

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 252

Chloe Regens

"Chloe.. Chloeeee!" I opened my eyes slowly.

"Chloeeee!" The girls shouted together causing me to block my ears and cover it with pillows. I closed my eyes again and hoping they will let me sleep.

"Chloe.. get up!"

"Chloeee!" They pulled my body up and I opened my eyes.

"Huh?"

"Let's go drink coffee." Sophia said.

"Okay." I nodded and got out from bed. I closed my eyes again while standing.

"Go shower.. woman." Angel pushed me to the bathroom and I'm still not fully awake. I took a shower quick and walked out with only a towel on. They're currently talking and crashing my room. I quickly changed into my black ripped jeans and white t-shirt.

"Only us?" I asked.

"Yeah, the boys are playing billiard downstairs." Alissa said and we walked down. Angel took the car keys and tossed it one to Rose. I followed Rose and we take 2 cars since there's 7 of us.

I'm with Rose and Hailey, the rest taking a ride with Angel. In my car, Rose is the one who is driving.

"You went out with Ken yesterday?" Rose asked.

"Yeah, we went for a walk."

"So what did you both talk about?" Hailey asked.

"Random things, such as my education and things like that." I said not wanting to tell them further.

"Did you go to the lake?" Rose asked.

"How did you know?" I asked and turning my head to Rose.

"Ken loves that Lake, he even sleeps there sometimes."

"What Lake?"

"This." We pass the lake and Hailey nodded.

"So are we going to chill there or we're going to take it away?" I asked.

"Take it away, we need grocery shopping too so we can have a BBQ party." Rose said.

"BBQ party?"

"Yes and it's going to be fun!"

We go to grocery market first to buy things like meats, onions and things for the BBQ. After that we headed to Starbucks and get coffees for the boys too. Now it's my turn to order.

"What can I get you?" The staff smiled to me and the girls literally giggling behind me.

"Hazelnut latte please." I said as I looked at the menu.

"Size? Tall? Grande? Venti?"

"Grande."

"Your name?" He smirked.

"Caila." I lied, I know he's hitting on me and trying to flirt with me. I smiled to him too and he winked. I paid for it and waited on the side.

"He's cute though." Angel said.

"Not my style."

"So what is your style?" Janet asked smirking.

"Kenneth Domanco?" Sophia teased.

"Hey!" I chuckled.

"Here you go, Caila." The staff said with smile to me. I took the cup and there's a phone number written on the cup. I winked to him and we walked out from there. We got back to our car and drove back to the cabin.

After arriving, I hand my coffee to Rose because she's going to put the coffee first and call the boys to help carrying the grocery. Opening the back of the car and looked at the grocery.. we bought a lot of things.

"Wow." Hailey said as she stood beside me.

"We really shop this much?" Janet asked, I took the plastic bag in front of me and carrying it. Damn it's really heavy, what's inside here? I even struggling to open the door.. someone took away my plastic bag from me and I looked up to see Ken carrying it inside.

"Still in the car?" Sky asked and I nodded. The boys all walked out from the cabin and helping carrying the grocery.

I walked in and Ken started to look at the coffees on the table. He looked at it one by one to find his coffee. The boys walked in with groceries on their hands.

"Which one is mine?" Ken asked Janet. Janet scanned the cups and Ken scanned the cups too.

"Who's Joey? Why is his phone number is written here?" Ken asked, I turned to him stopping putting the groceries.

"That's Chloe's." Rose answered it for me.

"Which one is mine?" Ken asked and since Rose is the one who buy for the boys she's the one who knows it. She scanned the cups and immediately pull out one.

"Here you go grumpy." Rose said and Ken rolled his eyes. I chuckled looking at that and helped Hailey and Sophia in the kitchen.

"What do we eat for breakfast? Any suggestions?" Alissa asked us girls since we're the only one in the kitchen.

"How's french toast sounds?" I suggested.

"Nice one.. uh.. but we got no bread."

"Should we just grill meat?"

"It's in the morning.. let's just go for french toast." Janet said.

"Let me buy it, give me the keys" I said to Rose, she tossed it. I walked out with my latte in my hand. I looked at the number and the staff's name from earlier. I laughed, poor guy.

"Where are you going?" I jumped and turned my head to see Ken holding a firewoods.

"Buy some breads, we're going to make breakfast." I said.

"Wait here, I need to buy something too." He said and walked away. I got into the car first and started the car. The door opened and Ken got inside.

"What do you need to buy? Let me just buy it for you." I said looking at him.

"A kid won't know what I'm going to buy." He said and I glared at him.

"Stop saying that I'm a kid Kenneth or I'll punch your face right now." I hissed and he laughed.

"So Joey.. let's go."

"My name is Chloe.. Joey is a guy name. I thought you're smart!" I said as I drove away from the cabin, my eyes widen and I turned to Ken for a split second.

"What? Did you forget something?" He asked.

"Are you jealous?" I asked, I mean that's a stupid question. Actually I don't want to brag about our conversation last night but.. I just can't let it go like it never happen.

"That word was never on my dictionary." He answered seriously.

"Well if there's no jealousy in your dictionary I'm going to invent it for you." I said.
