An Understated Dominance by Marina Vittori Chapter 2060

He is not a dazed young man who has just entered the world, so naturally he will not be gullible.

“It’s fate that you and I met today, and we are friends if we have fate. Do you need a reason to help your friends achieve success?” Yan Buqi looked heroic.

“Friend?” Dustin only found it a little funny: “You don’t even know who I am, so you dare to make friends with me?”

“Heroes are all brothers regardless of where they come from!”

Yan Buqi blurted it out first, then clasped his hands into his fists, leaned forward and asked, “May I ask this dear friend his name?”

“The surname is Lu, and the name is Chen.” Dustin did not hide it.

“It turns out to be Brother Dustin. Nice to meet you.”

Yan Buqi smiled: “I see that Brother Dustin is a talented person and has a magnificent aura. He must be no ordinary person. I am truly lucky to be able to make friends with Brother Dustin today. Come on, let me toast Brother Dustin first!”

After speaking, without waiting for Dustin’s response, he quickly poured himself a glass of wine and drank it all in one gulp.

“Hey! You...”

When Chunhua was about to say a few words, Dustin raised his hand to stop her.

He didn’t know whether Yan Buqi was really bold or fake.

Anyway, he had nothing to do, so he was lucky enough to play with the other party and see what kind of medicine this kid was selling in his gourd?

“Waiter! Bring me all the good wine and food. I want Brother Dustin and I to stay here until we get drunk today!”

Yan Buqi shouted and ordered a bunch of food and wine to be served.

Looking at the enthusiastic look, those who didn't know thought the two were close friends who had known each other for many years.

“Mr. Lu, this person's origin is unknown, so be careful.”

While Yan Buqi raised his head to drink, Qiu Yun whispered to Dustin to remind him.

“It doesn't matter, I have my own sense of discretion.” Dustin smiled lightly.

There are still three days left before the martial arts competition at Longhu Mountain.

He could use Yan Buqi's familiar personality to inquire about some things.

“Senior brother! Senior brother!”

While Yan Buqi was working hard to eat and drink, five men and women of different shapes dressed in black rushed in in a hurry.

One of them is as tall as a mountain, one is as short and fat as a ball, one is as thin as a bamboo pole, one is as beautiful as a flower, and one is as ugly as a pig.

As soon as these five people appeared, they attracted the attention of the whole restaurant.

Especially some old Jianghu, after seeing the appearance of the five people, their expressions changed drastically. They were so frightened that they did not even dare to eat, and ran away without daring to stay for a long time.

That posture was like seeing the god of plague.
