An Understated Dominance by Marina Vittori Chapter 2124

## Chapter 2124

“Bailey-kun, the friend you are referring to is not just William-kun, right?” Taro Kusama asked tentatively.

“Of course, regarding tonight’s meeting, I will also invite some friends from Tianzhu, Baixiang, and Korea.

They have the same goals as us.”

Bailey did not hide it.

“Tianzhu Kingdom? Baixiang Kingdom? Koryo Kingdom?”

Hearing this, Taro Kusama couldn’t help but narrow his eyes and was secretly frightened.

He did not expect that in such a short period of time, Bailey would have contacted all the surrounding countries and reached an agreement.

Elite masters from five countries sneaked into the Dragon Kingdom at the same time and gathered at Longhu Mountain.

It seemed like there was going to be a big fuss this time!

“Look! Friends from Tianzhu Kingdom have arrived!”

As if sensing something, Bailey turned his head and looked out of the yard.

In the darkness, three figures were seen approaching quickly.

These three people were dressed in black and walking in the wind, their bodies seeming to blend into the night.

Under the illumination of the moonlight, it is looming, as light and mysterious as a ghost.

“Whoosh! Whoosh! Whoosh!”

In just a few breaths, three figures had already jumped to stand in the courtyard.

Seeing this scene, the one-eyed warrior subconsciously wanted to draw his sword, but Taro Kusama raised his hand to stop him.

“Welcome friends from Tianzhu!”

Bailey stood up with a smile and greeted him with open arms.

The three of them lifted the cloaks covering their heads, revealing three Western-style faces.

But compared to Bailey’s blond appearance, the three of them have darker skin and black hair.

More like a mixed race.

“Mr. Bailey, long time no see.”

The three of them put their hands together on their chests and greeted Bailey politely.

“Long time no see, my friends!”

Bailey gave the three of them a hug respectively, and then said with a smile: “Come on, let me introduce you.

This Kusama-kun is the sword master of the Golden Crow Kingdom.

As for this one, he is the Royal Knights of the Empire on which the Sun Never Sets.” of William.”

“Mr. Kusama, Mr. William.” The three of them greeted each other in a polite manner.
