An Understated Dominance by Marina Vittori Chapter 2046

“What?!”

Seeing Reid Gang being slashed away by a sword, the expressions of the other masters changed drastically and they were stunned.

Reid Gang is the head of the Golden Knife Sect, one of the five ultimate Grandmasters in the Southwest, and is extremely powerful.

It’s incredible that such a being can’t even block a sword beam.

How strong is this kid in front of me? !

“Wow~!”

After hitting the ground, Reid Gang’s body trembled, and he spurted out a mouthful of blood. His face was like gold paper, and he couldn’t stand up for a while.

“How... how is it possible? You... haven’t you been hit by Knockout Blow Powder?!”

Reid Gang raised his hand tremblingly and pointed at Dustin, his face full of disbelief.

He had seen clearly before that Dustin was indeed intoxicated by the smoke made from Knockout Blow Powder. By this time, the effect of the medicine should have been fully exerted.

Normally speaking, Dustin was at the end of his strength at this moment and couldn’t make any big waves at all.

However, the sword the opponent had just slashed was not only not weak at all, but also had the power to destroy the world.

It’s absolutely terrifying!

what happened?

Why was Dustin still able to exert such powerful strength after being hit by Knockout Blow Powder?

“Who told you that I was hit by Knockout Blow Powder?”

Dustin held the sword in one hand and looked coldly.

Not to mention his profound cultivation, he is not afraid of Knockout Blow Powder, just his invulnerable physique is enough to neutralize the effects of the medicine.

In this world, except for the ten strange poisons, there is no poison that can threaten his safety.

“You...you weren't poisoned?” Reid Gang was shocked.

Looking left and right, his eyes finally settled on Caroline Thorne.

He couldn't understand. Could it be that Caroline Thorne just missed it?
