

An Understated Dominance by Marina Vittori Chapter 2066

An Understated Dominance by Marina Vittori Chapter 2066

Dustin said meaningfully: "I didn't expect Mr. Yan to know so much. In my opinion, you seem to be no worse than Zhang Yiqing."

Yan Buqi actually knew the secret of Longhu Mountain so clearly, which proved that the other party was not simple.

"Brother Dustin is overrated. I just like to join in the fun and inquire about gossip. In fact, I have no real ability."

Yan Buqi smiled modestly: "Of course, if Brother Dustin is interested in participating in the martial arts competition, then I will definitely try my best to help you win the championship!"

"Young Master Yan, you must think too highly of me. I came to participate in the martial arts competition just to see the world. I don't dare to think about winning the championship. Besides, with my meager ability, how can I fight with those talented people?" Dustin said calmly.

"Brother Dustin is no more modest than himself. I've always judged people very accurately."

Yan Buqi said with a half-smile: "Brother Dustin has a dignified appearance and extraordinary demeanor. Even from a long distance away, I can feel the aura of a king. Although I don't know Brother Lu's identity, I can be sure that Brother Dustin is absolutely Not from the pool!"

"I didn't expect Mr. Yan to be so confident in me. I'm really flattered!"

Dustin shook his head and smiled: "It's a pity that I come from an ordinary background and have low abilities. I'm afraid I will disappoint Mr. Yan."

"It doesn't matter, it doesn't matter. Golden scales are just things in the pond. They turn into dragons when encountering storms. Even if Brother Dustin is not well-known now, I

believe that one day he will be able to soar into the sky!” Yan Buqi was full of confidence and looked like me. Believe in your appearance.

Dustin was calm on the surface, but he was very confused in his heart.

What’s going on with this pretty boy?

It’s obviously just the first time we met, so why do we act like we’ve known each other for many years?

Could it be that his identity has been revealed?

It shouldn’t be!

Before coming to Longhu Mountain, he had already disguised himself, and even acquaintances might not recognize him if they saw him.

He really didn’t understand, where did the other party get the confidence?

He really didn’t understand, where did the other party get the confidence?

While they were chatting, a group of muscular men suddenly walked into the restaurant in a hurry.

This group of people were all naked from the waist up, exposing their flesh, and had a huge butcher’s knife on their waists.

It looks ferocious and very difficult to mess with.

“Hey! Where did this little beauty come from to be so handsome?”

“Come! Let me take a closer look!”

After the group of strong men entered the door, their attention was quickly attracted by the naturally beautiful Yan Buqi.

Each one’s eyes were shining and they showed lewd smiles, like hungry wolves seeing fat.

One of the leaders, a bearded man, stretched out his fingers lightly and lifted Yan Buqi's chin.

That delicate and perfect little face almost made the bearded man drool.

"Tsk, tsk, tsk! What a pretty little beauty! In all my years of living, this is the first time I've seen such an alluring face. It's amazing!" The strong man with a beard clicked his tongue in amazement.

The rest of the people were also making fun of them, making them feel itchy.

"..."

Seeing Yan Buqi surrounded by a group of strong men, Dustin couldn't help laughing.

Sure enough, being beautiful is not a good thing, especially if you are a boy.
