An Understated Dominance by Marina Vittori Chapter 2104

The suit butler exclaimed, and quickly ran forward to help Kusama Yayoi up, and at the same time shouted to Dustin: "You, a despicable dragon countryman, dare to abuse our noble young master, I will make you pay the price!" "

"cost?"

Dustin twitched the corner of his mouth, raised his hand and slapped the suit butler on the face, sending him flying a few meters away, and said coldly: "You dare to threaten me with a dog-like thing? I think you need to be dealt with!"

"Well done! A weakling like this who loves foreign things should be severely punished!"

"That's right! This bastard is worse than a little devil, let's just beat him to death!"

Seeing the butler in a suit being beaten, all the enthusiastic young people in the audience couldn't help but clapped their hands and applauded.

Although the Japs are hateful, most of them are due to historical reasons. But people like the Suit Butler, who were originally from the Dragon Kingdom and ended up being willing to be treated like dogs by the Japs, are the shame of the Dragon Kingdom and are the traitors that everyone hates.

Especially after this beast joined the Golden Crow Kingdom, he faced his former compatriots and treated him like a sick man of East Asia, humiliating him in all kinds of ways.

Damn it!

"You, you...you are so brave!"

The butler in a suit stood up dizzy, pointed at Dustin and angrily said, "We are members of the Kusama family, we are nobles of the Golden Crow Kingdom. If you dare to offend us, you are provoking the entire Kusama family. We will make you pay a heavy price." "cost!"

“What? If you can’t win, you start moving the backstage?”

Dustin sneered: “The Kusama family is nothing. In our Dragon Country, you little devils had better be honest and honest. If you do anything unscrupulous, I will make sure that you never come back!”

“well said!”

Dong Qianqiu took two steps forward and said loudly: “If your Golden Crow Kingdom wants to compete openly and openly, we will be with you at any time, but if you dare to use secret methods, our world will never give up!”

His words were not only a warning to the Golden Crow Kingdom, but also a way to support Dustin.

“You...just wait for me!”

The suit bodyguard gritted his teeth and did not dare to stay for long. After saying a harsh word, he fled with Yayoi Kusama on his back.

“We win! We win!”

Seeing the two little devils escaping, all the warriors cheered.

Two losses in a row almost shattered their dignity. Fortunately, Dustin’s appearance gave them hope and restored the glory of the Dragon Kingdom.

At this moment, no matter Dustin’s identity or status, he is a hero in their hearts.

“Little brother! You fought well! You didn’t embarrass our Dragon Kingdom warriors!”

“I didn’t expect you to have such strength at such a young age. It’s really admirable!”

“Friend, I heard you say that you have no family or sect before. I wonder if you are interested in joining our Qiankun Sect? Our Qiankun Sect has great benefits!”

“ ... ”

As soon as the battle ended, a large number of warriors immediately gathered around and began to ask questions and take the opportunity to win over.

They all saw Dustin's performance just now. If he could beat Yayoi Kusama violently, he must be at the level of a master.

A martial arts master in his twenties is a hot favorite no matter where he is.

Especially this kind of Xianyun Yehe, who is not famous and has no family, is even more valuable to win over.

After all, geniuses of this level are too rare.

Basically, before it even came out, it has already been taken over by various major sects.

Nowadays, a wild one finally appears, so naturally we can't miss the opportunity.

"Sister Hongxue, the victory or defeat has been decided, don't forget our previous agreement."

Looking at Dustin being admired by the stars, Yan Buqi couldn't help but smile.

"Ah this..."

Liu Hongxue's face froze, and her ears quickly turned red.

She had promised Yan Buqi that if Dustin won, she would have to go up and apologize to him.

But she has always been arrogant and has never given in to a man.

It was a bit embarrassing for her to apologize to rhy.
