

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 172

Meeting Them

Hailey Anderson

"Good morning!" I said to my parents cheerfully as I walked to the dining room to have breakfast.

"Morning cupcake." My dad answered but his eyes stuck to his iPad, I bet he's reading the news.

"Morning Hailey." My mom answered and I smiled. I sat next to my dad and took my bread. Don't forget nutella.. yes nutella.

"You're going with me today." My dad said and I looked up to him.

"Where?"

"Work.. I'm meeting important people today."

"Dad, I just graduated 2 days ago. Let me rest for awhile will you?" I asked as I put my nutella bread into my mouth.

"I don't care, you have to come with me." He said and I pouted.

"Dad, I'm tired. Let me have 1 week rest after that I promise I'll work." I promised and he shook his head.

"No can't do princess, I want you to come with me today."

"Who is this important people?"

"7 Gold Lifes." My mom answered and my eyes widen. Oh my gosh. When I was in business school, everyone talked about them. Literally everyone, the 7 Gold Lifes are like our role model. They're awesome, known as the most cruelest, demanding and coldest man in business world.

They're so famous and not to mention 2 weeks ago Max Cesantio was engaged to Rose Hastington a.k.a Luke's brother. 4 out of 7 settling down and there's a tons of women trying to get them but not able to reach them.

Models, actress and important people all wanted to reach them but they can't. I don't even know how Aaron can end up with Sophia.. the most ridiculous one is Sky with Janet Stanmore. Damn Janet Stanmore is a really beautiful blogger, she mocked Sky and ended up marrying him.

Everyone want to meet them in person but too bad they're so busy and no one can meet them without booking an appointment.

My dad has been in a business world for quite long and he has a furniture factory for hotels and other things. We're rich but not as rich as them, 7 Gold Lifes sure are amazing. They're still so young but already have a high status and money.

Girls adore them, I have seen their photos and they looked so handsome but some of them say that in real life they're a living god. My friend Flora seen them once but only Alexander and Sky with their wives.

Flora said that they all look so perfect. Alex and Sky are such a greek god and Angelia.. the famous actress is so beautiful. Janet is.. just.. a really stunning blonde.

"Hailey." My dad called and that's where I got back to reality from spacing out.

"Yes dad?"

"You have to come with me. You're going to be my heir so you have to learn a lot." My dad said and I nodded.

"After this go take a shower because we're meeting them at the Hastings Hotel." My dad stated.

"All of them? Like 7 of them?" I asked.

"Yeah." My dad ate his bread.

"Oh damn dad! That's like everyone's dream to meet them." I squealed.

"That's the point.. some of them can only meet one or two but today I'm meeting all of them. I was mind blown too but that's the fact." My dad chuckled.

"They're all handsome." My mom added.

"Yes mom.. I'm so excited. Before I graduated everyone's dream is to be like them and now I'm meeting them."

"I'm going to have a really big deal with them today.. a really big one and I don't know how it will turn out but let's pray that they accept it." My dad said and sipped his coffee.

"Dad.. There's a new LV bag, it's so beautiful and don't forget it's limited edition. Can I buy it?" I smiled widely and gave him puppy eyes.

"Another bag?" My mom asked.

"Yeah" I nodded.

"You can have it if you can help me get the deal." He said and I nodded happily. This is going to be fun and I can't wait to see them all.

After eating breakfast, I quickly made my way back to my room. I jumped into the shower and dried myself quickly. I curled my hair first and then put my make up on.

I decided to wear a white jeans with a pink soft sweater since it's a little bit cold. I took my clutch and put my phone and everything that I need in it.

I checked myself three times to see if I have any weird things on my body but it turns out everything's already perfect. I walked out and go downstairs to take my nude highheels.

"You're ready?" My dad asked.

"I'm a little bit nervous." I said honestly.

"Nervous why?" He asked.

"I'm going to meet the most important person.. my friend's role model.. the hardest person to meet and just.. everything." I said and gestured weirdly, my dad chuckled.

"Relax, don't need to be nervous. I think their wives will come too.. maybe not but you can talk to them."

"Who? Which one? Oh how I wish I can meet Angelia Selosvone." I prayed and he chuckled. My dad ruffled my hair.

"I don't know who will come but let's just go."

"What time is your appointment?" I asked.

"11."

"It's still early."

"I rather wait for them because I'm the one who wants that deal." My dad said as he put on his tie.

"I'll help you get the deal." I promised.

"Okay princess.. I know you can help me." He smiled. I'm so nervous and.. argh! I don't know what to do. I'm excited and nervous at the same time.
