

An Understated Dominance by Marina Vittori Chapter 2083

An Understated Dominance by Marina Vittori Chapter 2083

“You... you...”

Liu Hongxue’s face turned red when she was choked by the two sisters Chunhua Qiuyue. When she was about to retaliate, she heard a muffled “dong” sound.

Xu Yang, who had just woken up, fell to the ground again with blood and blood rushing to his heart.

“Brother!”

Liu Hongxue was startled and hurriedly knelt down, feeding the elixir and pinching the person again, all in a hurry.

Dustin glanced at Xu Yang, and with a flick of his finger, a silver needle pierced his body.

The Xuanqing Qi carried on it quickly penetrated Xu Yang’s limbs and bones, clearing his meridians.

After a few seconds, Xu Yang finally opened his eyes again.

Although he was very weak, at least he was okay.

“I didn’t expect Brother Lu to be a miracle doctor, I admire you so much!” Yan Buqi was quite surprised.

It is not difficult to injure people with flying needles, but it is not that simple to accurately insert acupuncture points to save people.

“It’s just a little trick, not worth mentioning.” Dustin said calmly.

“Thank you Mr. Lu for helping me.” Liu Rushuang politely clasped her fists.

When there was a conflict between the two parties, Dustin was able to come to the rescue, which proved that the other party’s character was not bad.

“Sister! Why are you thanking him? They were the ones who made Senior Brother Xu so angry that he vomited blood just now. I didn’t make trouble for them. I was already showing mercy outside the law!” Liu Hongxue looked dissatisfied.

What’s so great about knowing some medical skills? In the final analysis, it’s just some means that can’t be put on the table.

“Hongxue! Don’t be rude!” Liu Rushuang scolded.

It was his sister who provoked her first, and now she was frustrated and was rude, which was indeed a bit too much.

“snort!”

Liu Hongxue glared at Dustin. Although she was unhappy, she did not continue to speak.

At this moment, the people watching were still whispering.

Although most of them want to win glory for the country and kill the little devil, but they are not strong enough and dare to challenge them, they will only ask for trouble.

At that time, not only will he lose face, but the sect and gang will also lose face.

“Does anyone want to come forward and give it a try?”

Dong Qianqiu looked around and spoke again.

This is Longhu Mountain, and there are hundreds of warriors watching. You can pick out a few masters no matter what, right?

Could it be...that he really needed to take action in person?

If this is the case, even winning will be disgraceful.

“I.....”

Liu Rushuang hesitated for a moment, and just when she was about to ask for a fight, a loud voice suddenly rang out: "Let me try!"

Everyone followed the sound and saw a tall and burly young man in white walking over with his head held high.

The man has a heroic face, majestic weapons, and holds a silver gun. He is majestic and exudes a kingly aura.

Wherever it passed, the crowd automatically moved out of the way.

"Mr. Dong! Junior Chen Xingwen is here to ask for a fight!"

Chen Xingwen, a man in white clothes, thrust the gun barrel into the ground, stood firmly, and then saluted Dong Qianqiu with his hands clasped in fists.

"What? He turned out to be Chen Xingwen? The Little Spear Immortal of the Tianxiahui?" There were exclamations from the crowd.

"Wait! Who is Chen Xingwen? Is he very powerful?"

"Of course he's awesome! Among the younger generation in the world, Chen Xingwen's strength ranks among the top three! Especially his marksmanship is at the pinnacle, and he is nicknamed Little Spear Fairy!"

"Chen Xingwen is not only great at marksmanship, but as far as I know, he is now at the half-step master level. His cultivation is extremely advanced and he may break through at any time!"

"Oh my god! You have become a half-step master at such a young age. Given time, you will definitely reach the pinnacle of martial arts!"

"Great! With Chen Xingwen taking action, we will definitely win now!"

"You little devil! Prepare to die!"
