

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 170

Rose Hastingson

I looked at the mirror and put my lipstick on. I checked my appearance once again. Today me and Max are going to have a date, it's been awhile since we have a date because we both are so busy with our work.

Max said he will take me to a fancy dinner so why not wearing a beautiful red off shoulder dress. I really love this dress. I put on my nude stilletos to match with the tone. My phone rang and it's Max.

"I'm here." I ended the call and walked out from my room. I walked downstairs and saw Luke just got home.

"Max's outside." He said when he saw me, he walked to the kitchen.

"Okay! Bye Luke!" I said and he just waved at me without looking. I walked out and saw Max's car. I quickly got inside and kissed his cheek.

"Hey babe." I said.

"Well hello beautiful." He smiled and looked at me intensely.

"Where are we going?" I asked as I put the seatbelt on.

"Surprise love."

"You're no fun."

"Trust me Rose." He looked at me and winked, I chuckled.

"So how's your flight? What time did you land?" I asked.

"2 hours ago and it was good."

"How's the deal?"

"Didn't take it, it's not worth it. Ken sensed something weird." He answered as he drove out from my house.

"Weird?"

"Yeah, something like that so we didn't take it." He said and I nodded.

"You tired?" He asked and he held my hand with his right hand.

"No.."

"Let's just go home after dinner okay?" He turned to me for a moment and I shook my head.

"No.. let's just walk around."

"You're tired, your face says it all." He said and kissed my hand.

"Max I'm not." Not long after that we arrived at the restaurant. We walked in Max already book a private room for us. We walked to the second floor and the waiter showed us the room.

"This is so nice." I looked at the room.

"You like it?" He asked and he pulled the chair for me. He sat across me and we both looked at the menu. Max pushed the button to call the waiter. After ordering he just held my hand.

"You look really beautiful tonight."

"Beautiful or ravishing Max?" I smirked and looked at his eyes seductively.

"Don't do that."

"Don't do what babe?" I asked even though I know what he's thinking.

"We might not eat dinner you know."

"Hey!" He chuckled, suddenly he excused himself to the toilet. I waited for him and played my phone. Suddenly I heard a phone ringing, I looked at the table and found Max's phone. It's Aaron and I decided to pick it up.

"Maxxxx." Aaron called.

"Hey Aaron."

"What?!?" I bet he looked at the caller ID to check who he called.

"This is Max's phone alright."

"Oh hey Rose."

"Hey Aaron, how's Sophia?"

"We're good and still sexy." What is he saying?

"Max went out to the toilet, want me to tell him your message?" I asked.

"No no.. I'll just call him later."

"Weirdo."

"You're weirdo blonde."

"Aaron!" I heard Sophia called him.

"Gotta go, Rose."

"Okay.. say hi to Sophia okay?"

"Will do." He ended the call and I put Max's phone back. Suddenly someone knocked the door. I looked at it with questioning eyes. I walked to the door and opened it.

"Miss, your flowers." I looked at the delivery man weirdly.

"I don't order this." I said.

"Ms. Hastings?" He asked as he read the paper and I nodded.

"That's me but I don't"

He walked in carrying the big bouquet of roses. I didn't order- this must be Max's. He left and I looked at it, it's really beautiful. I smelled it and smiled widely.

I saw a white envelope attached on the top of the roses, it caught my eyes and I took it. Suddenly the door opened revealing Max wearing a black suit. He wore blue shirt earlier and my eyes widen. I looked at him with a questioning eyes.

"Let me read it." He smiled and took the white envelope from my hand. He opened it and stood in front of me.

"Dear Rose.. The First time when I saw you, you were going down the stairs with your hair up in a bun. Your eyes attracted me the most, that's the first time I felt my heart beating fast. You're the first girl who stole my heart and made me go crazy. I love you smile. I love how you always look at with your loving eyes. I'm sorry if I hurted you before. I swear with my life that I won't hurt you again Rose. I love you so much.. I love you with every single cell of my body. You're my air and I can't life without you Rose. Only you who know me inside out. Just by looking into my eyes, you know how I feel. I can't look at another girl again Rose. I love you and I really want to spend my whole life with you.. having little Cesantio around. I promise I will make you happy, I'll do anything to see that blue eyes light up and a big smile plaster on your face. So Rose Hastings, let's change your name into Rose Cesantio.. Will you marry me love?" He kneeled in front of me and opened a blue box with a beautiful diamond ring.

"Have a cute little Cesantio?" I asked and he chuckled.

"Of course babe, cute little Max and Rose maybe?"

"I'll marry you!" I hugged him. I kissed him with passion and he pulled me so close. I looked into his eyes and gave him a peck on his lips. He put the ring into my finger.

"I love you so much."

"Have you do the punishment babe?" I asked and his face paled. He nodded weakly.

"What's yours?"

"I don't want to talk about it."

"I'll just call Ken to ask him." I quickly ran to take my phone but Max caught me. He kissed me hard to prevent me from calling Ken.

"Tell me."

"Ah s***." He cursed.

"Come on babe.. care to tell me? You already punched Aaron, got a car from Sky and got golds from Alex.. what's yours?" I said and circled my arms to his neck waiting for him to answer.

"Can you not ask me about it?"

"What's yours?" I asked.

"Dance naked in front of them." He said and I laughed so loud.

"Who recorded it?" I asked.

"No one."

"I bet Sebastian recorded it! I want that!" I said excited.

"I destroyed his phone already!" He stated and I pouted.

"Are you kidding me?"

"I love you Rose." He leaned to kiss me.

"I really want that video!" I laughed and he sighed.

"Why did I make that stupid promise?"

The End.
