

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 237

Chloe Regens

"Come on Chloe.. should I hold your hand again like we did when you're a kid?" Ken asked and I hissed. I followed him inside the restaurant. We walked into the restaurant side by side and go to the private room that Jack already booked.

"You both are late." Aaron said as we both got in.

"Chloe taking a long time to get ready.. blame her." Ken said and I looked at him disbelief. How I want to stomp his feet with my boots.

"Sorry."

"It's fine, we understand." Sky said with a smirk on his face.

"Are you cold or something? You keep wearing scarf and now turtle necks." Jack asked. The A couple, Sky and Rose smirked.

"Yes, I'm cold." I said and walked to the empty chairs, Ken sat beside me.

"Hello." I smiled to the girls.

"You look beautiful." Hailey said and I smiled.

"You too." I said to her. I turned my head to Jack who sat across me and raised my eyebrows.

"Oh.. Marissa this is my sister, Chloe this is Marissa my friend." He introduced and I turned to her smiling. Why I get a feeling that she's a b****. Her eyes kept looking to the boys and she kept twitching her eyes.

"I don't like her." Angel whispered to my ear and I nodded.

"Me too."

"Go order first." Jack said and I nodded. The boys talked about business that I don't understand. I'm a designer not a business woman.

I talked with the girls about random things and how much we love shopping. We're like a sister that I never have. Too bad they're so far away.. they're in NY and I'm in LA. When Aaron and Sebastian in LA, we rarely meet because I'm busy with my college and they're busy with their work.

Now that Aaron and Sebastian move to New York, it will be difficult for us to see each other again.

"Chloe." Jack called and I raised my eyebrows.

"Angel here.. she has her own clothing line." I turned to Angel.

"Really?"

"Her clothes are awesome." Alissa said.

"Angel, Chloe is a designer." Jack said to Angel. Angel turned to me with her eyes widen.

"Oh my gosh that's really great! Do you want to work with me?" She asked me directly and my eyes widen.

"Like really?" I'm so happy right now.

"Yeah! Oh come on.. I will be happy if you want to join me."

"But aren't you still working as an actress?" I asked and she turned to Alex.

"He gets jealous a lot with me kissing a thousands of hot guys out there.. besides opening my own clothing line has been my dream so I decided to vacum and do this clothing line." She smiled.

"Can I join?" Marissa out of nowhere asked.

"I only ask Chloe." She said in a feisty tone.

"Angel." Alex warned.

"Can I?" I asked Jack.

"Of course you can.. it means you have to move here to New York. Let me talk to mom and dad about it first." Jack said and I smiled widely.

"I want to!" I said and Angel squealed too.

"It means we get to hangout more often." Sophia said and I gave her a thumbs up.

"Agree!!"

The food came and we started to eat. I'm really enjoying this. I don't know why my eyes kept turning to Marissa. She has her eyes on Kenneth. She was looking at Ken with her seducing eyes. I hate it. She has my brother but she's flirting with Ken. I turned to Ken but he has no interest to her.

My phone suddenly fell from my lap so I have to get it on the floor. It fell under the table so I tried reach it with my feet first and taking it with my hand. My eyes widen as I saw Marissa's leg is caressing Ken's leg.

I was more than mad to see it.. she used my brother to get closer to the 7 Gold Lifes. Ken is her target. Not only caressing his leg, she went further to his thigh. That's it.

I sat up straight and looked at Marissa. She's still trying by biting her lips and giving him a seducing look. I took a glass of water beside me. I think it's Angel's. I threw the water to her face and they all gasped. Jack was more than shocked, he looked at Marissa and then he turned to me.

"Do you think I'm stupid you s***?" I bursted.

"Why did you do that?" Jack got angry with me and I looked at him disbelief.

"If you didn't notice your date is using you. She has been flirting with Ken and even caressing his legs and thigh all the time." Jack turned to Marissa and she put a I-didn't-do-anything look.

"Don't put that face b****!" This time I threw her my steak and mushroom soup to her face. She gasped in horror.

"Chloe!" Jack said in a scolding tone, I looked at him disbelief. I scoffed.

"I'm outta here." I said taking my bag and walked out from the private room without caring about anything.

How can he trust that girl more?

I walked out form that restaurant, planning to take a taxi but suddenly someone caught my arm.

"You scared me!" I said.

"You need to go with me somewhere, remember?" Kenneth held my wrist pulling me towards his car.

"That b****.. why didn't you do anything or say something?" I asked to Ken disbelief.

"I'm not interest and beside he's your brother's date. If I get mad there, it will ruin your brother's."

"But she's a- "

"I know Chloe." He cut me and sighed.

"Why didn't I throw my plate earlier?" I said and Ken laughed.

"You've done enough." He said and I turned to him.

"Where are you taking me? Don't tell me that you're planning to rape me or kill me?" I asked and he smiled.

"Why would I kill you? Rape? Please, girls want me, I don't need to rape girls." Cocky much?

"So you don't want to tell me where we're going?"

"Top of The Rock Observation Deck."

"Huh?"

"You'll see." He said.
