

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 129

Angelia Selosvone

I smiled happily as I saw the crew brought me a really big cake for my birthday. They all sang a happy birthday song for me and I can't help but laughed and sang along too.

"Happybirthdayyyyy to our lovely Angel!" Mark shouted and I chuckled.

"Thankyou." I said to all the crews.

"Make a wish!" Joe, my director said and I quickly closed my eyes. I made the same wish that I've been wishing for the past month. I opened my eyes and blew up the candles.

I cut the cake and shared it to everyone, I felt so happy today adding a year to my age is kind a weird. My parents already called me this morning and don't forget Kayla too. Sophia, Jean, Janet and Rose sent me a lot of messages. The person that I don't even believe congratulating me was Ken and the others except Alex.

It's been a month but I haven't see Alex, I miss him and I'm still waiting for him to come to me.

"Thankyou." I hugged them one by one and thanked them once again. They're so sweet.

They surprised me after the shoot finish so I can get home and rest. Tomorrow, I have an early shoot and I'm quite tired so I need a lot of rest.

"Angel." Suddenly Mark called me.

"Yeah?" I turned to him but at the same time I was looking for my car keys inside my bag.

"Uhhh do you want to have a dinner with me tomorrow night?" He asked.

"You can wish that in your next life buddy." I froze when I heard that voice.

"I- I- Goodnight Angel.. Happy birthday again." Mark said and he ran away. Tears began to fill my eyes and I know he's standing behind me.

"Aren't you going to look at me?" Tears started flowing from my eyes, he's here. Alex is here.. on my birthday.

"Angel." He called and I quickly wiped my tears. I turned my body to him and looked at him.

"Happ- are you crying?" He looked at me with his eyes widen, he was holding a cake. He put that on my car and hugged me. I cried my feelings out.

"I'm sorry.. i'm sorry." He said as he stroked my hair, tears kept coming out from my eyes and it's just won't stop.

"You're here." I mumbled.

"I'm here.. I'm sorry." He said hugging me tightly.

"What took you so long?" I asked while sobbing.

"I'm sorry." I let him go and wiped my tears.

"Sing me a happy birthday song." I said and he smiled, he took the cake again.

"Happy birthday Angel.. Happy birthday Angel.. Happy birthday Happy birthday Happy birthday.. Happy birthday Angel." He sang and I smiled.

"Make your wish before blowing it." He said.

"I wish Alex will come to me and promise me that he won't leave me again." I said my wish out loud and blew the candles in front of him.

"I promise I won't leave Angel again." He said and I froze, I looked up to him disbelief.

"I promise." He repeated and my eyes started to fill with tears again.

"Don't cry please." He put the cake on my car again and hugged me tightly again.

"What took you so long asshole?" I cried again.

"I'm sorry."

"You're going to get killed by Joe tomorrow. You make my eyes puffy." I said and he chuckled.

"I'll take care of that." He kissed the top of my head.

"I love you Angel." That make me froze again and I smiled. I just keep silent and hugged him tightly.

"Where is my birthday present?" I asked pretending not hearing what he said.

"You're hugging it."

"You're right! This is the best birthday present ever!" I squealed and still hugging him.

"Angel." He called and I looked up to him. He wiped my tears and gave me a peck on my lips. We just took a moment to looked at each other.

"I'm going to have a kiss scene tomorrow with Mark." I stated and he sighed.

"Yey kissing scene." He said sarcasticly and I chuckled.

"I love you too Alex." I said suddenly and he looked at me.

"Of course you do." He smirked and crashed his lips to mine. Kissing him again was like a dream but today is a reality. He will never leave me again.

"I miss you to death." He said and I smiled.

"What makes you change your mind devil?" I asked and he looked away.

"So many things.."

"Care to tell me?" I raised my eyebrows.

"A lecture from the Samuel.. a lecture from Locason.. a little push from Ken." He said but he's not looking at me.

"I owe all of them then.." I said and he turned to me really fast.

"Don't own them.. I- I alrea- argh I already take the punishment." He suttered.

"What punishment?"

"Everytime the 7 Gold Life member settle down.. they must do the punishment that they made long time ago." Alex sighed.

"What is your punishment Alex?"

"Buy each member a real gold." My eyes widen.

"Oh crap." I hissed.

"Chill, I'm not bankrupt yet.. I still have billions." He said arrogantly.

"Of course you have." I smiled and kissed him again. I'm so happy now.

"So you decided to settle down with me?" I asked excited.

"I- yo- yeah." He said nervously and I chuckled.

"I love you." I poked his chest.

"I know." He nodded and I glared at him.

"I hate you."

"I know."

"Alex!"

"What?"

"You're so-"

"I love you Angelia." He cut me and I smiled.

"I know." I imitated him and he glared at me.

"I wonder what is your Gold Card looks like." I said cheekly and he sighed.

"It's the same as Sky's and Aaron's, Angel."

"No little Angel anymore?" I asked.

"Yes little Angel?" He smiled and I just love him so much.

"Let's go home!" I looked for my car key and threw it to him.

"Are you serious have a kissing scene tomorrow?" Alex asked and I nodded.

"If you don't believe me, you can ask Joe, my director."

"Shoot" He hissed and that made me laugh.

Finally the Angel got the Devil back!
