Angelia Selosvone

I anxiously wait for it. I kept on looking and looking to the oven to see if my Mac and Cheese turn out nicely or not. Suddenly I heard footsteps coming from the living room. I smiled and walked there.

"Good morning bad boy, how's your sleep?" I asked.

"Can you stop disappearing in the morning?" He bursted annoy and I kissed his cheek.

"I just want to make a breakfast for you."

"I don't care about breakfast, just stay with me until I wake up." He hissed and took a glass of milk from the fridge. Did I tell you that Alex loves to drink milk? He has a tons of milk in his fridge.

"You have work today?"

"Yeah only for awhile, we can go out after that." He said and back hugging me, he kissed the back of my neck.

"I'm meeting with Kayla at 10, maybe I'll go to your office after that." I said as I turned my body to hug him.

"Okay.. you can do that." He said.

"I have a shoot in Miami next week." I said and he sighed, I chuckled.

"I know this is selfish but.. I don't like seeing you be an actress. Kissing and making out with someone else beside me." He groaned and I chuckled.

"Do you love me?" I asked and looked into his eyes.

"Yeah."

"You have to trust me that I love you to death so don't worry about things like that." I smiled and he sighed.

"I don't like it still."

"How about this.. I wanted to open my own clothing line, I've been wanting to do that since 3 years ago. So since I want to make my own clothing brand so I'll stop acting next year." I said and he smiled widely, that made me happy to see him happy.

"Okay okay fine!"

"Oh about your money.. I'll send it back to you tomorrow." I said as I walked to the oven taking out the mac and cheese.

"Don't." I turned to him, raising my eyebrows.

"What? Why?"

"Just use it.. for you clothing thingy and whatever."

"It's your anyway, I'll give it back to you to I can beg you for that money with kisses." I smirked.

"Good idea." He smirked too.

"Come here." I walked to the dining table and sat there.

"Looks delicious though." He said.

"You need to try it babe." I gave him the fork and asked him to eat it from the bowl. He took a bite and blew for awhile because it's hot.

"Gosh.. this is good" He said and something caught my eyes. I smiled and reach his neck.

"You still wear it?"

"Do you think I'll throw it away?" He asked and I smiled.

"Do you know why I choose A only?"

"Alexander?"

"It's for Angel, dummy.. The necklace reached your heart and A is for my name not yours." I rolled my eyes and he laughed.

"Good thing we have a same alphabet at the beginning of our names." He took a bite of the mac and cheese again.

"Angelia North." I choked and Alex patted my back giving me a glass of water.

"Why are you so shock?" He asked.

"Are you serious? Like serious?" I asked as I looked at him.

"If I'm not serious, why do I send golds to my members love?" He said sarcasticly and I chuckled.

"Don't be so cold Mr. North."

"It's just like you don't trust me." He sighed and I quickly crashed my lips to him.

"I trust you love." I smiled and kissed his cheek one more time.

"Why are you so cute?" I pinched his cheek and he glared at me.

"Thankyou little Angel." He said sarcasticly making laugh.

"A*w I wanna take you home and cuddle you all day." I hugged him and he chuckled.

"You already own me." He rolled his eyes and I gave him a quick peck on his lips and walked away.

"Where are you going?" He asked.

"Taking a bath and go shopping with Kayla." I heard he groaned.

"Can you just follow me to the office?" He asked when I walked up to the 2nd floor, I chuckled.

"Sorry baby, I want to see some hot guys at the mall today." I said in a loud tone.

"Don't you dare!" I laughed hearing him saying that in a cold tone. I just love him, he's so adorable.

I quickly took a shower and changed my clothes. Yes.. if you're wondering I've move in. I've move in with Alex for quite sometime now, even first my dad didn't approve. My mom helped me a lot so I'm so grateful for that. I was applying my make up when suddenly Alex entered the room, He has this wide smile on his face.

"What's with that smile?" I asked.

"I can't smile?"

"It's not like that.. but it's a cheeky smile." I narrowed my eyes to him and he rolled his eyes.

"I'm just happy." He shrugged and I chuckled.

"You're weird."

"You're weird." He imitated me.

"Stop imitating me."

"Stop imitating me." He still imitated me trying to do my voice.

"Alex!" I pouted and he laughed.

"Let's have a date today, what do you say?"

"What do you have in mind love?" I asked as I applied my mascara.

"Uhhh go to the cinema?" He asked and kissed the top of my head.

"Okay! It's been a long time since I watch at the cinema."

"When is your movie premiere?" He suddenly asked.

"In 2 weeks babe, aww you remember? Why are you so cute?" I looked up to him and he glared at me. He hates being call cute.

"Of course I remember Angel." He sighed.

"Let's go on a date tonight." I stood up and kissed his cheek. I took my small black bag with me and ready to go.

"Bye babe."

"Wait! What the hell are you wearing?" He pointed at my crop top.

"Honey this is a crop top." He glared at me and I chuckled. I just wear a black crop top shirt that shows my belly button slightly and light blue shorts.

"Can you change Angel? Wear something like long sleeve." He said, this man is unbelievable!

"Goodbye love, I'll see you soon." I gave him a peck on the lips and hugged him briefly.

"I'm watching you.. if you da-"

"I have you.. you're the most handsome guy in the world for me." I winked.

"I love you."

"Love you too." With that I walked out from the room and get ready to shop!
