

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 183

Hailey Anderson

I smiled widely as I served them their foods. I walked there with a really big smile plastered on my face.

"Here you go." I said as I put Max's and Rose's food in front of them.

"Thankyou."

"Can you please switch with someone else?" Luke suddenly said and I turned to him, I shook my head.

"Sorry Mr. Hastington, I can't" I smiled and walked away to get his food. I took it and walked to his table and put it in front of him.

"Here you go Mr. Hastington, if you anything just call me." I said sweetly and winked at him.

"Fate take table 7!" My manager said.

"Okay." I answered and take the menu. I walked to table 7 that full of young boys.

"Here's your menu." I said and put the menu in front of them.

"I want to order your number." I turned my head to them and looked at the light brown guy disbelief, I scoffed.

"Your number." He said.

"I'm sorry I don't have a phone." I smiled fakely.

"You must have a phone, beautiful." The blonde said and I looked at him annoy.

"What do you want to order?" I asked.

"Chicken sandwich and mushroom soup." The light brown haired guy said.

"Lasagna." The blonde said and I nodded.

"Potato wedges and carbonara." The black hair guy said, I nodded and wrote all of it down.

"Drinks?"

"Sparkling water 3." The blonde said and I nodded. I turned my body and I felt one of them tapped on my butt, I turned to them and saw them laughing. I glared at them.

"Apologize." I said coldly and looked at the blonde glaringz

"Give me your phone number and I'll apologize." He smirked and they laughed, I scoffed. I tried to control of my temper and turned back to give the order to the kitchen.

I walked to the bathroom to wash my hand and tried to calm down my temper away. This is my first day of working here and I don't want to be fired on my first day. I need to control my temper.

I walked out and suddenly I was pushed to the wall. My eyes widen as I saw that blonde guy who tapped my butt earlier.

"Hello beautiful." He smirked and I pushed him.

"Get off me!" I said in a loud voice but he shut my mouth with his hand.

"Don't even try to scream.." My eyes widen in horror, he started to caress my thigh with his other hand. I tried to scream but I can't. I pushed him but I can't, he's too strong.

"I like red head.. so sexy and rare." What does he think I am? A peacock? Stupid!

"Let go of me!" I pushed him harder and tried to slip from his grip but he caught me again.

"Don't test me, red."

"Help!" I screamed and he shut my mouth quickly. He trapped me to the wall again but this time he gripped me tighter.

"Don't test me Fate.. your name is quite beautiful though." I bet he read my name tag. He caressed my thigh again. Suddenly the door bursted open and I turned my head.

"Oh my gosh!" It's Rose, she quickly walked out from the toilet to call someone. He hissed me and pushed me to the wall harshly. He walked out and I sat on the floor. I was still in shock mode. My whole body was trembling.

"Hey.. are you okay?" Rose and Janet rushed to me and they helped me to get up. I nodded weakly and they helped me by leading me out from the toilet.

I pointed at the staff room and they brought me there. I sat on the small chair and Rose gave me a bottle of water.

"He almost rape you." Janet stated.

"He wanted to have a quickie." I said and sighed.

"That asshole!"

"Thanks Rose, you walked in on the right time." I said and looked at her. She smiled and nodded. Suddenly the door bursted open revealing Luke, Sky and Max. He looked at me and I just looked away.

"See you can't even work!" Luke bursted.. why does he have to say something like this in this situation?

"Luke.. she almost got rape and don't give her speeches like that!" Rose bursted at him.

"You should be aware with a guy like that.. don't act stupid by going to the toilet!" He bursted angrily and I looked up to him.

"Are you done?" I asked and he calmed down.

"I hope you're done now.. I don't want to see your face for now, can you go?" I said coldly to him and he looked at me disbelief.

"I'm trying to get work by listening to you and I got it. Everything that I do always wrong in your eyes. When I stick to my dad, you told me that I'm a spoil brat. When I got work and try to live from a scratch,

you call me stupid. What exactly do you want? I'm trying to improve here." I said and he looked away. He walked out from the door and I felt Janet and Rose patted my shoulder.

"Ignore his burst Hailey." Rose said.

"Luke is a cold asshole.. chill, we'll give you guys time alone." Sky said and I nodded.

"Thankyou." I said and they all nodded. The boys walked out and it's just me, Rose and Janet.

"Quit from here, you can work somewhere else."

"Yeah.. I'll find a new job." I nodded.

"Don't give up on him just yet, Hailey." Suddenly Rose said and I turned to her.

"I'm not giving up." I said.

"I'll help you.. relax."

"Thanks Rose."

"How about you work with me?" Janet suddenly asked.

"I have a new team.. more like Sky who make the new team, it's about advertising and do you want to be my creative team?" My eyes lighted up.

"Can I? I'll send you my CV, Janet.. thankyou!"

"Your welcome.. what time do you want to work?" She asked.

"3 until 7?" I said and she nodded.

"Perfect.. send me your CV okay? You can get to work in 2 days after I process your file." She smiled and they're so so nice.

"Thankyou." hugged her and she chuckled.

"Welcome Hailey.. should I put your name as Fate too?" She asked and I nodded. I took my drink again and sipped it.

Let's go to the gym after this..
