

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 146

Rose Hastingson

"I don't get it why you like this movie." Max said and I glared at him. 'She's the man' is like the best romance movie for me and they're cute. It reminded me of our high school days.

"Why you don't like it? It's cute and fun and just.." I pointed at the TV and he shook his head while taking a piece of fries.

"Why doesn't the guy know that she's a girl not a guy, a guy's body is big but she's small.. logic." Max said annoy and I smacked his arm.

"It's a movie Max, shut it will you! Or I'll just watch it alone at home." I glared and he smiled kissing my cheek.

"I'm sorry babe but I love action movie more than this."

"Of course you're a guy." I hissed and took some fries put it into my mouth. Suddenly my phone rang and it showed Xavier's name on the screen. I quickly picked up before Max get to take it away from me. I stood up and walked to the window.

"Hey." I answered.

"Hey Rose, what's up?"

"I'm fine."

"So are you in town today?" He asked.

"Yeah why? Are you in New York?" I asked.

"Yeah just landed yesterday, wanna hangout?" He asked cheerly and I smiled.

"Where? I'm so excited!!" Suddenly my phone was taken, my eyes widen as I saw Max look at the called ID and put the phone to his ear.

"Hello Xavier." He said in a cold tone.

"What?! Argh!! Don't you ever see Rose again.. no-oh.. There's no st-" I glared at Max and crossed my arms in front of my chest.

"No.. Are you freaking kidding me?" Max expression turned so bad.

"Give me that!" I took my phone back.

"What did you say to him?"

"I just say that I have a hot girl to introduce to him." That made me annoy.

"Goodbye Xavier." I ended the call, I turned to see Max already giving me a cold glare.

"Didn't I told you he's bad?"

"You said no when he said he will introduce you to a hot girl?" I asked and looked into his blue eyes.

"You heard that.. I said no." He said and smirked.

"What?"

"You're always jealous."

"Yeah not like you." I hissed and he sighed.

"Rose.." He back hugged me and kissed the back of my neck.

"If I don't care why would I take the phone from you?" He trailed kisses to my cheek. I turned my body to him and we both looked at each other eyes.

"I have a party tonight, Violet's birthday today." I stated and he knows Violet. Violet worked at the Hastings hotel for quite long and she's awesome.

"So you won't hold my hand until I sleep?"

"Max what are you 5? You're almost 29." I rolled my eyes and he chuckled.

"Don't look at other guys there."

"Why not? I want to make out with a hot one." I stated joking but he glared at me.

"Don't even think about touching or looking at another guy Rose."

"Geez.. is it a crime if I look at a cute guy?" I asked smirking.

"You should wear a mask to that party so no one can see how beautiful you are.. so no one will hit on you." Max stupid brain said.

"I should be pretty Max.. how can I flirt with guys if I'm not?"

"Oh damn it! You're not going!" He hissed and I laughed.

"I'm going and that's final. Besides I'm kinda bored, I need some fun times."

"Not on my watch babe." He shook his head.

"Oh come on, let me have fun a little bit."

"Last time you went to a party a guy kissed you and he grabbed your ass! This ass is mine." He poked my ass and I glared at him.

"My ass is mine." I gave him a peck on his lips.

"No no no, all of you are mine. Should I label it?" I glared at him.

"That's stupid Max."

"You're not going tonight." He stated and I just nodded. Heck why I won't go? I'll go eventually anyway.

"Okay fine babe." I smiled and he kissed my cheek. He pulled me by my waist to him and he started to crash his lips to mine. He secured me so tight and kissed me like there's no tomorrow.

"Wow." My eyes widen as I saw Kenneth and Sebastian walked in. I pushed Max and turned around.

"Don't be shy Rosey.. it's not our first time to see you both making out." Ken smirked and I rolled my eyes listening to that.

"Hey Rosey.. how are you bud?" I heard Sebastian asked.

"Hello hello" I turned to see Sophia and Janet walked in. I walked to them and hugged them so tight.

"Have you eat? Cause I bought a lot of sushi!" Janet put the plastic bag in front of us.

"Yes!" Sophia squealed.

"Sophia, I swear.. why did you and Janet run?" Aaron walked in breathing heavily so was Sky. I chuckled looking at them. We girls continued to watch the movie and ate the sushi. I felt someone kiss the top of my head and I turned to see Max who is sitting on the sofa behind me.

"I'm sleepy."

"Go sleep." Sophia answered.

"I have a wife who doesn't care." He stated and that got a glare from Sophia.

"Don't be a pussy." Ken commented and that got us laughing. Sophia felt bad so she walked to Aaron and kissed his forehead.

"Wanna go home?"

"LA?" Janet asked.

"No girly.. our house here." Sophia chuckled.

"Yeah let's go home."

"You just got here." I turned to her.

"I promise go back here tomorrow." Sophia winked at me and I smiled.

"Be safe." I said, they bid their goodbyes. I jumped as I heard a phone rings, it's Janet's phone.

"Hello." She answered and suddenly I heard a message come into one of our phones. It's Sky's turn to have a message and his eyes widen. He took Janet's phone.

"What the hell are you calling my wife again!" Oh he's mad.

"I swear I'll kill you if you're trying to call my wife again! Don't even think about hitting on her asshole." Sky ended the call and I blinked looking at them.

"How did you know?" I asked Sky.

"I programmed her phone to mine, if someone calling her I know who they are.. she has a lot of guys hitting on her. Should I make a giant ring to show them that she's taken?" Sky said pissed.

"I can't even look at another hot guy." She whispered to me.

"Of course! Your husband himself already handsome!" Sky said and Janet's eyes widen.

"I have a party tonight, wanna come?" I whispered.

"Nice idea!" She smirked.
