

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 341

Valentine Regens

8 months later..

"Happy birthday Valentine" I smiled and hugged my new best friend Celine

"Thankyou"

"Happy birthday Valentine" I turned to see David and I smiled

"Thankyou David" David here likes me , he tries so many things to take my heart but still not working. I told Joey about this and he's completely jealous and quite mad.

"Can I hug you?" He asked and I give him a brief hug

"Let's put our bags first and walk to the cafeteria , I'm hungry" I said pulling Celine. After this I have medicine class but it's still 1.5 hours away so I can chill for a while.

My phone suddenly rings and I smile so wide as I see the caller ID.

"Leah!!!" I squealed

"Happybirthdayyyyyyyyyyyyy" She screamed and I laughed

"Thank you so much Leah.. I miss you" Yes she's in Oxford and she's in a LDR too with Joseph. Joseph is SF too but different uni from mine.

"I miss you too.. I wish I can go there"

"It's okay.. a wish from you is enough" I said

"Better go.. I'll call you tonight?"

"Bye.. Will wait for that call" I smiled and ended the call. I walked into the class and saw a big bouquet of roses and damn it's beautiful. Celine ran to it and looked at the card that was attached to the bouquet.

I walked to it and Celine gave the card to me

Happybirthday love..

I wish I could be there with you

I love you

Love ,

Joey

"Who is it for?" David stood beside me , I immediately call Joey

"Hello"

"Baby.. You send me roses" I said and he chuckled on the other side

"Do you like it? I wish I could be there with you"

"It's okay.. a call from you is enough.. I miss you though" I smell the roses and it's amazing

"I miss you too.. so what are you doing now?"

"I'm currently in my medicine class , after this I want to eat.. How about you?" I asked but.. suddenly it's silent from the other side

"Joey? Hello? Joey?" Suddenly someone poked my shoulder and I turned my body. My eyes widen so see Joey standing there with a big smile on his face.

"Oh my god" I froze

"Happy birthday to my beautiful girlfriend" My eyes gets teary and he hugged me tightly. Kissing the top of my head

"When did you get here?"

"This morning" I looked up at him and hugged him tightly. Burying my head to his chest and he stroke my head

"I miss you so much"

"Me too , now can I get a kiss?" I'm really glad to give him.. I kissed him until I heard a cough. I turned to see Celine grinning

"Joey.. this is Celine. I introduced her once when we're face timing. Celine this is my boyfriend Joey" I turned to see David looking at me awkwardly. Why doesn't he go away? Isn't it hurt to see someone you like with someone else?

"Joey.. this is David and David this is my boyfriend Joey" Joey hates him.. I know but he's still polite to give him a smile

"Can I borrow her?" He asked Celine

"Take her.. kidnap her.. I'm fine" Celine said and I smiled to her

I walked out with Joey and we walked to the garden in front of the school. We both sit on the bench and enjoying the breeze

"I don't like David"

"Me too.."

"Does he always have the same class as you?"

"No.. we only have 2 classes together" I said kissing his cheek

"You're mine" We both looked at each other

"Of course I'm yours.. I will never forget that" He smiled

"When will you go back?" I asked

"Tomorrow morning" I pouted , that's too fast but I have to understand. He has classes too and the fact that he's here already makes me happy

"Thankyou for the roses.. I really love it"

"Glad that you love it , when will your class start?" He asked

"In an hour.. can you stay at my place tonight?" I asked

"Depends"

"What do you mean depends asshole.." I hissed and he laughed

"I'm not finish talking babe.." I raised my eyebrows and he looked at me

"Today it's our 3rd Anniversary right?" He asked and I nodded

"I think it's the best for us-"

"Don't tell me if you want to break up with me. I don't want to hear it. I don't want to break up with you Joey. If I have flaws.. I'll fix it. Please please don't break up with me.. I can't live without you , you know

that. Oh fuck.. I don't want to talk to you if you want that.. I'm outta here" Joey laughed and I glared at him. I smacked his arm and he groaned in pain

"Who wants to break up with you? Who? I will never break up with you!!"

"So what are you trying to say then?"

"I think it's the best for us to.. step into the next level" I smiled widely as he took out a small white box. I gasped as he opened it. It's a beautiful diamond ring.

Joey stood up and he kneeled in front of me.. he take my hand

"Valentine Regens , will you marry me and make me the happiest man alive?" He asked

"Of course! I'll marry you" I crashed my lips to his , after that he slipped the ring into my ring finger. I can't stop looking at it because it's so beautiful. I looked at him and he hold the both of my hands

"I love you so much"

"I love you too.. I thought you want to break up with me" I pouted and he pinched my cheek

"No beautiful.. that will never happen"

"You're so sweet.. I like you" I touched his nose

"Do you remember that you want to get married before you graduate?" He asked and my eyes widen.. he's right

"You still remember that?"

"Valentine.. I remember everything about you"

"Damn it.. I love you so much" I kissed him hungrily..

The end
