

UNEXPECTED TEMPTATION: BILLIONAIRE LOVE STORIES CHAPTER 94

Sky Locason

"Can we do your punishment again?" Alex asked stupidly.

"Yeah let's do it again!" Max grinned.

"This is my wedding day bastard!" Aaron walked around the room nervously and I can't help but laugh.

"It's look like you will pee in your pants." I said and Aaron glared at me.

"It's not too late to back down." Kenneth said.

"Stupid statement Ken." Aaron wiped his sweat with his some tissues. He's damn nervous.

"Oh by the way Sky.." Sebastian said and I turned to him raising my eyebrows.

"I have the footage of Laura and Peter." He gave me his annoying smirk.

"Really?"

"What did I miss?" Luke asked.

"Sky's ex came yesterday and Ken threatened to reveal her footage of her and Peter together." Alex explained.

"Peter who?" Aaron asked.

"Peter Johnson." I answered.

"What?!" Luke laughed.

"She played with an old man?" Aaron stated and I nodded.

"Good thing you don't ended up with her dude." Max said.

"How sweet of you Maxy." I winked at him and he looked at me in disgust. I laughed and suddenly there's a knocked on the door.

"Mr. Samuel, it's time." The wedding organizer said and I swear his face was so funny. He's nervous and panicked. What's the big deal of getting married? I don't understand.

"Come on Aaron, do it before we take you away." Luke said and Aaron chuckled. He walked out and we all followed him.

"Oh no.. we will lose one friend." Alex pretended to be sad.

"Don't be pussy Lexy!" Aaron said and I saw Sebastian's expression darkens. Mention Lexy might not be the best topic for him.

"Don't be so tense Sebastian." Ken joked.

"Come let's get you married boy." We all walked in first as his best mans, I know we 7 are unseperatable. So if Aaron is getting married so the best man must be the 6 of us.

After we all walked in, Aaron walked in. Aaron's parents are so happy that his son settling down. Because of that my parents started to talk about it too. It annoys me everytime I went to their house.

Sophia already stand by at the door and now the guests stood up. Sophia walked in with her father and the guests were starting to take pictures. I admitted that Sophia is beautiful and the right girl for Aaron.

She can control Aaron just right.

The wedding ceremony went well and now we're all heading to the wedding party. The interesting part is that Sophia wanted a dance floor while Aaron didn't, Sophia made him agree to give the ballroom a dance floor.

Stupid love.

"Look at that bastard!" Luke stood beside me while holding his drink.

"Stupid."

"You look the same." He stated and I raised my eyebrows.

"What are you trying to say Hastington?" I asked.

"How about turning your body around?" He said and left me by walking away. I turned my body to see the girl that I've been missing for the past 2 months. She's standing there a few steps away from me.

She's wearing a cream illusion dress that falls perfectly to her feet, her hair was pulled back into a bun, she looked breathtaking. Her make up was simple and she looked beautiful.

"Hey." She smiled.

"Hey."

"How are you?" She asked and I walked towards her.

"You still have 1 month."

"Didn't you ask me to comeback?" She smiled revealing her thin dimples on her cheeks.

"I didn't expect you to comeback early." I said and she chuckled.

"So you want me to go back to Greece again?" She asked.

"No th- I mean-" I suttered weirdly.

"How are you? How's the company going?" She asked, freaking crap. I can't hold this longer. I took her hand and pulled her outside from the crowd. Taking her to a small balcony and the cold breeze hit our skin right away.

"I'm fine and no the company is not fine." I said honestly and she looked at me quite shock. I kept glancing at her lips.

"Can I go back?" She asked and that make me looked into her eyes.

"What?"

"I don't like to repeat what I said." She imitated me and I chuckled.

"You can."

"Thankyou." She said and I held her hands.

"For what?"

"Everything." That made me looked up to her.

"Why do you decided to comeback? You still have 1 month left." I asked and she chuckled.

"I heard someone have been missing me a lot lately." She smiled and that got me dumbfound.

"Who said that to you? I'm guessing.."

"Alex!" I hissed and she suddenly closed the gap between us. She looked into my eyes and caressed my cheek with the back of her finger.

"What are you thinking now?" She asked and actually I can't think straight with her in this close distance.

"Oops sorry." We both turned to see Aaron smirked widely, I'm going to kill him later.

"Hey Aaron." Janet walked away from me and congratulated Aaron briefly.

"I think your man wants to kill me in second." Aaron joked.

"I'll kill you now!" I walked towards him.

"Not now please, this is my wedding." He begged stupidly and I sighed.

"Sophia called you two because it's time to dance on that freaking annoying dance floor." He hissed and I chuckled. He walked away and I took Janet's hand. Pulling her inside again and walked to the dance floor.

"I can't dance." She said awkwardly.

"It's easy, just follow my lead." I said as I put my right hand on her slim waist, my left hand held her hands. I felt my parents were watching me but I don't freaking care. I miss this girl!

"What if I step on you?" She asked as she looked at the ground.

"There a punishment." I said and start to move slowly.

"And care to tell Mr. Locason?" She raised her eyebrows and I smirked.

"A kiss, everytime you step on me- ow." Her eyes widen.

"I'm sorry." She squealed in panic and I quickly stole a kiss from her pink lips. Her eyes widen. She smacked my chest lightly.

"We're in public, Mr. Locason." She glared at me and I chuckled.

"So what?" I shrugged and suddenly she stepped on my feet again.

"Kiss me." I smirked and she sighed.

"Why do you have to be so evil?" She hissed and I laughed.

"It hurts you know." And she smacked my chest lightly again.

"Don't be such a girl." She said and I can't help but smiled.

"Oh f*** dancing!"

"Don't-" I crashed my lips to her hungrily, 2 months without her was quite hard. She needs to pay for that 2 months.
