

An Understated Dominance by Marina Vittori Chapter 2026

Chapter 2026

If someone is willing to be a thug, he will naturally be happy and relaxed. However, the strength that Dustin just showed is not that of an entry-level master, but at the level of an intermediate-level master.

“Brother Yan, just don’t worry. Although this kid has something, I am not a vegetarian. Looking at the entire southwest, you are the only one who can definitely beat me. The others are not enough.” Kong Pei said confidently.

Yan Kang was the strongest man in the southwest. He failed three times and felt ashamed.

As for the rest of them, he ignored them at all.

Even though Chase Lu is talented and powerful, he is still too young after all.

And he has been polished for more than ten years, and his master level is as stable as Mount Tai, which cannot be shaken by a child with a yellow mouth.

“Okay! Since Brother Kong is so interested, let me let you play with this kid.” Yan Kang nodded and said no more.

In his opinion, Kong Pei’s chance of winning is at least 80%.

“No problem! Watch my performance!”

Kong Pei grinned and fixed his eyes on Dustin: “Boy, do you know that even if they are both masters, there is a big gap between them. It depends on your age. Not big. The ability to reach the current state should be the result of the accumulation of drugs, right?”

For people like you, whose state is unstable and lacks foundation, they are just an embroidered pillow.

Bullying some low-level warriors is not a problem, but facing When you are truly strong, you will show your true colors!”

“Oh? Really?” Dustin curled his lips, feeling a little funny.

This guy really has no vision at all.

The slap he just slapped had already begun to show its edge, but the other party didn’t notice it, and he was still talking about it. I really don’t know where the courage came from.

“Boy, don’t say that I am bullying the small. I will let you do three moves first. After three moves, I will defeat you.”

Kong Pei stood with his hands behind his back, confident and proud.

“Did you hear that? I’ll give you three moves first. This is the magnanimity of the leader of our Feixue Sect!” Thomas Grey shouted proudly.

The leader is so confident that he must be sure of victory. At this time, it is natural to cheer and shout.

“Are you sure you want me to do three moves?” Dustin smiled half-heartedly.

He had heard words like this more than once.

“Stop talking nonsense! Come on, let me see how much you weigh!” Kong Pei stretched out one hand and raised his fingers provocatively.

“Okay, then I’ll let you open your eyes.”

Dustin was not polite. He stepped lightly and his whole body turned into an afterimage and came up to him.

Before he got close, he struck out with a palm from the air.

There was only a harsh roar, and a crystal clear, white jade-like palm shadow instantly shot out and hit Kong Pei’s chest.

The shadow of this white jade palm is not big, but its speed is extremely fast, like a bullet, and ordinary people cannot react at all.

“Hmph! What a trick!”

Facing the white jade palm shadow shot by Dustin , Kong Pei stood on the spot, not dodging or avoiding, and didn't take it seriously at all.

It was not until the last moment that he circulated his master's energy and condensed it into a protective shield in front of him.

“Boom!!”

There was a loud noise.

Dustin 's white jade palm shadow hit Kong Pei's body-protecting aura firmly.

In an instant, the Gangqi shield exploded into pieces like glass, and Kong Pei's whole body was blown away twenty or thirty meters away. Finally, with a “dong” sound, he hit the wall heavily.

A crater was directly blasted out of the hard wall.

Half of Kong Pei's body fell into the pit, blood spurted from his mouth and nose, and he was dying.

Became a neighbor with Tian Geng, who was dying before.

The two of them, one on the left and one on the right, were hung on the wall like two paintings, both funny and tragic.
