An Understated Dominance by Marina Vittori Chapter 2070

Every time he drew his sword, it would leave a bloody wound on the bearded man.

In just a few breaths, the bearded man had been stabbed more than a dozen times and was defenseless.

The strong man with the beard is very powerful, but the woman in green is completely overwhelmed in terms of skills.

His superb swordsmanship is dazzling and frightening.

“Ah~!”

The bearded man screamed.

The tendons of his hands and feet had been severed, and his whole body was paralyzed on the ground, like a puddle of mud.

His body was dripping with blood and scarred. Although it was not fatal, he was already a disabled person.

“Brother!”

Seeing the bearded man falling to the ground, the disciples of the Killing Pig Gang were shocked and angry.

They really didn't expect that the eldest brother, who was always majestic and unstoppable, would be tortured like this.

“Damn it! You dare to hurt our eldest brother? You are really looking for death!”

“Brothers! Fight with this bitch!”

A group of pig-killing gang disciples roared angrily, pulled out their knives one after another, and attacked the woman in green savagely.

“Moths fly to the flame!”

The woman in green snorted coldly, without mercy, she directly raised her sword and charged into the crowd.

In less than a moment, all the disciples of the Pig Killing Gang fell to the ground screaming.

Some people had their hands broken off, some people had their legs broken off, and blood splattered everywhere.

“Senior sister is good at swordsmanship!”

Seeing this scene, the woman in red couldn't help but cheered.

“Hmph! A group of hooligans dare to challenge our Sword Sect. They really don't know how to live or die!” Xu Yang spat on the ground.

“Wha...what? Are you disciples of the Sword Sect?!”

Hearing this, the faces of everyone in the Killing Pig Gang changed drastically, and their eyes were filled with fear.

Jian Zong is one of the three major sects in Jianghu, and is as famous as Tianxiahui and Wu Gu Sect.

Although the number of Sword Sect disciples is very small, all of them are outstanding among the people.

Although the number of Sword Sect disciples is very small, all of them are outstanding among the people.

Especially Hong Juding of the Sword Sect, at such a young age, he not only topped the list of geniuses, but also entered the world-shattering list, becoming the tenth most powerful person in the world.

Among the top ten in the world-shattering list, the Sword Sect occupies two spots. It can be said that it dominates the others and becomes the leader of the three major sects.

They really didn't expect to meet the disciples of the Sword Sect here.

If they had known that this was the case, they would not have dared to be so presumptuous even if they had a hundred courages.

"What? Are you afraid now? Weren't you very crazy just now? Let me see if you become more crazy?"

Xu Yang stepped forward, stepped on the chest of the bearded man, and shouted condescendingly.

"It's wrong, it's wrong, we know it's wrong, we don't dare to do it anymore, please ask a few heroes to let us live!"

The bearded man panicked and quickly begged for mercy with a mournful face.

"Don't let me see you again, get out of here!"

The woman in green said coldly.

"Yes, yes! Let's get out now!"

The bearded man nodded repeatedly, quickly called to his younger brothers, and carried him out.

In a short time, the entire pig-killing gang escaped without a trace.

"Senior sister, they are all scoundrels in the martial arts world, and you let them go so easily?" The woman in red was a little puzzled.

"They are all useless. They won't be able to make any big waves in the future. It doesn't matter if they spare their lives." The woman in green said calmly.

There is no deep hatred, but there is no need to kill them all.

"Thank you, Heroine, for coming to the rescue. I'm really grateful."

Seeing that the matter was settled, Yan Buqi immediately stood up and saluted.

“It’s a small effort, nothing worth mentioning.” The woman in green shook her head slightly.

“Sister, you are so beautiful. You must be careful when you go out in the future.” The woman in red smiled sweetly.

“Girl, are you not injured? I am proficient in medical skills, do you want me to show you?”

Xu Yang stepped forward and showed a gentle smile, looking like a warm man.

Hearing this, Yan Buqi twitched the corner of his mouth and said with a strange expression: “I am a man.”
