

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 157

Rose Hastingson

Austin put his blazer around me and held my hand all the time, I felt so thankful towards him. I really don't want to deal with Max right now, I'm tired.

"You wanna go home?" Austin asked and I nodded weakly. I bid my goodbyes to my parents and Luke. I bid my goodbyes to Janet and Angel too.

"Let's go." I smiled to Austin and we both walked out, I saw Max was talking to a beautiful red head girl. Oh boy he's going to sleep with that girl tonight, I laughed at myself dryly. He's going to get laid tonight, I know him so well.

He looked at me, more like he caught my eyes and he smiled. I looked away and just walked out from there. I got into Austin's and can't help but feel sad thinking about Max.

"You know.. it's all written all over your face that you're jealous earlier." I turned to him annoy.

"I'm not."

"Look at the mirror Rose." He said and I glared at him.

"Just drive."

"He loves you." Austin squealed in a girly sound and I looked at him coldly.

"Don't even think about doing that again." I hissed and he chuckled.

"He'll get you back."

"And why are you on his side?" I rolled my eyes.

"Who says I'm on his side?"

"Shut it Portwalt." I gestured him to drive and he chuckled. We talked a little bit on the way to my house. Suddenly my head started to think about Max. I cursed under my breath for thinking about him. Why can I move on? Why? Argh! I hate myself so much for keep thinking about him.

As I got home, I said thanks and goodbye to Austin. He smiled and I walked into my house. I walked upstairs and quickly changed my dress to my PJ's, I washed out all of my make up and brushed my teeth. I threw myself to bed to rest.

Suddenly I felt my phone vibrate and I saw Max's name on the screen. I rejected it immediately and suddenly he sent a message to me.

Max :

Are you sick?

Are you okay?

I only read it not bothering to answer him. I felt my eyes so heavy and I hugged my pillow. Slowly drifted to sleep.

I felt a vibrate on my cheek and I quickly opened my eyes. I looked at the caller ID and it's Janet. I picked it up and put it to my ear.

"Rose!" She shouted and that makes my eyes popped out.

"Yeah?"

"Don't tell me that you just wake up." She said.

"I just wake up honey." I said and she chuckled.

"Wanna meet up?" She asked.

"What time is it?"

"It's 11."

"What?" I turned my head to see the clock and yeah she's right. It's 11.02 oh great.. I turned my head back and something caught my eyes. There's a big bouquet of roses and medicine on the table beside my bed.

"Let's meet at the cafe near your house with Angel too." She suggested but my eyes still stuck to the roses and the medicine on the table. I crawled to it and saw a little note

Get well soon love

Take this medicine after eating , rest well

I love you

M.C

"Rose? Rose?" Janet called.

"Yeah okay.. let's meet up there."

"Are you okay? Is there something wrong?" She asked.

"I'll just tell you later."

"Okay."

"Give me 20 minutes, I'll go there."

"Okay." She ended the call and I walked to the table. How is this letter and this thing come here? I re-read the letter a few times. I held the rose and just looked at it.

Oh Max.. can you just stop doing this?

I put it back and just walked to the bathroom to take a shower and everything. Today I'm not in the mood to put full make up on so I decided to draw my eyebrows and lipstick. I wore a black shorts and grey halter crop top and top it with white loose shirt.

I took my phone and my wallet not bothering to put it inside my bag. I walked out from my room and walked downstairs, no one's here. Of course Rose.. you wake up at 11. I put on my shoes and took my car keys.

I walked out and get inside my car.. the cafe is just around 3 minutes away with my car. It's near so I arrived there in not time, I walked into the cafe and looked for my girls. I saw a few people gathered one table and I walked to them and I'm damn right.

People asking to take a picture with Angel, Janet awkwardly sat there and as she saw me walked to them she smiled widely. She stood up and walked to me. She hugged me really tight.

"Hey Rosey" She smiled.

"Hey.."

"Fans." She gestured Angel's fans that slowly walked away after taking photos with her. Angel saw me and she smiled widely, I gestured her to continue for awhile. I sat down.

"So how are you? I've miss you, you know.." Angel said and hugged me briefly.

"I'm good, I miss you guys too."

"Still going out with Kevin?" Janet asked and I nodded.

"So when will you step into the next big step of relationship?" Angel asked and they're looking at me excited.

"I don't think.. I can" Their eyes widen and waiting for me to continue.

"Max still has it.. he still has my heart." I sighed.

"This morning he gave me a rose and medicine. He thought I was sick because I had to go home early yesterday."

"He went to you this morning?"

"No, someone put it on my table beside my bed.. he has been giving me roses and just do things that he doesn't usually do to me."

"You can't just unlove someone easily." Janet said

"You will forgive him?"

"I don't know.. I just- I don't know.. I hate him for hurting me this bad but recently he always say that he loves me and sweet things like that."

"He even sang a song for you yesterday." Janet gave me a teasing smile and I sighed.

"He's so sweet by playing the piano and sing.. I never thought he has a good voice." Angel said.

"His eyes were so glued to you and it's like he means every word that he sings"

"I wish he would stop and just let me go."

"I don't think he will." Angel shook her head.

"I hate him."

"Oh Rose we all know that you don't hate him." Janet smirked.

"He kept breaking my heart."

"Have you talk to him?" Angel asked and I shook my head."

"I don't want too.. I don't want to hear his bullshit."

"Don't runaway Rose, hear him out and then you can decide what you want to do with him in the future. Whether you want to throw him or keep him."

"Did the Angel just say that?" Janet joked.

"I'm not Angel." She said shaking her head.

"For Alex you are." Janet said.

"I don't want too talk again.. he will break my heart all over again when now it's starting to heal a little by little."

"Love is a big words for them right? He said that to you." Janet said and I sighed.

"He just wants me back and then f\*\*\* around again."

"He already fired that girl anyway and he has a guy as his secretary now." I looked at Angel disbelief.

"How do you know?"

"Alex and he stopped sleeping around since that day you left." Angel added.

"It's just his act, I don't believe him."

"I'm sorry Rose.. we really are." Janet suddenly said and I looked at them weirdly.

"I'm sorry.. forgive me will you?"

"What?" I looked at Angel and Janet weirdly.

"I'm sorry.. We love you."

"What are you-"

"Hey Rose." Oh not again. Angel and Janet hugged me briefly and said sorry again and again. They left and now the asshole sat across me, he looked at me intensely.

"How are you?" He asked and I looked into his eyes coldly.

"I'm happy." I said it sarcastically and with a blank expression.

"I miss you."

"Bull\*\*\*\* Max.. same old Bull\*\*\*\*."
