

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 127

Angelia Selosvone

2 weeks later..

I recovered quite fast in this state, I just need a little more rest and I'm ready to work again. My parents hate Alex and still blamed Alex for this when I already explained them the whole story.

They still blamed Alex for that but I kept telling them that I like him. They don't approve a bit. My parents and Kayla were crazy after hearing the news about me being dead because of the car crash. Starting from there they started act protective towards me.

After the crash, Jackson brought me away and I was a little dizzy at that time because of the hard crash but thank God I didn't die. Nate was abusing me, he asked so many things about Alex but I don't know about Alex that much so I can't give him the information that he wants.

It doesn't cause me any trauma or something like that but it's just.. I hate experiencing that again. I don't want to experience something that kind of accident again.

Today Sophia, Janet and Jean were planning to come to my house. In 15 minutes actually, I just ate my dinner and now I'm waiting for them to come.

"How's my princess doing?" I looked up to see my dad sitting on the dining table across me and I just smiled weakly.

"Good."

"You never contact with Alex again right?" He asked and I nodded.

"Look for someone else.. he's-"

"He's a good person dad.. I'm the one who agreed to this so stop saying that.. I know what I have to do about this." I sighed.

"You almost died!" My dad bursted.

"I'm not right? Alex got me on time." I said and mom came into the picture.

"I trust her." She suddenly said and my eyes widen.

"Raline." My dad sighed.

"I met Alex yesterday.. more like he's the one who came to me." I looked at my mom seriously and waited for her to continue her story.

"He apologized for everything, he told me about every detail things and just apologized. He asked about your condition and I just told him that you're fine. He's a good man that why I'm letting her if she wants to meet him again or maybe date him." I smiled and dad groaned.

"No!" My dad stated and my mom just asked me to go away, I nodded. I walked out from the kitchen and at the same time I got a message from Sophia that she's outside.

I walked out and greeted them. I hugged them one by one. They hugged me and we often see each other these days, they comforted me and so was Kayla. I introduced them to Kayla too and I'm glad that they all get along well.

"How are you doing?" Janet asked me.

"Good, how about you guys?"

"Fantastic as always." Sophia answered and Janet agreed to it.

"Good."

"How's your pregnancy going?" I asked Jean and yes she's pregnant.

"I'm good. It's going so well." She squealed and I let them inside. They greeted my parents politely. I lead them to my room and we all sat comfortably. I sat on my lazy chair while Jean and Sophia sat on my bed. Rose sat on the floor.

"I have something for you." Sophia stated.

"Me too."

"This." Sophia took out the gold card and so was Janet. They both looked at each other and laughed. That's so hilarious.

"What is that for?"

"The boys made this to access all of their private rooms." Sophia said and my eyes widen.

"How did you even get that?" I asked the both of them.

"I stole it." Janet said and laughed.

"Me too." They both squealed again and Jean laughed her butt off.

"Do they know?"

"Not yet.. maybe later on they will realize it because Aaron said he wants to go to Sebastian's place."  
Sophia smirked.

"Oh gosh."

"This take it, you can go to Alex with this." Janet said as she gave me Sky's access card.

"They will kill me."

"Chill, take Sky's he doesn't have any plan to go anywhere." Janet smiled.

"When will Aaron go?" I asked and she looked at the clock. Her eyes widen and at the same time her phone rang. Jean laughed again seeing her friend got panic.

"It's Aaron!!!" Sophia said in horror.

"Hello baby." She answered.

"No I don't see your card.. no.. uhmm I didn't take it.. I swear! Aaron.. noo... argh fine! I took it.. Janet?  
No! Wh- hey Sky.." Janet's eyes widen too, Sophia threw her phone to Janet and Janet put it to her ear.

"Hello my handsome husband, what's up? Missing me?" She said awkwardly.

"No.. i'm not.. I never know what gold card is." That got Jean punching my pillow and I held my laughter so hard. Sophia and Janet's face turned pale.

"I swear.. I don't know.. argh!!! I hate you!" She ended the call and gave Sophia's phone back.

"What did he say?"

"Apparently they all know.. so Alex knew it too" Janet whined.

"Go now! Before they block it!" Jean said.

"Yeah yeah! Go now.. they're at the bar." Sophia said.

"There's a big guy at the bar, they won't let me in!" I said and Janet smirked.

"Listen to me very well darling.. When you enter the bar, go to the right as you enter the main door. You see there's a small door that only fit one person at the time. It's a lift to go to the 2nd floor. Swipe this card and boom." That's why Alex can suddenly appeared to me when I first met him.

"Is there a password or something?" I asked and Janet showed the card.

"Look.. it's written Sky Locason on it so it's Sky's and you won't need a password anymore."

"That's why he realized his card was gone because he can't access the lift." I said and they flicked their hands nodding.

"Go!" Jean said.

"Yeah quickly go.. we will go behind you and lure the husband out." Sophia smiled.

"Thankyou." I hugged them all.

"Welcome sis.. because we'll be sisters soon!" Janet squealed and I laughed.

We all walked downstairs and I walked out from the house holding my car keys. I opened the garage and smirked. I got into my new sports car out from my garage ready to go.
