their hands to stop them: “Wait a minute! We just spent a lot of money and were injured separately. We don’t need to hold back at this time. It’s better to go first. Let’s talk after we leave here.”

“Huh? Leave?”

After hearing this, several Yuanyang Sect disciples were stunned.

The allies of the Golden Blade Sect are fighting bravely for them. If they leave at this time, wouldn’t they be crossing the river and burning the bridge?

“Senior Sister, Senior Brother Kevin Snow stood up for us, so it’s inappropriate for us to just walk away like this, right?” A female disciple from the Yuanyang Sect frowned slightly.

“What’s inappropriate? Our combat power is greatly reduced now. If we rush forward, we will only die in vain. We might as well take this opportunity to retreat in time to preserve our strength and look for opportunities for revenge in the future.” Zhang Qingqing looked matter-of-fact.

“Senior sister, the Golden Blade Sect has good relations with our Yuanyang Sect. Now that Senior Brother Kevin Snow and the others are in danger, how can we ignore them?” The female disciple couldn’t bear it.

If Kevin Snow hadn’t come to the rescue just now, they would have been surrounded and killed by the Illusion Sea Alliance.

Now Kevin Snow stands in front and takes all the pressure for them.

If they watch the fire from the other side and do nothing to save them, what is the difference between them and those despicable people?

“Senior Brother Kevin Snow is a man of great benevolence and righteousness. I keep this in mind. However, the overall situation must be put first. In our current situation,

going to help will not be of any use. Instead, it will involve yourself. The best choice is to escape!" Zhang Qingqin! She said with a serious face: "As the saying goes, if you keep the green hills, you won't have to worry about running out of firewood. When we get through this and bring the treasure back to the master, I will definitely avenge senior brother Kevin Snow!" "Revenge?"

After saying this, several Yuanyang Sect disciples looked strange.

Everyone is dead, what's the use of revenge?

"Senior Sister, Senior Brother Kevin Snow, he is your fiancé!" The female disciple of the Yuanyang Sect frowned.

"So what?"

Zhang Qingqing's face turned cold and she said in a deep voice: "I said, everything is based on the overall situation. Now retreat immediately. If anyone dares to disobey, don't blame me for turning your back on others!" After saying this,

Zhang Qingqing turned and ran away. , without any hesitation.

Several Yuanyang Sect disciples glanced at Kevin Snow who was fighting so hard, gritted their teeth and left cruelly.

"Qingqing! You go quickly! I'll block it for you..."

While Kevin Snow was fighting, he was also worried about the safety of Zhang Qingqing and others.

However, when he turned around, he found that there was no one behind him...
