An Understated Dominance by Marina Vittori Chapter 2230

Chapter 2230

Xu Yang pouted at the immobilized lion: "Hey, did you see the yellow talisman on that man's back? That's the famous mountain-moving talisman of Longhu Mountain!"

"Mountain-moving talisman? Is it very powerful?" Liu Hongxue said with a look on her face. Confuse.

When she first entered the world, she was really lacking in knowledge.

"Of course it's awesome!"

Xu Yang explained excitedly: "Don't think it's just a thin piece of yellow paper, but it actually contains the universe. Once activated, it will be like a mountain when pressed against a person's body. It's extremely heavy! As long as the magic talisman If it is not destroyed, then this person will not be able to move for the rest of his life!"

"Ah? Is it really so magical?" Liu Hongxue's beautiful eyes widened.

"Of course, I have only heard about it and have never seen it. After all, there are too few people who can use the mountain-moving talisman." Xu Yang said.

"Then should we go over and help?" Liu Hongxue asked.

"If even Mr. Lu can't move it, our past will have no effect. We'd better wait and see what happens." Liu Rushuang shook her head.

They have not yet entered the realm of masters, and are not qualified to participate in a competition of this level.

"Mr. Lu, why don't we let the two of us go and try it first?"

At this time, Chunhua Qiuyue stepped forward and volunteered.

They were worried about fraud, so they tested Dustin 's waters in advance, just in case.

“Okay.”

Dustin nodded and did not refuse.

Anyway, I have three chances, so I'm not in a hurry.

The two girls, Chun Hua Qiu Yue, looked at each other and then walked straight to the lion.

At this moment, the lion was unable to move, and even his eyes became empty.

The whole person lay there, like a corpse.

After confirming that the male lion was not a threat, Chunhua grabbed the male lion's arms, while Qiuyue grabbed the male lion's legs.

“One, two, three! Get up!”

The two said in unison, and then they exerted force at the same time, trying to lift the lion out of the pit.

But soon, they were surprised to find that their burst of power had no effect at all.

Not to mention lifting the lion out of the pit, they couldn't even lift each other's hands and feet.

Although the lion's body is burly, it only weighs more than two hundred kilograms. Normally, with their strength, they can lift it easily.

But now, the lion is motionless, apparently not just because of his weight.

Soon, they fixed their gaze on the yellow talisman behind the lion.

Not surprisingly, it should be a problem with the talisman paper.

“Tear off the talisman!”

Chunhua and Qiuyue looked at each other and without hesitation, reached out to tear off the talisman paper.

However, just when her fingers touched the talisman.

There was a flash of light on the surface of the talisman paper, and a powerful impact directly shook Chunhua back several steps, as if she had been struck by lightning.

“Let me try!”

Qiuyue was not to be outdone and took action.

But the result was still the same. As soon as Qiuyue’s fingers touched the talisman, she retracted as if she was electrocuted. Her whole body was filled with energy and blood, which was difficult to calm down.

“How could this happen?”

Chunhua Qiuyue frowned, secretly frightened.

They didn’t expect that they couldn’t even tear off a talisman.

“It’s useless. Unless you are proficient in the secret method of magic talismans, it is impossible to tear off our little uncle’s mountain-moving talisman.” The round-faced Longhushan disciple shook his head and reminded kindly.

Because if you tear off the talisman forcefully, you will suffer backlash.

The greater the force used, the stronger the backlash will be.

If you are not careful, you may even lose your life.
