

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 328

Valentine Regens

Joey is definitely not kidding about the hickeys. It's a good thing I got up before Leah did because I need to take a shower early in the morning and wear my turtleneck sweater. It's fall and thank God I bring it with me.

"Valentine! Breakfast!" I sighed as I heard Mr. Yorkberg reminding me that.. I only sleep for 2 hours because Joey kept holding me up last night.

"Yes sir" I nodded weakly , putting my clothes and everything into my tent and I'm jealous of Leah.. she's still sleeping. I walked to the place where we have to make breakfast

The teachers gave me a list for the food menu and each day is different. Today is only egg and toast

"Can you cook it by yourself?" Joey appeared and my heartbeat just raise immediately

"Don't be lazy asshole , I'm not cooking it alone" I said as I take out the toasts and out it on the table

"Nah.. I'll let you cook alone" I turned to him angrily

"Don't be selfish jerk , this punishment is because of you so do it or I'll punch you to death" I threatened

"I didn't sleep"

"So? It's not my concern" I said coldly as I took out the eggs too

"Make the fire" I gestured and turned to him. He just looked at me blankly

"Don't stare at me like that" I just realise he wore a jacket that doesn't cover his neck. The hickeys that I gave him is really visible

"Nice turtle neck" He smirked

"Why didn't you cover that up?" I pointed

"Nah.. I'm fine"

"You have 40 minutes to make this!" One of my teachers warned and I sighed. Thank God Joey helped and we didn't talk when we're cooking.

"Nice smell" Joseph said as he walked to us

"Help me to bring it there" Joey said to him

"Dude you got hickeys on your neck? Who's the girl?" Joseph asked and I gulped nervously

"Try guess" Joey said

"Lucy? Elsa?"

"Go take it over there.. I don't want to get scolded again!" I bursted to Joseph and he flinched. He walked away bringing the tray full of scramble eggs

"Control your temper sweetheart" I ignored Joey

"Hey Val" I turned to see Harry standing beside me

"Hey" I smiled to him

"Want me to help?" He asked

"Can you help me put this to the table?" I asked and he nodded. When Harry left , Joseph got back

"You and Harry huh?" Joseph asked

"No" I shook my head

"Joey dude , your hickeys are seriously bomb. Who kissed you like that?" I wanted to throw the pan full of hot oil to Joseph's face

"A hot girl kissed me hard last night"

"Everyone is so loud" I turned to see Leah rubbing her eyes

"It's 7 Leah.. such a lazy ass" Joseph said

"I'm hungry.. feed me" Leah ignored Josh and she opened her mouth hoping I will give her a bite

"Eat that!" Josh shoved a toast to her mouth causing Leah walked to him and punched him hard on his arm

"Where have you been all night? I woke up at 2 and you're not even there" Leah asked and I looked at her

"I'm still with Harry" Lies.. I'm with Joey making out

"Did you guys make out or something? 2 in the morning and still with him" Leah asked

"We talked a lot"

"A* it's that hickey?" Leah pointed at Joey's neck , I wanted to kill him for not wearing something that can cover that

"It is Leah.. you never got hickeys before?" Joey asked

"Did you have sex last night?" Joseph asked

"Can you both take this there? I'm tired going back and forth" I gestured them both , they listen and thank God

"You only talk with Harry?" I turned to see Joey raising his eyebrows

"Do you expect me to kiss him?" I asked

"That's lips was mine last night" He smirked

"Don't make me throw this to you jerk!" I pointed at the pan and he chuckled

"Geez Valentine , you were so sexy last night and now you turn into a monster in a few hours" He said and walked away bringing the rest of the food. I wanted to kick him so bad

"Sorry.. I got a call from Ms. Burton" Harry came back

"It's okay , we're already done though" I said and he nodded

"Let's go and eat because we're going hiking today" Harry said and I nodded

"I'll help you tomorrow for breakfast okay?" Aww he's so sweet

"Really? Thankyou" I smiled , we walked back to the place where we eat. Eating our breakfast and preparing to go hiking.

We're going to the top of the camping place to see the scenery. So excited.. but I heard whispers about Joey's hickeys. People are guessing who gave him that and I'm beyond piss. I wanted to kill him so bad.

"Let's go hiking!" The teachers go first and I'm on the last group with Leah. I'm really sleepy right now.. I can't describe how sleepy I am. I can sleep walking right now

"You look like a zombie" Leah said

"I'm sleepy"

"What time do you get to sleep?" She asked

"2.30" I answered

"Of course you're sleepy" She said

"I need sleep"

"After hiking you can go to sleep because we're preparing a bonfire , since you're not preparing for that. You can sleep for 2-3 hours" She said and I nodded

"Fuck off Joseph!" I turned to Leah who is currently smacking Joseph away

"You're so fat , you cover the whole path"

"It's a small path asshole" She bursted angrily

"This is going to be a really long day"
