An Understated Dominance by Marina Vittori Chapter 2051

Moreover, even if the ice needle is clamped, the coldness emanating from it still penetrates deep into the bone marrow.

Dustin's fingers and arms began to freeze at a speed visible to the n*ked eye.

Any frozen location cannot even lift a trace of true energy.

It is not an exaggeration to say that if this thing were injected into the b o d y, it would be frozen into an ice sculpture, and no matter how deep the cultivation level was, it would be of no use.

Although he didn't take Caroline Thorne and the others seriously, the methods the other party used surprised him.

First came the Ten Fragrant Cartilage Powder, followed by the Ice Divine Needle, and various killing moves emerged in endlessly.

If it weren't for the suppression of his realm, he really wouldn't necessarily have gotten a good deal.

Sure enough, you can't underestimate any enemy, maybe one day the boat will capsize in the gutter.

"Wow~!"

Dustin's b o d y shook, and the ice on his arms shattered and fell to the ground.

"How can it be?!"

Caroline Thorne was startled, with a look of horror on her face.

The situation just now was a fatal situation. Normally, no one could react.

Not only was Dustin fine, he even clamped the Ice Divine Needle.

She really couldn't understand how the other party did it?

"You like sneak attacks so much, don't you? Then I'll give it back to you!"

Dustin squinted his eyes and flicked his finger.

Hearing a soft cry, the ice needle on his fingertips shot towards Caroline Thorne at a faster speed.

Unlike Caroline Thorne's silent attack, the ice needle reflected back by Dustin was extremely overbearing and had the sound of wind and thunder.

Wherever it passes, it is destroyed and destroyed, and nothing can stop it.

Caroline Thorne screamed in fright, and quickly took out two short knives and held them in front of her chest.

"boom!"

There was a loud bang.

The Ice Divine Needle easily shot through the two daggers, and then hit Caroline Thorne hard on the chest.

The Ice Divine Needle easily shot through the two daggers, and then hit Caroline Thorne hard on the chest.

Immediately afterwards, Caroline Thorne felt as if she had been hit by a train, and was instantly ejected more than ten meters away. Blood spurted from her mouth and nose, and her face was ashen.

If she hadn't been wearing soft protective armor, the injection just now would have been enough to kill her.

However, even if she did not die, the terrifying power carried by the Ice Divine Needle and the characteristics of Po Gang Qi still caused her to be seriously injured and her meridians were damaged.

That look was a bit more miserable than Reid Gang's.

"You...who the hell are you?!"

Caroline Thorne was half lying on the ground, barely supporting her heavy body with her arms.

In addition to shock, the charming face still showed fear.

Dustin's strength far exceeded her expectations.

The coercion displayed by the opponent and the power to destroy the world have exceeded the limits of a master.

Even Simon Bishop, the top master in the southwest, cannot reach this level, let alone such terrifying oppression.

A terrible thought suddenly came into her mind.

Could it be that this guy in front of me has reached the realm of a great master? !

A grandmaster in his twenties...is he still a human being? !

"It doesn't matter who I am, what's important is that you shouldn't have murderous intentions."

As Dustin spoke, he slowly raised the Sky Sword.

"Don't...don't kill me!"

"Leave a thin line in your behavior so that we can meet again in the future."

"As long as you promise to let me live, I will immediately give up the treasures of Twisted Sisters Sect!"

Caroline Thorne panicked and began to beg for mercy.

"I gave you a chance, but you didn't cherish it. If that's the case, don't blame me for being cruel."

Dustin was unmoved. Just when he was about to strike with his sword, he suddenly remembered the sharp shout.

“Stop! If you dare to mess around, I will kill this woman immediately!”
