

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 187

Luke Hastingson

Sweet.

That was the feeling when she crashed her lips to mine. I was shocked at first but I quickly reacted by kissing her back. The weirdest thing was that she gave me a really warm feeling.

She rang her hands through my hair and pulled me closer, I pulled her waist to closer. There's no gap between us. I felt her skin and I wanted to take that shirt off from her body and touch everything.

Suddenly she stopped, she looked at me with that dark blue eyes and smirked. It's like she achieve something big. She took 3 steps back.

"Goodnight Luke.. you better get home this time." She said pointing her index finger to me. I wanted to say something but I can't find my voice. She started to walk away and plugged her earphones back again.

I closed my eyes and can't help but cursed under my breath.

I got inside my car and held the steering wheel. My head was getting crazy right now.. her soft skin, her sweet lips and her beautiful dark blue eyes.

I'm in deep s\*\*\* right now.

I started my car and drove slowly, I saw Hailey still walking. These days, she's giving me a headache. My head won't stop thinking of her. I need a drink.. I need a drink.

I pushed the gas and drove towards the usual bar. This is not happening.. it won't be happening. I need to push her away 2 times more than usual.

As I arrived at the club, I got inside. Slide my gold card and go to the second floor. I walked into the private room and quite startled to see Sebastian there. He looked at me and I sit across him.

"Not usual to find you come here in the middle of the night." He stated and I took a new glass and poured the alcohol in.

"I need alcohol in my system" I said and drank it in one shot. Sebastian nodded.

"Something happen?" I asked him.

"I found Alexis." He stated.

"Dude that's great.. why are you still drinking here?"

"It's complicated." He sighed.

We both talked about things until late night, we both were so drunk and we know we can't go home in this state. We both ended up sleeping on the sofa.

I felt a vibration on my thigh, I opened my eyes and took out my phone. I pressed the home button and yes it's 9 a.m in the morning plus there's text from Spoil Brat.

Spoil Brat :

Goodmorning Lukey

I dropped a really delicious salmon steak for you. I hope you'll like it. Have a nice day.

I groaned annoy and looked at Sebastian who was still sleeping. I quickly got up and walked out from the club. I drove back home. I jumped into the shower right away and then get ready to go to the office.

Suddenly my phone rang and it's Kenneth. I quickly put my ear plug to answer the phone while driving.

"What's up?"

"Let's have a vacation." He stated and with that I know it's a multical.

"Where?" Aaron asked.

"Bora bora." He said.

"When?" Sky asked.

"Next week."

"Call." Alex agreed.

"Let's go." I said.

"Good, let's go there for 4 days 3 nights.. is it enough?" Ken asked.

"Let's just go for one week full."

"Only us boys?" Sebastian asked.

"Yes.. let's just spend our time together."

I ended the call and at the same time someone called me too. I answered it without looking at the caller ID.

"Lukeyyy." I sighed as she bursted out making my ear hurted.

"What do you want spoil brat?" Suddenly the kiss replayed on my head.

"Can we go on a date today?"

"No."

"Have ice cream?"

"No."

"Watch movies?"

"No."

"You're so mean.. I want to spend time with you." She said in a sad tone.

"Go with someone else." I said coldly.

"I don't want with anyone else, I want to spend time with you." She said excited. Why do I answer her calls? I have to be mean right?

"Well I don't want to spend time with a b\*\*\*\* like you." I said in a really cold tone. Suddenly the line went silent, I thought she was already ended it but..

"I'm not a b\*\*\*\*."

"You have bed buddies so what makes you're not a b\*\*\*\*?" I asked coldly remembering that guy.

"Michael is not my bed buddies.. are you jealous?" That hit me like I was poured with cold water.

"Jealous my ass."

"He's my bestfriend, you don't need to worry Lukey. I'm yours." What is she saying?

"I'll block your number after this." I stated.

"If you block it, I'll go to your office everyday and make you sick looking at me more." I ended the call and really blocked her number again. I was starting to get piss by her every single day.

What's wrong with me actually? There's something wrong with me.. I know that. I'm 100% know there's something weird happening to me.

Suddenly my hands had the urge to touch her again, her soft skin is just making my hands want to travel more. Her lips.. is sweet and she smells nice and refreshing. I like it when she runs her hands to my hair. Her eyes..

Oh shoot!

Don't tell me she's already everywhere in my system, suddenly the urge of needing to touch her is getting stronger.

I mean.. she already worked hard and things like that. She proved herself and.. what am I thinking? Luke you're out of your mind!

I'm getting insane and this is not good. What should I do to make her get away from me? What should I do?
