

An Understated Dominance by Marina Vittori Chapter 2176

An Understated Dominance by Marina Vittori Chapter 2176

Chapter 2176

“You will know in a moment whether I can do it or not.”

Dustin smiled faintly and did not continue to pester.

In his eyes, both Niu Mang and Ma Wang are just clowns.

“Okay! I’ll open my eyes wide and watch you make a fool of yourself!” Niu Mang looked resentful.

That look in his eyes made him want to eat someone.

He has never been so embarrassed before, and he must find his place today.

If Dustin couldn’t even lift the ten-thousand-jin cauldron, he would take this opportunity to humiliate him to vent his hatred.

“Junior Brother Niu, please be patient and don’t lose your sense of proportion because of this kind of stuff.”

Ma Wang stepped forward, reached out and patted Niu Mang’s shoulder, and said with an indifferent expression: “You are good at speed and skills. It’s normal to be a little inferior in strength. Don’t take it to heart. Next, watch my performance.”

“Senior Brother Ma, it all depends on you. You must shock that boy and let him see the majesty of our elite Xuanwu Sect disciples!” Niu Mang said menacingly.

“Don’t worry, I’ll make him despair.”

Ma Wang smiled proudly and glanced at Dustin with deep disdain and contempt.

A nameless little character who dares to flirt with his junior sister is really a toad that wants to eat swan meat.

With just a few moves, he can put the opponent to shame.

“Contestant No. 847 failed the 50,000-pound test. Next, contestant No. 848.” The referee announced the result.

“Senior Brother Ma, it’s your turn, please.”

Niu Mang made the lead with one hand and his attitude was respectful.

King Ma straightened his clothes, then walked forward with his hands behind his back and a proud look on his face.

“Heroes, this is our Xuanwu Sect’s eldest brother, the true pride of heaven, let’s see how he makes a name for himself today!”

Niu Mang spoke loudly, creating a wave of momentum for his senior brother Ma Wang.

Sure enough, after he shouted, everyone’s eyes were focused on him.

With a bit of curiosity and a bit of suspicion.

Being so high-profile during the test will only make people laugh if they don’t have strong capabilities.

After waiting for all the attention, the horse king finally took action.

I saw him stretching out his right hand and slamming the 10,000-jin cauldron.

“Boom!”

With a muffled sound, the cauldron suddenly bounced up, jumping more than one meter high.

When it was about to fall, King Ma slapped the bottom of the cauldron again.

“Boom!”

The cauldron roared again.

The falling trend immediately turned into an upward trend, flying directly to a height of more than two meters.

“Fuck! What an amazing power!”

“As expected of the chief disciple of the Xuanwu Sect, he is really powerful!”

“Damn it! With just a tap, the 10,000-pound cauldron flew up. Isn’t it too outrageous?”

Seeing Ma Wang slapping the cauldron with two palms, the whole audience was in an uproar and was filled with surprise.

It is very difficult for them to lift a large cauldron weighing ten thousand kilograms, let alone shoot it flying.

This is the most gorgeous and amazing test method they have seen so far.

The chief disciple of Xuanwu Sect’s Litang certainly deserves his reputation!

When the cauldron flew up, King Ma just stood there quietly, motionless.

The whole person looked calm, graceful and well-mannered.

It attracted many female warriors’ eyes to shine and their hearts to secretly express their gratitude.

I have to admit that Ma Wang’s amazing performance is indeed handsome and impressive.

“Senior Brother Ma! The tripod is about to fall, be careful!”

At this time, Meng Yao suddenly exclaimed.

I saw the big cauldron flying two to three meters high. After spinning in the air, it began to fall rapidly. The landing point was exactly where the horse king was standing.
