An Understated Dominance by Marina Vittori Chapter 2252

# Chapter 2252

Innate warriors, if placed in a large sect, can already be regarded as elites. If placed in a small sect, they are even more focused on cultivating talented disciples.

Therefore, even the games of Group C players deserve special attention.

There is no guarantee that there will be some strange people among them.

In fact, the reason why various sects are so active is, on the one hand, to promote their fame through competitions, and on the other hand, to find potential disciples for the sect.

The martial arts competition held in Longhu Mountain is undoubtedly the best platform.

The world's top talented warriors will gather here to duke it out.

If you are lucky enough to recruit one or two people, it will undoubtedly be a great help to the sect.

"Everyone, are you a little bored just watching the game? Why don't we start a bet?"

At this time, Huang Yinyin suddenly said something coldly.

"Betting? How to bet?" Liu Hongxue quickly became interested.

"It's very simple. Let's bet on winning or losing. I will be the banker and you will be the idler."

Huang Yinyin said enthusiastically: "There are a total of eight stages here, and I will divide them into eight plates. Before the game starts, you can press whatever you want, and you can press whoever you like. If you win, I will pay you double. How about it?"

“It’s interesting, let’s play together?” Liu Hongxue looked at the people around her happily.

“It’s okay to sit down anyway, it’s okay to take a gamble.” Yan Buqi nodded with a smile.

“Count me in!” Xu Yang raised his hand and said with a smile: “I can’t do anything else, but my vision has never been wrong. You just follow me and suppress me!”

“What’s the bet?” Liu Rushuang asked curiously.

“Gold, silver, jewelry, intensive skills, magical weapons, anything valuable can be suppressed. I won’t refuse anyone who comes!” Huang Yinyin said with a smile.

“That’s great!” Liu Hongxue said with a smile: “Sister Yinyin, it seems that you are going to bleed heavily today.”

“As long as you dare to suppress me, I will compensate you. Anyway, our Witch Gu Sect has many treasures.” Huang Yinyin said nonchalantly.

As soon as these words came out, the interest of several people suddenly rose.

The Witch Gu Sect is rich and powerful, second only to Tianxiahui. As a saint of the Witch Gu Sect, Huang Yinyin must have collected many treasures.

For them, this is an opportunity to do something small.

After seeing everyone’s agreement, Huang Yinyin immediately ordered her subordinates to start preparations.

First, eight bowls were found and lined up. On the bottom of each bowl, numbers from 1 to 8 were written. These numbered bowls clearly represented the eight arenas.

Then, find some more slips of paper to spare.

The bettor writes the player’s number on a slip of paper and throws it into the bowl.

Just like that, a gambling plate was officially completed.

“Come on, come on, the game is about to begin. Get ready to place your bets. Buy and leave. Winning or losing depends on luck.”

After preparing everything, Huang Yinyin immediately started shouting.

The eyes of many warriors around him were attracted.

Opening on Longhu Mountain is truly a unique first time.
