

## UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 205

Hailey Anderson

"How did you find this beautiful place?" I asked Luke.

"I have my ways." He winked at me, he pulled the chair for me like a gentleman and I sat down. He sat on the chair across me.

We ordered the food first and suddenly Luke held my hand caressing it. I looked at him with a questioning eyes.

"I felt so bad when I treated you badly." He looked at my hand and I smiled.

"You have forever to make it right."

"What did you even see in me, Hailey? I'm not a good guy."

"I've known the 7 Gold Lifes since my college year, I saw all of you on the internet and admiring you guys. How can you be a really successful businessman in such a young age and honestly.. you're all good looking, have a good body and really intimidating." I answered and looked into his blue eyes.

"When I first met you, you're really handsome. That's what I thought for the first time and then your eyes. That blue eyes Luke.. caught me and made my heart go crazy. I saw how you really serious when you're dealing with people. I knew from that moment it was love at first sight." I continued.

"You were bold at that time." He laughed and I glared at him.

"Let me tell you a story Luke.. oh gosh this is exciting." He raised his eyebrows and I know he's curious.

"When I was in highschool, there's this hot guy name Axel. Axel is the badboy guy at school and almost all girls fall for him and I was one of them."

"Wow I'm jealous." Luke said flatly and I smacked his hand so he can shut his mouth first.

"Axel actually hit on me a few times and of course I like it because I like him but one of my bestfriend like him too. I wasn't bold at that time.. I'm a shy girl and rarely talked about boys to my bestfriend so they were clueless about my crush towards Axel."

"Tori liked him so much and she showed her interest towards Axel and Axel fall for her as she approached her boldly. I was broken hearted and that situation changed me because Axel was my first love and we had a thing for awhile before Tori took him away from me." I pouted and he glared.

"I don't want to lose again.. if I like someone I'll just show him and be bold. You'll never know Luke and here you are fall in my trap." I winked and he laughed.

"Well Hailey you did it."

"How about you? Any stories?" I asked and he smirked.

"What do you think?" He teased me.

"I mean everyone has their first love story.. I mean I won't be jealous.." I said awkwardly and looked away.

"Okay let me tell about my first love story.." I looked at him really curious. Before he can tell his story, the food came. The waiter greeted us and put the food in front of us.

"I met her unexpectedly actually, she's a really bright person and really beautiful. I love her cute expression especially when she's trying so hard to do something, she's really-"

"Okay fine.. don't continue that, I'm getting angry." I said honestly, he described her so dreamy.

"Hailey you're being unfair.. I heard yours." He said and I gestured him to continue

"She always mess with my mind, everytime I closed my eyes her face appeared a lot and I hate the idea at first. She slowly creeping my heart-"

"I'm sorry Luk-"

"She can't cook.. but she gave me breakfast everymorning. She likes to call me and I always reject it or end up blocked her number." My eyes widen and he smiled sweetly.

"You're my first love Hailey, I never fall in love before. I'm new to all this. I know you will think that it's insane for me to fall in love that late but.. yeah. I never care about gurls before that's why I was confident that I will never settle down but here I am with you. He confessed and suddenly I started to tear up.

"Hey don't cry!" He panic and I smiled.

"You're so sweet damn it!"

"Well you're seriously my first in everything except.. yeah you know.. I was a badboy that sleeps around but trust me I won't do that." This guy seriously.

"You make me fall in love you more."

"So you don't love me before?"

"It was 100% but now it's 150%." I covered my face and wiped my tears quickly.

"I'll make you happy Hailey.. I seriously love your smile and I'm going to make it appear everyday."

"You know I'm going to stuck with you every single second." I said and he smiled.

"I love that idea.. now stop crying, you already cried earlier today and now crying again.. I hate it."

"I'm not hungry right now.. I can live forever just kissing you as my everyday dish." I smirked and he laughed.

"What kind of saying is that beautiful?" He took out his wallet suddenly my eyes widen as I see a gold card with his name written on it.

"Hailey.. listen to me carefully." He said and I nodded.

"This is a Gold Card, Kenneth made it for all of us to access all of their office and secret places. If this Gold Card went to a wrong person, we're doomed."

"Why are you telling me this? Are you going to give that to me?" I asked and he shook his head, my face fell.

"Maybe one day, there's a chance you'll use it. I just wanted to tell you this now."

"You guys have so many secrets." I narrowed my eyes.

"Of course babe.. we have a lot of secrets but you as my girl will know it as the time goes by." He winked.

"I love you Luke a lot.. I can't imagine my live without you."

"Good thing I got you like that."

"You're a one lucky man Luke." I know I'm cocky but I love saying things like this to him, sometimes his face was priceless.

"You're a one lucky woman Hailey" He imitated me and I hissed.

"Don't imitate me you asshole!" He laughed crazily.

"I'm just messing with you future Mrs. Hastington." Okay. I think I heard weird things.

"No you're not" I turned to him.

"You say that out loud future Mrs. Hastington."

"I still like Hailey Anderson." I teased.

"Too bad.. I'm going to stole that Anderson and turn it into a Hastington."

"You're so sexy."

"You too."

"Can we just stay at your hotel chain tonight?" I asked giving him a flirty look.

"Nice idea Hailey.. but I don't want to ruin that now. I want to make sure that your parents trust me to have you."

He just made me fall in love with him more and more.
