

An Understated Dominance

Chapter 2474

“Who are you?” Bill Wolf asked with a grin.

“I’m Eduardo Tessier, chief disciple of the Jaidiyyah sect!”

The man in the bamboo hat replied coldly.

The Jaidiyyah sect was renowned in the martial arts world, with its disciples being elite warriors.

Eduardo, a half-step master, had the strength to rival full masters and was one of the twelve fierce warriors who emerged victorious from thousands in Group B.

“Eduardo, right? Perfect! I’ll eat you first today!”

Bill Wolf wasted no time, transforming into a bloody afterimage that flashed behind Eduardo, fangs bared, aiming for his neck.

“Seeking death!” Eduardo’s eyes turned cold, and his long knife flashed out of its sheath, slashing towards Bill Wolf’s head with a sharp, cold light.

Bill Wolf’s jaw snapped shut, his sharp teeth clamping onto Eduardo’s blade with a “clang.”

“Hmm?”

Eduardo tried to pull the blade free, but it wouldn’t budge.

Bill Wolf’s bite force was astounding.

“Hehehe…”

Bill Wolf laughed piercingly, still biting the blade.

His nails extended into sharp blades, stabbing fiercely at Eduardo’s chest and abdomen.

Eduardo frowned, realizing he couldn’t pull out his knife, and stepped back.

But as he retreated, Bill Wolf suddenly vanished, as if he had never been there.

“Watch out behind you!”

A shout came from the audience.

Eduardo turned instinctively, only to see a bloody mouth closing in on him with no way to evade.

Just when Eduardo thought he was done for, there was a “bang,” and Bill Wolf was flung over ten meters away, crashing heavily off the ring.

His hair was singed, his clothes tattered, and his body twitched as if electrocuted.

He couldn't rise for a while.

“The competition has not started yet. Private fights between players are forbidden. This is a warning. Any further infractions will result in disqualification.”

On the ring stood referee Orion Foster, expressionless.

A flash of lightning flickered between his index and middle fingers.

The events had unfolded so swiftly that most people hadn't grasped what happened.

Only a few saw clearly that just as Bill Wolf's bloody mouth was about to bite Eduardo, Orion Foster's thunder method blasted Bill Wolf away.

The thunder method, also known as the Five Thunders Method, was specifically designed to defeat evil spirits.

As a member of the dark race, Bill Wolf, despite his impressive recovery abilities, couldn't withstand the thunder method's immense power.
