

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 276

Chloe Regens

"What did you do to my house?" Nic's eyes widen as he saw his kitchen being destroyed.

"I'm not surprise." Aaron said.

"So what do you guys make for dinner?" Alex asked as he walked to the kitchen and he looked at the table.

"They want us to eat desserts only." Aaron said sarcasticly.

"Hey!" Angel hissed.

"Easy babe." Alex said.

"I'm starving. What do-" Luke stopped as he saw the desserts.

"I'm starvi-" Max eyes widen.

"Why are you-" Sebastian too.

"Ken, can I get a-" Sky stopped too.

"You're mean okay? We're baking happily since this afternoon" Hailey said.

"Honey, you can't bake or cook." Luke smiled and Hailey glared at him.

"Let's just order pizza." I said.

"Let's order it fast, I'm starving." Sebastian said and they all walked out from the kitchen except Nic and me. I looked at him and felt sorry.

"I'll clean it up, I promise." I said as I put the dirty tray to the sink. He walked to me and helped me putting it to the sink.

"It's settle." He said and I turned to him. I smiled.

"Really?"

"Yeah, they're all in jail and another culprit was caught 2 days ago and I threw him into jail right away. Their family were mad but they felt relieve too that I don't kill them or get a revenge just like they did to my family." He said and I hugged him. Circling my arms around his neck and can't help but smiling widely.

"Good thing.. you can have a rest now." I whispered.

"Thankyou"

"Uh? Thankyou for?" I asked as I looked into his eyes.

"Just thankyou." He said.

"Now let's order pizza." I kissed his cheek, I put the desserts on the fridge first and walked out from the kitchen.

"Tell me what do you want to order." I said to them and they looked at Nic weirdly.

"What?"

"Lipstick on your cheek." Alissa pointed and Nic quickly erased it.

"You two need to fix your kissing habits or else you both will walk out somewhere with hickeys and lipsticks all over your face and neck." Max smirked.

"So since we're all gathered here.. should we still call you Kenneth or Nicholas?" Alex asked.

"I'm back with my Lemiere title so Nicholas Lemiere."

"Okay let's order pizza." Sky said.

I gathered what type of pizza that they want and ordered via phone. After that the boys decided to play pingpong and I didn't know that Nic has a gym at the basement. They went down and I went to the kitchen to clean up our mess.

"Let's clean this up."

"Hey it's fine I can do it." I said to Janet and she shook her head.

"Come here girls!" Janet called.

"Hey I want to help too."

"I want to take a swim." Rose said as she looked at Nic's swimming pool.

"Let's go swim tomorrow!" Angel said.

"Nice idea.. we should ask Nic about it." Alissa said.

"No need to ask." Rose said and I turned to her disbelief.

"Seriously? All we need is to crash here?" Hailey asked.

"He won't mind" Rose said.

We cleaned up the mess and after we clean the kitchen, we sat on the living room watching the last year Victoria Secret.

"I miss Jean." Rose said.

"Me too.. next week we have a photoshoot together." Alissa said.

"You look sexy in that." Sophia pointed.

"How can you carry that big wings?" I asked to Alissa.

"Working out hard and big time." She answered and suddenly Nic's maid walked in with a lots of pizza box. I ran to her and helped her carry it.

"Yes!!!" Hailey squealed.

They're all excited to eat and I walked to the basement to see a big gym. This is crazy, how can he has all this? I saw them playing pingpong.

"Pizza just arrive." I announced and they all turned to me. Their face lighted up and they walked fast back upstairs and Nic put back the balls into place. I helped him.

"You're not hurt right? Is there something happen when you went back and forth to the court?" I asked when it pass by inside my head, he turned to me.

"There are people who were trying to kill me but I'm fine and some of them said about revenge and things like that but I already take care that" He said and I hold his hands and looked into his eyes.

"Why didn't you tell me?" I asked.

"Well I know how you will react so why bother telling?" He shrugged.

"I'm happy to know that you already settle everything down." I said.

"Yeah, me too."

"I'm proud of you.. and I bet your family too." I smiled and he caressed my cheek.

"Yeah.. I hope so. I miss them you know." He sighed.

"I know, but they're happy to see you're happy now. Is it now the time that you're happy?" I asked.

"I don't think I deserve it Chloe."

"Why not? You're not a bad guy? You're a good guy, why don't you deserve it?" I asked and he just stared into my eyes.

"So are you going to be in my new chapters?" He raised his eyebrows and I chuckled.

"What is that suppose to mean Nicholas Lemiere?"

"You know what I mean Chloe."

"I'm dumb.. enlighten me." I smirked.

"Be my future." I smiled with his sentence and he looked away. I cupped his face and kissed him hard. He picked me up and sit me on the pingpong table.

"Guys are you goin-" I don't care who bother us, I just kept kissing him hard like there's no tomorrow. I'll find that guy later and who might he be?
