Sophia Celastio

Have you ever had that friend of a friend that you don't like and then they insisted to tag along when you're hang out with your friend? Well that's Aaron right now.

I glared at him, who's sitting beside me right now. Jean and Rose were currently giving me an apologetic looks. I couldn't help but endure this right now.

"So.. Let's order." Rose said awkwardly and I opened the menu.

"Chicken sandwich." Rose ordered.

"I want the steak but please change the French friends with a mashed potato." Jean ordered.

"I'll take the same as Jean." I smiled to the waiter and he nodded.

"Make it three." Aaron said as he gave the menu back to the waiter.

"Why are you here?" I asked Aaron again, can he get the hint already?

"Beautiful, I miss you." He turned to me and said ti sweetly. My knees went weak, I cursed myself for having that affected on me.

"Stop flirting with my friend, Aaron." Rose said.

"Yeah A, stop it." Jean helped but sudden;y Aaron turned to Jean.

“Don’t make me call Blake and tell him that you met Dan this morning to give him a present. You know Blake hates him right?” Jean’s eyes widen and she glared at him.

“Don’t you dare to tell Blake!”

“He’s one call away darling so cooperate with me here.” Aaron showed his phone and smirked.

“Who’s Dan?” Rose asked.

“My photographer in VS, he’s a nice guy but Blake hates him because Dan loves skinship. I mean he didn’t do it to me only.”

“Blake will love to hear that.”

“Why are you so mean?” I blurted and he turned to me.

“Beauti-“

“Don’t call me that!”

“Darl-“

“That too!” I hissed.

“My love, it is then.” He smirked and I looked at him in horror.

“I’m gay.” I blurted out and I saw Jean and Rose’s eyes widen.

“Nice try my love.” Aaron looked at me completely amuse. I tried to hold myself not to punch him.

“Yeah nice try.” Rose said and I sighed.

“You know, you owe me something.” I turned to Aaron and closed my eyes trying to control my temper.

“I already apologized, Aaron Samuel. It wasn’t my fault only, it was partly yours too.” I hissed almost bursting my heart out.

“Love, just have a dinner with me tonight. It’s simple.” He said smiling widely.

“No.”

“You rejected me 3 times already, Sophia. I told you-“

“You won’t take ‘No’ for an answer?” I continued and he nodded.

“Aaron don’t be mean.” Jean warned.

“Blake will-“

“Oh, I don’t care if you tell him.” Jean bursted angrily.

“Really?” Aaron pulled out his phone and I took his phone away from him.

“Give it to me.” Jean said and I turned to her ready to throw Aaron’s phone but Aaron caught my face and crashed his lips to mine. I heard Rose and Jean gasp. Aaron kissed me intensely and I want to lie but.. He’s a damn good kisser. He stopped and I realized that he took his phone from my hand.

Sophia.. you're a one idiot woman.

"Damn it!" Rose blurted and I was still in shock.

"What the hell!" Jean and Rose hissed at the same time, Aaron smirked in victory.

"I got to go girls." Aaron said as he stood up and he looked at me. I looked away and I just can't believe that I kissed him back in front of my friends. That was embarrassing.

"Blake" Aaron said through the phone and my eyes widen, so was Jean. I got up to try to reach for the phone but it was useless, Aaron's so tall.

"Your wife is here.. Yeah.. She met.." Aaron smirked at Jean. She was ready to kill Aaron this second.

"Blake baby, hi!" Jean elbowed Aaron on his stomach and took the phone.

"No, I'm good. I'm hanging out with Sophia and Rose. Yeah I met this idiot at the mall with a blondie that he hooked up last night. Yes babe, I'll be waiting. Don't worry, I'll give you a tons of kisses later. Okay! I love you.. Bye!" She said nervously but I think she's got in undercontrol. She ended the call and glared at Aaron.

"Bye girls.. and Sophia." He smirked and winked at me.

"Let's hangout after Blake's party or Jean will get Blake's wrath that day." Jean's eyes widen and I glared at him.

"Why are you so evil?"

“See you in 2 days, my love.” He winked again and walked away. I let out a heavy breath.

“That asshole!” Jean hissed.

“You just kissed him.” Rose said.

“He did it first.” I defended myself.

“But you kissed him back!” Jean blurted out.

“What is the secret that you’re hiding from Blake? I’m sorry to say this but I don’t want to see him.”

“Relax, I mean.. If he finds out. I’ll talk to him. Blake will get mad and try to kill Dan but chill.. I tamed that man but you Sophia.. You can’t avoid him.”

“Oh gosh.” I sighed and the food came, I looked at Aaron’s food disbelief. He ordered it but he left. What an asshole!

“By the way.. The kiss was hot.” Rose smirked.

“It was awful.”

“Yeah, keep telling that to yourself. You kissed him back and you seemed to enjoy it.” Rose chuckled.

“I did not!”

“You’ll be making out with him in 2 days.” Jean smirked and I shook my head in horror.

"I'm doomed."

"Goodluck avoiding him, he won't stop until he gets what he wants." Rose said.

"Can I not come to Blake's-"

"I'll hunt you down."
